WASHINGTON, FRIDAY, FEBRUARY 23, 2018

No. 33

House of Representatives

The House met at 10 a.m. and was called to order by the Speaker pro tempore (Mr. MOONEY of West Virginia).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
February 23, 2018.

I hereby appoint the Honorable ALEXANDER X. MOONEY to act as Speaker pro tempore on this day.

PAUL D. RYAN,
Speaker of the House of Representatives.

PRAYER

Reverend Alisa Lasater Willoo, Capitol Hill United Methodist Church, Washington, D.C., offered the following prayer:

O God, at the end of this week where we have raised up great men, celebrating the life of George Washington and mourning the death of Billy Graham, focus us now on the life and death of Jesus, example to some and Saviour to others.

At the start, He was tempted in the wilderness to put himself above You. Save us, Lord, from lies about our own power.

At every opportunity, Jesus found the sick, the lame, and the ones overlooked by the religious and political establishments. Send us today to those without earthly power but treasured by You.

At His death, He refused to pick up a weapon, and willfully loved those who meant Him harm. God, may we do the same.

And at the tomb, He rose out of the impossible, empowering a few women to share the good news. May we, too, from the highest ranking Member to the newest staffer, be authentic messengers of Your love.

Amen and Amen.

EXTENSIONS OF REMARKS

IN HONOR OF STAFF SERGEANT
DALE BEATTY

HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Mr. HUDSON. Mr. Speaker, I rise today to honor the life and legacy of Staff Sergeant Dale Beatty, a husband, a father and veteran of Operation Iraqi Freedom who passed away on Monday, February 12, 2018. Staff Sergeant Beatty was a true American hero and our thoughts and prayers go out to his family as they mourn the loss of this great man.

When his country needed him the most, it was Staff Sergeant Beatty who answered the call to serve our great nation. While protecting our freedom, Staff Sergeant Beatty and his future business partner, John Gallina, were severely wounded when a mine detonated near their Humvee in Iraq. Staff Sergeant Beatty lost both of his legs as the result of this terrible incident. After returning to the states and living the experiences disabled veterans face, the two veterans started Purple Heart Homes. This veteran owned and operated public charity provides housing opportunities to service-connected disabled veterans. The success of Purple Heart Homes earned Staff Sergeant Beatty the cover of Time Magazine, among many other accolades and commemorations.

His work in the community made certain that the sacrifices of those disabled in battle were not forgotten, and it is that legacy which we celebrate today. While we may have lost this great man, his legacy will live on and we will never forget the sacrifices made by Staff Sergeant Beatty and his family.

Mr. Speaker, please join me today in commemorating the life of Staff Sergeant Dale Beatty for his service to God and country.

POSTHUMOUSLY HONORING DEPUTY U.S. MARSHAL CHRISTOPHER HILL OF PENNSYLVANIA ON HIS SERVICE TO THE UNITED STATES OF AMERICA AND HIS CAREER IN LAW ENFORCEMENT

HON. SCOTT PERRY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Mr. PERRY. Mr. Speaker, today I extend my heartfelt condolences to the family, loved ones and peers of my constituent, Deputy U.S. Marshal Christopher Hill, who was killed in the Line of Duty on Thursday, January 18, 2018. We grieve his passing, and are indebted for his selfless, tireless and devoted years of service as a law enforcement officer.

I've long admired the commitment of people who devote themselves selflessly to serving our Nation and communities. Christopher served our Country as a U.S. Army Ranger, and over 11 years with the U.S. Marshals Service and its Special Operations Group. More importantly, though, he was best known for his devotion to his loving family.

I joined throngs of compatriots at Christopher's memorial service on January 25, 2018, and saw firsthand the results of his tireless dedication, professionalism and sacrifice touched the lives of countless people. He set the standard for all others to follow, and though his legacy will endure in ways too numerous to count, his loss will continue to be felt in myriad and significant ways.

On behalf of Pennsylvania's Fourth Congressional District, I offer my heartfelt condolences to Deputy U.S. Marshal Christopher Hill's family, friends and colleagues on our tragic loss. I thank Christopher and Godspeed, Brother. He'll remain in my heart and prayers.

SUPPORT FOR THE BIPARTISAN
BUDGET ACT OF 2018**HON. JOHN J. FASO**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Mr. FASO. Mr. Speaker, I rise today in support of the Bipartisan Budget Act of 2018.

This budget deal is a step forward that allows Congress to move on and tackle the problems Americans sent us here to solve. It includes a number of provisions that are wins for New Yorkers, including strengthening the state of our military readiness, improving care for our veterans, critical hospital investments, and providing more funding to fight the opioid crisis.

Additionally, I want to express my support for the special committees organized to propose genuine reform to the congressional budget process and another to address the funding crisis for multi-employer pension plans. For far too long, Congress has governed from funding crisis to funding crisis, inhibiting its ability to tackle our nation's most pressing problems.

This bipartisan agreement also includes fixes for several lingering health care related issues, including a two-year reauthorization of the Community Health Center Fund, a two-year elimination of the medical device tax, and an extension of the Medicare Love-Volume Hospital adjustment. This Medicare fix translates to millions of dollars for several Upstate hospitals.

Finally, I am thrilled to see my legislation improving the John H. Chafee Foster Care Independence Program included. This program is critical in assisting older former foster youth transition to an independent life, including providing education and training vouchers. This improvement increases the age the states can provide assistance from 21 to 23.

It should also be noted that the nation faces a looming debt crisis which is not made better by this legislation. My support for the bill was overwhelmingly influenced by the critical defense funding gaps affecting military readiness. Secretary Mattis has been very persuasive in his arguments as to the impacts of the budget sequester on our troops and the need to rebuild core aspects of our national defense. I trust his judgement in this regard.

While there is still much work to be done, I applaud my colleagues for coming together to draft this bipartisan measure, and I am proud the President signed this legislation into law on February 9, 2018.

HONORING THE CAREER OF NANCY
MAZZA**HON. RICHARD HUDSON**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Mr. HUDSON. Mr. Speaker, I rise today to recognize the career of Nancy Mazza and her service to the people of North Carolina.

I've known Nancy for many years, and watched her succeed at every opportunity she was given. She got her start when she joined the National Federation of Republican Women in 1980. Since then, she has served the peo-

ple of North Carolina in many capacities, including the 6th Congressional District Vice Chair and 13th Congressional District Chair for the North Carolina Republican Party, President of the Greater Greensboro Republican Women's Club, President of the North Carolina Federation of Republican Women, Board of Directors and leadership for the National Federation of Republican Women, and North Carolina Ballot Director for Governor George W. Bush.

Over the years, Nancy has dedicated her life to helping constituents who have fallen on hard times and need help cutting through bureaucratic red tape at all levels of government. I first met Nancy back in 1996 when I was fresh out of college and she was working for Congressman Howard Coble in North Carolina's 6th District. Since that time, I've seen firsthand her commitment and passion for service, leading Congressman Coble's constituent services team for many years. After Congressman Coble retired in 2015, Nancy took her talents to Senator THOM TILLIS, where she has continued her dedicated service managing Senator TILLIS' constituent service operations for the Piedmont.

Nancy was inducted into the North Carolina Republican Party Hall of Fame in 2007 and received the Order of the Long Leaf Pine—the highest award a North Carolinian can receive—in 2016. I am extremely grateful for Nancy's service to North Carolina, and I wish her continued success in her well-deserved retirement.

Mr. Speaker, please join me today in commemorating the career of Nancy Mazza.

HONORING RYAN HOLETS

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to recognize Albuquerque Police Officer Ryan Hollets and his wife Rebecca for their act of kindness and compassion in adopting a homeless mother's opioid-addicted newborn while also supporting her recovery.

While on patrol, Ryan found a homeless woman with a companion, taking opioids in the form of heroin. He soon realized that the woman was pregnant. While talking to the woman about the harm that her actions would bring to her unborn child, she became emotional and told Ryan that she knew what she was doing was wrong.

Immediately, Ryan knew it was an opportunity for him and his wife to adopt the baby and add a new member to their family. He showed the woman a photo of his wife, Rebecca, and their four children and offered to adopt the baby.

When he shared the news with Rebecca, she immediately agreed that this was meant to happen and was a wonderful opportunity given to them by God. They did not have any hesitation to show compassion and love to this unborn child.

On October 12, 2017, the baby was born and the Hollets family named her Hope. Since Hope's birth, the Hollets family has continued to give support to her parents and encouraged them to seek treatment at a rehabilitation facility in Florida.

Ryan has become an incredible spokesperson for the opioid epidemic. His perspective as an officer who sees the effects of drug abuse and homelessness is key to understanding these issues and identifying solutions that are compassionate and effective.

This heart-warming act of kindness was selfless and inspiring. I wish the very best to the Hollets family and health to their new addition, Hope.

IN RECOGNITION OF GEORGE G.

Mr. JOYCE of Ohio. Mr. Speaker, I would like to acknowledge an exceptional school in my district, the George G. The teachers and administrators go above and beyond their normal duties to educate and influence young minds to succeed academically, socially, and in their future professions. There is no greater cause than educating the minds of the future. As a father, I know the amount of trust parents put into the hands of our educators. Knowing our school districts are exceeding in efforts for our children to succeed creates a closer, more positive community for the students, parents, and all involved in the surrounding neighborhoods. TRIBUTE TO MRS. BARBARA
HICKEY**HON. BARRY LOUDERMILK**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Mr. LOUDERMILK. Mr. Speaker, I rise today to pay tribute to a good friend, Mrs. Barbara Hickey, a woman who has devoted her life to improving the lives of individuals in her community.

Barbara grew up in Niagara Falls, New York, the oldest of five children, and has been politically active since high school. Marrying a soldier curtailed her opportunity to run for public office, but after twenty-seven years in the U.S. Army traveling and living overseas and across the United States, they came to the state of Georgia and became active in Republican politics. Barbara and her husband, Jim, moved to Cobb County in 2001 and reside in Mableton. Barbara and Jim have four children and four grandchildren. Among her many accomplishments, Barbara founded The Etiquette School of Atlanta, where she teaches classes and workshops to enhance personal effectiveness for adults and children. She has served as a consultant at NASA Headquarters in Washington, D.C., the United States Department of Agriculture, and as a Master Trainer for the Army Family Team Building Program. Barbara has served her community and state tirelessly as an integral part of many organizations, such as the South Cobb Business Association, Cobb County Chamber of Commerce, the Georgia Federation of Republican Women, Cobb County Republican Women's Club, and the Cobb County Republicans, among others. On behalf of the people of Georgia's 11th Congressional District and the United States House of Representatives, I commend Barbara Hickey for her many years of outstanding, dedicated and effective service.

CONGRATULATING MAJOR GENERAL AL AYCOCK ON RECEIVING THE 2018 GREATER FAYETTEVILLE CHAMBER CHAIRMAN'S AWARD

HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Mr. HUDSON. Mr. Speaker, I rise today to recognize Major General Al Aycock as the recipient of the 2018 Greater Fayetteville Chamber Chairman's Award.

The Chairman's Award is presented to the volunteer who has gone above and beyond in service of the Greater Fayetteville Chamber over the past year. This prestigious award is selected by the Chairman of the Chamber's Board of Directors, and is one of the highest honors a community leader can receive. Everyone who knows Maj. Gen. Aycock can attest that he's as deserving as any recipient we've ever had for this award.

Maj. Gen. Aycock served almost 40 years in the military, with 20 of those years at Fort Bragg. Assigned to the 82nd Airborne Division and Special Forces as Company Commander, Maj. Gen. Aycock excelled in developing the next generation of special warfare operators. He led the Special Forces Qualification Course, including Robin Sage, and commanded the 2nd Battalion of the 1st Special Warfare Training Group, responsible for the training of Special Operations personnel in Military Freefall, Underwater Operations, Close Quarters Combat and Survival, Evasion, Resistance and Escape (SERE). I thank Gen. Aycock for his service to our community and our nation. His sacrifices have not gone unnoticed by his friends and neighbors here in Fayetteville.

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Mr. DENHAM. Mr. Speaker, I rise today to congratulate and honor the City of Ceres, located in the California Central Valley, on a tremendous milestone—the completion of its first centennial.

As the City of Ceres enters into its 100th year, they wish to honor and mark its history of a community working together to bring a cityhood of achievement into existence. The name "Ceres" was selected by Elma J. Carter in 1871 to honor the warehouses and granary of her grandfather; the name meaning health, beauty, fruitfulness, and wholesomeness.

Daniel Whitmore is accredited with building the City's first house in 1870 and served as the first cartographer of the land on February 20, 1875. Ceres emerged as a township in January of 1910, consequent to the formation of the Ceres Judicial District. Simultaneously, the citizens of Ceres worked to assimilate as a city in California. It was not until February 25, 1918 that the inhabitants decided to incorporate as a general law city of the State of California.

Mr. Speaker, please join me in commemorating and congratulating the City of Ceres on the completion of its first centennial, and wish them a myriad to come.

HONORING AIR FORCE RESEARCH LABORATORY OF NEW MEXICO

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to honor Air Force Research Laboratory of New Mexico—

an organization committed to engaging our community, especially youth, in the fields of science, technology, engineering, and mathematics.

The Air Force Research Laboratory's STEM Outreach Program in New Mexico organizes several programs that encourage students, from elementary through graduate school, to pursue careers in STEM fields. In 2017, the Laboratory's outreach efforts were aimed at expanding the number of student's served—a goal they've undoubtedly achieved. Their programs, such as Mission to Mars, DoD STARBASE, and the Robotics Challenge, reached over 2,700 students last year. Seventy three percent of the participants were minority or underrepresented students, and half were female.

While incredibly dedicated to their own work, the Air Force Research Laboratory recognizes the value of collaborating with the community. Through marketing, financial, and organizational support, the Laboratory strengthened the Discovery Festival which introduced fun, interactive STEM exhibits to over 1,400 students in New Mexico.

Additionally, by creating a formal STEM matching program with school districts and their foundations across New Mexico, the Laboratory increased staff volunteer hours to provide quality classroom instruction and projects in ways that are tailored to teachers' curriculum and individual classroom needs.

The Air Force Research Laboratory of New Mexico's participation in my district office's Congressional App Challenge, a competition that encourages children to code, enriched the overall experience for local students. Laboratory staff took part in judging the submissions and provided live demonstrations for the students and their families during the awards reception.

Last but certainly not least, in order to promote the importance of STEM learning, Air Force Research Laboratory is hosting New Mexico's premiere Excellence in STEM Awards. The "STEMys" will celebrate the accomplishments of students, teachers, schools, organizations, businesses, and volunteers devoted to STEM learning in New Mexico.

I am incredibly proud of the work the Air Force Research Laboratory of New Mexico has done for the state's students. Their agency has inspired young minds to dream big, seize their future, and make the world a better place. I look forward to see the Laboratory's influence grow as they continue to educate and inspire New Mexicans.

RECOGNIZING THE INTERNATIONAL CAMPAIGN TO ABOLISH NUCLEAR WEAPONS

HON. JAMIE RASKIN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Mr. RASKIN. Mr. Speaker, I rise today to recognize the International Campaign to Abolish Nuclear Weapons (ICAN), which was awarded the 2017 Nobel Peace Prize for its powerful and invaluable work to make the world a safer and more peaceful place. The organization is a coalition of non-governmental organizations (NGO) that pursues one of the continuing great imperatives of our time: the control and eventual elimination of nuclear weapons.

ICAN sought to build on the notable success of the Ottawa Treaty, which 163 signatories have signed agreeing to ban the use and possession of landmines. Previous international agreements have banned cluster munitions and the use of biological and chemical weapons, but no such agreement prohibits the use of nuclear weapons. By combining the efforts of hundreds of NGOs in 100 countries, ICAN draws international attention to the horrifying humanitarian consequences of armed conflict and the devastating specific threat posed by nuclear weapons.

After its founding in 2007, ICAN coordinated efforts around three international conferences—in Oslo, Nayarit, and Vienna—that considered the effects of nuclear detonation and worked toward a binding international agreement. After the Vienna agreement, ICAN worked with more than 100 governments on a nuclear humanitarian pledge to cooperate on efforts to “fill the legal gap” in the international regime governing the use of nuclear weapons. This effort helped the United Nations develop the first legal framework for nuclear prohibition. Thus far, 122 governments have signed the Treaty on the Prohibition of Nuclear Weapons, the first binding international agreement of its kind. Through ICAN’s efforts, the world is moving forward in the campaign to eliminate some of the most inhumane and destructive weapons ever created.

The existential threat of nuclear conflict looms ever larger in our daily lives. Although anti-proliferation efforts have dramatically reduced the number of state-held nuclear arms, the 15,000 nuclear weapons that remain continue to pose an unparalleled and complete threat to the future of humankind. The consequences of nuclear war are devastating and irreversible. We must do everything in our power to prevent such a calamity.

I commend ICAN for its tireless advocacy for a strong and effective nuclear weapons ban treaty, and applaud its essential work to make the world a safer place for us all humanity.

RECOGNIZING GIRL SCOUT TROOP 2672

HON. NYDIA M. VELÁZQUEZ

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Ms. VELÁZQUEZ. Mr. Speaker, I rise to recognize Girl Scout Troop 2672 and espe-

cially Samantha Roberts, Elena Marquez, Dahlia Sussman, and Zola Coppa for raising money to help children in Puerto Rico after Hurricane Maria. Their event was a big success, and I applaud them for their creativity and dedication. Puerto Rico needs all the help it can get—and these young leaders are to be commended for helping the Island’s residents during these difficult times.

By engaging fellow students to raise money at a bowling event, Troop 2672 was able to rally a community around an important cause. It is inspiring to see young people identifying a purpose and then taking meaningful steps to help.

Puerto Rico and New York City have long shared a powerful bond, and it is too often forgotten that the people of Puerto Rico are American citizens. The efforts of these dedicated Girl Scouts are an important reminder that we cannot turn our backs on the Island.

It is great to see young women taking leadership roles and making a difference in both their local communities and for Puerto Rico. My best wishes to Troop 2672 as they continue the school year and Girl Scout activities and projects. I am heartened by their resolve and inspired by their desire to lend a helping hand. These young leaders make all New Yorkers proud.

HONORING THE REVEREND BILLY GRAHAM

HON. MARK WALKER

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 23, 2018

Mr. WALKER. Mr. Speaker, Reverend Billy Graham was the premier example of how faith, hope and love can transcend political parties, backgrounds, cultures and affiliations.

Rev. Graham preached to tens of millions. He preached Christ. His death and resurrection.

Despite holding favor and serving as a spiritual advisor to presidents, kings and queens—and having a world renowned impact and legacy—Graham always remained grounded in humility.

That speaks to his character. But it speaks to Christ’s spirit in Rev. Graham.

Even as he preached to stadiums filled with tens of thousands, you knew that Rev. Graham cared about you as an individual, your life and your future.

Earning the titles “America’s Pastor” and “North Carolina’s favorite son,” a small-town pastor from North Carolina, who grew up on a dairy farm, preached the love and name of Jesus Christ. Never wavering, he changed the world—bringing thousands of lives to salvation and eternal life.

For me, Rev. Graham will always be remembered for his focus on redemption and the idea that there is limitless hope, opportunity and freedom for every human life.

Though I am not worthy to carry the old worn out Bible of Billy Graham, I am honored to be presenting the resolution to authorize Rev. Graham’s body to be the fourth American to lie in honor at the United States Capitol, the epicenter of our government. For almost a century, Rev. Graham changed lives and influenced our nation for the better.

Though Reverend Graham never chased the honor of men, next week he will lie in honor for two days. We take comfort knowing that Rev. Graham has entered paradise and lives forever to honor the name above all names, the name of Jesus.
