Congressional Record

PROCEEDINGS AND DEBATES OF THE 115th CONGRESS, SECOND SESSION

Vol. 164

WASHINGTON, MONDAY, SEPTEMBER 10, 2018

No. 150

Senate

The Senate was not in session today. Its next meeting will be held on Tuesday, September 11, 2018, at 5 p.m.

House of Representatives

MONDAY, SEPTEMBER 10, 2018

The House met at 3:30 p.m. and was called to order by the Speaker pro tempore (Mr. MITCHELL).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
September 10, 2018.

I hereby appoint the Honorable PAUL MITCHELL to act as Speaker pro tempore on this day.

PAUL D. RYAN,
Speaker of the House of Representatives.

PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer:

Merciful God, we give You thanks for giving us another day.

In this 17th year of post-9/11, we pray that the children of this generation and their children's children may never have to experience another day like the one that flooded our TV screens so many years ago.

Bless those who mourn still those who were lost, and continue to bless all first responders, whose work continues into future times of stress and need.

Protect and guide this Nation to a new security, built upon human integrity and communal solidarity with all who love freedom and human dignity, while respecting the lives and beliefs of others.

Empower the Members of Congress and governments around the world to

establish just laws and seek the common good that will lead to ways of equity and peace.

May all that is done this day be for Your greater honor and glory.

Amen.

THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Idaho (Mr. SIMPSON) come forward and lead the House in the Pledge of Allegiance.

Mr. SIMPSON led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

RESIGNATION FROM THE HOUSE OF REPRESENTATIVES

The SPEAKER pro tempore laid before the House the following resignation from the House of Representatives:

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
Washington, DC, September 10, 2018.

DEAR SPEAKER RYAN: One of my guiding principles during my tenure in Congress has been to protect the taxpayers that I rep-

resent. This is why in my first days in office, I rejected my congressional pension, turned down the healthcare subsidy for members of Congress, and fought against a congressional pay raise. I believe members of Congress should not be treated any differently than those they govern. I've done my best to live these principles: I refused my pay during government shutdowns and have slept in my office to cut costs and be a more effective legislator.

During my time in Congress, we've been able to accomplish some great things. I've had the honor to lead on important issues such as eliminating the Sexual Harassment Slush Fund for members of Congress, increasing protections for sexual assault victims in the military, and getting the PAWS Act to the floor for a vote later this month, which will provide much needed help for service members dealing with Post-Traumatic Stress. I've also been proud to play a significant role in helping pass one of the largest tax cuts in our country's history and moving the U.S. Embassy in Israel to Jerusalem.

As the Republican nominee for Governor of Florida, it is clear to me that I will likely miss the vast majority of our remaining session days for this Congress. Under these circumstances, it would be inappropriate for me to accept a salary. In order to honor my principles and protect the taxpayer, I officially resign from the House of Representatives effective immediately. For purposes of pay, I ask that my resignation be retroactive to September 1 so that I do not receive any pay for the month of September.

This is not a decision I make lightly. It has been an honor to serve the people of Florida's Sixth Congressional District, and I look forward to serving them and the rest of Florida as our state's next Governor.

Respectfully,

RON DESANTIS.

H7945

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
Washington, DC, September 10, 2018.
Governor RICK SCOTT,
State of Florida,
Tallahassee, FL.

DEAR GOVERNOR SCOTT: I hereby submit my resignation as the United States Representative of the 6th Congressional District of Florida, effective immediately.

Please find the attached letter I have submitted to the Speaker of the United States House of Representatives.

Sincerely,

RON DESANTIS.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Under clause 5(d) of rule XX, the Chair announces to the House that, in light of the resignation of the gentleman from Florida (Mr. DESANTIS), the whole number of the House is 429.

CONFERENCE REPORT ON H.R. 5895, ENERGY AND WATER, LEGISLATIVE BRANCH, AND MILITARY CONSTRUCTION AND VETERANS AFFAIRS APPROPRIATIONS ACT, 2019

Mr. SIMPSON submitted the following conference report and statement on the bill (H.R. 5895) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2019, and for other purposes:

CONFERENCE REPORT (H. REPT. 115-929)

The committee of conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 5895), making appropriations for the energy and water development and related agencies for the fiscal year ending September 30, 2019, and for other purposes, having met, after full and free conference, have agreed to recommend and do recommend to their respective Houses as follows:

That the House recede from its disagreement to the amendment of the Senate and agree to the same with an amendment as follows:

In lieu of the matter proposed to be inserted by the Senate amendment, insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the “Energy and Water, Legislative Branch, and Military Construction and Veterans Affairs Appropriations Act, 2019”.

SEC. 2. TABLE OF CONTENTS.

The table of contents of this Act is as follows:

- Sec. 1. Short title.
- Sec. 2. Table of contents.
- Sec. 3. References.
- Sec. 4. Statement of appropriations.

DIVISION A—ENERGY AND WATER DEVELOPMENT AND RELATED AGENCIES APPROPRIATIONS ACT, 2019

Title I—Corps of Engineers—Civil
Title II—Department of the Interior
Title III—Department of Energy
Title IV—Independent Agencies
Title V—General Provisions

DIVISION B—LEGISLATIVE BRANCH APPROPRIATIONS ACT, 2019

Title I—Legislative Branch
Title II—General Provisions

DIVISION C—MILITARY CONSTRUCTION, VETERANS AFFAIRS, AND RELATED AGENCIES APPROPRIATIONS ACT, 2019

Title I—Department of Defense
Title II—Department of Veterans Affairs
Title III—Related Agencies
Title IV—Overseas Contingency Operations
Title V—General Provisions

SEC. 3. REFERENCES.

Except as expressly provided otherwise, any reference to “this Act” contained in any division of this Act shall be treated as referring only to the provisions of that division.

SEC. 4. STATEMENT OF APPROPRIATIONS.

The following sums in this Act are appropriated, out of any money in the Treasury not otherwise appropriated, for the fiscal year ending September 30, 2019.

DIVISION A—ENERGY AND WATER DEVELOPMENT AND RELATED AGENCIES APPROPRIATIONS ACT, 2019

TITLE I

CORPS OF ENGINEERS—CIVIL DEPARTMENT OF THE ARMY CORPS OF ENGINEERS—CIVIL

The following appropriations shall be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers for authorized civil functions of the Department of the Army pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related efforts.

INVESTIGATIONS

For expenses necessary where authorized by law for the collection and study of basic information pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration projects, and related efforts prior to construction; for restudy of authorized projects; and for miscellaneous investigations, and, when authorized by law, surveys and detailed studies, and plans and specifications of projects prior to construction, \$125,000,000, to remain available until expended: *Provided*, That the Secretary shall initiate six new study starts during fiscal year 2019: *Provided further*, That the Secretary shall not deviate from the new starts proposed in the work plan, once the plan has been submitted to the Committees on Appropriations of both Houses of Congress.

CONSTRUCTION

For expenses necessary for the construction of river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related projects authorized by law; for conducting detailed studies, and plans and specifications, of such projects (including those involving participation by States, local governments, or private groups) authorized or made eligible for selection by law (but such detailed studies, and plans and specifications, shall not constitute a commitment of the Government to construction); \$2,183,000,000, to remain available until expended; of which such sums as are necessary to cover the Federal share of construction costs for facilities under the Dredged Material Disposal Facilities program shall be derived from the Harbor Maintenance Trust Fund as authorized by Public Law 104-303; and of which such sums as are necessary to cover one-half of the costs of construction, replacement, rehabilitation, and expansion of inland waterways projects, except for Chickamauga Lock, Tennessee River, Tennessee, which shall be 15 percent during the fiscal year covered by this Act,

shall be derived from the Inland Waterways Trust Fund, except as otherwise specifically provided for in law: *Provided*, That the Secretary shall initiate five new construction starts during fiscal year 2019: *Provided further*, That for new construction projects, project cost sharing agreements shall be executed as soon as practicable but no later than September 30, 2019: *Provided further*, That no allocation for a new start shall be considered final and no work allowance shall be made until the Secretary provides to the Committees on Appropriations of both Houses of Congress an out-year funding scenario demonstrating the affordability of the selected new starts and the impacts on other projects: *Provided further*, That the Secretary may not deviate from the new starts proposed in the work plan, once the plan has been submitted to the Committees on Appropriations of both Houses of Congress.

MISSISSIPPI RIVER AND TRIBUTARIES

For expenses necessary for flood damage reduction projects and related efforts in the Mississippi River alluvial valley below Cape Girardeau, Missouri, as authorized by law, \$368,000,000, to remain available until expended, of which such sums as are necessary to cover the Federal share of eligible operation and maintenance costs for inland harbors shall be derived from the Harbor Maintenance Trust Fund.

OPERATION AND MAINTENANCE

For expenses necessary for the operation, maintenance, and care of existing river and harbor, flood and storm damage reduction, aquatic ecosystem restoration, and related projects authorized by law; providing security for infrastructure owned or operated by the Corps, including administrative buildings and laboratories; maintaining harbor channels provided by a State, municipality, or other public agency that serve essential navigation needs of general commerce, where authorized by law; surveying and charting northern and northwestern lakes and connecting waters; clearing and straightening channels; and removing obstructions to navigation, \$3,739,500,000, to remain available until expended, of which such sums as are necessary to cover the Federal share of eligible operation and maintenance costs for coastal harbors and channels, and for inland harbors shall be derived from the Harbor Maintenance Trust Fund; of which such sums as become available from the special account for the Corps of Engineers established by the Land and Water Conservation Fund Act of 1965 shall be derived from that account for resource protection, research, interpretation, and maintenance activities related to resource protection in the areas at which outdoor recreation is available; and of which such sums as become available from fees collected under section 217 of Public Law 104-303 shall be used to cover the cost of operation and maintenance of the dredged material disposal facilities for which such fees have been collected: *Provided*, That 1 percent of the total amount of funds provided for each of the programs, projects, or activities funded under this heading shall not be allocated to a field operating activity prior to the beginning of the fourth quarter of the fiscal year and shall be available for use by the Chief of Engineers to fund such emergency activities as the Chief of Engineers determines to be necessary and appropriate, and that the Chief of Engineers shall allocate during the fourth quarter any remaining funds which have not been used for emergency activities proportionally in accordance with the amounts provided for the programs, projects, or activities.

REGULATORY PROGRAM

For expenses necessary for administration of laws pertaining to regulation of navigable

waters and wetlands, \$200,000,000, to remain available until September 30, 2020.

FORMERLY UTILIZED SITES REMEDIAL ACTION PROGRAM

For expenses necessary to clean up contamination from sites in the United States resulting from work performed as part of the Nation's early atomic energy program, \$150,000,000, to remain available until expended.

FLOOD CONTROL AND COASTAL EMERGENCIES

For expenses necessary to prepare for flood, hurricane, and other natural disasters and support emergency operations, repairs, and other activities in response to such disasters as authorized by law, \$35,000,000, to remain available until expended.

EXPENSES

For expenses necessary for the supervision and general administration of the civil works program in the headquarters of the Corps of Engineers and the offices of the Division Engineers; and for costs of management and operation of the Humphreys Engineer Center Support Activity, the Institute for Water Resources, the United States Army Engineer Research and Development Center, and the United States Army Corps of Engineers Finance Center allocable to the civil works program, \$193,000,000, to remain available until September 30, 2020, of which not to exceed \$5,000 may be used for official reception and representation purposes and only during the current fiscal year: *Provided*, That no part of any other appropriation provided in this title shall be available to fund the civil works activities of the Office of the Chief of Engineers or the civil works executive direction and management activities of the division offices: *Provided further*, That any Flood Control and Coastal Emergencies appropriation may be used to fund the supervision and general administration of emergency operations, repairs, and other activities in response to any flood, hurricane, or other natural disaster.

OFFICE OF THE ASSISTANT SECRETARY OF THE ARMY FOR CIVIL WORKS

For the Office of the Assistant Secretary of the Army for Civil Works as authorized by 10 U.S.C. 3016(b)(3), \$5,000,000, to remain available until September 30, 2020: *Provided*, That not more than 25 percent of such amount may be obligated or expended until the Assistant Secretary submits to the Committees on Appropriations of both Houses of Congress a work plan that allocates at least 95 percent of the additional funding provided under each heading in this title, as designated under such heading in the joint explanatory statement accompanying this Act, to specific programs, projects, or activities.

GENERAL PROVISIONS—CORPS OF ENGINEERS—CIVIL

(INCLUDING TRANSFER OF FUNDS)

SEC. 101. (a) None of the funds provided in title I of this Act, or provided by previous appropriations Acts to the agencies or entities funded in title I of this Act that remain available for obligation or expenditure in fiscal year 2019, shall be available for obligation or expenditure through a reprogramming of funds that:

(1) creates or initiates a new program, project, or activity;

(2) eliminates a program, project, or activity;

(3) increases funds or personnel for any program, project, or activity for which funds have been denied or restricted by this Act, unless prior approval is received from the House and Senate Committees on Appropriations;

(4) proposes to use funds directed for a specific activity for a different purpose, unless

prior approval is received from the House and Senate Committees on Appropriations;

(5) augments or reduces existing programs, projects, or activities in excess of the amounts contained in paragraphs (6) through (10), unless prior approval is received from the House and Senate Committees on Appropriations;

(6) INVESTIGATIONS.—For a base level over \$100,000, reprogramming of 25 percent of the base amount up to a limit of \$150,000 per project, study or activity is allowed: *Provided*, That for a base level less than \$100,000, the reprogramming limit is \$25,000: *Provided further*, That up to \$25,000 may be reprogrammed into any continuing study or activity that did not receive an appropriation for existing obligations and concomitant administrative expenses;

(7) CONSTRUCTION.—For a base level over \$2,000,000, reprogramming of 15 percent of the base amount up to a limit of \$3,000,000 per project, study or activity is allowed: *Provided*, That for a base level less than \$2,000,000, the reprogramming limit is \$300,000: *Provided further*, That up to \$3,000,000 may be reprogrammed for settled contractor claims, changed conditions, or real estate deficiency judgments: *Provided further*, That up to \$300,000 may be reprogrammed into any continuing study or activity that did not receive an appropriation for existing obligations and concomitant administrative expenses;

(8) OPERATION AND MAINTENANCE.—Unlimited reprogramming authority is granted for the Corps to be able to respond to emergencies: *Provided*, That the Chief of Engineers shall notify the House and Senate Committees on Appropriations of these emergency actions as soon thereafter as practicable: *Provided further*, That for a base level over \$1,000,000, reprogramming of 15 percent of the base amount up to a limit of \$5,000,000 per project, study, or activity is allowed: *Provided further*, That for a base level less than \$1,000,000, the reprogramming limit is \$150,000: *Provided further*, That \$150,000 may be reprogrammed into any continuing study or activity that did not receive an appropriation;

(9) MISSISSIPPI RIVER AND TRIBUTARIES.—The reprogramming guidelines in paragraphs (6), (7), and (8) shall apply to the Investigations, Construction, and Operation and Maintenance portions of the Mississippi River and Tributaries Account, respectively; and

(10) FORMERLY UTILIZED SITES REMEDIAL ACTION PROGRAM.—Reprogramming of up to 15 percent of the base of the receiving project is permitted.

(b) DE MINIMUS REPROGRAMMINGS.—In no case should a reprogramming for less than \$50,000 be submitted to the House and Senate Committees on Appropriations.

(c) CONTINUING AUTHORITIES PROGRAM.—Subsection (a)(1) shall not apply to any project or activity funded under the continuing authorities program.

(d) Not later than 60 days after the date of enactment of this Act, the Secretary shall submit a report to the House and Senate Committees on Appropriations to establish the baseline for application of reprogramming and transfer authorities for the current fiscal year which shall include:

(1) A table for each appropriation with a separate column to display the President's budget request, adjustments made by Congress, adjustments due to enacted rescissions, if applicable, and the fiscal year enacted level; and

(2) A delineation in the table for each appropriation both by object class and program, project and activity as detailed in the budget appendix for the respective appropriations; and

(3) An identification of items of special congressional interest.

SEC. 102. The Secretary shall allocate funds made available in this Act solely in accordance with the provisions of this Act and the joint explanatory statement accompanying this Act, including the determination and designation of new starts.

SEC. 103. None of the funds made available in this title may be used to award or modify any contract that commits funds beyond the amounts appropriated for that program, project, or activity that remain unobligated, except that such amounts may include any funds that have been made available through reprogramming pursuant to section 101.

SEC. 104. The Secretary of the Army may transfer to the Fish and Wildlife Service, and the Fish and Wildlife Service may accept and expend, up to \$5,400,000 of funds provided in this title under the heading "Operation and Maintenance" to mitigate for fisheries lost due to Corps of Engineers projects.

SEC. 105. None of the funds in this Act shall be used for an open lake placement alternative for dredged material, after evaluating the least costly, environmentally acceptable manner for the disposal or management of dredged material originating from Lake Erie or tributaries thereto, unless it is approved under a State water quality certification pursuant to section 401 of the Federal Water Pollution Control Act (33 U.S.C. 1341): *Provided*, That until an open lake placement alternative for dredged material is approved under a State water quality certification, the Corps of Engineers shall continue upland placement of such dredged material consistent with the requirements of section 101 of the Water Resources Development Act of 1986 (33 U.S.C. 2211).

SEC. 106. None of the funds made available in this title may be used for any acquisition of buoy chain that is not consistent with 48 CFR 225.7007, subsections (a)(1) and (a)(2).

SEC. 107. None of the funds made available by this Act may be used to carry out any water supply reallocation study under the Wolf Creek Dam, Lake Cumberland, Kentucky, project authorized under the Act of July 24, 1946 (60 Stat. 636, ch. 595).

SEC. 108. None of the funds made available by this Act may be used to require a permit for the discharge of dredged or fill material under the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.) for the activities identified in subparagraphs (A) and (C) of section 404(f)(1) of the Act (33 U.S.C. 1344(f)(1)(A), (C)).

SEC. 109. For fiscal year 2019, none of the funds provided in this Act or available in the revolving fund established by the Civil Functions Appropriations Act of 1954 (33 U.S.C. 576(a)) may be obligated or expended on a new hopper dredge.

SEC. 110. None of the funds made available by this Act or any other Act may be used to reorganize or to transfer the Civil Works functions or authority of the Corps of Engineers or the Secretary of the Army to another department or agency.

TITLE II

DEPARTMENT OF THE INTERIOR

CENTRAL UTAH PROJECT

CENTRAL UTAH PROJECT COMPLETION ACCOUNT

For carrying out activities authorized by the Central Utah Project Completion Act, \$15,000,000, to remain available until expended, of which \$898,000 shall be deposited into the Utah Reclamation Mitigation and Conservation Account for use by the Utah Reclamation Mitigation and Conservation Commission: *Provided*, That of the amount provided under this heading, \$1,398,675 shall be available until September 30, 2020, for expenses necessary in carrying out related responsibilities of the Secretary of the Interior: *Provided further*, That for fiscal year

2019, of the amount made available to the Commission under this Act or any other Act, the Commission may use an amount not to exceed \$1,500,000 for administrative expenses.

BUREAU OF RECLAMATION

The following appropriations shall be expended to execute authorized functions of the Bureau of Reclamation:

WATER AND RELATED RESOURCES (INCLUDING TRANSFERS OF FUNDS)

For management, development, and restoration of water and related natural resources and for related activities, including the operation, maintenance, and rehabilitation of reclamation and other facilities, participation in fulfilling related Federal responsibilities to Native Americans, and related grants to, and cooperative and other agreements with, State and local governments, federally recognized Indian tribes, and others, \$1,391,992,000, to remain available until expended, of which \$67,393,000 shall be available for transfer to the Upper Colorado River Basin Fund and \$5,551,000 shall be available for transfer to the Lower Colorado River Basin Development Fund; of which such amounts as may be necessary may be advanced to the Colorado River Dam Fund: *Provided*, That such transfers may be increased or decreased within the overall appropriation under this heading: *Provided further*, That within available funds, \$250,000 shall be for grants and financial assistance for educational activities: *Provided further*, That of the total appropriated, the amount for program activities that can be financed by the Reclamation Fund or the Bureau of Reclamation special fee account established by 16 U.S.C. 6806 shall be derived from that Fund or account: *Provided further*, That funds contributed under 43 U.S.C. 395 are available until expended for the purposes for which the funds were contributed: *Provided further*, That funds advanced under 43 U.S.C. 397a shall be credited to this account and are available until expended for the same purposes as the sums appropriated under this heading: *Provided further*, That of the amounts provided herein, funds may be used for high-priority projects which shall be carried out by the Youth Conservation Corps, as authorized by 16 U.S.C. 1706.

CENTRAL VALLEY PROJECT RESTORATION FUND

For carrying out the programs, projects, plans, habitat restoration, improvement, and acquisition provisions of the Central Valley Project Improvement Act, \$62,008,000, to be derived from such sums as may be collected in the Central Valley Project Restoration Fund pursuant to sections 3407(d), 3404(c)(3), and 3405(f) of Public Law 102-575, to remain available until expended: *Provided*, That the Bureau of Reclamation is directed to assess and collect the full amount of the additional mitigation and restoration payments authorized by section 3407(d) of Public Law 102-575: *Provided further*, That none of the funds made available under this heading may be used for the acquisition or leasing of water for instream purposes if the water is already committed to in-stream purposes by a court adopted decree or order.

CALIFORNIA BAY-DELTA RESTORATION (INCLUDING TRANSFERS OF FUNDS)

For carrying out activities authorized by the Water Supply, Reliability, and Environmental Improvement Act, consistent with plans to be approved by the Secretary of the Interior, \$35,000,000, to remain available until expended, of which such amounts as may be necessary to carry out such activities may be transferred to appropriate accounts of other participating Federal agencies to carry out authorized purposes: *Provided*, That funds appropriated herein may be used for

the Federal share of the costs of CALFED Program management: *Provided further*, That CALFED implementation shall be carried out in a balanced manner with clear performance measures demonstrating concurrent progress in achieving the goals and objectives of the Program.

POLICY AND ADMINISTRATION

For expenses necessary for policy, administration, and related functions in the Office of the Commissioner, the Denver office, and offices in the five regions of the Bureau of Reclamation, to remain available until September 30, 2020, \$61,000,000, to be derived from the Reclamation Fund and be nonreimbursable as provided in 43 U.S.C. 377: *Provided*, That no part of any other appropriation in this Act shall be available for activities or functions budgeted as policy and administration expenses.

ADMINISTRATIVE PROVISION

Appropriations for the Bureau of Reclamation shall be available for purchase of not to exceed five passenger motor vehicles, which are for replacement only.

GENERAL PROVISIONS—DEPARTMENT OF THE INTERIOR

SEC. 201. (a) None of the funds provided in title II of this Act for Water and Related Resources, or provided by previous or subsequent appropriations Acts to the agencies or entities funded in title II of this Act for Water and Related Resources that remain available for obligation or expenditure in fiscal year 2019, shall be available for obligation or expenditure through a reprogramming of funds that—

(1) initiates or creates a new program, project, or activity;

(2) eliminates a program, project, or activity;

(3) increases funds for any program, project, or activity for which funds have been denied or restricted by this Act, unless prior approval is received from the Committees on Appropriations of the House of Representatives and the Senate;

(4) restarts or resumes any program, project or activity for which funds are not provided in this Act, unless prior approval is received from the Committees on Appropriations of the House of Representatives and the Senate;

(5) transfers funds in excess of the following limits, unless prior approval is received from the Committees on Appropriations of the House of Representatives and the Senate:

(A) 15 percent for any program, project or activity for which \$2,000,000 or more is available at the beginning of the fiscal year; or

(B) \$400,000 for any program, project or activity for which less than \$2,000,000 is available at the beginning of the fiscal year;

(6) transfers more than \$500,000 from either the Facilities Operation, Maintenance, and Rehabilitation category or the Resources Management and Development category to any program, project, or activity in the other category, unless prior approval is received from the Committees on Appropriations of the House of Representatives and the Senate; or

(7) transfers, where necessary to discharge legal obligations of the Bureau of Reclamation, more than \$5,000,000 to provide adequate funds for settled contractor claims, increased contractor earnings due to accelerated rates of operations, and real estate deficiency judgments, unless prior approval is received from the Committees on Appropriations of the House of Representatives and the Senate.

(b) Subsection (a)(5) shall not apply to any transfer of funds within the Facilities Operation, Maintenance, and Rehabilitation category.

(c) For purposes of this section, the term transfer means any movement of funds into or out of a program, project, or activity.

(d) The Bureau of Reclamation shall submit reports on a quarterly basis to the Committees on Appropriations of the House of Representatives and the Senate detailing all the funds reprogrammed between programs, projects, activities, or categories of funding. The first quarterly report shall be submitted not later than 60 days after the date of enactment of this Act.

SEC. 202. (a) None of the funds appropriated or otherwise made available by this Act may be used to determine the final point of discharge for the interceptor drain for the San Luis Unit until development by the Secretary of the Interior and the State of California of a plan, which shall conform to the water quality standards of the State of California as approved by the Administrator of the Environmental Protection Agency, to minimize any detrimental effect of the San Luis drainage waters.

(b) The costs of the Kesterson Reservoir Cleanup Program and the costs of the San Joaquin Valley Drainage Program shall be classified by the Secretary of the Interior as reimbursable or nonreimbursable and collected until fully repaid pursuant to the “Cleanup Program—Alternative Repayment Plan” and the “SJVPD—Alternative Repayment Plan” described in the report entitled “Repayment Report, Kesterson Reservoir Cleanup Program and San Joaquin Valley Drainage Program, February 1995”, prepared by the Department of the Interior, Bureau of Reclamation. Any future obligations of funds by the United States relating to, or providing for, drainage service or drainage studies for the San Luis Unit shall be fully reimbursable by San Luis Unit beneficiaries of such service or studies pursuant to Federal reclamation law.

SEC. 203. Hereinafter, notwithstanding any other provision of law, during the period from November 1 through April 30, water users may use their diversion structures for the purpose of recharging the Eastern Snake Plain Aquifer, when the Secretary, in consultation with the Advisory Committee and Water District 1 watermaster, determines there is water available in excess of that needed to satisfy existing Minidoka Project storage and hydropower rights and ensure operational flexibility.

SEC. 204. Section 9001(d) of the Omnibus Public Land Management Act of 2009 (Public Law 111-11; 123 Stat. 1295) is amended by striking “10” and inserting “20”.

SEC. 205. (a) Section 206(c)(2) of the Energy and Water Development and Related Agencies Appropriations Act, 2015 (43 U.S.C. 620 note; Public Law 113-235) is amended by striking “2018.” and inserting the following: “2022: *Provided*, That the Secretary shall not fund pilot projects in the Upper Colorado River Basin without the participation of the Upper Colorado River Division States, acting through the Upper Colorado River Commission.”

(b) Section 9504(e) of the Secure Water Act of 2009 (42 U.S.C. 10364(e)) is amended by striking “\$450,000,000” and inserting “\$480,000,000”.

SEC. 206. Section 9 of the Fort Peck Reservation Rural Water System Act of 2000 (Public Law 106-382; 114 Stat. 1457, 123 Stat. 2856, 128 Stat. 164) is amended by striking “2020” each place it appears in subsections (a)(1) and (b) and inserting “2026”.

TITLE III

DEPARTMENT OF ENERGY ENERGY PROGRAMS

ENERGY EFFICIENCY AND RENEWABLE ENERGY

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and

other expenses necessary for energy efficiency and renewable energy activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, \$2,379,000,000, to remain available until expended: *Provided*, That of such amount, \$162,500,000 shall be available until September 30, 2020, for program direction.

CYBERSECURITY, ENERGY SECURITY, AND EMERGENCY RESPONSE

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for energy sector cybersecurity, energy security, and emergency response activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, \$120,000,000, to remain available until expended: *Provided*, That of such amount, \$11,500,000 shall be available until September 30, 2020, for program direction.

ELECTRICITY DELIVERY

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for electricity delivery activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, \$156,000,000, to remain available until expended: *Provided*, That of such amount, \$17,000,000 shall be available until September 30, 2020, for program direction.

NUCLEAR ENERGY

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for nuclear energy activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, \$1,326,090,000, to remain available until expended: *Provided*, That of such amount, \$80,000,000 shall be available until September 30, 2020, for program direction.

FOSSIL ENERGY RESEARCH AND DEVELOPMENT

For Department of Energy expenses necessary in carrying out fossil energy research and development activities, under the authority of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition of interest, including defeasible and equitable interests in any real property or any facility or for plant or facility acquisition or expansion, and for conducting inquiries, technological investigations and research concerning the extraction, processing, use, and disposal of mineral substances without objectionable social and environmental costs (30 U.S.C. 3, 1602, and 1603), \$740,000,000, to remain available until expended: *Provided*, That of such amount \$61,070,000 shall be available until September 30, 2020, for program direction.

NAVAL PETROLEUM AND OIL SHALE RESERVES

For Department of Energy expenses necessary to carry out naval petroleum and oil shale reserve activities, \$10,000,000, to remain available until expended: *Provided*, That notwithstanding any other provision of law, unobligated funds remaining from prior years

shall be available for all naval petroleum and oil shale reserve activities.

STRATEGIC PETROLEUM RESERVE

For Department of Energy expenses necessary for Strategic Petroleum Reserve facility development and operations and program management activities pursuant to the Energy Policy and Conservation Act (42 U.S.C. 6201 et seq.), \$235,000,000, to remain available until expended: *Provided*, That, as authorized by section 404 of the Bipartisan Budget Act of 2015 (Public Law 114-74; 42 U.S.C. 6239 note), the Secretary of Energy shall draw down and sell not to exceed \$300,000,000 of crude oil from the Strategic Petroleum Reserve in fiscal year 2019: *Provided further*, That the proceeds from such drawdown and sale shall be deposited into the “Energy Security and Infrastructure Modernization Fund” during fiscal year 2019: *Provided further*, That such amounts shall be made available and shall remain available until expended for necessary expenses to carry out the Life Extension II project for the Strategic Petroleum Reserve.

SPR PETROLEUM ACCOUNT

For the acquisition, transportation, and injection of petroleum products, and for other necessary expenses pursuant to the Energy Policy and Conservation Act of 1975, as amended (42 U.S.C. 6201 et seq.), sections 403 and 404 of the Bipartisan Budget Act of 2015 (42 U.S.C. 6241, 6239 note), and section 5010 of the 21st Century Cures Act (Public Law 114-255), \$10,000,000, to remain available until expended.

NORTHEAST HOME HEATING OIL RESERVE

For Department of Energy expenses necessary for Northeast Home Heating Oil Reserve storage, operation, and management activities pursuant to the Energy Policy and Conservation Act (42 U.S.C. 6201 et seq.), \$10,000,000, to remain available until expended.

ENERGY INFORMATION ADMINISTRATION

For Department of Energy expenses necessary in carrying out the activities of the Energy Information Administration, \$125,000,000, to remain available until expended.

NON-DEFENSE ENVIRONMENTAL CLEANUP

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses necessary for non-defense environmental cleanup activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, \$310,000,000, to remain available until expended.

URANIUM ENRICHMENT DECONTAMINATION AND DECOMMISSIONING FUND

For Department of Energy expenses necessary in carrying out uranium enrichment facility decontamination and decommissioning, remedial actions, and other activities of title II of the Atomic Energy Act of 1954, and title X, subtitle A, of the Energy Policy Act of 1992, \$841,129,000, to be derived from the Uranium Enrichment Decontamination and Decommissioning Fund, to remain available until expended, of which \$11,000,000 shall be available in accordance with title X, subtitle A, of the Energy Policy Act of 1992, including for the purchase of not to exceed one ambulance for replacement only.

SCIENCE

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for science activi-

ties in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and purchase of not more than 16 passenger motor vehicles including one bus, and one airplane for replacement only, \$6,585,000,000, to remain available until expended: *Provided*, That of such amount, \$183,000,000 shall be available until September 30, 2020, for program direction.

ADVANCED RESEARCH PROJECTS AGENCY—ENERGY

For Department of Energy expenses necessary in carrying out the activities authorized by section 5012 of the America COMPETES Act (Public Law 110-69), \$366,000,000, to remain available until expended: *Provided*, That of such amount, \$31,250,000 shall be available until September 30, 2020, for program direction.

TITLE 17 INNOVATIVE TECHNOLOGY LOAN GUARANTEE PROGRAM

Such sums as are derived from amounts received from borrowers pursuant to section 1702(b) of the Energy Policy Act of 2005 under this heading in prior Acts, shall be collected in accordance with section 502(7) of the Congressional Budget Act of 1974: *Provided*, That for necessary administrative expenses of the Title 17 Innovative Technology Loan Guarantee Program, as authorized, \$33,000,000 is appropriated, to remain available until September 30, 2020: *Provided further*, That up to \$33,000,000 of fees collected in fiscal year 2019 pursuant to section 1702(h) of the Energy Policy Act of 2005 shall be credited as offsetting collections under this heading and used for necessary administrative expenses in this appropriation and shall remain available until September 30, 2020: *Provided further*, That to the extent that fees collected in fiscal year 2019 exceed \$33,000,000, those excess amounts shall be credited as offsetting collections under this heading and available in future fiscal years only to the extent provided in advance in appropriations Acts: *Provided further*, That the sum herein appropriated from the general fund shall be reduced (1) as such fees are received during fiscal year 2019 (estimated at \$15,000,000) and (2) to the extent that any remaining general fund appropriations can be derived from fees collected in previous fiscal years that are not otherwise appropriated, so as to result in a final fiscal year 2019 appropriation from the general fund estimated at \$0: *Provided further*, That the Department of Energy shall not subordinate any loan obligation to other financing in violation of section 1702 of the Energy Policy Act of 2005 or subordinate any Guaranteed Obligation to any loan or other debt obligations in violation of section 609.10 of title 10, Code of Federal Regulations.

ADVANCED TECHNOLOGY VEHICLES MANUFACTURING LOAN PROGRAM

For Department of Energy administrative expenses necessary in carrying out the Advanced Technology Vehicles Manufacturing Loan Program, \$5,000,000, to remain available until September 30, 2020.

TRIBAL ENERGY LOAN GUARANTEE PROGRAM

For Department of Energy administrative expenses necessary in carrying out the Tribal Energy Loan Guarantee Program, \$1,000,000, to remain available until September 30, 2020.

OFFICE OF INDIAN ENERGY POLICY AND PROGRAMS

For necessary expenses for Indian Energy activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), \$18,000,000, to remain

available until expended: *Provided*, That, of the amount appropriated under this heading, \$4,800,000 shall be available until September 30, 2020, for program direction.

DEPARTMENTAL ADMINISTRATION

For salaries and expenses of the Department of Energy necessary for departmental administration in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), \$261,858,000, to remain available until September 30, 2020, including the hire of passenger motor vehicles and official reception and representation expenses not to exceed \$30,000, plus such additional amounts as necessary to cover increases in the estimated amount of cost of work for others notwithstanding the provisions of the Anti-Deficiency Act (31 U.S.C. 1511 et seq.): *Provided*, That such increases in cost of work are offset by revenue increases of the same or greater amount: *Provided further*, That moneys received by the Department for miscellaneous revenues estimated to total \$96,000,000 in fiscal year 2019 may be retained and used for operating expenses within this account, as authorized by section 201 of Public Law 95-238, notwithstanding the provisions of 31 U.S.C. 3302: *Provided further*, That the sum herein appropriated shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2019 appropriation from the general fund estimated at not more than \$165,858,000.

OFFICE OF THE INSPECTOR GENERAL

For expenses necessary for the Office of the Inspector General in carrying out the provisions of the Inspector General Act of 1978, \$51,330,000, to remain available until September 30, 2020.

ATOMIC ENERGY DEFENSE ACTIVITIES

NATIONAL NUCLEAR SECURITY

ADMINISTRATION

WEAPONS ACTIVITIES

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other incidental expenses necessary for atomic energy defense weapons activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed one ambulance for replacement only, \$11,100,000,000, to remain available until expended: *Provided*, That of such amount, \$102,022,000 shall be available until September 30, 2020, for program direction.

DEFENSE NUCLEAR NONPROLIFERATION

(INCLUDING RESCISSION OF FUNDS)

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other incidental expenses necessary for defense nuclear nonproliferation activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed three aircraft, \$1,949,000,000, to remain available until expended: *Provided*, That of such amount, \$25,000,000 shall be made available for design activities supporting the dilute and dispose strategy for plutonium disposition: *Provided further*, That none of the funds made available under this heading shall be made available for the construction activities or acquisition of equipment for the Surplus Plutonium Disposition Project: *Provided further*, That of the unobligated balances from prior year appropriations available under this heading, \$19,000,000

is hereby rescinded: *Provided further*, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

NAVAL REACTORS

(INCLUDING TRANSFER OF FUNDS)

For Department of Energy expenses necessary for naval reactors activities to carry out the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition (by purchase, condemnation, construction, or otherwise) of real property, plant, and capital equipment, facilities, and facility expansion, \$1,788,618,000, to remain available until expended, of which, \$85,500,000 shall be transferred to “Department of Energy—Energy Programs—Nuclear Energy”, for the Advanced Test Reactor: *Provided*, That of such amount, \$48,709,000 shall be available until September 30, 2020, for program direction.

FEDERAL SALARIES AND EXPENSES

For expenses necessary for Federal Salaries and Expenses in the National Nuclear Security Administration, \$410,000,000, to remain available until September 30, 2020, including official reception and representation expenses not to exceed \$12,000.

ENVIRONMENTAL AND OTHER DEFENSE ACTIVITIES

DEFENSE ENVIRONMENTAL CLEANUP

(INCLUDING RESCISSION OF FUNDS)

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses necessary for atomic energy defense environmental cleanup activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed one passenger minivan for replacement only, \$6,028,600,000, to remain available until expended: *Provided*, That of such amount, \$298,500,000 shall be available until September 30, 2020, for program direction: *Provided further*, That of the unobligated balances from prior year appropriations available under this heading, \$4,600,000 is hereby rescinded: *Provided further*, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

OTHER DEFENSE ACTIVITIES

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses, necessary for atomic energy defense, other defense activities, and classified activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed \$860,292,000, to remain available until expended: *Provided*, That of such amount, \$295,432,000 shall be available until September 30, 2020, for program direction.

POWER MARKETING ADMINISTRATIONS

BONNEVILLE POWER ADMINISTRATION FUND

Expenditures from the Bonneville Power Administration Fund, established pursuant to Public Law 93-454, are approved for official reception and representation expenses in an amount not to exceed \$5,000: *Provided*,

That during fiscal year 2019, no new direct loan obligations may be made.

OPERATION AND MAINTENANCE, SOUTHEASTERN POWER ADMINISTRATION

For expenses necessary for operation and maintenance of power transmission facilities and for marketing electric power and energy, including transmission wheeling and ancillary services, pursuant to section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southeastern power area, \$6,500,000, including official reception and representation expenses in an amount not to exceed \$1,500, to remain available until expended: *Provided*, That notwithstanding 31 U.S.C. 3302 and section 5 of the Flood Control Act of 1944, up to \$6,500,000 collected by the Southeastern Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended for the sole purpose of funding the annual expenses of the Southeastern Power Administration: *Provided further*, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2019 appropriation estimated at not more than \$0: *Provided further*, That notwithstanding 31 U.S.C. 3302, up to \$55,000,000 collected by the Southeastern Power Administration pursuant to the Flood Control Act of 1944 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: *Provided further*, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

OPERATION AND MAINTENANCE, SOUTHWESTERN POWER ADMINISTRATION

For expenses necessary for operation and maintenance of power transmission facilities and for marketing electric power and energy, for construction and acquisition of transmission lines, substations and appurtenant facilities, and for administrative expenses, including official reception and representation expenses in an amount not to exceed \$1,500 in carrying out section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the Southwestern Power Administration, \$45,802,000, to remain available until expended: *Provided*, That notwithstanding 31 U.S.C. 3302 and section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), up to \$35,402,000 collected by the Southwestern Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended, for the sole purpose of funding the annual expenses of the Southwestern Power Administration: *Provided further*, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2019 appropriation estimated at not more than \$10,400,000: *Provided further*, That notwithstanding 31 U.S.C. 3302, up to \$50,000,000 collected by the Southwestern Power Administration pursuant to the Flood Control Act of 1944 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: *Provided further*, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

That during fiscal year 2019, no new direct loan obligations may be made.

CONSTRUCTION, REHABILITATION, OPERATION AND MAINTENANCE, WESTERN AREA POWER ADMINISTRATION

For carrying out the functions authorized by title III, section 302(a)(1)(E) of the Act of August 4, 1977 (42 U.S.C. 7152), and other related activities including conservation and renewable resources programs as authorized, \$265,142,000, including official reception and representation expenses in an amount not to exceed \$1,500, to remain available until expended, of which \$265,142,000 shall be derived from the Department of the Interior Reclamation Fund: *Provided*, That notwithstanding 31 U.S.C. 3302, section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), and section 1 of the Interior Department Appropriation Act, 1939 (43 U.S.C. 392a), up to \$175,770,000 collected by the Western Area Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended, for the sole purpose of funding the annual expenses of the Western Area Power Administration: *Provided further*, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2019 appropriation estimated at not more than \$89,372,000, of which \$89,372,000 is derived from the Reclamation Fund: *Provided further*, That notwithstanding 31 U.S.C. 3302, up to \$225,442,000 collected by the Western Area Power Administration pursuant to the Flood Control Act of 1944 and the Reclamation Project Act of 1939 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: *Provided further*, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

FALCON AND AMISTAD OPERATING AND MAINTENANCE FUND

For operation, maintenance, and emergency costs for the hydroelectric facilities at the Falcon and Amistad Dams, \$1,568,000, to remain available until expended, and to be derived from the Falcon and Amistad Operating and Maintenance Fund of the Western Area Power Administration, as provided in section 2 of the Act of June 18, 1954 (68 Stat. 255): *Provided*, That notwithstanding the provisions of that Act and of 31 U.S.C. 3302, up to \$1,340,000 collected by the Western Area Power Administration from the sale of power and related services from the Falcon and Amistad Dams shall be credited to this account as discretionary offsetting collections, to remain available until expended for the sole purpose of funding the annual expenses of the hydroelectric facilities of these Dams and associated Western Area Power Administration activities: *Provided further*, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2019 appropriation estimated at not more than \$228,000: *Provided further*, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred: *Provided further*, That for fiscal year 2019, the Administrator of the Western Area Power Administration may accept up to \$372,000 in funds contributed by United States power customers of the Falcon and Amistad Dams for deposit into the Falcon and Amistad Operating and Maintenance Fund, and such funds shall be available for the purpose for which contributed in like manner as if said sums had been specifically

appropriated for such purpose: *Provided further*, That any such funds shall be available without further appropriation and without fiscal year limitation for use by the Commissioner of the United States Section of the International Boundary and Water Commission for the sole purpose of operating, maintaining, repairing, rehabilitating, replacing, or upgrading the hydroelectric facilities at these Dams in accordance with agreements reached between the Administrator, Commissioner, and the power customers.

FEDERAL ENERGY REGULATORY COMMISSION SALARIES AND EXPENSES

For expenses necessary for the Federal Energy Regulatory Commission to carry out the provisions of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including services as authorized by 5 U.S.C. 3109, official reception and representation expenses not to exceed \$3,000, and the hire of passenger motor vehicles, \$369,900,000, to remain available until expended: *Provided*, That notwithstanding any other provision of law, not to exceed \$369,900,000 of revenues from fees and annual charges, and other services and collections in fiscal year 2019 shall be retained and used for expenses necessary in this account, and shall remain available until expended: *Provided further*, That the sum herein appropriated from the general fund shall be reduced as revenues are received during fiscal year 2019 so as to result in a final fiscal year 2019 appropriation from the general fund estimated at not more than \$0.

GENERAL PROVISIONS—DEPARTMENT OF ENERGY

(INCLUDING TRANSFERS OF FUNDS)

SEC. 301. (a) No appropriation, funds, or authority made available by this title for the Department of Energy shall be used to initiate or resume any program, project, or activity or to prepare or initiate Requests For Proposals or similar arrangements (including Requests for Quotations, Requests for Information, and Funding Opportunity Announcements) for a program, project, or activity if the program, project, or activity has not been funded by Congress.

(b)(1) Unless the Secretary of Energy notifies the Committees on Appropriations of both Houses of Congress at least 3 full business days in advance, none of the funds made available in this title may be used to—

(A) make a grant allocation or discretionary grant award totaling \$1,000,000 or more;

(B) make a discretionary contract award or Other Transaction Agreement totaling \$1,000,000 or more, including a contract covered by the Federal Acquisition Regulation;

(C) issue a letter of intent to make an allocation, award, or Agreement in excess of the limits in subparagraph (A) or (B); or

(D) announce publicly the intention to make an allocation, award, or Agreement in excess of the limits in subparagraph (A) or (B).

(2) The Secretary of Energy shall submit to the Committees on Appropriations of both Houses of Congress within 15 days of the conclusion of each quarter a report detailing each grant allocation or discretionary grant award totaling less than \$1,000,000 provided during the previous quarter.

(3) The notification required by paragraph (1) and the report required by paragraph (2) shall include the recipient of the award, the amount of the award, the fiscal year for which the funds for the award were appropriated, the account and program, project, or activity from which the funds are being drawn, the title of the award, and a brief description of the activity for which the award is made.

(c) The Department of Energy may not, with respect to any program, project, or activity that uses budget authority made available in this title under the heading “Department of Energy—Energy Programs”, enter into a multiyear contract, award a multiyear grant, or enter into a multiyear cooperative agreement unless—

(1) the contract, grant, or cooperative agreement is funded for the full period of performance as anticipated at the time of award; or

(2) the contract, grant, or cooperative agreement includes a clause conditioning the Federal Government’s obligation on the availability of future year budget authority and the Secretary notifies the Committees on Appropriations of both Houses of Congress at least 3 days in advance.

(d) Except as provided in subsections (e), (f), and (g), the amounts made available by this title shall be expended as authorized by law for the programs, projects, and activities specified in the “Conference” column in the “Department of Energy” table included under the heading “Title III—Department of Energy” in the joint explanatory statement accompanying this Act.

(e) The amounts made available by this title may be reprogrammed for any program, project, or activity, and the Department shall notify, and obtain the prior approval of, the Committees on Appropriations of both Houses of Congress at least 30 days prior to the use of any proposed reprogramming that would cause any program, project, or activity funding level to increase or decrease by more than \$5,000,000 or 10 percent, whichever is less, during the time period covered by this Act.

(f) None of the funds provided in this title shall be available for obligation or expenditure through a reprogramming of funds that—

(1) creates, initiates, or eliminates a program, project, or activity;

(2) increases funds or personnel for any program, project, or activity for which funds are denied or restricted by this Act; or

(3) reduces funds that are directed to be used for a specific program, project, or activity by this Act.

(g)(1) The Secretary of Energy may waive any requirement or restriction in this section that applies to the use of funds made available for the Department of Energy if compliance with such requirement or restriction would pose a substantial risk to human health, the environment, welfare, or national security.

(2) The Secretary of Energy shall notify the Committees on Appropriations of both Houses of Congress of any waiver under paragraph (1) as soon as practicable, but not later than 3 days after the date of the activity to which a requirement or restriction would otherwise have applied. Such notice shall include an explanation of the substantial risk under paragraph (1) that permitted such waiver.

(h) The unexpended balances of prior appropriations provided for activities in this Act may be available to the same appropriation accounts for such activities established pursuant to this title. Available balances may be merged with funds in the applicable established accounts and thereafter may be accounted for as one fund for the same time period as originally enacted.

SEC. 302. Funds appropriated by this or any other Act, or made available by the transfer of funds in this Act, for intelligence activities are deemed to be specifically authorized by the Congress for purposes of section 504 of the National Security Act of 1947 (50 U.S.C. 3094) during fiscal year 2019 until the enactment of the Intelligence Authorization Act for fiscal year 2019.

SEC. 303. None of the funds made available in this title shall be used for the construction of facilities classified as high-hazard nuclear facilities under 10 CFR Part 830 unless independent oversight is conducted by the Office of Enterprise Assessments to ensure the project is in compliance with nuclear safety requirements.

SEC. 304. None of the funds made available in this title may be used to approve critical decision-2 or critical decision-3 under Department of Energy Order 413.3B, or any successive departmental guidance, for construction projects where the total project cost exceeds \$100,000,000, until a separate independent cost estimate has been developed for the project for that critical decision.

SEC. 305. The Secretary of Energy may not transfer more than \$274,833,000 from the amounts made available under this title to the working capital fund established under section 653 of the Department of Energy Organization Act (42 U.S.C. 7263): *Provided*, That the Secretary may transfer additional amounts to the working capital fund after the Secretary provides notification in advance of any such transfer to the Committees on Appropriations of both Houses of Congress: *Provided further*, That any such notification shall identify the sources of funds by program, project, or activity: *Provided further*, That the Secretary shall notify the Committees on Appropriations of both Houses of Congress before adding or removing any activities from the fund.

SEC. 306. (a) None of the funds made available in this or any prior Act under the heading “Defense Nuclear Nonproliferation” may be made available to enter into new contracts with, or new agreements for Federal assistance to, the Russian Federation.

(b) The Secretary of Energy may waive the prohibition in subsection (a) if the Secretary determines that such activity is in the national security interests of the United States. This waiver authority may not be delegated.

(c) A waiver under subsection (b) shall not be effective until 15 days after the date on which the Secretary submits to the Committees on Appropriations of both Houses of Congress, in classified form if necessary, a report on the justification for the waiver.

SEC. 307. (a) NEW REGIONAL RESERVES.—The Secretary of Energy may not establish any new regional petroleum product reserve unless funding for the proposed regional petroleum product reserve is explicitly requested in advance in an annual budget submission and approved by the Congress in an appropriations Act.

(b) The budget request or notification shall include—

- (1) the justification for the new reserve;
- (2) a cost estimate for the establishment, operation, and maintenance of the reserve, including funding sources;

(3) a detailed plan for operation of the reserve, including the conditions upon which the products may be released;

- (4) the location of the reserve; and

(5) the estimate of the total inventory of the reserve.

SEC. 308. Notwithstanding section 161 of the Energy Policy and Conservation Act (42 U.S.C. 6241), upon a determination by the President in this fiscal year that a regional supply shortage of refined petroleum product of significant scope and duration exists, that a severe increase in the price of refined petroleum product will likely result from such shortage, and that a draw down and sale of refined petroleum product would assist directly and significantly in reducing the adverse impact of such shortage, the Secretary of Energy may draw down and sell refined petroleum product from the Strategic Petroleum Reserve. Proceeds from a sale under

this section shall be deposited into the SPR Petroleum Account established in section 167 of the Energy Policy and Conservation Act (42 U.S.C. 6247), and such amounts shall be available for obligation, without fiscal year limitation, consistent with that section.

TITLE IV

INDEPENDENT AGENCIES

APPALACHIAN REGIONAL COMMISSION

For expenses necessary to carry out the programs authorized by the Appalachian Regional Development Act of 1965, and for expenses necessary for the Federal Co-Chairman and the Alternate on the Appalachian Regional Commission, for payment of the Federal share of the administrative expenses of the Commission, including services as authorized by 5 U.S.C. 3109, and hire of passenger motor vehicles, \$165,000,000, to remain available until expended.

DEFENSE NUCLEAR FACILITIES SAFETY BOARD

SALARIES AND EXPENSES

For expenses necessary for the Defense Nuclear Facilities Safety Board in carrying out activities authorized by the Atomic Energy Act of 1954, as amended by Public Law 100-456, section 1441, \$31,000,000, to remain available until September 30, 2020: *Provided*, That none of the funds made available by this or any prior Act for the salaries and expenses of the Defense Nuclear Facilities Safety Board shall be available to implement any reform and reorganization plan of the Defense Nuclear Facilities Safety Board, including the plan announced on August 15, 2018, unless any such reform and reorganization plan is specifically authorized by law.

DELTA REGIONAL AUTHORITY

SALARIES AND EXPENSES

For expenses necessary for the Delta Regional Authority and to carry out its activities, as authorized by the Delta Regional Authority Act of 2000, notwithstanding sections 382F(d), 382M, and 382N of said Act, \$25,000,000, to remain available until expended.

DENALI COMMISSION

For expenses necessary for the Denali Commission including the purchase, construction, and acquisition of plant and capital equipment as necessary and other expenses, \$15,000,000, to remain available until expended, notwithstanding the limitations contained in section 306(g) of the Denali Commission Act of 1998: *Provided*, That funds shall be available for construction projects in an amount not to exceed 80 percent of total project cost for distressed communities, as defined by section 307 of the Denali Commission Act of 1998 (division C, title III, Public Law 105-277), as amended by section 701 of appendix D, title VII, Public Law 106-113 (113 Stat. 1501A-280), and an amount not to exceed 50 percent for non-distressed communities: *Provided further*, That notwithstanding any other provision of law regarding payment of a non-Federal share in connection with a grant-in-aid program, amounts under this heading shall be available for the payment of such a non-Federal share for programs undertaken to carry out the purposes of the Commission.

NORTHERN BORDER REGIONAL COMMISSION

For expenses necessary for the Northern Border Regional Commission in carrying out activities authorized by subtitle V of title 40, United States Code, \$20,000,000, to remain available until expended: *Provided*, That such amounts shall be available for administrative expenses, notwithstanding section 15751(b) of title 40, United States Code: *Provided further*, That during fiscal year 2019, the duties and authority of the Federal Co-chairperson shall be assumed by the North-

ern Border Regional Commission Program Director if the position of the Federal Co-chairperson and Alternate Federal Cochairperson is vacant.

SOUTHEAST CRESCENT REGIONAL COMMISSION

For expenses necessary for the Southeast Crescent Regional Commission in carrying out activities authorized by subtitle V of title 40, United States Code, \$250,000, to remain available until expended.

NUCLEAR REGULATORY COMMISSION

SALARIES AND EXPENSES

For expenses necessary for the Commission in carrying out the purposes of the Energy Reorganization Act of 1974 and the Atomic Energy Act of 1954, \$898,350,000, including official representation expenses not to exceed \$25,000, to remain available until expended: *Provided*, That of the amount appropriated herein, not more than \$9,500,000 may be made available for salaries, travel, and other support costs for the Office of the Commission, to remain available until September 30, 2020, of which, notwithstanding section 201(a)(2)(c) of the Energy Reorganization Act of 1974 (42 U.S.C. 5841(a)(2)(c)), the use and expenditure shall only be approved by a majority vote of the Commission: *Provided further*, That revenues from licensing fees, inspection services, and other services and collections estimated at \$770,477,000 in fiscal year 2019 shall be retained and used for necessary salaries and expenses in this account, notwithstanding 31 U.S.C. 3302, and shall remain available until expended: *Provided further*, That of the amounts appropriated under this heading, not less than \$10,300,000 shall be for activities related to the development of regulatory infrastructure for advanced nuclear technologies, and \$16,080,000 shall be for international activities, except that the amounts provided under this proviso shall not be derived from fee revenues, notwithstanding 42 U.S.C. 2214: *Provided further*, That the sum herein appropriated shall be reduced by the amount of revenues received during fiscal year 2019 so as to result in a final fiscal year 2019 appropriation estimated at not more than \$127,873,000: *Provided further*, That of the amounts appropriated under this heading, \$10,000,000 shall be for university research and development in areas relevant to the Commission's mission, and \$5,000,000 shall be for a Nuclear Science and Engineering Grant Program that will support multiyear projects that do not align with programmatic missions but are critical to maintaining the discipline of nuclear science and engineering.

OFFICE OF INSPECTOR GENERAL

For expenses necessary for the Office of Inspector General in carrying out the provisions of the Inspector General Act of 1978, \$12,609,000, to remain available until September 30, 2020: *Provided*, That revenues from licensing fees, inspection services, and other services and collections estimated at \$10,355,000 in fiscal year 2019 shall be retained and be available until September 30, 2020, for necessary salaries and expenses in this account, notwithstanding section 3302 of title 31, United States Code: *Provided further*, That the sum herein appropriated shall be reduced by the amount of revenues received during fiscal year 2019 so as to result in a final fiscal year 2019 appropriation estimated at not more than \$2,254,000: *Provided further*, That of the amounts appropriated under this heading, \$1,103,000 shall be for Inspector General services for the Defense Nuclear Facilities Safety Board, which shall not be available from fee revenues.

NUCLEAR WASTE TECHNICAL REVIEW BOARD

SALARIES AND EXPENSES

For expenses necessary for the Nuclear Waste Technical Review Board, as authorized by Public Law 100-203, section 5051,

\$3,600,000, to be derived from the Nuclear Waste Fund, to remain available until September 30, 2020.

GENERAL PROVISIONS—INDEPENDENT AGENCIES

SEC. 401. The Nuclear Regulatory Commission shall comply with the July 5, 2011, version of Chapter VI of its Internal Commission Procedures when responding to Congressional requests for information, consistent with Department of Justice guidance for all federal agencies.

SEC. 402. (a) The amounts made available by this title for the Nuclear Regulatory Commission may be reprogrammed for any program, project, or activity, and the Commission shall notify the Committees on Appropriations of both Houses of Congress at least 30 days prior to the use of any proposed reprogramming that would cause any program funding level to increase or decrease by more than \$500,000 or 10 percent, whichever is less, during the time period covered by this Act.

(b)(1) The Nuclear Regulatory Commission may waive the notification requirement in subsection (a) if compliance with such requirement would pose a substantial risk to human health, the environment, welfare, or national security.

(2) The Nuclear Regulatory Commission shall notify the Committees on Appropriations of both Houses of Congress of any waiver under paragraph (1) as soon as practicable, but not later than 3 days after the date of the activity to which a requirement or restriction would otherwise have applied. Such notice shall include an explanation of the substantial risk under paragraph (1) that permitted such waiver and shall provide a detailed report to the Committees of such waiver and changes to funding levels to programs, projects, or activities.

(c) Except as provided in subsections (a), (b), and (d), the amounts made available by this title for “Nuclear Regulatory Commission—Salaries and Expenses” shall be expended as directed in the joint explanatory statement accompanying this Act.

(d) None of the funds provided for the Nuclear Regulatory Commission shall be available for obligation or expenditure through a reprogramming of funds that increases funds or personnel for any program, project, or activity for which funds are denied or restricted by this Act.

(e) The Commission shall provide a monthly report to the Committees on Appropriations of both Houses of Congress, which includes the following for each program, project, or activity, including any prior year appropriations—

- (1) total budget authority;
- (2) total unobligated balances; and
- (3) total unliquidated obligations.

TITLE V

GENERAL PROVISIONS

(INCLUDING TRANSFER OF FUNDS)

SEC. 501. None of the funds appropriated by this Act may be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before Congress, other than to communicate to Members of Congress as described in 18 U.S.C. 1913.

SEC. 502. (a) None of the funds made available in title III of this Act may be transferred to any department, agency, or instrumentality of the United States Government, except pursuant to a transfer made by or transfer authority provided in this Act or any other appropriations Act for any fiscal year, transfer authority referenced in the joint explanatory statement accompanying this Act, or any authority whereby a department, agency, or instrumentality of the

United States Government may provide goods or services to another department, agency, or instrumentality.

(b) None of the funds made available for any department, agency, or instrumentality of the United States Government may be transferred to accounts funded in title III of this Act, except pursuant to a transfer made by or transfer authority provided in this Act or any other appropriations Act for any fiscal year, transfer authority referenced in the joint explanatory statement accompanying this Act, or any authority whereby a department, agency, or instrumentality of the United States Government may provide goods or services to another department, agency, or instrumentality.

(c) The head of any relevant department or agency funded in this Act utilizing any transfer authority shall submit to the Committees on Appropriations of both Houses of Congress a semiannual report detailing the transfer authorities, except for any authority whereby a department, agency, or instrumentality of the United States Government may provide goods or services to another department, agency, or instrumentality, used in the previous 6 months and in the year-to-date. This report shall include the amounts transferred and the purposes for which they were transferred, and shall not replace or modify existing notification requirements for each authority.

SEC. 503. None of the funds made available by this Act may be used in contravention of Executive Order No. 12898 of February 11, 1994 (Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations).

SEC. 504. (a) None of the funds made available in this Act may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

(b) Nothing in subsection (a) shall limit the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

SEC. 505. For an additional amount for “Department of the Interior—Bureau of Reclamation—Water and Related Resources”, \$21,400,000, to remain available until expended, for transfer to Reclamation’s Upper Colorado River Basin Fund to carry out environmental stewardship and endangered species recovery efforts pursuant to the Grand Canyon Protection Act of 1992 (Public Law 102-575), Public Law 106-392, the Colorado River Basin Project Act (43 U.S.C. 1551(b)), and the Act of April 11, 1956 (commonly known as the “Colorado River Storage Project Act”) (43 U.S.C. 620n).

This division may be cited as the “Energy and Water Development and Related Agencies Appropriations Act, 2019”.

DIVISION B—LEGISLATIVE BRANCH APPROPRIATIONS ACT, 2019

TITLE I

LEGISLATIVE BRANCH

SENATE

PAYMENT TO WIDOWS AND HEIRS OF DECEASED MEMBERS OF CONGRESS

For payment to Cindy H. McCain, widow of John Sidney McCain III, late a Senator from the State of Arizona, \$174,000.

EXPENSE ALLOWANCES

For expense allowances of the Vice President, \$18,760; the President Pro Tempore of the Senate, \$37,520; Majority Leader of the Senate, \$39,920; Minority Leader of the Senate, \$39,920; Majority Whip of the Senate, \$9,980; Minority Whip of the Senate, \$9,980; President Pro Tempore Emeritus, \$15,000; Chairmen of the Majority and Minority Con-

ference Committees, \$4,690 for each Chairman; and Chairmen of the Majority and Minority Policy Committees, \$4,690 for each Chairman; in all, \$189,840.

For representation allowances of the Majority and Minority Leaders of the Senate, \$14,070 for each such Leader; in all, \$28,140.

SALARIES, OFFICERS AND EMPLOYEES

For compensation of officers, employees, and others as authorized by law, including agency contributions, \$208,890,812, which shall be paid from this appropriation as follows:

OFFICE OF THE VICE PRESIDENT

For the Office of the Vice President, \$2,484,248.

OFFICE OF THE PRESIDENT PRO TEMPORE

For the Office of the President Pro Tempore, \$744,466.

OFFICE OF THE PRESIDENT PRO TEMPORE EMERITUS

For the Office of the President Pro Tempore Emeritus, \$319,000.

OFFICES OF THE MAJORITY AND MINORITY LEADERS

For Offices of the Majority and Minority Leaders, \$5,399,576.

OFFICES OF THE MAJORITY AND MINORITY WHIPS

For Offices of the Majority and Minority Whips, \$3,455,424.

COMMITTEE ON APPROPRIATIONS

For salaries of the Committee on Appropriations, \$15,496,000.

CONFERENCE COMMITTEES

For the Conference of the Majority and the Conference of the Minority, at rates of compensation to be fixed by the Chairman of each such committee, \$1,704,000 for each such committee; in all, \$3,408,000.

OFFICES OF THE SECRETARIES OF THE CONFERENCE OF THE MAJORITY AND THE CONFERENCE OF THE MINORITY

For Offices of the Secretaries of the Conference of the Majority and the Conference of the Minority, \$843,402.

POLICY COMMITTEES

For salaries of the Majority Policy Committee and the Minority Policy Committee, \$1,740,905 for each such committee; in all, \$3,481,810.

OFFICE OF THE CHAPLAIN

For Office of the Chaplain, \$474,886.

OFFICE OF THE SECRETARY

For Office of the Secretary, \$26,315,000.

OFFICE OF THE SERGEANT AT ARMS AND DOORKEEPER

For Office of the Sergeant at Arms and Doorkeeper, \$84,157,000.

OFFICES OF THE SECRETARIES FOR THE MAJORITY AND MINORITY

For Offices of the Secretary for the Majority and the Secretary for the Minority, \$1,900,000.

AGENCY CONTRIBUTIONS AND RELATED EXPENSES

For agency contributions for employee benefits, as authorized by law, and related expenses, \$59,912,000.

OFFICE OF THE LEGISLATIVE COUNSEL OF THE SENATE

For salaries and expenses of the Office of the Legislative Counsel of the Senate, \$6,278,000.

OFFICE OF SENATE LEGAL COUNSEL

For salaries and expenses of the Office of Senate Legal Counsel, \$1,176,000.

EXPENSE ALLOWANCES OF THE SECRETARY OF THE SENATE, SERGEANT AT ARMS AND DOORKEEPER OF THE SENATE, AND SECRETARIES FOR THE MAJORITY AND MINORITY OF THE SENATE

For expense allowances of the Secretary of the Senate, \$7,110; Sergeant at Arms and Doorkeeper of the Senate, \$7,110; Secretary for the Majority of the Senate, \$7,110; Secretary for the Minority of the Senate, \$7,110; in all, \$28,440.

CONTINGENT EXPENSES OF THE SENATE

INQUIRIES AND INVESTIGATIONS

For expenses of inquiries and investigations ordered by the Senate, or conducted under paragraph 1 of rule XXVI of the Standing Rules of the Senate, section 112 of the Supplemental Appropriations and Rescission Act, 1980 (Public Law 96-304), and Senate Resolution 281, 96th Congress, agreed to March 11, 1980, \$133,265,000, of which \$26,650,000 shall remain available until September 30, 2021.

U.S. SENATE CAUCUS ON INTERNATIONAL NARCOTICS CONTROL

For expenses of the United States Senate Caucus on International Narcotics Control, \$508,000.

SECRETARY OF THE SENATE

For expenses of the Office of the Secretary of the Senate, \$10,036,000 of which \$6,436,000 shall remain available until September 30, 2023 and of which \$3,600,000 shall remain available until expended.

SERGEANT AT ARMS AND DOORKEEPER OF THE SENATE

For expenses of the Office of the Sergeant at Arms and Doorkeeper of the Senate, \$126,595,000, which shall remain available until September 30, 2023.

MISCELLANEOUS ITEMS

For miscellaneous items, \$18,871,410 which shall remain available until September 30, 2021.

SENATORS' OFFICIAL PERSONNEL AND OFFICE EXPENSE ACCOUNT

For Senators' Official Personnel and Office Expense Account, \$429,000,000 of which \$20,128,950 shall remain available until September 30, 2021 and of which \$5,000,000 shall be allocated solely for the purpose of providing financial compensation to Senate interns.

OFFICIAL MAIL COSTS

For expenses necessary for official mail costs of the Senate, \$300,000.

ADMINISTRATIVE PROVISIONS

REQUIRING AMOUNTS REMAINING IN SENATORS' OFFICIAL PERSONNEL AND OFFICE EXPENSE ACCOUNT TO BE USED FOR DEFICIT REDUCTION OR TO REDUCE THE FEDERAL DEBT

SEC. 101. Notwithstanding any other provision of law, any amounts appropriated under this Act under the heading "SENATE" under the heading "CONTINGENT EXPENSES OF THE SENATE" under the heading "SENATORS' OFFICIAL PERSONNEL AND OFFICE EXPENSE ACCOUNT" shall be available for obligation only during the fiscal year or fiscal years for which such amounts are made available. Any unexpended balances under such allowances remaining after the end of the period of availability shall be returned to the Treasury in accordance with the undesignated paragraph under the center heading "GENERAL PROVISION" under chapter XI of the Third Supplemental Appropriation Act, 1957 (2 U.S.C. 4107) and used for deficit reduction (or, if there is no Federal budget deficit after all such payments have been made, for reducing the Federal debt, in such manner as the Secretary of the Treasury considers appropriate).

FILING BY SENATE CANDIDATES WITH COMMISSION

SEC. 102. Section 302(g) of the Federal Election Campaign Act of 1971 (52 U.S.C. 30102(g)) is amended to read as follows:

"(g) FILING WITH THE COMMISSION.—All designations, statements, and reports required to be filed under this Act shall be filed with the Commission."

EXTENSION OF AUTHORITY

SEC. 103. Section 21(d) of Senate Resolution 64 of the One Hundred Thirteenth Congress, 1st session (agreed to on March 5, 2013), as amended by section 178 of the Continuing Appropriations Act, 2017 (division C of Public Law 114-223), is further amended by striking "December 31, 2018" and inserting "December 31, 2020".

HOUSE OF REPRESENTATIVES

SALARIES AND EXPENSES

For salaries and expenses of the House of Representatives, \$1,232,663,035, as follows:

HOUSE LEADERSHIP OFFICES

For salaries and expenses, as authorized by law, \$25,378,875, including: Office of the Speaker, \$7,123,634, including \$25,000 for official expenses of the Speaker; Office of the Majority Floor Leader, \$2,642,739, including \$10,000 for official expenses of the Majority Leader; Office of the Minority Floor Leader, \$7,751,946, including \$10,000 for official expenses of the Minority Leader; Office of the Majority Whip, including the Chief Deputy Majority Whip, \$2,197,163, including \$5,000 for official expenses of the Majority Whip; Office of the Minority Whip, including the Chief Deputy Minority Whip, \$1,700,079, including \$5,000 for official expenses of the Minority Whip; Republican Conference, \$2,186,819; Democratic Caucus, \$1,776,495: *Provided*, That such amount for salaries and expenses shall remain available from January 3, 2019 until January 2, 2020.

MEMBERS' REPRESENTATIONAL ALLOWANCES INCLUDING MEMBERS' CLERK HIRE, OFFICIAL EXPENSES OF MEMBERS, AND OFFICIAL MAIL

For Members' representational allowances, including Members' clerk hire, official expenses, and official mail, \$573,630,000.

INTERN ALLOWANCE

For payments from the allowance established under section 120 of this Act for the compensation of interns who serve in the offices of Members of the House of Representatives, \$8,800,000.

COMMITTEE EMPLOYEES

STANDING COMMITTEES, SPECIAL AND SELECT

For salaries and expenses of standing committees, special and select, authorized by House resolutions, \$127,903,173: *Provided*, That such amount shall remain available for such salaries and expenses until December 31, 2020, except that \$4,000,000 of such amount shall remain available until expended for committee room upgrading.

COMMITTEE ON APPROPRIATIONS

For salaries and expenses of the Committee on Appropriations, \$23,112,971, including studies and examinations of executive agencies and temporary personal services for such committee, to be expended in accordance with section 202(b) of the Legislative Reorganization Act of 1946 and to be available for reimbursement to agencies for services performed: *Provided*, That such amount shall remain available for such salaries and expenses until December 31, 2020.

SALARIES, OFFICERS AND EMPLOYEES

For compensation and expenses of officers and employees, as authorized by law, \$220,345,000, including: for salaries and expenses of the Office of the Clerk, including the positions of the Chaplain and the Histo-

rian, and including not more than \$25,000 for official representation and reception expenses, of which not more than \$20,000 is for the Family Room and not more than \$2,000 is for the Office of the Chaplain, \$28,305,000; for salaries and expenses of the Office of the Sergeant at Arms, including the position of Superintendent of Garages and the Office of Emergency Management, and including not more than \$3,000 for official representation and reception expenses, \$18,773,000 of which \$5,524,000 shall remain available until expended; for salaries and expenses of the Office of the Chief Administrative Officer including not more than \$3,000 for official representation and reception expenses, \$148,058,000, of which \$11,631,000 shall remain available until expended; for salaries and expenses of the Office of the Inspector General, \$5,019,000; for salaries and expenses of the Office of General Counsel, \$1,502,000; for salaries and expenses of the Office of the Parliamentarian, including the Parliamentarian, \$2,000 for preparing the Digest of Rules, and not more than \$1,000 for official representation and reception expenses, \$2,026,000; for salaries and expenses of the Office of the Law Revision Counsel of the House, \$3,327,000; for salaries and expenses of the Office of the Legislative Counsel of the House, \$11,937,000; for salaries and expenses of the Office of Interparliamentary Affairs, \$814,000; for other authorized employees, \$584,000.

ALLOWANCES AND EXPENSES

For allowances and expenses as authorized by House resolution or law, \$253,493,016, including: supplies, materials, administrative costs and Federal tort claims, \$525,016; official mail for committees, leadership offices, and administrative offices of the House, \$190,000; Government contributions for health, retirement, Social Security, and other applicable employee benefits, \$228,200,000, to remain available until March 31, 2020; Business Continuity and Disaster Recovery, \$16,186,000 of which \$5,000,000 shall remain available until expended; transition activities for new members and staff, \$3,000,000, to remain available until expended; Wounded Warrior Program \$3,000,000, to remain available until expended; Office of Congressional Ethics, \$1,670,000; and miscellaneous items including purchase, exchange, maintenance, repair and operation of House motor vehicles, interparliamentary receptions, and gratuities to heirs of deceased employees of the House, \$722,000.

ADMINISTRATIVE PROVISIONS

REQUIRING AMOUNTS REMAINING IN MEMBERS' REPRESENTATIONAL ALLOWANCES TO BE USED FOR DEFICIT REDUCTION OR TO REDUCE THE FEDERAL DEBT

SEC. 110. (a) Notwithstanding any other provision of law, any amounts appropriated under this Act for "HOUSE OF REPRESENTATIVES—SALARIES AND EXPENSES—MEMBERS' REPRESENTATIONAL ALLOWANCES" shall be available only for fiscal year 2019. Any amount remaining after all payments are made under such allowances for fiscal year 2019 shall be deposited in the Treasury and used for deficit reduction (or, if there is no Federal budget deficit after all such payments have been made, for reducing the Federal debt, in such manner as the Secretary of the Treasury considers appropriate).

(b) REGULATIONS.—The Committee on House Administration of the House of Representatives shall have authority to prescribe regulations to carry out this section.

(c) DEFINITION.—As used in this section, the term "Member of the House of Representatives" means a Representative in, or a Delegate or Resident Commissioner to, the Congress.

DELIVERY OF BILLS AND RESOLUTIONS

SEC. 111. (a) None of the funds made available in any fiscal year may be used to deliver

a printed copy of a bill, joint resolution, or resolution to the office of a Member of the House of Representatives (including a Delegate or Resident Commissioner to the Congress) unless the Member requests a copy.

(b) This section shall apply with respect to fiscal year 2019 and each succeeding fiscal year.

DELIVERY OF CONGRESSIONAL RECORD

SEC. 112. (a) None of the funds made available in any fiscal year may be used to deliver a printed copy of any version of the Congressional Record to the office of a Member of the House of Representatives (including a Delegate or Resident Commissioner to the Congress).

(b) This section shall apply with respect to fiscal year 2019 and each succeeding fiscal year.

LIMITATION ON AMOUNT AVAILABLE TO LEASE VEHICLES

SEC. 113. None of the funds made available in this Act may be used by the Chief Administrative Officer of the House of Representatives to make any payments from any Members' Representative Allowance for the leasing of a vehicle, excluding mobile district offices, in an aggregate amount that exceeds \$1,000 for the vehicle in any month.

LIMITATION ON PRINTED COPIES OF U.S. CODE TO HOUSE

SEC. 114. (a) None of the funds made available in any fiscal year may be to provide an aggregate number of more than 50 printed copies of any edition of the United States Code to all offices of the House of Representatives.

(b) This section shall apply with respect to fiscal year 2019 and each succeeding fiscal year.

DELIVERY OF REPORTS OF DISBURSEMENTS

SEC. 115. (a) None of the funds made available in any fiscal year may be used to deliver a printed copy of the report of disbursements for the operations of the House of Representatives under section 106 of the House of Representatives Administration Reform Technical Corrections Act (2 U.S.C. 5535) to the office of a Member of the House of Representatives (including a Delegate or Resident Commissioner to the Congress).

(b) This section shall apply with respect to fiscal year 2019 and each succeeding fiscal year.

DELIVERY OF DAILY CALENDAR

SEC. 116. (a) None of the funds made available in any fiscal year may be used to deliver to the office of a Member of the House of Representatives (including a Delegate or Resident Commissioner to the Congress) a printed copy of the Daily Calendar of the House of Representatives which is prepared by the Clerk of the House of Representatives.

(b) This section shall apply with respect to fiscal year 2019 and each succeeding fiscal year.

DELIVERY OF CONGRESSIONAL PICTORIAL DIRECTORY

SEC. 117. (a) None of the funds made available in any fiscal year may be used to deliver a printed copy of the Congressional Pictorial Directory to the office of a Member of the House of Representatives (including a Delegate or Resident Commissioner to the Congress).

(b) This section shall apply with respect to fiscal year 2019 and each succeeding fiscal year.

REPEAL OF AUTHORIZATIONS FOR FORMER SPEAKERS

SEC. 118. (a) REPEAL OF AUTHORIZATIONS FOR OFFICE SPACE, OFFICE EXPENSES, FRANKING AND PRINTING PRIVILEGES, AND STAFF.—The first section and sections 2, 4, 5, and 8 of

House Resolution 1238, Ninety-first Congress, agreed to December 22, 1970 (as enacted into permanent law by chapter VIII of the Supplemental Appropriations Act, 1971) (2 U.S.C. 5125(a), 5126, 5127, 5128, and 5129) are repealed.

(b) CONFORMING AMENDMENT.—Subsection (b) of the first section of Public Law 93–532 (2 U.S.C. 5125(b)) is repealed.

(c) EFFECTIVE DATE.—The amendments made by this section shall apply with respect to any individual who serves as a Representative in Congress during the One Hundred Fifteenth Congress or any succeeding Congress.

TRANSFER AUTHORITY

SEC. 119. (a) AUTHORITY TO MAKE TRANSFERS AMONG HOUSE LEADERSHIP OFFICES.—Section 101 of the Legislative Branch Appropriations Act, 1993 (2 U.S.C. 5507) is amended by adding at the end the following new subsection:

"(f) Amounts appropriated for any fiscal year for the House of Representatives under the heading 'House Leadership Offices' may be transferred among and merged with the various offices and activities under such heading, effective upon the expiration of the 21-day period (or such alternative period that may be imposed by the Committee on Appropriations of the House of Representatives) which begins on the date such Committee has been notified of the transfer."

(b) EFFECTIVE DATE.—The amendment made by subsection (a) shall apply with respect to fiscal year 2019 and each succeeding fiscal year.

ALLOWANCE FOR COMPENSATION OF INTERNS IN MEMBER OFFICES

SEC. 120. (a) ESTABLISHMENT OF ALLOWANCE.—There is established for the House of Representatives an allowance which shall be available for the compensation of interns who serve in the offices of Members of the House of Representatives.

(b) CAP ON AMOUNT AVAILABLE PER OFFICE.—An office of a Member of the House of Representatives may not use more than \$20,000 of the allowance under this section during any calendar year.

(c) BENEFIT EXCLUSION.—Section 104(b) of the House of Representatives Administrative Reform Technical Corrections Act (2 U.S.C. 5321(b)) shall apply with respect to an intern who is compensated under the allowance under this section in the same manner as such section applies with respect to an intern who is compensated under the Members' Representative Allowance.

(d) NO EFFECT ON PAYMENT OF INTERNS UNDER MEMBERS' REPRESENTATIONAL ALLOWANCE.—Nothing in this section may be construed to affect the use of the Members' Representative Allowance for the compensation of interns, as provided under section 104 of the House of Representatives Administrative Reform Technical Corrections Act (2 U.S.C. 5321).

(e) DEFINITIONS.—In this section—

(1) the term "intern" has the meaning given such term in section 104(c)(2) of the House of Representatives Administrative Reform Technical Corrections Act (2 U.S.C. 5321(c)(2)); and

(2) the term "Member of the House of Representatives" means a Representative in, or a Delegate or Resident Commissioner to, the Congress.

(f) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section \$8,800,000 for fiscal year 2019.

JOINT ITEMS

For Joint Committees, as follows:

JOINT ECONOMIC COMMITTEE

For salaries and expenses of the Joint Economic Committee, \$4,203,000, to be disbursed by the Secretary of the Senate.

JOINT COMMITTEE ON TAXATION

For salaries and expenses of the Joint Committee on Taxation, \$11,169,000, to be disbursed by the Chief Administrative Officer of the House of Representatives.

For other joint items, as follows:

OFFICE OF THE ATTENDING PHYSICIAN

For medical supplies, equipment, and contingent expenses of the emergency rooms, and for the Attending Physician and his assistants, including:

(1) an allowance of \$2,175 per month to the Attending Physician;

(2) an allowance of \$1,300 per month to the Senior Medical Officer;

(3) an allowance of \$725 per month each to three medical officers while on duty in the Office of the Attending Physician;

(4) an allowance of \$725 per month to 2 assistants and \$580 per month each not to exceed 11 assistants on the basis heretofore provided for such assistants; and

(5) \$2,740,000 for reimbursement to the Department of the Navy for expenses incurred for staff and equipment assigned to the Office of the Attending Physician, which shall be advanced and credited to the applicable appropriation or appropriations from which such salaries, allowances, and other expenses are payable and shall be available for all the purposes thereof, \$3,798,000, to be disbursed by the Chief Administrative Officer of the House of Representatives.

OFFICE OF CONGRESSIONAL ACCESSIBILITY SERVICES

SALARIES AND EXPENSES

For salaries and expenses of the Office of Congressional Accessibility Services, \$1,486,000, to be disbursed by the Secretary of the Senate.

CAPITOL POLICE

SALARIES

For salaries of employees of the Capitol Police, including overtime, hazardous duty pay, and Government contributions for health, retirement, social security, professional liability insurance, and other applicable employee benefits, \$374,804,000 of which overtime shall not exceed \$43,668,000 unless the Committee on Appropriations of the House and Senate are notified, to be disbursed by the Chief of the Capitol Police or his designee.

GENERAL EXPENSES

For necessary expenses of the Capitol Police, including motor vehicles, communications and other equipment, security equipment and installation, uniforms, weapons, supplies, materials, training, medical services, forensic services, stenographic services, personal and professional services, the employee assistance program, the awards program, postage, communication services, travel advances, relocation of instructor and liaison personnel for the Federal Law Enforcement Training Center, and not more than \$5,000 to be expended on the certification of the Chief of the Capitol Police in connection with official representation and reception expenses, \$81,504,000, to be disbursed by the Chief of the Capitol Police or his designee: *Provided*, That, notwithstanding any other provision of law, the cost of basic training for the Capitol Police at the Federal Law Enforcement Training Center for fiscal year 2019 shall be paid by the Secretary of Homeland Security from funds available to the Department of Homeland Security.

OFFICE OF COMPLIANCE

SALARIES AND EXPENSES

For salaries and expenses of the Office of Compliance, as authorized by section 305 of the Congressional Accountability Act of 1995

(2 U.S.C. 1385), \$6,332,670, of which \$1,000,000 shall remain available until September 30, 2020: *Provided*, That not more than \$500 may be expended on the certification of the Executive Director of the Office of Compliance in connection with official representation and reception expenses.

CONGRESSIONAL BUDGET OFFICE

SALARIES AND EXPENSES

For salaries and expenses necessary for operation of the Congressional Budget Office, including not more than \$6,000 to be expended on the certification of the Director of the Congressional Budget Office in connection with official representation and reception expenses, \$50,737,000: *Provided*, that the Director shall use not less than \$500,000 of the amount made available under this heading for (1) improving technical systems, processes, and models for the purpose of improving the transparency of estimates of budgetary effects to Members of Congress, employees of Members of Congress, and the public, and (2) to increase the availability of models, economic assumptions, and data for Members of Congress, employees of Members of Congress, and the public.

ARCHITECT OF THE CAPITOL

CAPITAL CONSTRUCTION AND OPERATIONS

For salaries for the Architect of the Capitol, and other personal services, at rates of pay provided by law; for all necessary expenses for surveys and studies, construction, operation, and general and administrative support in connection with facilities and activities under the care of the Architect of the Capitol including the Botanic Garden; electrical substations of the Capitol, Senate and House office buildings, and other facilities under the jurisdiction of the Architect of the Capitol; including furnishings and office equipment; including not more than \$5,000 for official reception and representation expenses, to be expended as the Architect of the Capitol may approve; for purchase or exchange, maintenance, and operation of a passenger motor vehicle, \$103,962,000.

CAPITOL BUILDING

For all necessary expenses for the maintenance, care and operation of the Capitol, \$43,992,000, of which \$17,344,000 shall remain available until September 30, 2023.

CAPITOL GROUNDS

For all necessary expenses for care and improvement of grounds surrounding the Capitol, the Senate and House office buildings, and the Capitol Power Plant, \$16,761,000, of which \$5,519,000 shall remain available until September 30, 2023.

HOUSE OFFICE BUILDINGS

For all necessary expenses for the maintenance, care and operation of the House office buildings, \$187,098,000, of which \$65,552,000 shall remain available until September 30, 2023, and of which \$62,000,000 shall remain available until expended for the restoration and renovation of the Cannon House Office Building: *Provided*, That of the amount made available under this heading, \$7,000,000 shall be derived by transfer from the House Office Building Fund established under section 176(d) of the Continuing Appropriations Act, 2017, as added by section 101(3) of the Further Continuing Appropriation Act, 2017 (Public Law 114-254; 2 U.S.C. 2001 note).

In addition, for a payment to the House Historic Buildings Revitalization Trust Fund, \$10,000,000, to remain available until expended.

Senate Office Buildings

For all necessary expenses for the maintenance, care and operation of Senate office buildings; and furniture and furnishings to be expended under the control and super-

vision of the Architect of the Capitol, \$93,562,000, of which \$31,162,000 shall remain available until September 30, 2023.

CAPITOL POWER PLANT

For all necessary expenses for the maintenance, care and operation of the Capitol Power Plant; lighting, heating, power (including the purchase of electrical energy) and water and sewer services for the Capitol, Senate and House office buildings, Library of Congress buildings, and the grounds about the same, Botanic Garden, Senate garage, and air conditioning refrigeration not supplied from plants in any of such buildings; heating the Government Publishing Office and Washington City Post Office, and heating and chilled water for air conditioning for the Supreme Court Building, the Union Station complex, the Thurgood Marshall Federal Judiciary Building and the Folger Shakespeare Library, expenses for which shall be advanced or reimbursed upon request of the Architect of the Capitol and amounts so received shall be deposited into the Treasury to the credit of this appropriation, \$114,050,000, of which \$31,362,000 shall remain available until September 30, 2023: *Provided*, That not more than \$9,000,000 of the funds credited or to be reimbursed to this appropriation as herein provided shall be available for obligation during fiscal year 2019.

LIBRARY BUILDINGS AND GROUNDS

For all necessary expenses for the mechanical and structural maintenance, care and operation of the Library buildings and grounds, \$68,525,000, of which \$40,403,000 shall remain available until September 30, 2023.

CAPITOL POLICE BUILDINGS, GROUNDS AND SECURITY

For all necessary expenses for the maintenance, care and operation of buildings, grounds and security enhancements of the United States Capitol Police, wherever located, the Alternate Computing Facility, and Architect of the Capitol security operations, \$57,714,000, of which \$31,777,000 shall remain available until September 30, 2023.

BOTANIC GARDEN

For all necessary expenses for the maintenance, care and operation of the Botanic Garden and the nurseries, buildings, grounds, and collections; and purchase and exchange, maintenance, repair, and operation of a passenger motor vehicle; all under the direction of the Joint Committee on the Library, \$14,759,000, of which \$3,559,000 shall remain available until September 30, 2023: *Provided*, That, of the amount made available under this heading, the Architect of the Capitol may obligate and expend such sums as may be necessary for the maintenance, care and operation of the National Garden established under section 307E of the Legislative Branch Appropriations Act, 1989 (2 U.S.C. 2146), upon vouchers approved by the Architect of the Capitol or a duly authorized designee.

CAPITOL VISITOR CENTER

For all necessary expenses for the operation of the Capitol Visitor Center, \$23,322,000.

ADMINISTRATIVE PROVISIONS

NO BONUSES FOR CONTRACTORS BEHIND SCHEDULE OR OVER BUDGET

SEC. 130. None of the funds made available in this Act for the Architect of the Capitol may be used to make incentive or award payments to contractors for work on contracts or programs for which the contractor is behind schedule or over budget, unless the Architect of the Capitol, or agency-employed designee, determines that any such deviations are due to unforeseeable events, government-driven scope changes, or are not significant within the overall scope of the project and/or program.

SCRIMS

SEC. 131. (a) None of the funds made available by this Act may be used for scrims containing photographs of building facades during restoration or construction projects performed by the Architect of the Capitol.

(b) This section shall apply with respect to fiscal year 2019 and each succeeding fiscal year.

SECURITY PROGRAMS

SEC. 132. (a) PURPOSE OF PROGRAMS.—Section 906(b) of the 2002 Supplemental Appropriations Act for Further Recovery From and Response To Terrorist Attacks on the United States (2 U.S.C. 1865(b)) is amended to read as follows:

“(b) Funds in the account shall be used by the Architect of the Capitol for all necessary expenses for—

“(1) resilience and security programs of the Architect of the Capitol; and

“(2) the maintenance, care, and operation of buildings, grounds, and security enhancements for facilities of the United States Capitol Police and for other facilities associated with such resilience and security programs at any location.”

(b) TRANSFERS OF FUNDS.—Section 906 of such Act (2 U.S.C. 1865) is amended—

(1) by redesignating subsection (c) as subsection (d); and

(2) by inserting after subsection (b) the following new subsection:

“(c)(1) For carrying out the purposes of the account, the Architect of the Capitol may receive transfers of appropriations from any agency of the Legislative Branch upon the approval of—

“(A) the Committee on Appropriations of the House of Representatives, in the case of a transfer from an office of the House of Representatives;

“(B) the Committee on Appropriations of the Senate, in the case of a transfer from an office of the Senate; or

“(C) the Committees on Appropriations of the House of Representatives and the Senate, in the case of a transfer from any other office of the Government.

“(2) Amounts transferred under this subsection shall be merged with the account and made available under this section.

“(3) This subsection shall apply with respect to fiscal year 2019 and each succeeding fiscal year.”

INCREASE IN THRESHOLD FOR SMALL PURCHASE CONTRACTING AUTHORITY

SEC. 133. (a) 2 U.S.C. 1821 is amended by adding before “Notwithstanding any other provision of law—” the following text: “To promote efficiency and economy in contracting and to avoid unnecessary burdens, the Architect of the Capitol is granted authority to utilize special simplified procedures for purchases of property and services the aggregate amount of which does not exceed \$250,000.”.

(b) The amendment made by subsection (a) shall apply with respect to fiscal year 2019 and each succeeding fiscal year.

INTERAGENCY DETAILS

SEC. 134. (a) AUTHORIZING DETAILS OF EMPLOYEES UNDER JOINT AGENCY AGREEMENTS.—In addition to any other authority relating to the detail of employees, the Architect of the Capitol and the head of any other department, agency, or instrumentality of the United States Government may enter into a joint agency agreement under which—

(1) employees of the Office of the Architect of the Capitol (including employees of the United States Botanic Garden) may be detailed to such department, agency, or instrumentality on a reimbursable or non-reimbursable basis; and

(2) employees of such department, agency, or instrumentality may be detailed to the Office of the Architect of the Capitol on a reimbursable or non-reimbursable basis.

(b) DURATION.—The detail of an employee under a joint agency agreement under this section shall be for such duration as may be provided in the agreement, except that in the case of a detail made on a non-reimbursable basis, the duration of the detail may not exceed one year unless the Architect of the Capitol and the head of the department, agency, or instrumentality involved each determine that an extension of the detail of the employee is in the public interest.

(c) NO EFFECT ON APPROPRIATIONS OF RECIPIENT OF NON-REIMBURSABLE DETAIL.—For purposes of any law, rule, or regulation, the detail of an employee on a non-reimbursable basis under a joint agency agreement under this section for a fiscal year shall not be treated as an increase or modification of the appropriation for the fiscal year of the office to whom the employee is detailed.

(d) EFFECTIVE DATE.—This section shall apply with respect to fiscal year 2019 and each succeeding fiscal year.

ACCEPTANCE OF TRAVEL EXPENSES FROM NON-FEDERAL SOURCES

SEC. 135. (a) PERMITTING ACCEPTANCE OF EXPENSES.—Notwithstanding any other provision of law, the Architect of the Capitol may accept payment or authorize an employee of the Office of the Architect of the Capitol to accept payment on the Office's behalf from non-Federal sources for travel, subsistence, and related expenses with respect to attendance of the employee (or the spouse of such employee) at any meeting or similar function relating to the employee's official duties. Any cash payment so accepted shall be credited to the appropriation applicable to such expenses. In the case of a payment in kind so accepted, a pro rata reduction shall be made in any entitlement of the employee to payment from the Government for such expenses.

(b) PROHIBITING ACCEPTANCE FROM OTHER SOURCES.—Except as provided in this section or section 7342 of title 5, United States Code, the Office or an employee of the Office may not accept payment for expenses referred to in subsection (a). An employee who accepts any payment in violation of the preceding sentence—

(1) may be required, in addition to any penalty provided by law, to repay, for deposit in the general fund of the Treasury, an amount equal to the amount of the payment so accepted; and

(2) in the case of a repayment under paragraph (1), shall not be entitled to any payment from the Government for such expenses.

(c) EFFECTIVE DATE.—This section shall apply with respect to fiscal year 2019 and each succeeding fiscal year.

LIBRARY OF CONGRESS SALARIES AND EXPENSES

For all necessary expenses of the Library of Congress not otherwise provided for, including development and maintenance of the Library's catalogs; custody and custodial care of the Library buildings; special clothing; cleaning, laundering and repair of uniforms; preservation of motion pictures in the custody of the Library; operation and maintenance of the American Folklife Center in the Library; preparation and distribution of catalog records and other publications of the Library; hire or purchase of one passenger motor vehicle; and expenses of the Library of Congress Trust Fund Board not properly chargeable to the income of any trust fund held by the Board, \$480,052,000, of which not more than \$6,000,000 shall be derived from

collections credited to this appropriation during fiscal year 2019, and shall remain available until expended, under the Act of June 28, 1902 (chapter 1301; 32 Stat. 480; 2 U.S.C. 150): *Provided*, That the Library of Congress may not obligate or expend any funds derived from collections under the Act of June 28, 1902, in excess of the amount authorized for obligation or expenditure in appropriations Acts: *Provided further*, That the total amount available for obligation shall be reduced by the amount by which collections are less than \$6,000,000: *Provided further*, That of the total amount appropriated, not more than \$12,000 may be expended, on the certification of the Librarian of Congress, in connection with official representation and reception expenses for the Overseas Field Offices: *Provided further*, That of the total amount appropriated, \$8,855,000 shall remain available until expended for the digital collections and educational curricula program: *Provided further*, That of the total amount appropriated, \$1,318,000 shall remain available until expended for upgrade of the Legislative Branch Financial Management System: *Provided further*, That of the total amount appropriated, \$250,000 shall remain available until expended for the Surplus Books Program to promote the program and facilitate a greater number of donations to eligible entities across the United States: *Provided further*, That of the total amount appropriated, \$2,383,000 shall remain available until expended for the Veterans History Project to continue digitization efforts of already collected materials, reach a greater number of veterans to record their stories, and promote public access to the Project.

COPYRIGHT OFFICE SALARIES AND EXPENSES

For all necessary expenses of the Copyright Office, \$93,407,000, of which not more than \$39,218,000, to remain available until expended, shall be derived from collections credited to this appropriation during fiscal year 2019 under section 708(d) of title 17, United States Code: *Provided*, That the Copyright Office may not obligate or expend any funds derived from collections under such section, in excess of the amount authorized for obligation or expenditure in appropriations Acts: *Provided further*, That not more than \$6,272,000 shall be derived from collections during fiscal year 2019 under sections 111(d)(2), 119(b)(3), 803(e), 1005, and 1316 of such title: *Provided further*, That the total amount available for obligation shall be reduced by the amount by which collections are less than \$45,490,000: *Provided further*, That \$4,328,000 shall be derived from prior year unobligated balances: *Provided further*, That not more than \$100,000 of the amount appropriated is available for the maintenance of an "International Copyright Institute" in the Copyright Office of the Library of Congress for the purpose of training nationals of developing countries in intellectual property laws and policies: *Provided further*, That not more than \$6,500 may be expended, on the certification of the Librarian of Congress, in connection with official representation and reception expenses for activities of the International Copyright Institute and for copyright delegations, visitors, and seminars: *Provided further*, That, notwithstanding any provision of chapter 8 of title 17, United States Code, any amounts made available under this heading which are attributable to royalty fees and payments received by the Copyright Office pursuant to sections 111, 119, and chapter 10 of such title may be used for the costs incurred in the administration of the Copyright Royalty Judges program, with the exception of the costs of salaries and benefits for the Copyright Royalty Judges and staff under section 802(e).

CONGRESSIONAL RESEARCH SERVICE SALARIES AND EXPENSES

For all necessary expenses to carry out the provisions of section 203 of the Legislative Reorganization Act of 1946 (2 U.S.C. 166) and to revise and extend the Annotated Constitution of the United States of America, \$125,688,000: *Provided*, That no part of such amount may be used to pay any salary or expense in connection with any publication, or preparation of material therefor (except the Digest of Public General Bills), to be issued by the Library of Congress unless such publication has obtained prior approval of either the Committee on House Administration of the House of Representatives or the Committee on Rules and Administration of the Senate: *Provided further*, That this prohibition does not apply to publication of non-confidential Congressional Research Service (CRS) products: *Provided further*, That a non-confidential CRS product includes any written product containing research or analysis that is currently available for general congressional access on the CRS Congressional Intranet, or that would be made available on the CRS Congressional Intranet in the normal course of business and does not include material prepared in response to Congressional requests for confidential analysis or research.

BOOKS FOR THE BLIND AND PHYSICALLY HANDICAPPED SALARIES AND EXPENSES

For all necessary expenses to carry out the Act of March 3, 1931 (chapter 400; 46 Stat. 1487; 2 U.S.C. 135a), \$52,783,000: *Provided*, That of the total amount appropriated, \$650,000 shall be available to contract to provide newspapers to blind and physically handicapped residents at no cost to the individual.

ADMINISTRATIVE PROVISIONS REIMBURSABLE AND REVOLVING FUND ACTIVITIES

SEC. 140. (a) IN GENERAL.—For fiscal year 2019, the obligational authority of the Library of Congress for the activities described in subsection (b) may not exceed \$194,608,000.

(b) ACTIVITIES.—The activities referred to in subsection (a) are reimbursable and revolving fund activities that are funded from sources other than appropriations to the Library in appropriations Acts for the legislative branch.

GOVERNMENT PUBLISHING OFFICE CONGRESSIONAL PUBLISHING (INCLUDING TRANSFER OF FUNDS)

For authorized publishing of congressional information and the distribution of congressional information in any format; publishing of Government publications authorized by law to be distributed to Members of Congress; and publishing, and distribution of Government publications authorized by law to be distributed without charge to the recipient, \$79,000,000: *Provided*, That this appropriation shall not be available for paper copies of the permanent edition of the Congressional Record for individual Representatives, Resident Commissioners or Delegates authorized under section 906 of title 44, United States Code: *Provided further*, That this appropriation shall be available for the payment of obligations incurred under the appropriations for similar purposes for preceding fiscal years: *Provided further*, That notwithstanding the 2-year limitation under section 718 of title 44, United States Code, none of the funds appropriated or made available under this Act or any other Act for printing and binding and related services provided to Congress under chapter 7 of title 44, United States Code, may be expended to print a document, report, or publication after the 27-month period beginning on the

date that such document, report, or publication is authorized by Congress to be printed, unless Congress reauthorizes such printing in accordance with section 718 of title 44, United States Code: *Provided further*, That unobligated or unexpended balances of expired discretionary funds made available under this heading in this Act for this fiscal year may be transferred to, and merged with, funds under the heading “Government Publishing Office Business Operations Revolving Fund” no later than the end of the fifth fiscal year after the last fiscal year for which such funds are available for the purposes for which appropriated, to be available for carrying out the purposes of this heading, subject to the approval of the Committee on Appropriations of the House of Representatives and the Senate: *Provided further*, That notwithstanding sections 901, 902, and 906 of title 44, United States Code, this appropriation may be used to prepare indexes to the Congressional Record on only a monthly and session basis.

**PUBLIC INFORMATION PROGRAMS OF THE SUPERINTENDENT OF DOCUMENTS
SALARIES AND EXPENSES
(INCLUDING TRANSFER OF FUNDS)**

For expenses of the public information programs of the Office of Superintendent of Documents necessary to provide for the cataloging and indexing of Government publications and their distribution to the public, Members of Congress, other Government agencies, and designated depository and international exchange libraries as authorized by law, \$32,000,000: *Provided*. That amounts of not more than \$2,000,000 from current year appropriations are authorized for producing and disseminating Congressional serial sets and other related publications for fiscal years 2017 and 2018 to depository and other designated libraries: *Provided further*, That unobligated or unexpended balances of expired discretionary funds made available under this heading in this Act for this fiscal year may be transferred to, and merged with, funds under the heading “Government Publishing Office Business Operations Revolving Fund” no later than the end of the fifth fiscal year after the last fiscal year for which such funds are available for the purposes for which appropriated, to be available for carrying out the purposes of this heading, subject to the approval of the Committee on Appropriations of the House of Representatives and the Senate.

GOVERNMENT PUBLISHING OFFICE BUSINESS OPERATIONS REVOLVING FUND

For payment to the Government Publishing Office Business Operations Revolving Fund, \$6,000,000, to remain available until expended, for information technology development and facilities repair: *Provided*, That the Government Publishing Office is hereby authorized to make such expenditures, within the limits of funds available and in accordance with law, and to make such contracts and commitments without regard to fiscal year limitations as provided by section 9104 of title 31, United States Code, as may be necessary in carrying out the programs and purposes set forth in the budget for the current fiscal year for the Government Publishing Office Business Operations Revolving Fund: *Provided further*, That not more than \$7,500 may be expended on the certification of the Director of the Government Publishing Office in connection with official representation and reception expenses: *Provided further*, That the Business Operations Revolving Fund shall be available for the hire or purchase of not more than 12 passenger motor vehicles: *Provided further*, That expenditures in connection with travel expenses of the advisory councils to the Direc-

tor of the Government Publishing Office shall be deemed necessary to carry out the provisions of title 44, United States Code: *Provided further*, That the Business Operations Revolving Fund shall be available for temporary or intermittent services under section 3109(b) of title 5, United States Code, but at rates for individuals not more than the daily equivalent of the annual rate of basic pay for level V of the Executive Schedule under section 5316 of such title: *Provided further*, That activities financed through the Business Operations Revolving Fund may provide information in any format: *Provided further*, That the Business Operations Revolving Fund and the funds provided under the heading “Public Information Programs of the Superintendent of Documents” may not be used for contracted security services at Government Publishing Office’s passport facility in the District of Columbia.

**GOVERNMENT ACCOUNTABILITY OFFICE
SALARIES AND EXPENSES**

For necessary expenses of the Government Accountability Office, including not more than \$12,500 to be expended on the certification of the Comptroller General of the United States in connection with official representation and reception expenses; temporary or intermittent services under section 3109(b) of title 5, United States Code, but at rates for individuals not more than the daily equivalent of the annual rate of basic pay for level IV of the Executive Schedule under section 5315 of such title; hire of one passenger motor vehicle; advance payments in foreign countries in accordance with section 3324 of title 31, United States Code; benefits comparable to those payable under sections 901(5), (6), and (8) of the Foreign Service Act of 1980 (22 U.S.C. 4081(5), (6), and (8)); and under regulations prescribed by the Comptroller General of the United States, rental of living quarters in foreign countries, \$589,749,653: *Provided*, That, in addition, \$35,900,000 of payments received under sections 782, 791, 3521, and 9105 of title 31, United States Code, shall be available without fiscal year limitation: *Provided further*,

That this appropriation and appropriations for administrative expenses of any other department or agency which is a member of the National Intergovernmental Audit Forum or a Regional Intergovernmental Audit Forum shall be available to finance an appropriate share of either Forum’s costs as determined by the respective Forum, including necessary travel expenses of non-Federal participants: *Provided further*, That payments hereunder to the Forum may be credited as reimbursements to any appropriation from which costs involved are initially financed: *Provided further*, That this appropriation shall be available to transfer amounts to the Department of the Army for the expenses of constructing an Army facility at Redstone Arsenal for the sole, unlimited use of the Government Accountability Office, and (notwithstanding section 1502(a) of title 31, United States Code) shall be available to transfer such amounts without regard to the fiscal year in which such expenses are incurred: *Provided further*, That hereafter, amounts appropriated for the salaries and expenses of the Government Accountability Office shall be available to transfer to the Department of the Army for the maintenance of such facility.

**OPEN WORLD LEADERSHIP CENTER
TRUST FUND**

For a payment to the Open World Leadership Center Trust Fund for financing activities of the Open World Leadership Center under section 313 of the Legislative Branch Appropriations Act, 2001 (2 U.S.C. 1151), \$5,600,000: *Provided*, That funds made avail-

able to support Russian participants shall only be used for those engaging in free market development, humanitarian activities, and civic engagement, and shall not be used for officials of the central government of Russia.

JOHN C. STENNIS CENTER FOR PUBLIC SERVICE TRAINING AND DEVELOPMENT

For payment to the John C. Stennis Center for Public Service Development Trust Fund established under section 116 of the John C. Stennis Center for Public Service Training and Development Act (2 U.S.C. 1105), \$430,000.

TITLE II

GENERAL PROVISIONS

MAINTENANCE AND CARE OF PRIVATE VEHICLES

SEC. 201. No part of the funds appropriated in this Act shall be used for the maintenance or care of private vehicles, except for emergency assistance and cleaning as may be provided under regulations relating to parking facilities for the House of Representatives issued by the Committee on House Administration and for the Senate issued by the Committee on Rules and Administration.

FISCAL YEAR LIMITATION

SEC. 202. No part of the funds appropriated in this Act shall remain available for obligation beyond fiscal year 2019 unless expressly so provided in this Act.

RATES OF COMPENSATION AND DESIGNATION

SEC. 203. Whenever in this Act any office or position not specifically established by the Legislative Pay Act of 1929 (46 Stat. 32 et seq.) is appropriated for or the rate of compensation or designation of any office or position appropriated for is different from that specifically established by such Act, the rate of compensation and the designation in this Act shall be the permanent law with respect thereto: *Provided*, That the provisions in this Act for the various items of official expenses of Members, officers, and committees of the Senate and House of Representatives, and clerk hire for Senators and Members of the House of Representatives shall be the permanent law with respect thereto.

CONSULTING SERVICES

SEC. 204. The expenditure of any appropriation under this Act for any consulting service through procurement contract, under section 3109 of title 5, United States Code, shall be limited to those contracts where such expenditures are a matter of public record and available for public inspection, except where otherwise provided under existing law, or under existing Executive order issued under existing law.

COSTS OF LBFMC

SEC. 205. Amounts available for administrative expenses of any legislative branch entity which participates in the Legislative Branch Financial Managers Council (LBFMC) established by charter on March 26, 1996, shall be available to finance an appropriate share of LBFMC costs as determined by the LBFMC, except that the total LBFMC costs to be shared among all participating legislative branch entities (in such allocations among the entities as the entities may determine) may not exceed \$2,000.

LIMITATION ON TRANSFERS

SEC. 206. None of the funds made available in this Act may be transferred to any department, agency, or instrumentality of the United States Government, except pursuant to a transfer made by, or transfer authority provided in, this Act or any other appropriation Act.

GUIDED TOURS OF THE CAPITOL

SEC. 207. (a) Except as provided in subsection (b), none of the funds made available to the Architect of the Capitol in this Act

may be used to eliminate or restrict guided tours of the United States Capitol which are led by employees and interns of offices of Members of Congress and other offices of the House of Representatives and Senate, unless through regulations as authorized by section 402(b)(8) of the Capitol Visitor Center Act of 2008 (2 U.S.C. 2242(b)(8)).

(b) At the direction of the Capitol Police Board, or at the direction of the Architect of the Capitol with the approval of the Capitol Police Board, guided tours of the United States Capitol which are led by employees and interns described in subsection (a) may be suspended temporarily or otherwise subject to restriction for security or related reasons to the same extent as guided tours of the United States Capitol which are led by the Architect of the Capitol.

LIMITATION ON TELECOMMUNICATIONS EQUIPMENT PROCUREMENT

SEC. 208. (a) None of the funds appropriated or otherwise made available under this Act may be used to acquire telecommunications equipment produced by Huawei Technologies Company, ZTE Corporation or a high-impact or moderate-impact information system, as defined for security categorization in the National Institute of Standards and Technology's (NIST) Federal Information Processing Standard Publication 199, "Standards for Security Categorization of Federal Information and Information Systems" unless the agency, office, or other entity acquiring the equipment or system has—

(1) reviewed the supply chain risk for the information systems against criteria developed by NIST to inform acquisition decisions for high-impact and moderate-impact information systems within the Federal Government;

(2) reviewed the supply chain risk from the presumptive awardee against available and relevant threat information provided by the Federal Bureau of Investigation and other appropriate agencies; and

(3) in consultation with the Federal Bureau of Investigation or other appropriate Federal entity, conducted an assessment of any risk of cyber-espionage or sabotage associated with the acquisition of such system, including any risk associated with such system being produced, manufactured, or assembled by one or more entities identified by the United States Government as posing a cyber threat, including but not limited to, those that may be owned, directed, or subsidized by the People's Republic of China, the Islamic Republic of Iran, the Democratic People's Republic of Korea, or the Russian Federation.

(b) None of the funds appropriated or otherwise made available under this Act may be used to acquire a high-impact or moderate impact information system reviewed and assessed under subsection (a) unless the head of the assessing entity described in subsection (a) has—

(1) developed, in consultation with NIST and supply chain risk management experts, a mitigation strategy for any identified risks;

(2) determined, in consultation with NIST and the Federal Bureau of Investigation, that the acquisition of such system is in the vital national security interest of the United States; and

(3) reported that determination to the Committees on Appropriations of the House of Representatives and the Senate in a manner that identifies the system intended for acquisition and a detailed description of the mitigation strategies identified in (1), provided that such report may include a classified annex as necessary.

PROHIBITION ON CERTAIN OPERATIONAL EXPENSES

SEC. 209. (a) None of the funds made available in this Act may be used to maintain or

establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

(b) Nothing in subsection (a) shall limit the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities or other official government activities.

PLASTIC WASTE REDUCTION

SEC. 210. All agencies and offices funded by this division that contract with a food service provider or providers shall confer and coordinate with such food service provider or providers, in consultation with disability advocacy groups, to eliminate or reduce plastic waste, including waste from plastic straws, explore the use of biodegradable items, and increase recycling and composting opportunities.

AGENCY COST OF LIVING ADJUSTMENTS

SEC. 211. (a) Each agency, office, or other entity that is provided appropriations under this Division shall report to the Committees on Appropriations of the House and Senate, not less than 30 days after enactment of this Act, specifying the dollar amount estimated for cost-of-living adjustments that was included in the fiscal year 2019 budget request for each appropriations account.

(b) In the event that Executive Branch agencies do not receive a cost-of-living adjustment, such dollar amount reported pursuant to subsection (a) may be obligated and expended only upon written approval by the Chair and ranking minority member of the Subcommittee on the Legislative Branch of the Committee on Appropriations of the House of Representatives and by the Chair and ranking minority member of the Subcommittee on the Legislative Branch of the Committee on Appropriations of the Senate.

(c) Pursuant to subsection (b), the agencies, offices, or other entities of the House of Representatives and the Senate require only the written approval of the Committee on Appropriations of their respective Chamber.

ADJUSTMENTS TO COMPENSATION

SEC. 212. Notwithstanding any other provision of law, no adjustment shall be made under section 601(a) of the Legislative Reorganization Act of 1946 (2 U.S.C. 4501) (relating to cost of living adjustments for Members of Congress) during fiscal year 2019.

This division may be cited as the "Legislative Branch Appropriations Act, 2019".

DIVISION C—MILITARY CONSTRUCTION, VETERANS AFFAIRS, AND RELATED AGENCIES APPROPRIATIONS ACT, 2019

TITLE I

DEPARTMENT OF DEFENSE

MILITARY CONSTRUCTION, ARMY

For acquisition, construction, installation, and equipment of temporary or permanent public works, military installations, facilities, and real property for the Army as currently authorized by law, including personnel in the Army Corps of Engineers and other personal services necessary for the purposes of this appropriation, and for construction and operation of facilities in support of the functions of the Commander in Chief, \$1,021,768,000, to remain available until September 30, 2023: *Provided*, That, of this amount, not to exceed \$110,068,000 shall be available for study, planning, design, architect and engineer services, and host nation support, as authorized by law, unless the Secretary of the Army determines that additional obligations are necessary for such purposes and notifies the Committees on Appropriations of both Houses of Congress of the determination and the reasons therefor.

MILITARY CONSTRUCTION, NAVY AND MARINE CORPS

For acquisition, construction, installation, and equipment of temporary or permanent public works, naval installations, facilities, and real property for the Navy and Marine Corps as currently authorized by law, including personnel in the Naval Facilities Engineering Command and other personal services necessary for the purposes of this appropriation, \$2,118,619,000, to remain available until September 30, 2023: *Provided*, That, of this amount, not to exceed \$185,542,000 shall be available for study, planning, design, and architect and engineer services, as authorized by law, unless the Secretary of the Navy determines that additional obligations are necessary for such purposes and notifies the Committees on Appropriations of both Houses of Congress of the determination and the reasons therefor.

MILITARY CONSTRUCTION, AIR FORCE

For acquisition, construction, installation, and equipment of temporary or permanent public works, military installations, facilities, and real property for the Air Force as currently authorized by law, \$1,440,323,000, to remain available until September 30, 2023: *Provided*, That, of this amount, not to exceed \$206,577,000 shall be available for study, planning, design, and architect and engineer services, as authorized by law, unless the Secretary of the Air Force determines that additional obligations are necessary for such purposes and notifies the Committees on Appropriations of both Houses of Congress of the determination and the reasons therefor.

MILITARY CONSTRUCTION, DEFENSE-WIDE (INCLUDING TRANSFER OF FUNDS)

For acquisition, construction, installation, and equipment of temporary or permanent public works, installations, facilities, and real property for activities and agencies of the Department of Defense (other than the military departments), as currently authorized by law, \$2,550,728,000, to remain available until September 30, 2023: *Provided*, That such amounts of this appropriation as may be determined by the Secretary of Defense may be transferred to such appropriations of the Department of Defense available for military construction or family housing as the Secretary may designate, to be merged with and to be available for the same purposes, and for the same time period, as the appropriation or fund to which transferred: *Provided further*, That, of the amount, not to exceed \$192,345,000 shall be available for study, planning, design, and architect and engineer services, as authorized by law, unless the Secretary of Defense determines that additional obligations are necessary for such purposes and notifies the Committees on Appropriations of both Houses of Congress of the determination and the reasons therefor.

MILITARY CONSTRUCTION, ARMY NATIONAL GUARD

For construction, acquisition, expansion, rehabilitation, and conversion of facilities for the training and administration of the Army National Guard, and contributions therefor, as authorized by chapter 1803 of title 10, United States Code, and Military Construction Authorization Acts, \$190,122,000, to remain available until September 30, 2023: *Provided*, That, of the amount, not to exceed \$16,622,000 shall be available for study, planning, design, and architect and engineer services, as authorized by law, unless the Director of the Army National Guard determines that additional obligations are necessary for such purposes and notifies the Committees on Appropriations of both Houses of Congress of the determination and the reasons therefor.

MILITARY CONSTRUCTION, AIR NATIONAL GUARD

For construction, acquisition, expansion, rehabilitation, and conversion of facilities for the training and administration of the Air National Guard, and contributions therefor, as authorized by chapter 1803 of title 10, United States Code, and Military Construction Authorization Acts, \$129,126,000, to remain available until September 30, 2023: *Provided*, That, of the amount, not to exceed \$18,500,000 shall be available for study, planning, design, and architect and engineer services, as authorized by law, unless the Director of the Air National Guard determines that additional obligations are necessary for such purposes and notifies the Committees on Appropriations of both Houses of Congress of the determination and the reasons therefor.

MILITARY CONSTRUCTION, ARMY RESERVE

For construction, acquisition, expansion, rehabilitation, and conversion of facilities for the training and administration of the Army Reserve as authorized by chapter 1803 of title 10, United States Code, and Military Construction Authorization Acts, \$64,919,000, to remain available until September 30, 2023: *Provided*, That, of the amount, not to exceed \$5,855,000 shall be available for study, planning, design, and architect and engineer services, as authorized by law, unless the Chief of the Army Reserve determines that additional obligations are necessary for such purposes and notifies the Committees on Appropriations of both Houses of Congress of the determination and the reasons therefor.

MILITARY CONSTRUCTION, NAVY RESERVE

For construction, acquisition, expansion, rehabilitation, and conversion of facilities for the training and administration of the reserve components of the Navy and Marine Corps as authorized by chapter 1803 of title 10, United States Code, and Military Construction Authorization Acts, \$43,065,000, to remain available until September 30, 2023: *Provided*, That, of the amount, not to exceed \$4,695,000 shall be available for study, planning, design, and architect and engineer services, as authorized by law, unless the Secretary of the Navy determines that additional obligations are necessary for such purposes and notifies the Committees on Appropriations of both Houses of Congress of the determination and the reasons therefor.

MILITARY CONSTRUCTION, AIR FORCE RESERVE

For construction, acquisition, expansion, rehabilitation, and conversion of facilities for the training and administration of the Air Force Reserve as authorized by chapter 1803 of title 10, United States Code, and Military Construction Authorization Acts, \$38,063,000, to remain available until September 30, 2023: *Provided*, That, of the amount, not to exceed \$4,055,000 shall be available for study, planning, design, and architect and engineer services, as authorized by law, unless the Chief of the Air Force Reserve determines that additional obligations are necessary for such purposes and notifies the Committees on Appropriations of both Houses of Congress of the determination and the reasons therefor: *Provided further*, That, the Chief of the Air Force Reserve shall take immediate action to address unfunded military construction requirements for access control points and security issues at Air Force Reserve facilities.

NORTH ATLANTIC TREATY ORGANIZATION SECURITY INVESTMENT PROGRAM

For the United States share of the cost of the North Atlantic Treaty Organization Security Investment Program for the acquisition and construction of military facilities and installations (including international

military headquarters) and for related expenses for the collective defense of the North Atlantic Treaty Area as authorized by section 2806 of title 10, United States Code, and Military Construction Authorization Acts, \$171,064,000, to remain available until expended.

DEPARTMENT OF DEFENSE BASE CLOSURE ACCOUNT

For deposit into the Department of Defense Base Closure Account, established by section 2906(a) of the Defense Base Closure and Realignment Act of 1990 (10 U.S.C. 2687 note), \$342,000,000, to remain available until expended.

FAMILY HOUSING CONSTRUCTION, ARMY

For expenses of family housing for the Army for construction, including acquisition, replacement, addition, expansion, extension, and alteration, as authorized by law, \$330,660,000, to remain available until September 30, 2023.

FAMILY HOUSING OPERATION AND MAINTENANCE, ARMY

For expenses of family housing for the Army for operation and maintenance, including debt payment, leasing, minor construction, principal and interest charges, and insurance premiums, as authorized by law, \$376,509,000.

FAMILY HOUSING CONSTRUCTION, NAVY AND MARINE CORPS

For expenses of family housing for the Navy and Marine Corps for construction, including acquisition, replacement, addition, expansion, extension, and alteration, as authorized by law, \$104,581,000, to remain available until September 30, 2023.

FAMILY HOUSING OPERATION AND MAINTENANCE, NAVY AND MARINE CORPS

For expenses of family housing for the Navy and Marine Corps for operation and maintenance, including debt payment, leasing, minor construction, principal and interest charges, and insurance premiums, as authorized by law, \$314,536,000.

FAMILY HOUSING CONSTRUCTION, AIR FORCE

For expenses of family housing for the Air Force for construction, including acquisition, replacement, addition, expansion, extension, and alteration, as authorized by law, \$78,446,000, to remain available until September 30, 2023.

FAMILY HOUSING OPERATION AND MAINTENANCE, AIR FORCE

For expenses of family housing for the Air Force for operation and maintenance, including debt payment, leasing, minor construction, principal and interest charges, and insurance premiums, as authorized by law, \$317,274,000.

FAMILY HOUSING OPERATION AND MAINTENANCE, DEFENSE-WIDE

For expenses of family housing for the activities and agencies of the Department of Defense (other than the military departments) for operation and maintenance, leasing, and minor construction, as authorized by law, \$58,373,000.

DEPARTMENT OF DEFENSE

FAMILY HOUSING IMPROVEMENT FUND

For the Department of Defense Family Housing Improvement Fund, \$1,653,000, to remain available until expended, for family housing initiatives undertaken pursuant to section 2883 of title 10, United States Code, providing alternative means of acquiring and improving military family housing and supporting facilities.

**DEPARTMENT OF DEFENSE
MILITARY UNACCOMPANIED HOUSING
IMPROVEMENT FUND**

For the Department of Defense Military Unaccompanied Housing Improvement Fund,

\$600,000, to remain available until expended, for unaccompanied housing initiatives undertaken pursuant to section 2883 of title 10, United States Code, providing alternative means of acquiring and improving military unaccompanied housing and supporting facilities.

ADMINISTRATIVE PROVISIONS

SEC. 101. None of the funds made available in this title shall be expended for payments under a cost-plus-a-fixed-fee contract for construction, where cost estimates exceed \$25,000, to be performed within the United States, except Alaska, without the specific approval in writing of the Secretary of Defense setting forth the reasons therefor.

SEC. 102. Funds made available in this title for construction shall be available for hire of passenger motor vehicles.

SEC. 103. Funds made available in this title for construction may be used for advances to the Federal Highway Administration, Department of Transportation, for the construction of access roads as authorized by section 210 of title 23, United States Code, when projects authorized therein are certified as important to the national defense by the Secretary of Defense.

SEC. 104. None of the funds made available in this title may be used to begin construction of new bases in the United States for which specific appropriations have not been made.

SEC. 105. None of the funds made available in this title shall be used for purchase of land or land easements in excess of 100 percent of the value as determined by the Army Corps of Engineers or the Naval Facilities Engineering Command, except: (1) where there is a determination of value by a Federal court; (2) purchases negotiated by the Attorney General or the designee of the Attorney General; (3) where the estimated value is less than \$25,000; or (4) as otherwise determined by the Secretary of Defense to be in the public interest.

SEC. 106. None of the funds made available in this title shall be used to: (1) acquire land; (2) provide for site preparation; or (3) install utilities for any family housing, except housing for which funds have been made available in annual Acts making appropriations for military construction.

SEC. 107. None of the funds made available in this title for minor construction may be used to transfer or relocate any activity from one base or installation to another, without prior notification to the Committees on Appropriations of both Houses of Congress.

SEC. 108. None of the funds made available in this title may be used for the procurement of steel for any construction project or activity for which American steel producers, fabricators, and manufacturers have been denied the opportunity to compete for such steel procurement.

SEC. 109. None of the funds available to the Department of Defense for military construction or family housing during the current fiscal year may be used to pay real property taxes in any foreign nation.

SEC. 110. None of the funds made available in this title may be used to initiate a new installation overseas without prior notification to the Committees on Appropriations of both Houses of Congress.

SEC. 111. None of the funds made available in this title may be obligated for architect and engineer contracts estimated by the Government to exceed \$500,000 for projects to be accomplished in Japan, in any North Atlantic Treaty Organization member country, or in countries bordering the Arabian Gulf, unless such contracts are awarded to United States firms or United States firms in joint venture with host nation firms.

SEC. 112. None of the funds made available in this title for military construction in the United States territories and possessions in the Pacific and on Kwajalein Atoll, or in countries bordering the Arabian Gulf, may be used to award any contract estimated by the Government to exceed \$1,000,000 to a foreign contractor: *Provided*, That this section shall not be applicable to contract awards for which the lowest responsive and responsible bid of a United States contractor exceeds the lowest responsive and responsible bid of a foreign contractor by greater than 20 percent: *Provided further*, That this section shall not apply to contract awards for military construction on Kwajalein Atoll for which the lowest responsive and responsible bid is submitted by a Marshallese contractor.

SEC. 113. The Secretary of Defense shall inform the appropriate committees of both Houses of Congress, including the Committees on Appropriations, of plans and scope of any proposed military exercise involving United States personnel 30 days prior to its occurring, if amounts expended for construction, either temporary or permanent, are anticipated to exceed \$100,000.

SEC. 114. Funds appropriated to the Department of Defense for construction in prior years shall be available for construction authorized for each such military department by the authorizations enacted into law during the current session of Congress.

SEC. 115. For military construction or family housing projects that are being completed with funds otherwise expired or lapsed for obligation, expired or lapsed funds may be used to pay the cost of associated supervision, inspection, overhead, engineering and design on those projects and on subsequent claims, if any.

SEC. 116. Notwithstanding any other provision of law, any funds made available to a military department or defense agency for the construction of military projects may be obligated for a military construction project or contract, or for any portion of such a project or contract, at any time before the end of the fourth fiscal year after the fiscal year for which funds for such project were made available, if the funds obligated for such project: (1) are obligated from funds available for military construction projects; and (2) do not exceed the amount appropriated for such project, plus any amount by which the cost of such project is increased pursuant to law.

(INCLUDING TRANSFER OF FUNDS)

SEC. 117. Subject to 30 days prior notification, or 14 days for a notification provided in an electronic medium pursuant to sections 480 and 2883 of title 10, United States Code, to the Committees on Appropriations of both Houses of Congress, such additional amounts as may be determined by the Secretary of Defense may be transferred to: (1) the Department of Defense Family Housing Improvement Fund from amounts appropriated for construction in "Family Housing" accounts, to be merged with and to be available for the same purposes and for the same period of time as amounts appropriated directly to the Fund; or (2) the Department of Defense Military Unaccompanied Housing Improvement Fund from amounts appropriated for construction of military unaccompanied housing in "Military Construction" accounts, to be merged with and to be available for the same purposes and for the same period of time as amounts appropriated directly to the Fund: *Provided*, That appropriations made available to the Funds shall be available to cover the costs, as defined in section 502(5) of the Congressional Budget Act of 1974, of direct loans or loan guarantees issued by the Department of Defense

pursuant to the provisions of subchapter IV of chapter 169 of title 10, United States Code, pertaining to alternative means of acquiring and improving military family housing, military unaccompanied housing, and supporting facilities.

(INCLUDING TRANSFER OF FUNDS)

SEC. 118. In addition to any other transfer authority available to the Department of Defense, amounts may be transferred from the Department of Defense Base Closure Account to the fund established by section 1013(d) of the Demonstration Cities and Metropolitan Development Act of 1966 (42 U.S.C. 3374) to pay for expenses associated with the Homeowners Assistance Program incurred under 42 U.S.C. 3374(a)(1)(A). Any amounts transferred shall be merged with and be available for the same purposes and for the same time period as the fund to which transferred.

SEC. 119. Notwithstanding any other provision of law, funds made available in this title for operation and maintenance of family housing shall be the exclusive source of funds for repair and maintenance of all family housing units, including general or flag officer quarters: *Provided*, That not more than \$35,000 per unit may be spent annually for the maintenance and repair of any general or flag officer quarters without 30 days prior notification, or 14 days for a notification provided in an electronic medium pursuant to sections 480 and 2883 of title 10, United States Code, to the Committees on Appropriations of both Houses of Congress, except that an after-the-fact notification shall be submitted if the limitation is exceeded solely due to costs associated with environmental remediation that could not be reasonably anticipated at the time of the budget submission: *Provided further*, That the Under Secretary of Defense (Comptroller) is to report annually to the Committees on Appropriations of both Houses of Congress all operation and maintenance expenditures for each individual general or flag officer quarters for the prior fiscal year.

SEC. 120. Amounts contained in the Ford Island Improvement Account established by subsection (h) of section 2814 of title 10, United States Code, are appropriated and shall be available until expended for the purposes specified in subsection (i)(1) of such section or until transferred pursuant to subsection (i)(3) of such section.

(INCLUDING TRANSFER OF FUNDS)

SEC. 121. During the 5-year period after appropriations available in this Act to the Department of Defense for military construction and family housing operation and maintenance and construction have expired for obligation, upon a determination that such appropriations will not be necessary for the liquidation of obligations or for making authorized adjustments to such appropriations for obligations incurred during the period of availability of such appropriations, unobligated balances of such appropriations may be transferred into the appropriation "Foreign Currency Fluctuations, Construction, Defense", to be merged with and to be available for the same time period and for the same purposes as the appropriation to which transferred.

SEC. 122. (a) Except as provided in subsection (b), none of the funds made available in this Act may be used by the Secretary of the Army to relocate a unit in the Army that—

(1) performs a testing mission or function that is not performed by any other unit in the Army and is specifically stipulated in title 10, United States Code; and

(2) is located at a military installation at which the total number of civilian employees of the Department of the Army and Army contractor personnel employed ex-

ceeds 10 percent of the total number of members of the regular and reserve components of the Army assigned to the installation.

(b) EXCEPTION.—Subsection (a) shall not apply if the Secretary of the Army certifies to the congressional defense committees that in proposing the relocation of the unit of the Army, the Secretary complied with Army Regulation 5-10 relating to the policy, procedures, and responsibilities for Army transitioning actions.

SEC. 123. Amounts appropriated or otherwise made available in an account funded under the headings in this title may be transferred among projects and activities within the account in accordance with the reprogramming guidelines for military construction and family housing construction contained in Department of Defense Financial Management Regulation 7000.14-R, Volume 3, Chapter 7, of March 2011, as in effect on the date of enactment of this Act.

SEC. 124. None of the funds made available in this title may be obligated or expended for planning and design and construction of projects at Arlington National Cemetery.

SEC. 125. For an additional amount for the accounts and in the amounts specified, to remain available until September 30, 2023:

"Military Construction, Army", \$94,100,000;

"Military Construction, Navy and Marine Corps", \$196,850,000;

"Military Construction, Air Force", \$118,450,000;

"Military Construction, Army National Guard", \$22,000,000;

"Military Construction, Air National Guard", \$54,000,000;

"Military Construction, Army Reserve", \$23,000,000; and

"Military Construction, Air Force Reserve", \$84,800,000;

Provided, That such funds may only be obligated to carry out construction projects identified in the respective military department's unfunded priority list for fiscal year 2019 submitted to Congress: *Provided further*, That such projects are subject to authorization prior to obligation and expenditure of funds to carry out construction: *Provided further*, That not later than 30 days after enactment of this Act, the Secretary of the military department concerned, or his or her designee, shall submit to the Committees on Appropriations of both Houses of Congress an expenditure plan for funds provided under this section.

(RESCISSES OF FUNDS)

SEC. 126. Of the unobligated balances available to the Department of Defense from prior appropriation Acts, the following funds are hereby rescinded from the following accounts in the amounts specified:

"NATO Security Investment Program", \$25,000,000;

"Military Construction, Air Force", \$31,158,000;

"Military Construction, Army National Guard", \$10,000,000;

"Family Housing Construction, Navy and Marine Corps", \$2,138,000; and

"The fund established in section 1013(d) of the Demonstration Cities and Metropolitan Development Act of 1966 (42 U.S.C. 3374)", \$15,333,000;

Provided, That no amounts may be rescinded from amounts that were designated by the Congress for Overseas Contingency Operations/Global War on Terrorism or as an emergency requirement pursuant to a concurrent resolution on the budget or the Balanced Budget and Emergency Deficit Control Act of 1985, as amended.

SEC. 127. For the purposes of this Act, the term "congressional defense committees" means the Committees on Armed Services of the House of Representatives and the Senate,

the Subcommittee on Military Construction and Veterans Affairs of the Committee on Appropriations of the Senate, and the Subcommittee on Military Construction and Veterans Affairs of the Committee on Appropriations of the House of Representatives.

SEC. 128. None of the funds made available by this Act may be used to carry out the closure or realignment of the United States Naval Station, Guantánamo Bay, Cuba.

SEC. 129. Notwithstanding any other provision of law, none of the funds appropriated or otherwise made available by this or any other Act may be used to consolidate or relocate any element of a United States Air Force Rapid Engineer Deployable Heavy Operational Repair Squadron Engineer (RED HORSE) outside of the United States until the Secretary of the Air Force: (1) completes an analysis and comparison of the cost and infrastructure investment required to consolidate or relocate a RED HORSE squadron outside of the United States versus within the United States; (2) provides to the Committees on Appropriations of both Houses of Congress (“the Committees”) a report detailing the findings of the cost analysis; and (3) certifies in writing to the Committees that the preferred site for the consolidation or relocation yields the greatest savings for the Air Force: *Provided*, That the term “United States” in this section does not include any territory or possession of the United States.

SEC. 130. Notwithstanding section 124 of this Act, for an additional amount for “Military Construction, Army” in this title, \$30,000,000, to remain available until expended, is provided for completion of the Defense Access Roads project and land acquisition for Arlington National Cemetery as authorized by section 2101 of the National Defense Authorization Act for Fiscal Year 2016 (Public Law 114-92) and section 2829A of the National Defense Authorization Act for Fiscal Year 2017 (Public Law 114-328): *Provided*, That such funds shall be in addition to any other funds made available in this or prior year Acts for such purposes, including funds made available by section 132 of the Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2016 (Public Law 114-113).

SEC. 131. All amounts appropriated to the “Department of Defense—Military Construction, Army”, “Department of Defense—Military Construction, Navy and Marine Corps”, “Department of Defense—Military Construction, Air Force”, and “Department of Defense—Military Construction, Defense-Wide” accounts pursuant to the authorization of appropriations in a National Defense Authorization Act specified for fiscal year 2019 in the funding table in section 4601 of that Act shall be immediately available and allotted to contract for the full scope of authorized projects.

SEC. 132. For an additional amount for the accounts and in the amounts specified, for enhancing force protection and safety at military installations, to remain available until September 30, 2023:

“Military Construction, Navy and Marine Corps”, \$50,000,000; and

“Military Construction, Air Force”, \$50,000,000:

Provided, That such projects are subject to authorization prior to obligation and expenditure of funds to carry out construction: *Provided further*, That not later than 30 days after enactment of this Act, the Secretary of the military department concerned, or his or her designee, shall submit to the Committees on Appropriations of both Houses of Congress an expenditure plan for funds provided under this section: *Provided further*, That the Secretary of the military department concerned may not obligate or expend any funds

prior to approval by the Committees on Appropriations of both Houses of Congress of the expenditure plan required by this section.

TITLE II

DEPARTMENT OF VETERANS AFFAIRS VETERANS BENEFITS ADMINISTRATION COMPENSATION AND PENSIONS (INCLUDING TRANSFER OF FUNDS)

For the payment of compensation benefits to or on behalf of veterans and a pilot program for disability examinations as authorized by section 107 and chapters 11, 13, 18, 51, 53, 55, and 61 of title 38, United States Code; pension benefits to or on behalf of veterans as authorized by chapters 15, 51, 53, 55, and 61 of title 38, United States Code; and burial benefits, the Reinstated Entitlement Program for Survivors, emergency and other officers’ retirement pay, adjusted-service credits and certificates, payment of premiums due on commercial life insurance policies guaranteed under the provisions of title IV of the Servicemembers Civil Relief Act (50 U.S.C. App. 541 et seq.) and for other benefits as authorized by sections 107, 1312, 1977, and 2106, and chapters 23, 51, 53, 55, and 61 of title 38, United States Code, \$2,994,366,000, which shall be in addition to funds previously appropriated under this heading that become available on October 1, 2018, to remain available until expended; and, in addition, \$109,017,152,000 shall become available on October 1, 2019: *Provided*, That not to exceed \$18,047,000 of the amount made available for fiscal year 2020 under this heading shall be reimbursed to “General Operating Expenses, Veterans Benefits Administration”, and “Information Technology Systems” for necessary expenses in implementing the provisions of chapters 51, 53, and 55 of title 38, United States Code, the funding source for which is specifically provided as the “Compensation and Pensions” appropriation: *Provided further*, That such sums as may be earned on an actual qualifying patient basis, shall be reimbursed to “Medical Care Collections Fund” to augment the funding of individual medical facilities for nursing home care provided to pensioners as authorized.

READJUSTMENT BENEFITS

For the payment of readjustment and rehabilitation benefits to or on behalf of veterans as authorized by chapters 21, 30, 31, 33, 34, 35, 36, 39, 41, 51, 53, 55, and 61 of title 38, United States Code, \$14,065,282,000, to remain available until expended and to become available on October 1, 2019: *Provided*, That expenses for rehabilitation program services and assistance which the Secretary is authorized to provide under subsection (a) of section 3104 of title 38, United States Code, other than under paragraphs (1), (2), (5), and (11) of that subsection, shall be charged to this account.

VETERANS INSURANCE AND INDEMNITIES

For military and naval insurance, national service life insurance, servicemen’s indemnities, service-disabled veterans insurance, and veterans mortgage life insurance as authorized by chapters 19 and 21, title 38, United States Code, \$111,340,000, which shall become available on October 1, 2019, and shall remain available until expended.

VETERANS HOUSING BENEFIT PROGRAM FUND

For the cost of direct and guaranteed loans, such sums as may be necessary to carry out the program, as authorized by subchapters I through III of chapter 37 of title 38, United States Code: *Provided*, That such costs, including the cost of modifying such loans, shall be as defined in section 502 of the Congressional Budget Act of 1974: *Provided further*, That, during fiscal year 2019, within the resources available, not to exceed \$500,000 in gross obligations for direct loans

are authorized for specially adapted housing loans.

In addition, for administrative expenses to carry out the direct and guaranteed loan programs, \$200,612,000.

VOCATIONAL REHABILITATION LOANS PROGRAM ACCOUNT

For the cost of direct loans, \$39,000, as authorized by chapter 31 of title 38, United States Code: *Provided*, That such costs, including the cost of modifying such loans, shall be as defined in section 502 of the Congressional Budget Act of 1974: *Provided further*, That funds made available under this heading are available to subsidize gross obligations for the principal amount of direct loans not to exceed \$2,037,000.

In addition, for administrative expenses necessary to carry out the direct loan program, \$396,000, which may be paid to the appropriation for “General Operating Expenses, Veterans Benefits Administration”.

NATIVE AMERICAN VETERAN HOUSING LOAN PROGRAM ACCOUNT

For administrative expenses to carry out the direct loan program authorized by subchapter V of chapter 37 of title 38, United States Code, \$1,163,000.

GENERAL OPERATING EXPENSES, VETERANS BENEFITS ADMINISTRATION

For necessary operating expenses of the Veterans Benefits Administration, not otherwise provided for, including hire of passenger motor vehicles, reimbursement of the General Services Administration for security guard services, and reimbursement of the Department of Defense for the cost of overseas employee mail, \$2,956,316,000: *Provided*, That expenses for services and assistance authorized under paragraphs (1), (2), (5), and (11) of section 3104(a) of title 38, United States Code, that the Secretary of Veterans Affairs determines are necessary to enable entitled veterans: (1) to the maximum extent feasible, to become employable and to obtain and maintain suitable employment; or (2) to achieve maximum independence in daily living, shall be charged to this account: *Provided further*, That, of the funds made available under this heading, not to exceed 10 percent shall remain available until September 30, 2020.

VETERANS HEALTH ADMINISTRATION MEDICAL SERVICES

For necessary expenses for furnishing, as authorized by law, inpatient and outpatient care and treatment to beneficiaries of the Department of Veterans Affairs and veterans described in section 1705(a) of title 38, United States Code, including care and treatment in facilities not under the jurisdiction of the Department, and including medical supplies and equipment, bioengineering services, food services, and salaries and expenses of healthcare employees hired under title 38, United States Code, aid to State homes as authorized by section 1741 of title 38, United States Code, assistance and support services for caregivers as authorized by section 1720G of title 38, United States Code, loan repayments authorized by section 604 of the Caregivers and Veterans Omnibus Health Services Act of 2010 (Public Law 111-163; 124 Stat. 1174; 38 U.S.C. 7681 note), monthly assistance allowances authorized by section 322(d) of title 38, United States Code, grants authorized by section 521A of title 38, United States Code, and administrative expenses necessary to carry out sections 322(d) and 521A of title 38, United States Code, and hospital care and medical services authorized by section 1787 of title 38, United States Code; \$750,000,000, which shall be in addition to funds previously appropriated under this heading that become available on October 1, 2018; and, in

addition, \$51,411,165,000, plus reimbursements, shall become available on October 1, 2019, and shall remain available until September 30, 2020: *Provided*, That, of the amount made available on October 1, 2019, under this heading, \$1,500,000,000 shall remain available until September 30, 2021: *Provided further*, That, notwithstanding any other provision of law, the Secretary of Veterans Affairs shall establish a priority for the provision of medical treatment for veterans who have service-connected disabilities, lower income, or have special needs: *Provided further*, That, notwithstanding any other provision of law, the Secretary of Veterans Affairs shall give priority funding for the provision of basic medical benefits to veterans in enrollment priority groups 1 through 6: *Provided further*, That, notwithstanding any other provision of law, the Secretary of Veterans Affairs may authorize the dispensing of prescription drugs from Veterans Health Administration facilities to enrolled veterans with privately written prescriptions based on requirements established by the Secretary: *Provided further*, That the implementation of the program described in the previous proviso shall incur no additional cost to the Department of Veterans Affairs: *Provided further*, That the Secretary of Veterans Affairs shall ensure that sufficient amounts appropriated under this heading for medical supplies and equipment are available for the acquisition of prosthetics designed specifically for female veterans.

MEDICAL COMMUNITY CARE

For necessary expenses for furnishing health care to individuals pursuant to chapter 17 of title 38, United States Code, at non-Department facilities, \$1,000,000,000, which shall be in addition to funds previously appropriated under this heading that become available on October 1, 2018; and, in addition, \$10,758,399,000, plus reimbursements, shall become available on October 1, 2019, and shall remain available until September 30, 2020: *Provided*, That, of the amount made available on October 1, 2019, under this heading, \$2,000,000,000 shall remain available until September 30, 2021.

MEDICAL SUPPORT AND COMPLIANCE

For necessary expenses in the administration of the medical, hospital, nursing home, domiciliary, construction, supply, and research activities, as authorized by law; administrative expenses in support of capital policy activities; and administrative and legal expenses of the Department for collecting and recovering amounts owed the Department as authorized under chapter 17 of title 38, United States Code, and the Federal Medical Care Recovery Act (42 U.S.C. 2651 et seq.), \$7,239,156,000, plus reimbursements, shall become available on October 1, 2019, and shall remain available until September 30, 2020: *Provided*, That, of the amount made available on October 1, 2019, under this heading, \$100,000,000 shall remain available until September 30, 2021.

MEDICAL FACILITIES

For necessary expenses for the maintenance and operation of hospitals, nursing homes, domiciliary facilities, and other necessary facilities of the Veterans Health Administration; for administrative expenses in support of planning, design, project management, real property acquisition and disposition, construction, and renovation of any facility under the jurisdiction or for the use of the Department; for oversight, engineering, and architectural activities not charged to project costs; for repairing, altering, improving, or providing facilities in the several hospitals and homes under the jurisdiction of the Department, not otherwise provided for, either by contract or by the hire of tem-

porary employees and purchase of materials; for leases of facilities; and for laundry services; \$90,180,000, which shall be in addition to funds previously appropriated under this heading that become available on October 1, 2018; and, in addition, \$6,141,380,000, plus reimbursements, shall become available on October 1, 2019, and shall remain available until September 30, 2020: *Provided*, That, of the amount made available on October 1, 2019, under this heading, \$250,000,000 shall remain available until September 30, 2021.

MEDICAL AND PROSTHETIC RESEARCH

For necessary expenses in carrying out programs of medical and prosthetic research and development as authorized by chapter 73 of title 38, United States Code, \$779,000,000, plus reimbursements, shall remain available until September 30, 2020: *Provided*, That, of the amount made available under this heading, \$27,000,000 shall remain available until September 30, 2023: *Provided further*, That the Secretary of Veterans Affairs shall ensure that sufficient amounts appropriated under this heading are available for prosthetic research specifically for female veterans, and for toxic exposure research.

NATIONAL CEMETERY ADMINISTRATION

For necessary expenses of the National Cemetery Administration for operations and maintenance, not otherwise provided for, including uniforms or allowances therefor; cemeterial expenses as authorized by law; purchase of one passenger motor vehicle for use in cemeterial operations; hire of passenger motor vehicles; and repair, alteration or improvement of facilities under the jurisdiction of the National Cemetery Administration, \$315,836,000, of which not to exceed 10 percent shall remain available until September 30, 2020.

DEPARTMENTAL ADMINISTRATION

GENERAL ADMINISTRATION

(INCLUDING TRANSFER OF FUNDS)

For necessary operating expenses of the Department of Veterans Affairs, not otherwise provided for, including administrative expenses in support of Department-wide capital planning, management and policy activities, uniforms, or allowances therefor; not to exceed \$25,000 for official reception and representation expenses; hire of passenger motor vehicles; and reimbursement of the General Services Administration for security guard services, \$355,897,000, of which not to exceed 10 percent shall remain available until September 30, 2020: *Provided*, That funds provided under this heading may be transferred to "General Operating Expenses, Veterans Benefits Administration".

BOARD OF VETERANS APPEALS

For necessary operating expenses of the Board of Veterans Appeals, \$174,748,000, of which not to exceed 10 percent shall remain available until September 30, 2020.

INFORMATION TECHNOLOGY SYSTEMS

(INCLUDING TRANSFER OF FUNDS)

For necessary expenses for information technology systems and telecommunications support, including developmental information systems and operational information systems; for pay and associated costs; and for the capital asset acquisition of information technology systems, including management and related contractual costs of said acquisitions, including contractual costs associated with operations authorized by section 3109 of title 5, United States Code, \$4,103,000,000, plus reimbursements: *Provided*, That \$1,199,220,000 shall be for pay and associated costs, of which not to exceed 3 percent shall remain available until September 30, 2020: *Provided further*, That \$2,523,209,000 shall be for operations and maintenance, of which

not to exceed 5 percent shall remain available until September 30, 2020: *Provided further*, That \$380,571,000 shall be for information technology systems development, and shall remain available until September 30, 2020: *Provided further*, That amounts made available for salaries and expenses, operations and maintenance, and information technology systems development may be transferred among the three subaccounts after the Secretary of Veterans Affairs requests from the Committees on Appropriations of both Houses of Congress the authority to make the transfer and an approval is issued: *Provided further*, That amounts made available for the "Information Technology Systems" account for development may be transferred among projects or to newly defined projects: *Provided further*, That no project may be increased or decreased by more than \$1,000,000 of cost prior to submitting a request to the Committees on Appropriations of both Houses of Congress to make the transfer and an approval is issued, or absent a response, a period of 30 days has elapsed: *Provided further*, That the funds made available under this heading for information technology systems development shall be for the projects, and in the amounts, specified under this heading in the joint explanatory statement accompanying this Act.

VETERANS ELECTRONIC HEALTH RECORD

For activities related to implementation, preparation, development, interface, management, rollout, and maintenance of a Veterans Electronic Health Record system, including contractual costs associated with operations authorized by section 3109 of title 5, United States Code, and salaries and expenses of employees hired under titles 5 and 38, United States Code, \$1,107,000,000, to remain available until September 30, 2021: *Provided*, That the Secretary of Veterans Affairs shall submit to the Committees on Appropriations of both Houses of Congress quarterly reports detailing obligations, expenditures, and deployment implementation by facility: *Provided further*, That the funds provided in this account shall only be available to the Office of the Deputy Secretary, to be administered by that Office: *Provided further*, That none of the funds made available under this heading may be obligated in a manner inconsistent with deployment schedules provided to the Committees on Appropriations unless the Secretary of Veterans Affairs provides notification to the Committees on Appropriations of such change and an approval is issued.

OFFICE OF INSPECTOR GENERAL

For necessary expenses of the Office of Inspector General, to include information technology, in carrying out the provisions of the Inspector General Act of 1978 (5 U.S.C. App.), \$192,000,000, of which not to exceed 10 percent shall remain available until September 30, 2020.

CONSTRUCTION, MAJOR PROJECTS

For constructing, altering, extending, and improving any of the facilities, including parking projects, under the jurisdiction or for the use of the Department of Veterans Affairs, or for any of the purposes set forth in sections 316, 2404, 2406 and chapter 81 of title 38, United States Code, not otherwise provided for, including planning, architectural and engineering services, construction management services, maintenance or guarantee period services costs associated with equipment guarantees provided under the project, services of claims analysts, offsite utility and storm drainage system construction costs, and site acquisition, where the estimated cost of a project is more than the amount set forth in section 8104(a)(3)(A) of title 38, United States Code, or where funds

for a project were made available in a previous major project appropriation, \$1,127,486,000, of which \$647,486,000 shall remain available until September 30, 2023, and of which \$480,000,000 shall remain available until expended, of which \$400,000,000 shall be available for seismic improvement projects and seismic program management activities, including for projects that would otherwise be funded by the Construction, Minor Projects, Medical Facilities or National Cemetery Administration accounts: *Provided*, That except for advance planning activities, including needs assessments which may or may not lead to capital investments, and other capital asset management related activities, including portfolio development and management activities, and investment strategy studies funded through the advance planning fund and the planning and design activities funded through the design fund, including needs assessments which may or may not lead to capital investments, and salaries and associated costs of the resident engineers who oversee those capital investments funded through this account and contracting officers who manage specific major construction projects, and funds provided for the purchase, security, and maintenance of land for the National Cemetery Administration through the land acquisition line item, none of the funds made available under this heading shall be used for any project that has not been notified to Congress through the budgetary process or that has not been approved by the Congress through statute, joint resolution, or in the explanatory statement accompanying such Act and presented to the President at the time of enrollment: *Provided further*, That funds made available under this heading for fiscal year 2019, for each approved project shall be obligated: (1) by the awarding of a construction documents contract by September 30, 2019; and (2) by the awarding of a construction contract by September 30, 2020: *Provided further*, That the Secretary of Veterans Affairs shall promptly submit to the Committees on Appropriations of both Houses of Congress a written report on any approved major construction project for which obligations are not incurred within the time limitations established above: *Provided further*, That notwithstanding the requirements of section 8104(a) of title 38, United States Code, amounts made available under this heading for seismic improvement projects and seismic program management activities shall be available for the completion of both new and existing seismic projects of the Department.

CONSTRUCTION, MINOR PROJECTS

For constructing, altering, extending, and improving any of the facilities, including parking projects, under the jurisdiction or for the use of the Department of Veterans Affairs, including planning and assessments of needs which may lead to capital investments, architectural and engineering services, maintenance or guarantee period services costs associated with equipment guarantees provided under the project, services of claims analysts, offsite utility and storm drainage system construction costs, and site acquisition, or for any of the purposes set forth in sections 316, 2404, 2406 and chapter 81 of title 38, United States Code, not otherwise provided for, where the estimated cost of a project is equal to or less than the amount set forth in section 8104(a)(3)(A) of title 38, United States Code, \$649,514,000, to remain available until September 30, 2023, along with unobligated balances of previous "Construction, Minor Projects" appropriations which are hereby made available for any project where the estimated cost is equal to or less than the amount set forth in such section: *Provided*, That funds made available

under this heading shall be for: (1) repairs to any of the nonmedical facilities under the jurisdiction or for the use of the Department which are necessary because of loss or damage caused by any natural disaster or catastrophe; and (2) temporary measures necessary to prevent or to minimize further loss by such causes.

GRANTS FOR CONSTRUCTION OF STATE EXTENDED CARE FACILITIES

For grants to assist States to acquire or construct State nursing home and domiciliary facilities and to remodel, modify, or alter existing hospital, nursing home, and domiciliary facilities in State homes, for furnishing care to veterans as authorized by sections 8131 through 8137 of title 38, United States Code, \$150,000,000, to remain available until expended.

GRANTS FOR CONSTRUCTION OF VETERANS CEMETERIES

For grants to assist States and tribal organizations in establishing, expanding, or improving veterans cemeteries as authorized by section 2408 of title 38, United States Code, \$45,000,000, to remain available until expended.

ADMINISTRATIVE PROVISIONS

(INCLUDING TRANSFER OF FUNDS)

SEC. 201. Any appropriation for fiscal year 2019 for "Compensation and Pensions", "Re-adjustment Benefits", and "Veterans Insurance and Indemnities" may be transferred as necessary to any other of the mentioned appropriations: *Provided*, That, before a transfer may take place, the Secretary of Veterans Affairs shall request from the Committees on Appropriations of both Houses of Congress the authority to make the transfer and such Committees issue an approval, or absent a response, a period of 30 days has elapsed.

(INCLUDING TRANSFER OF FUNDS)

SEC. 202. Amounts made available for the Department of Veterans Affairs for fiscal year 2019, in this or any other Act, under the "Medical Services", "Medical Community Care", "Medical Support and Compliance", and "Medical Facilities" accounts may be transferred among the accounts: *Provided*, That any transfers among the "Medical Services", "Medical Community Care", and "Medical Support and Compliance" accounts of 1 percent or less of the total amount appropriated to the account in this or any other Act may take place subject to notification from the Secretary of Veterans Affairs to the Committees on Appropriations of both Houses of Congress of the amount and purpose of the transfer: *Provided further*, That any transfers among the "Medical Services", "Medical Community Care", and "Medical Support and Compliance" accounts in excess of 1 percent, or exceeding the cumulative 1 percent for the fiscal year, may take place only after the Secretary requests from the Committees on Appropriations of both Houses of Congress the authority to make the transfer and an approval is issued: *Provided further*, That any transfers to or from the "Medical Facilities" account may take place only after the Secretary requests from the Committees on Appropriations of both Houses of Congress the authority to make the transfer and an approval is issued.

SEC. 203. Appropriations available in this title for salaries and expenses shall be available for services authorized by section 3109 of title 5, United States Code; hire of passenger motor vehicles; lease of a facility or land or both; and uniforms or allowances therefore, as authorized by sections 5901 through 5902 of title 5, United States Code.

SEC. 204. No appropriations in this title (except the appropriations for "Construc-

tion, Major Projects", and "Construction, Minor Projects") shall be available for the purchase of any site for or toward the construction of any new hospital or home.

SEC. 205. No appropriations in this title shall be available for hospitalization or examination of any persons (except beneficiaries entitled to such hospitalization or examination under the laws providing such benefits to veterans, and persons receiving such treatment under sections 7901 through 7904 of title 5, United States Code, or the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.)), unless reimbursement of the cost of such hospitalization or examination is made to the "Medical Services" account at such rates as may be fixed by the Secretary of Veterans Affairs.

SEC. 206. Appropriations available in this title for "Compensation and Pensions", "Re-adjustment Benefits", and "Veterans Insurance and Indemnities" shall be available for payment of prior year accrued obligations required to be recorded by law against the corresponding prior year accounts within the last quarter of fiscal year 2018.

SEC. 207. Appropriations available in this title shall be available to pay prior year obligations of corresponding prior year appropriations accounts resulting from sections 3328(a), 3334, and 3712(a) of title 31, United States Code, except that if such obligations are from trust fund accounts they shall be payable only from "Compensation and Pensions".

(INCLUDING TRANSFER OF FUNDS)

SEC. 208. Notwithstanding any other provision of law, during fiscal year 2019, the Secretary of Veterans Affairs shall, from the National Service Life Insurance Fund under section 1920 of title 38, United States Code, the Veterans' Special Life Insurance Fund under section 1923 of title 38, United States Code, and the United States Government Life Insurance Fund under section 1955 of title 38, United States Code, reimburse the "General Operating Expenses, Veterans Benefits Administration" and "Information Technology Systems" accounts for the cost of administration of the insurance programs financed through those accounts: *Provided*, That reimbursement shall be made only from the surplus earnings accumulated in such an insurance program during fiscal year 2019 that are available for dividends in that program after claims have been paid and actuarially determined reserves have been set aside: *Provided further*, That if the cost of administration of such an insurance program exceeds the amount of surplus earnings accumulated in that program, reimbursement shall be made only to the extent of such surplus earnings: *Provided further*, That the Secretary shall determine the cost of administration for fiscal year 2019 which is properly allocable to the provision of each such insurance program and to the provision of any total disability income insurance included in that insurance program.

SEC. 209. Amounts deducted from enhanced-use lease proceeds to reimburse an account for expenses incurred by that account during a prior fiscal year for providing enhanced-use lease services, may be obligated during the fiscal year in which the proceeds are received.

(INCLUDING TRANSFER OF FUNDS)

SEC. 210. Funds available in this title or funds for salaries and other administrative expenses shall also be available to reimburse the Office of Resolution Management, the Office of Employment Discrimination Complaint Adjudication, the Office of Accountability and Whistleblower Protection, and the Office of Diversity and Inclusion for all services provided at rates which will recover

actual costs but not to exceed \$48,431,000 for the Office of Resolution Management, \$4,333,000 for the Office of Employment Discrimination Complaint Adjudication, \$17,700,000 for the Office of Accountability and Whistleblower Protection, and \$3,230,000 for the Office of Diversity and Inclusion: *Provided*, That payments may be made in advance for services to be furnished based on estimated costs: *Provided further*, That amounts received shall be credited to the "General Administration" and "Information Technology Systems" accounts for use by the office that provided the service.

SEC. 211. No funds of the Department of Veterans Affairs shall be available for hospital care, nursing home care, or medical services provided to any person under chapter 17 of title 38, United States Code, for a non-service-connected disability described in section 1729(a)(2) of such title, unless that person has disclosed to the Secretary of Veterans Affairs, in such form as the Secretary may require, current, accurate third-party reimbursement information for purposes of section 1729 of such title: *Provided*, That the Secretary may recover, in the same manner as any other debt due the United States, the reasonable charges for such care or services from any person who does not make such disclosure as required: *Provided further*, That any amounts so recovered for care or services provided in a prior fiscal year may be obligated by the Secretary during the fiscal year in which amounts are received.

(INCLUDING TRANSFER OF FUNDS)

SEC. 212. Notwithstanding any other provision of law, proceeds or revenues derived from enhanced-use leasing activities (including disposal) may be deposited into the "Construction, Major Projects" and "Construction, Minor Projects" accounts and be used for construction (including site acquisition and disposition), alterations, and improvements of any medical facility under the jurisdiction or for the use of the Department of Veterans Affairs. Such sums as realized are in addition to the amount provided for in "Construction, Major Projects" and "Construction, Minor Projects".

SEC. 213. Amounts made available under "Medical Services" are available—

- (1) for furnishing recreational facilities, supplies, and equipment; and
- (2) for funeral expenses, burial expenses, and other expenses incidental to funerals and burials for beneficiaries receiving care in the Department.

(INCLUDING TRANSFER OF FUNDS)

SEC. 214. Such sums as may be deposited to the Medical Care Collections Fund pursuant to section 1729A of title 38, United States Code, may be transferred to the "Medical Services" and "Medical Community Care" accounts to remain available until expended for the purposes of these accounts.

SEC. 215. The Secretary of Veterans Affairs may enter into agreements with Federally Qualified Health Centers in the State of Alaska and Indian tribes and tribal organizations which are party to the Alaska Native Health Compact with the Indian Health Service, to provide healthcare, including behavioral health and dental care, to veterans in rural Alaska. The Secretary shall require participating veterans and facilities to comply with all appropriate rules and regulations, as established by the Secretary. The term "rural Alaska" shall mean those lands which are not within the boundaries of the municipality of Anchorage or the Fairbanks North Star Borough.

(INCLUDING TRANSFER OF FUNDS)

SEC. 216. Such sums as may be deposited to the Department of Veterans Affairs Capital Asset Fund pursuant to section 8118 of title

38, United States Code, may be transferred to the "Construction, Major Projects" and "Construction, Minor Projects" accounts, to remain available until expended for the purposes of these accounts.

SEC. 217. Not later than 30 days after the end of each fiscal quarter, the Secretary of Veterans Affairs shall submit to the Committees on Appropriations of both Houses of Congress a report on the financial status of the Department of Veterans Affairs for the preceding quarter: *Provided*, That, at a minimum, the report shall include the direction contained in the paragraph entitled "Quarterly reporting", under the heading "General Administration" in the joint explanatory statement accompanying Public Law 114-223.

(INCLUDING TRANSFER OF FUNDS)

SEC. 218. Amounts made available under the "Medical Services", "Medical Community Care", "Medical Support and Compliance", "Medical Facilities", "General Operating Expenses, Veterans Benefits Administration", "Board of Veterans Appeals", "General Administration", and "National Cemetery Administration" accounts for fiscal year 2019 may be transferred to or from the "Information Technology Systems" account: *Provided*, That such transfers may not result in a more than 10 percent aggregate increase in the total amount made available by this Act for the "Information Technology Systems" account: *Provided further*, That, before a transfer may take place, the Secretary of Veterans Affairs shall request from the Committees on Appropriations of both Houses of Congress the authority to make the transfer and an approval is issued.

(INCLUDING TRANSFER OF FUNDS)

SEC. 219. Of the amounts appropriated to the Department of Veterans Affairs for fiscal year 2019 for "Medical Services", "Medical Community Care", "Medical Support and Compliance", "Medical Facilities", "Construction, Minor Projects", and "Information Technology Systems", up to \$301,578,000, plus reimbursements, may be transferred to the Joint Department of Defense—Department of Veterans Affairs Medical Facility Demonstration Fund, established by section 1704 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (Public Law 110-417; 122 Stat. 4500): *Provided*, That additional funds may be transferred from accounts designated in this section to the Joint Department of Defense—Department of Veterans Affairs Medical Facility Demonstration Fund, established by section 706 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2010 (Public Law 111-84; 123 Stat. 3571) and may be used for operation of the facilities designated as combined Federal medical facilities as described by section 706 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (Public Law 110-417; 122 Stat. 4500): *Provided*, That, notwithstanding section 1704(b)(3) of the National Defense Authorization Act for Fiscal Year 2010 (Public Law 111-84; 123 Stat. 2573), amounts transferred to the Joint Department of Defense—Department of Veterans Affairs Medical Facility Demonstration Fund shall remain available until expended.

(INCLUDING TRANSFER OF FUNDS)

SEC. 222. Of the amounts available in this title for "Medical Services", "Medical Community Care", "Medical Support and Compliance", and "Medical Facilities", a minimum of \$15,000,000 shall be transferred to the DOD-VA Health Care Sharing Incentive Fund, as authorized by section 8111(d) of title 38, United States Code, to remain available until expended, for any purpose authorized by section 8111 of title 38, United States Code.

SEC. 223. None of the funds available to the Department of Veterans Affairs, in this or any other Act, may be used to replace the current system by which the Veterans Integrated Service Networks select and contract for diabetes monitoring supplies and equipment.

SEC. 224. The Secretary of Veterans Affairs shall notify the Committees on Appropriations of both Houses of Congress of all bid savings in a major construction project that total at least \$5,000,000, or 5 percent of the programmed amount of the project, whichever is less: *Provided*, That such notification shall occur within 14 days of a contract identifying the programmed amount: *Provided further*, That the Secretary shall notify the Committees on Appropriations of both Houses of Congress 14 days prior to the obligation of such bid savings and shall describe the anticipated use of such savings.

SEC. 225. None of the funds made available for "Construction, Major Projects" may be used for a project in excess of the scope specified for that project in the original justification data provided to the Congress as part of the request for appropriations unless the Secretary of Veterans Affairs receives approval from the Committees on Appropriations of both Houses of Congress.

SEC. 226. Not later than 30 days after the end of each fiscal quarter, the Secretary of Veterans Affairs shall submit to the Committees on Appropriations of both Houses of Congress a quarterly report containing performance measures and data from each Veterans Benefits Administration Regional Office: *Provided*, That, at a minimum, the report shall include the direction contained in

the section entitled “Disability claims backlog”, under the heading “General Operating Expenses, Veterans Benefits Administration” in the joint explanatory statement accompanying Public Law 114-223: *Provided further*, That the report shall also include information on the number of appeals pending at the Veterans Benefits Administration as well as the Board of Veterans Appeals on a quarterly basis.

SEC. 227. The Secretary of Veterans Affairs shall provide written notification to the Committees on Appropriations of both Houses of Congress 15 days prior to organizational changes which result in the transfer of 25 or more full-time equivalents from one organizational unit of the Department of Veterans Affairs to another.

SEC. 228. The Secretary of Veterans Affairs shall provide on a quarterly basis to the Committees on Appropriations of both Houses of Congress notification of any single national outreach and awareness marketing campaign in which obligations exceed \$2,000,000.

(INCLUDING TRANSFER OF FUNDS)

SEC. 229. The Secretary of Veterans Affairs, upon determination that such action is necessary to address needs of the Veterans Health Administration, may transfer to the “Medical Services” account any discretionary appropriations made available for fiscal year 2019 in this title (except appropriations made to the “General Operating Expenses, Veterans Benefits Administration” account) or any discretionary unobligated balances within the Department of Veterans Affairs, including those appropriated for fiscal year 2019, that were provided in advance by appropriations Acts: *Provided*, That transfers shall be made only with the approval of the Office of Management and Budget: *Provided further*, That the transfer authority provided in this section is in addition to any other transfer authority provided by law: *Provided further*, That no amounts may be transferred from amounts that were designated by Congress as an emergency requirement pursuant to a concurrent resolution on the budget or the Balanced Budget and Emergency Deficit Control Act of 1985: *Provided further*, That such authority to transfer may not be used unless for higher priority items, based on emergent healthcare requirements, than those for which originally appropriated and in no case where the item for which funds are requested has been denied by Congress: *Provided further*, That, upon determination that all or part of the funds transferred from an appropriation are not necessary, such amounts may be transferred back to that appropriation and shall be available for the same purposes as originally appropriated: *Provided further*, That before a transfer may take place, the Secretary of Veterans Affairs shall request from the Committees on Appropriations of both Houses of Congress the authority to make the transfer and receive approval of that request.

(INCLUDING TRANSFER OF FUNDS)

SEC. 230. Amounts made available for the Department of Veterans Affairs for fiscal year 2019, under the “Board of Veterans Appeals” and the “General Operating Expenses, Veterans Benefits Administration” accounts may be transferred between such accounts: *Provided*, That before a transfer may take place, the Secretary of Veterans Affairs shall request from the Committees on Appropriations of both Houses of Congress the authority to make the transfer and receive approval of that request.

SEC. 231. The Secretary of Veterans Affairs may not reprogram funds among major construction projects or programs if such instance of reprogramming will exceed

\$7,000,000, unless such reprogramming is approved by the Committees on Appropriations of both Houses of Congress.

SEC. 232. (a) The Secretary of Veterans Affairs shall ensure that the toll-free suicide hotline under section 1720F(h) of title 38, United States Code—

(1) provides to individuals who contact the hotline immediate assistance from a trained professional; and

(2) adheres to all requirements of the American Association of Suicidology.

(b)(1) None of the funds made available by this Act may be used to enforce or otherwise carry out any Executive action that prohibits the Secretary of Veterans Affairs from appointing an individual to occupy a vacant civil service position, or establishing a new civil service position, at the Department of Veterans Affairs with respect to such a position relating to the hotline specified in subsection (a).

(2) In this subsection—

(A) the term “civil service” has the meaning given such term in section 2101(1) of title 5, United States Code; and

(B) the term “Executive action” includes—

(i) any Executive order, presidential memorandum, or other action by the President; and

(ii) any agency policy, order, or other directive.

(c)(1) The Secretary of Veterans Affairs shall conduct a study on the effectiveness of the hotline specified in subsection (a) during the five-year period beginning on January 1, 2016, based on an analysis of national suicide data and data collected from such hotline.

(2) At a minimum, the study required by paragraph (1) shall—

(A) determine the number of veterans who contact the hotline specified in subsection (a) and who receive follow up services from the hotline or mental health services from the Department of Veterans Affairs thereafter;

(B) determine the number of veterans who contact the hotline who are not referred to, or do not continue receiving, mental health care who commit suicide; and

(C) determine the number of veterans described in subparagraph (A) who commit or attempt suicide.

SEC. 233. None of the funds in this or any other Act may be used to close Department of Veterans Affairs (VA) hospitals, domiciliaries, or clinics, conduct an environmental assessment, or to diminish healthcare services at existing Veterans Health Administration medical facilities located in Veterans Integrated Service Network 23 as part of a planned realignment of VA services until the Secretary provides to the Committees on Appropriations of both Houses of Congress a report including the following elements:

(1) a national realignment strategy that includes a detailed description of realignment plans within each Veterans Integrated Services Network (VISN), including an updated Long Range Capital Plan to implement realignment requirements;

(2) an explanation of the process by which those plans were developed and coordinated within each VISN;

(3) a cost versus benefit analysis of each planned realignment, including the cost of replacing Veterans Health Administration services with contract care or other outsourced services;

(4) an analysis of how any such planned realignment of services will impact access to care for veterans living in rural or highly rural areas, including travel distances and transportation costs to access a VA medical facility and availability of local specialty and primary care;

(5) an inventory of VA buildings with historic designation and the methodology used

to determine the buildings’ condition and utilization;

(6) a description of how any realignment will be consistent with requirements under the National Historic Preservation Act; and

(7) consideration given for reuse of historic buildings within newly identified realignment requirements: *Provided*, That, this provision shall not apply to capital projects in VISN 23, or any other VISN, which have been authorized or approved by Congress.

SEC. 234. Effective during the period beginning on October 1, 2018 and ending on January 1, 2024, none of the funds made available to the Secretary of Veterans Affairs by this or any other Act may be obligated or expended in contravention of the “Veterans Health Administration Clinical Preventive Services Guidance Statement on the Veterans Health Administration’s Screening for Breast Cancer Guidance” published on May 10, 2017, as issued by the Veterans Health Administration National Center for Health Promotion and Disease Prevention.

SEC. 235. (a) Notwithstanding any other provision of law, the amounts appropriated or otherwise made available to the Department of Veterans Affairs for the “Medical Services” account may be used to provide—

(1) fertility counseling and treatment using assisted reproductive technology to a covered veteran or the spouse of a covered veteran; or

(2) adoption reimbursement to a covered veteran.

(b) In this section:

(1) The term “service-connected” has the meaning given such term in section 101 of title 38, United States Code.

(2) The term “covered veteran” means a veteran, as such term is defined in section 101 of title 38, United States Code, who has a service-connected disability that results in the inability of the veteran to procreate without the use of fertility treatment.

(3) The term “assisted reproductive technology” means benefits relating to reproductive assistance provided to a member of the Armed Forces who incurs a serious injury or illness on active duty pursuant to section 1074(c)(4)(A) of title 10, United States Code, as described in the memorandum on the subject of “Policy for Assisted Reproductive Services for the Benefit of Seriously or Severely Ill/Injured (Category II or III) Active Duty Service Members” issued by the Assistant Secretary of Defense for Health Affairs on April 3, 2012, and the guidance issued to implement such policy, including any limitations on the amount of such benefits available to such a member except that—

(A) the time periods regarding embryo cryopreservation and storage set forth in part III(G) and in part IV(H) of such memorandum shall not apply; and

(B) such term includes embryo cryopreservation and storage without limitation on the duration of such cryopreservation and storage.

(4) The term “adoption reimbursement” means reimbursement for the adoption-related expenses for an adoption that is finalized after the date of the enactment of this Act under the same terms as apply under the adoption reimbursement program of the Department of Defense, as authorized in Department of Defense Instruction 1341.09, including the reimbursement limits and requirements set forth in such instruction.

(c) Amounts made available for the purposes specified in subsection (a) of this section are subject to the requirements for funds contained in section 508 of division H of the Consolidated Appropriations Act, 2018 (Public Law 115-141).

(RESCISSON OF FUNDS)

SEC. 236. Of the funds made available for fiscal year 2019 under the heading “Department of Veterans Affairs—Veterans Health Administration—Medical Support and Compliance” in title II of division J of the Consolidated Appropriations Act, 2018 (Public Law 115–141), \$211,000,000 is hereby rescinded.

SEC. 237. None of the funds appropriated or otherwise made available by this Act or any other Act for the Department of Veterans Affairs may be used in a manner that is inconsistent with: (1) section 842 of the Transportation, Treasury, Housing and Urban Development, the Judiciary, the District of Columbia, and Independent Agencies Appropriations Act, 2006 (Public Law 109–115; 119 Stat. 2506); or (2) section 8110(a)(5) of title 38, United States Code.

SEC. 238. Section 842 of Public Law 109–115 shall not apply to conversion of an activity or function of the Veterans Health Administration, Veterans Benefits Administration, or National Cemetery Administration to contractor performance by a business concern that is at least 51 percent owned by one or more Indian tribes as defined in section 5304(e) of title 25, United States Code, or one or more Native Hawaiian Organizations as defined in section 637(a)(15) of title 15, United States Code.

SEC. 239. (a) Except as provided in subsection (b), the Secretary of Veterans Affairs, in consultation with the Secretary of Defense and the Secretary of Labor, shall discontinue using Social Security account numbers to identify individuals in all information systems of the Department of Veterans Affairs as follows:

(1) For all veterans submitting to the Secretary of Veterans Affairs new claims for benefits under laws administered by the Secretary, not later than 5 years after the date of the enactment of this Act.

(2) For all individuals not described in paragraph (1), not later than 8 years after the date of the enactment of this Act.

(b) The Secretary of Veterans Affairs may use a Social Security account number to identify an individual in an information system of the Department of Veterans Affairs if and only if the use of such number is required to obtain information the Secretary requires from an information system that is not under the jurisdiction of the Secretary.

SEC. 240. For funds provided to the Department of Veterans Affairs for each of fiscal year 2019 and 2020 for “Medical Services”, section 239 of Division A of Public Law 114–223 shall apply.

SEC. 241. None of the funds appropriated in this or prior appropriations Acts or otherwise made available to the Department of Veterans Affairs may be used to transfer any amounts from the Filipino Veterans Equity Compensation Fund to any other account within the Department of Veterans Affairs.

SEC. 242. Of the funds provided to the Department of Veterans Affairs for each of fiscal year 2019 and fiscal year 2020 for “Medical Services”, funds may be used in each year to carry out and expand the child care program authorized by section 205 of Public Law 111–163, notwithstanding subsection (e) of such section.

SEC. 243. For funds provided to the Department of Veterans Affairs for each of fiscal year 2019 and 2020, section of Division A of Public Law 114–223 shall apply.

SEC. 244. (a) The Secretary of Veterans Affairs may use amounts appropriated or otherwise made available in this title to ensure that the ratio of veterans to full-time employment equivalents within any program of rehabilitation conducted under chapter 31 of title 38, United States Code, does not exceed 125 veterans to one full-time employment equivalent.

(b) Not later than 180 days after the date of the enactment of this Act, the Secretary shall submit to Congress a report on the programs of rehabilitation conducted under chapter 31 of title 38, United States Code, including—

(1) an assessment of the veteran-to-staff ratio for each such program; and

(2) recommendations for such action as the Secretary considers necessary to reduce the veteran-to-staff ratio for each such program.

SEC. 245. None of the funds appropriated or otherwise made available in this title may be used by the Secretary of Veterans Affairs to enter into an agreement related to resolving a dispute or claim with an individual that would restrict in any way the individual from speaking to members of Congress or their staff on any topic not otherwise prohibited from disclosure by Federal law or required by Executive Order to be kept secret in the interest of national defense or the conduct of foreign affairs.

SEC. 246. For funds provided to the Department of Veterans Affairs for each of fiscal year 2019 and 2020, section 258 of Division A of Public Law 114–223 shall apply.

SEC. 247. None of the funds appropriated or otherwise made available by this Act may be used to conduct research using canines unless: the scientific objectives of the study can only be met by research with canines; the study has been directly approved by the Secretary; and the study is consistent with the revised Department of Veterans Affairs canine research policy document released on December 18, 2017: *Provided*, That not later than 180 days after enactment of this Act, the Secretary shall submit to the Committees on Appropriations of both Houses of Congress a detailed report outlining under what circumstances canine research may be needed if there are no other alternatives, how often it was used during that time period, and what protocols are in place to determine both the safety and efficacy of the research.

SEC. 248. For an additional amount for the Department of Veterans Affairs, \$2,000,000,000 to remain available until expended, for infrastructure improvements, including new construction, and in addition to amounts otherwise made available in this Act for such purpose, of which:

(1) \$750,000,000 shall be available for seismic improvement projects and seismic program management activities, including projects that would otherwise be funded by the Construction, Major Projects, the Construction, Minor Projects, Medical Facilities, or National Cemetery Administration accounts;

(2) \$300,000,000 shall be for “Departmental Administration—Construction, Major Projects”;

(3) \$800,000,000 shall be for “Veterans Health Administration—Medical Facilities” to be used for non-recurring maintenance; and

(4) \$150,000,000 shall be for “Departmental Administration—Construction, Minor Projects”:

Provided, That the additional amounts appropriated for the purposes of non-recurring maintenance and minor construction may be used to carry out critical life-safety projects identified in the Department’s annual facility condition assessments; sustainment projects; modernization projects; infrastructure repair; renovations at existing Veterans Health Administration medical centers and outpatient clinics; and projects included in the Strategic Capital Investment Process plan: *Provided further*, That funds made available under this section for “Construction, Major Projects” shall be available for previously authorized and partially funded major construction projects: *Provided further*, That notwithstanding the requirements

of section 8104(a) of title 38, United States Code, amounts made available under this heading for seismic improvement projects and seismic program management activities shall be available for the completion of both new and existing projects of the Department: *Provided further*, That the additional amounts appropriated under this section may not be obligated or expended until the Secretary of Veterans Affairs submits to the Committees on Appropriations of both Houses of Congress, and such Committees approve, a detailed expenditure plan, including project descriptions and costs, for any non-recurring maintenance, minor construction, major construction, or seismic improvement project being funded with the additional amounts made available in this administrative provision.

SEC. 249. (a) **PROHIBITION ON USE OF FUNDS.**—None of the funds appropriated or otherwise made available by this Act may be used to deny an Inspector General funded under this Act timely access to any records, documents, or other materials available to the department or agency of the United States Government over which such Inspector General has responsibilities under the Inspector General Act of 1978 (5 U.S.C. App.), or to prevent or impede the access of such Inspector General to such records, documents, or other materials, under any provision of law, except a provision of law that expressly refers to such Inspector General and expressly limits the right of access of such Inspector General.

(b) **TIMELY ACCESS.**—A department or agency covered by this section shall provide its Inspector General access to all records, documents, and other materials in a timely manner.

(c) **COMPLIANCE.**—Each Inspector General covered by this section shall ensure compliance with statutory limitations on disclosure relevant to the information provided by the department or agency over which that Inspector General has responsibilities under the Inspector General Act of 1978 (5 U.S.C. App.).

(d) **REPORT.**—Each Inspector General covered by this section shall report to the Committee on Appropriations of the Senate and the Committee on Appropriations of the House of Representatives within 5 calendar days of any failure by any department or agency covered by this section to comply with this section.

SEC. 250. (a) **PLAN REQUIRED.**—Not later than 90 days after the date of the enactment of this Act, the Secretary of Veterans Affairs shall submit to the appropriate committees of Congress a plan to reduce the chances that clinical mistakes by employees of the Department of Veterans Affairs will result in adverse events that require institutional or clinical disclosures and to prevent any unnecessary hardship for patients and families impacted by such adverse events.

(b) **ELEMENTS.**—The plan required by subsection (a) shall include the following:

(1) A description of a process for the timely identification of individuals impacted by disclosures described in subsection (a) and the process for contacting those individuals or their next of kin.

(2) A description of procedures for expediting any remedial or follow-up care required for those individuals.

(3) A detailed outline of proposed changes to the process of the Department for clinical quality checks and oversight.

(4) A communication plan to ensure all facilities of the Department are made aware of any requirements updated pursuant to the plan.

(5) A timeline detailing the implementation of the plan.

(6) An identification of the senior executive of the Department responsible for ensuring compliance with the plan.

(7) An identification of potential impacts of the plan on timely diagnoses for patients.

(8) An identification of the processes and procedures for employees of the Department to make leadership at the facility and the Department aware of adverse events that are concerning and that result in disclosures and to ensure that the medical impact on veterans of such disclosures is minimized.

(c) APPROPRIATE COMMITTEES OF CONGRESS DEFINED.—In this section, the term “appropriate committees of Congress” means—

(1) the Committee on Veterans’ Affairs and the Subcommittee on Military Construction, Veterans Affairs, and Related Agencies of the Committee on Appropriations of the Senate; and

(2) the Committee on Veterans’ Affairs and the Subcommittee on Military Construction, Veterans Affairs, and Related Agencies of the Committee on Appropriations of the House of Representatives.

SEC. 251. None of the funds made available in this Act may be used in a manner that would increase wait times for veterans who seek care at medical facilities of the Department of Veterans Affairs.

SEC. 252. None of the funds appropriated or otherwise made available by this Act to the Veterans Health Administration may be used in fiscal year 2019 to convert any program which received specific purpose funds in fiscal year 2018 to a general purpose funded program unless the Secretary of Veterans Affairs submits written notification of any such proposal to the Committees on Appropriations of both Houses of Congress at least thirty days prior to any such action and an approval is issued by the Committees.

TITLE III

RELATED AGENCIES

AMERICAN BATTLE MONUMENTS COMMISSION

SALARIES AND EXPENSES

For necessary expenses, not otherwise provided for, of the American Battle Monuments Commission, including the acquisition of land or interest in land in foreign countries; purchases and repair of uniforms for caretakers of national cemeteries and monuments outside of the United States and its territories and possessions; rent of office and garage space in foreign countries; purchase (one-for-one replacement basis only) and hire of passenger motor vehicles; not to exceed \$42,000 for official reception and representation expenses; and insurance of official motor vehicles in foreign countries, when required by law of such countries, \$104,000,000, to remain available until expended.

FOREIGN CURRENCY FLUCTUATIONS ACCOUNT

For necessary expenses, not otherwise provided for, of the American Battle Monuments Commission, such sums as may be necessary, to remain available until expended, for purposes authorized by section 2109 of title 36, United States Code.

UNITED STATES COURT OF APPEALS FOR VETERANS CLAIMS

SALARIES AND EXPENSES

For necessary expenses for the operation of the United States Court of Appeals for Veterans Claims as authorized by sections 7251 through 7298 of title 38, United States Code, \$34,955,000: *Provided*, That \$2,580,000 shall be available for the purpose of providing financial assistance as described and in accordance with the process and reporting procedures set forth under this heading in Public Law 102-229.

DEPARTMENT OF DEFENSE—CIVIL

CEMETERIAL EXPENSES, ARMY

SALARIES AND EXPENSES

For necessary expenses for maintenance, operation, and improvement of Arlington National Cemetery and Soldiers’ and Airmen’s Home National Cemetery, including the purchase or lease of passenger motor vehicles for replacement on a one-for-one basis only, and not to exceed \$2,000 for official reception and representation expenses, \$80,800,000, of which not to exceed \$15,000,000 shall remain available until September 30, 2021. In addition, such sums as may be necessary for parking maintenance, repairs and replacement, to be derived from the “Lease of Department of Defense Real Property for Defense Agencies” account.

CONSTRUCTION

For necessary expenses for planning and design and construction at Arlington National Cemetery and Soldiers’ and Airmen’s Home National Cemetery, \$33,600,000, to remain available until expended, for planning and design and construction associated with the Southern Expansion project at Arlington National Cemetery.

ARMED FORCES RETIREMENT HOME

TRUST FUND

For expenses necessary for the Armed Forces Retirement Home to operate and maintain the Armed Forces Retirement Home—Washington, District of Columbia, and the Armed Forces Retirement Home—Gulfport, Mississippi, to be paid from funds available in the Armed Forces Retirement Home Trust Fund, \$64,300,000, of which \$1,000,000 shall remain available until expended for construction and renovation of the physical plants at the Armed Forces Retirement Home—Washington, District of Columbia, and the Armed Forces Retirement Home—Gulfport, Mississippi: *Provided*, That of the amounts made available under this heading from funds available in the Armed Forces Retirement Home Trust Fund, \$22,000,000 shall be paid from the general fund of the Treasury to the Trust Fund.

ADMINISTRATIVE PROVISION

SEC. 301. Amounts deposited into the special account established under 10 U.S.C. 4727 are appropriated and shall be available until expended to support activities at the Army National Military Cemeteries.

TITLE IV

OVERSEAS CONTINGENCY OPERATIONS

DEPARTMENT OF DEFENSE

MILITARY CONSTRUCTION, ARMY

For an additional amount for “Military Construction, Army”, \$192,250,000, to remain available until September 30, 2023, for projects outside of the United States: *Provided*, That such amount is designated by the Congress for Overseas Contingency Operations/Global War on Terrorism pursuant to section 251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985.

MILITARY CONSTRUCTION, NAVY AND MARINE CORPS

For an additional amount for “Military Construction, Navy and Marine Corps”, \$227,320,000, to remain available until September 30, 2023, for projects outside of the United States: *Provided*, That such amount is designated by the Congress for Overseas Contingency Operations/Global War on Terrorism pursuant to section 251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985.

MILITARY CONSTRUCTION, AIR FORCE

For an additional amount for “Military Construction, Air Force” \$414,800,000, to re-

main available until September 30, 2023, for projects outside of the United States: *Provided*, That such amount is designated by the Congress for Overseas Contingency Operations/Global War on Terrorism pursuant to section 251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985.

MILITARY CONSTRUCTION, DEFENSE-WIDE

For an additional amount for “Military Construction, Defense-Wide”, \$87,050,000, to remain available until September 30, 2023, for projects outside of the United States: *Provided*, That such amount is designated by the Congress for Overseas Contingency Operations/Global War on Terrorism pursuant to section 251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985.

ADMINISTRATIVE PROVISIONS

SEC. 401. Each amount designated in this Act by the Congress for Overseas Contingency Operations/Global War on Terrorism pursuant to section 251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985 shall be available only if the President subsequently so designates all such amounts and transmits such designations to the Congress.

SEC. 402. None of the funds appropriated for military construction projects outside the United States under this title may be obligated or expended for planning and design of any project associated with the European Deterrence Initiative until the Secretary of Defense develops and submits to the congressional defense committees, in a classified and unclassified format, a list of all of the military construction projects associated with the European Deterrence Initiative which the Secretary anticipates will be carried out during each of the fiscal years 2020 through 2024.

TITLE V

GENERAL PROVISIONS

SEC. 501. No part of any appropriation contained in this Act shall remain available for obligation beyond the current fiscal year unless expressly so provided herein.

SEC. 502. None of the funds made available in this Act may be used for any program, project, or activity, when it is made known to the Federal entity or official to which the funds are made available that the program, project, or activity is not in compliance with any Federal law relating to risk assessment, the protection of private property rights, or unfunded mandates.

SEC. 503. All departments and agencies funded under this Act are encouraged, within the limits of the existing statutory authorities and funding, to expand their use of “E-Commerce” technologies and procedures in the conduct of their business practices and public service activities.

SEC. 504. Unless stated otherwise, all reports and notifications required by this Act shall be submitted to the Subcommittee on Military Construction and Veterans Affairs, and Related Agencies of the Committee on Appropriations of the House of Representatives and the Subcommittee on Military Construction and Veterans Affairs, and Related Agencies of the Committee on Appropriations of the Senate.

SEC. 505. None of the funds made available in this Act may be transferred to any department, agency, or instrumentality of the United States Government except pursuant to a transfer made by, or transfer authority provided in, this or any other appropriations Act.

SEC. 506. None of the funds made available in this Act may be used for a project or program named for an individual serving as a Member, Delegate, or Resident Commissioner of the United States House of Representatives.

SEC. 507. (a) Any agency receiving funds made available in this Act, shall, subject to subsections (b) and (c), post on the public Web site of that agency any report required to be submitted by the Congress in this or any other Act, upon the determination by the head of the agency that it shall serve the national interest.

(b) Subsection (a) shall not apply to a report if—

(1) the public posting of the report compromises national security; or

(2) the report contains confidential or proprietary information.

(c) The head of the agency posting such report shall do so only after such report has been made available to the requesting Committee or Committees of Congress for no less than 45 days.

SEC. 508. (a) None of the funds made available in this Act may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

(b) Nothing in subsection (a) shall limit the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

SEC. 509. None of the funds made available in this Act may be used by an agency of the executive branch to pay for first-class travel by an employee of the agency in contravention of sections 301–10.122 through 301–10.124 of title 41, Code of Federal Regulations.

SEC. 510. None of the funds made available in this Act may be used to execute a contract for goods or services, including construction services, where the contractor has not complied with Executive Order No. 12989.

SEC. 511. None of the funds made available by this Act may be used by the Department of Defense or the Department of Veterans Affairs to lease or purchase new light duty vehicles for any executive fleet, or for an agency's fleet inventory, except in accordance with Presidential Memorandum—Federal Fleet Performance, dated May 24, 2011.

SEC. 512. (a) IN GENERAL.—None of the funds appropriated or otherwise made available to the Department of Defense in this Act may be used to construct, renovate, or expand any facility in the United States, its territories, or possessions to house any individual detained at United States Naval Station, Guantánamo Bay, Cuba, for the purposes of detention or imprisonment in the custody or under the control of the Department of Defense.

(b) The prohibition in subsection (a) shall not apply to any modification of facilities at United States Naval Station, Guantánamo Bay, Cuba.

(c) An individual described in this subsection is any individual who, as of June 24, 2009, is located at United States Naval Station, Guantánamo Bay, Cuba, and who—

(1) is not a citizen of the United States or a member of the Armed Forces of the United States; and

(2) is—

(A) in the custody or under the effective control of the Department of Defense; or

(B) otherwise under detention at United States Naval Station, Guantánamo Bay, Cuba.

This division may be cited as the “Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2019”.

And the Senate agree to the same.

JOINT EXPLANATORY STATEMENT OF THE COMMITTEE OF CONFERENCE

The managers on the part of the House and Senate at the conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 5895) making appropriations for the energy and water development and related agencies for the fiscal year ending September 30, 2019, and for other purposes, submit the following joint statement to the House and Senate in explanation of the effect of the action agreed upon by the managers and recommended in the accompanying conference report.

This conference agreement includes the Energy and Water Development and Related Agencies Appropriations Act, 2019, the Legislative Branch Appropriations Act, 2019, and the Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2019. The Senate amendment included the Senate versions of each of those bills (S. 2975, S. 3071, and S. 3024, respectively). Similarly, the House bill included the House versions of the legislation (H.R. 5895, H.R. 5894, and H.R. 5786, respectively). H.R. 5895 was passed by the House on June 8, 2018 and used as the vehicle for the Senate amendment, which passed the Senate on June 25, 2018.

Section 1 of the conference agreement is the short title of the bill.

Section 2 of the conference agreement displays a table of contents.

Section 3 of the conference agreement states that, unless expressly provided otherwise, any reference to “this Act” contained in any division shall be treated as referring only to the provisions of that division.

Section 4 provides a statement of appropriations.

The conference agreement does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined by clause 9 of rule XXI of the Rules of the House of Representatives.

DIVISION A—ENERGY AND WATER DEVELOPMENT AND RELATED AGENCIES APPROPRIATIONS ACT, 2019

The following statement to the House of Representatives and the Senate is submitted in explanation of the agreed upon Act making appropriations for energy and water development for the fiscal year ending September 30, 2019, and for other purposes.

This conference report, while repeating some report language for emphasis, does not intend to negate the language and allocations set forth in House Report 115–697 and Senate Report 115–258 and that direction shall be complied with unless specifically addressed to the contrary in the accompanying bill or conference report. Additionally, where this conference report states that the “agreement only includes” or “the following is the only” direction, any direction included in the House or Senate report on that matter shall be considered as replaced with the direction provided within this conference report. In cases where the House or the Senate has directed the submission of a report, such report is to be submitted to the Committees on Appropriations of both Houses of Con-

gress. House or Senate reporting requirements with deadlines prior to or within 15 days of the enactment of this Act shall be submitted not later than 60 days after the enactment of this Act. All other reporting deadlines not changed by this conference report are to be met.

Funds for the individual programs and activities within the accounts in this Act are displayed in the detailed table at the end of the conference report for this Act. Funding levels that are not displayed in the detailed table are identified in this conference report.

In fiscal year 2019, for purposes of the Balanced Budget and Emergency Deficit Control Act of 1985 (Public Law 99–177), the following information provides the definition of the term “program, project, or activity” for departments and agencies under the jurisdiction of the Energy and Water Development Appropriations Act. The term “program, project, or activity” shall include the most specific level of budget items identified in the Energy and Water Development Appropriations Act, 2019 and the conference report accompanying the Act.

Dam Removal.—No specific funding was provided in fiscal year 2018 and none was requested by any agencies funded in this Act in fiscal year 2019 for the purpose of removing a federally owned or operated dam without prior authorization by Congress. Consequently, no specific funds for unauthorized federal dam removal are included for any agency funded in this Act.

Columbia River spill.—Many conferees have grave concerns about judicial interference in the operation of the hydroelectric dams on the Columbia and Snake Rivers. In 2016, a federal judge overturned the 2014 Federal Columbia River Power System Biological Opinion, a plan that was painstakingly negotiated by scientists and engineering experts at federal agencies under the Bush and Obama Administrations, affected states, sovereign Northwest tribes, and local stakeholders. More troubling, the judge also ordered additional forced spill through the system beginning in early April 2018 without requiring plaintiffs to show that harm or threat to species would result without that action. There was no specific scientific backing cited for this decision. Spilling at this increased level can threaten the reliability of the federal power and transmission systems and result in impacts to transportation and barging systems, flood control capabilities, and irrigation systems. Additionally, some scientific studies warn that increased gas levels stemming from the spill ordered by the decision could in fact harm the very fish species the Biological Opinion was developed to protect. Estimates of the cost to the transmission system and ratepayers are approximately \$40 million for 2018 alone.

CIVIL WORKS REORGANIZATION PROPOSAL

On July 30, 2018, the Secretary of Defense approved a Secretary of the Army memorandum identifying specific actions the Army will take in support of the Administration’s proposed reorganization of the Civil Works program of the U.S. Army Corps of Engineers. The proposal includes taking the Civil Works program out of the Corps with navigation going to the Department of Transportation for infrastructure grants and the remaining accounts to the Department of the Interior.

The conferees are opposed to the proposed reorganization as it could ultimately have detrimental impacts for implementation of the Civil Works program and for the numerous non-federal entities that rely on the Corps’ technical expertise, including in response to natural disasters.

The conferees are extremely concerned that an action of this magnitude, which

crosses multiple jurisdictional lines and has far-reaching consequences, was not properly brought to Congress as a proposal, allowing for oversight and hearings as to its effects. Notification and discussion with Members of Congress and Committee staffs was nonexistent. Further, this type of proposal, as the Department of Defense and the Corps are well aware, will require enactment of legislation, which has neither been proposed nor requested to date. Therefore, no funds provided in this Act or any previous Act to any agency shall be used to implement this proposal.

TITLE I—CORPS OF ENGINEERS—CIVIL

DEPARTMENT OF THE ARMY

CORPS OF ENGINEERS—CIVIL

The summary tables included in this title set forth the dispositions with respect to the individual appropriations, projects, and activities of the Corps of Engineers. Additional items of the Act are discussed below.

Recent statutory changes regarding the Inland Waterways Trust Fund (IWTF) have resulted in an increase to the size of the capital improvement program that can be supported by the IWTF. The agreement reflects congressional interest in supporting this larger program. The Corps is directed to take the preparatory steps necessary to ensure that new construction projects can be initiated as soon as can be supported under the larger capital program (i.e., as ongoing projects approach completion).

Concerns persist that the effort to update the Water Resources Principles and Guidelines did not proceed consistent with the language or intent of section 2031 of the Water Resources Development Act of 2007. No funds provided to the Corps of Engineers shall be used to develop or implement rules or guidance to support implementation of the final Principles and Requirements for Federal Investments in Water Resources released in March 2013 or the final Interagency Guidelines released in December 2014. The Corps shall continue to use the document dated March 10, 1983, and entitled “Economic and Environmental Principles and Guidelines for Water and Related Land Resources Implementation Studies” during the fiscal year period covered by the Energy and Water Development Appropriations Act for 2019.

Asian Carp.—In lieu of House and Senate direction, the Secretary of the Army, acting through the Chief of Engineers, shall make every effort to submit to Congress the Report of the Chief of Engineers for the Brandon Road feasibility study according to the original published schedule of February 2019. The conferees understand that the money allocated to the study in the fiscal year 2018 work plan and the fiscal year 2019 budget request is sufficient to complete the feasibility phase. The Corps is encouraged to move expeditiously to the preconstruction engineering and design (PED) phase once feasibility is complete, including requesting sufficient funding in future budget submissions. The Corps is directed to provide quarterly updates to the Committees on Appropriations of both Houses of Congress on the progress and status of efforts to prevent the further spread of Asian carp as well as the location and density of carp populations, including the use of emergency procedures.

The Corps shall continue to collaborate with the U.S. Coast Guard, the U.S. Fish and Wildlife Service, the State of Illinois, and members of the Asian Carp Regional Coordinating Committee to identify and evaluate whether navigation protocols would be beneficial or effective in reducing the risk of vessels inadvertently carrying aquatic invasive species, including Asian carp, through the Brandon Road Lock and Dam in Joliet, Illinois. Any findings of such an evaluation shall be included in the quarterly briefings

to the Committees. The Corps is further directed to implement navigation protocols shown to be effective at reducing the risk of entrainment without jeopardizing the safety of vessels and crews. The Corps and other federal and state agencies are conducting ongoing research on potential solutions. The Corps shall brief the Committees on Appropriations of both Houses of Congress on such navigation protocols and potential solutions within 30 days of enactment of this Act.

Budget Structure Changes.—The agreement includes House and Senate language regarding budget structure changes.

Apportionment Under a Continuing Resolution.—The conferees are concerned about recent changes in the way funds are apportioned under a continuing resolution. Artificially limiting the Corps’ flexibility to fund the highest priority projects during the time of a continuing resolution by creating demarcations between funds from the Harbor Maintenance Trust Fund, the Inland Waterways Trust Fund, and the general fund impedes efficient and effective implementation of the Civil Works program. The conferees believe the previous policy on apportionment under a continuing resolution, which provides maximum flexibility, should be restored.

Report on Flood and Storm Damage Reduction Business Line.—Not later than 180 days after the date of enactment of this Act, the Corps shall provide to the Committees on Appropriations of both Houses of Congress a report that provides a definition for the terms “coastal project” and “inland project” within the flood and coastal storm damage reduction business line. For each of the last ten fiscal years, the report shall include the total amount of funding allocated to coastal projects and the total amount of funding allocated to inland projects within this business line. The report shall name each project and include an analysis comparing the level of funding in proportion to the amount of work needed in coastal areas.

Report on Certain Cost-Shared Projects.—The Corps shall submit to the appropriate committees of Congress a report that includes a list of all cost-shared Corps projects that as of the date of enactment of this Act are physically and fiscally complete and for which excess non-federal funds have not been returned to the non-federal project sponsor. With respect to each project on the list, the report shall describe the status of returning the excess funds to the non-federal project sponsor and providing the non-federal project sponsor a final accounting of the project.

Everglades Restoration and Lake Okeechobee.—The restoration of the Everglades, as described in the Comprehensive Everglades Restoration Plan (CERP) authorized by Public Law 106-541 is the most ambitious environmental restoration program in our nation’s history. The objectives of CERP are the restoration, preservation, and protection of the South Florida ecosystem, while providing for other water related needs, including water supply and flood protection.

The Corps shall continue to implement CERP, as authorized, to ensure the protection of water quality, to reduce the loss of fresh water, and to improve the environment of the South Florida ecosystem, while achieving and maintaining the benefits to the natural system and human environment described in the Plan. The equal partnership between the federal government and the State of Florida remains essential to accomplishing the objectives of the Plan. The conferees note that the Plan authorizes a 50/50 federal-state cost share for all aspects of congressionally authorized restoration projects, including, where applicable, water quality project features or components.

The discharge of excess water from Lake Okeechobee to the Caloosahatchee Estuary and the Indian River Lagoon represents a significant loss of fresh water from the South Florida ecosystem. The diversion of those discharges to CERP projects or features, such as the Everglades Agricultural Area Storage Reservoir, designed to store and treat water prior to release into the Central Everglades, is an essential source of fresh water for meeting the objectives of the Plan. To minimize downstream impacts from reduced water quality and harmful algal blooms to local communities and wildlife habitat, the Corps is encouraged, when appropriate, to only conduct releases of water from Lake Okeechobee to the Caloosahatchee Estuary or the Indian River Lagoon in pulses, unless a release is necessary to protect the integrity of the Herbert Hoover Dike and minimize threats to lives and human health.

ADDITIONAL FUNDING

The agreement includes funding in addition to the budget request to ensure continued improvements to our national economy, public safety, and environmental health that result from water resources projects. This funding is for additional work that either was not included in the budget request or was inadequately budgeted. The bill contains a provision requiring the Corps to allocate funds in accordance with only the direction in this agreement. In lieu of all House and Senate report direction—under any heading—regarding additional funding, new starts, and the fiscal year 2019 work plan, the Corps shall follow the direction included in this conference report.

The executive branch retains complete discretion over project-specific allocation decisions within the additional funds provided, subject to only the direction here and under the heading “Additional Funding” or “Additional Funding for Ongoing Work” within each of the Investigations, Construction, Mississippi River and Tributaries, and Operation and Maintenance accounts. A study or project may not be excluded from evaluation for being “inconsistent with Administration policy.” Voluntary funding in excess of legally required cost shares for studies and projects is acceptable, but shall not be used as a criterion for allocating the additional funding provided or for the selection of new starts.

The Administration is reminded that these funds are in addition to the budget request, and Administration budget metrics shall not be a reason to disqualify a study or project from being funded. It is expected that all of the additional funding provided will be allocated to specific programs, projects, or activities. The focus of the allocation process shall favor the obligation, rather than expenditure, of funds.

The Corps shall evaluate all studies and projects only within accounts and categories consistent with previous congressional funding. When allocating the additional funding provided in this Act, the Corps shall consider eligibility and implementation decisions under Public Law 115-123 so as to maximize the reduction of risk to public safety and infrastructure and the reduction of future damages from floods and storms nationwide.

A project or study shall be eligible for additional funding within the Investigations, Construction, and Mississippi River and Tributaries accounts if: (1) it has received funding, other than through a reprogramming, in at least one of the previous three fiscal years; (2) it was previously funded and could reach a significant milestone, complete a discrete element of work, or produce significant outputs in calendar year 2019; or (3) as appropriate, it is selected as one of the

new starts allowed in accordance with this Act and the additional direction provided below. Projects with executed Advanced Project Partnership Agreements, or similar agreements, shall be eligible for additional funding provided in this bill. None of the additional funding in any account may be used for any item where funding was specifically denied or for projects in the Continuing Authorities Program. Funds shall be allocated consistent with statutory cost share requirements.

Work Plan.—Not later than 60 days after the enactment of this Act, the Corps shall provide to the Committees on Appropriations of both Houses of Congress a work plan including the following information: (1) a detailed description of the process and criteria used to evaluate studies and projects; (2) delineation of how these funds are to be allocated; (3) a summary of the work to be accomplished with each allocation, including phase of work and the study or project's remaining cost to complete (excluding Operation and Maintenance); and (4) a list of all studies and projects that were considered eligible for funding but did not receive funding, including an explanation of whether the study or project could have used funds in calendar year 2019 and the specific reasons each study or project was considered as being less competitive for an allocation of funds.

New Starts.—The agreement includes six new starts in the Investigations account and five new starts in the Construction account to be distributed across the authorized mission areas of the Corps.

Of the new starts in Investigations, one shall be for a navigation study; one shall be for a flood and storm damage reduction study; one shall be for an environmental restoration study; and three shall be for navigation, flood and storm damage reduction, environmental restoration, water supply, or multi-purpose studies. In the appropriate categories, the Corps shall consider selection of a small, remote, or subsistence navigation study and a multi-purpose watershed study to address coastal resiliency. Of the new construction starts, one shall be for a navigation project; one shall be for a flood and storm damage reduction project; one shall be for an environmental restoration project; and two shall be for navigation, flood and storm damage reduction, environmental restoration, or multi-purpose projects. In the appropriate categories, the Corps shall consider selection of a coastal storm damage reduction project. No funding shall be used to initiate new programs, projects, or activities in the Mississippi River and Tributaries or Operation and Maintenance accounts.

The Corps is directed to propose a single group of new starts as a part of the work plan. None of the funds may be used for any item for which the agreement has specifically denied funding. The Corps may not change or substitute the new starts selected once the work plan has been provided to the

Committees on Appropriations of both Houses of Congress. Each new start shall be funded from the appropriate additional funding line item. Any project for which the new start requirements are not met by the end of fiscal year 2019 shall be treated as if the project had not been selected as a new start; such a project shall be required to compete again for new start funding in future years. As all new starts are to be chosen by the Corps, all shall be considered of equal importance, and the expectation is that future budget submissions will include appropriate funding for all new starts selected.

There continues to be confusion regarding the executive branch's policies and guidelines regarding which studies and projects require new start designations. Therefore, the Corps is directed to notify the Committees on Appropriations of both Houses of Congress at least 7 days prior to execution of an agreement for construction of any project except environmental infrastructure projects and projects under the Continuing Authorities Program. Additionally, the agreement reiterates and clarifies previous congressional direction as follows. Neither study nor construction activities related to individual projects authorized under section 1037 of the Water Resources Reform and Development Act (WRRDA) of 2014 shall require a new start or new investment decision; these activities shall be considered ongoing work. No new start or new investment decision shall be required when moving from feasibility to PED. A new start designation shall be required to initiate construction of individually-authorized projects funded within programmatic line items. No new start or new investment decision shall be required to initiate work on a separable element of a project when construction of one or more separable elements of that project was initiated previously; it shall be considered ongoing work. A new construction start shall not be required for work undertaken to correct a design deficiency on an existing federal project; it shall be considered ongoing work. The Corps is reminded that resumptions are just that—resumption of previously-initiated studies or projects and, as such, do not require new start designations.

In addition to the priority factors used to allocate all additional funding provided in the Investigations account, the Corps should give careful consideration to the out-year budget impacts of the studies selected and to whether there appears to be an identifiable local sponsor that will be ready and able to provide, in a timely manner, the necessary cost share for the feasibility and PED phases. The Corps is reminded that the flood and storm damage reduction mission area can include instances where non-federal sponsors are seeking assistance with flood control and unauthorized discharges from permitted wastewater treatment facilities and that the navigation mission area includes work in remote and subsistence har-

bor areas. Within the flood and storm damage reduction mission, the Corps is urged to strive for an appropriate balance between inland and coastal projects.

In addition to the priority factors used to allocate all additional funding provided in the Construction account, the Corps also shall consider the out-year budget impacts of the selected new starts; and the cost sharing sponsor's ability and willingness to promptly provide the cash contribution (if any), as well as required lands, easements, rights-of-way, relocations, and disposal areas. When considering new construction starts, only those that can execute a project cost sharing agreement not later than September 30, 2019, shall be chosen.

To ensure that the new construction starts are affordable and will not unduly delay completion of any ongoing projects, the Secretary is required to submit to the Committees on Appropriations of both Houses of Congress a realistic out-year budget scenario prior to issuing a work allowance for a new start. It is understood that specific budget decisions are made on an annual basis and that this scenario is neither a request for nor a guarantee of future funding for any project. Nonetheless, this scenario shall include an estimate of annual funding for each new start utilizing a realistic funding scenario through completion of the project, as well as the specific impacts of that estimated funding on the ability of the Corps to make continued progress on each previously funded construction project (including impacts to the optimum timeline and funding requirements of the ongoing projects) and on the ability to consider initiating new projects in the future. The scenario shall assume a Construction account funding level at the average of the past three budget requests.

EXECUTION OF CORPS FUNDING

The conferees are concerned with delays in executing funds that have been appropriated in regular and supplemental appropriations bills. While the Office of Management and Budget (OMB) has a responsibility to oversee execution of the funds, the conferees are concerned that OMB is adding additional burdens to the Corps' processes that may result in unnecessary delays and potentially overriding technical and expert judgments by the Corps. The conferees expect funds appropriated in this Act to be quickly and efficiently executed, consistent with the terms and conditions in this conference report.

INVESTIGATIONS

The agreement includes \$125,000,000 for Investigations. The agreement includes legislative language regarding parameters for new study starts.

The allocation for projects and activities within the Investigations account is shown in the following table:

[^]Funded in another account.

Passaic River Basin Mainstem, New Jersey.—Flooding has long been a problem in the Passaic River Basin. The Corps is encouraged to continue to work in coordination with the non-federal sponsor on plans to reduce flooding in the basin, including the reevaluation of the Passaic River Basin Mainstem project. The Corps is directed to brief the Committees on Appropriations of both Houses of Congress not later than 30 days after the enactment of this Act on the current status of this project.

Peckman River, New Jersey.—There have been repeated delays with the Peckman River Feasibility Study. The Corps is directed to provide to the Committees on Appropriations of both Houses of Congress quarterly briefings on the current schedule to bring this study to completion, with the first briefing to occur not later than 30 days after the enactment of this Act.

Rahway River Basin (Upper Basin), New Jersey.—There have been extended delays with the Rahway River Basin Flood Risk Management Feasibility Study where flooding is of acute concern to the affected communities. The Corps is encouraged to continue to work with the non-federal sponsor on plans to reduce flooding caused by the Rahway River in affected areas. The Corps is directed to provide to the Committees on Appropriations of both Houses of Congress quarterly briefings on the current schedule to bring this study to completion, with the first briefing to occur not later than 30 days after the enactment of this Act. The Corps is encouraged to include funding for this study in future budget submissions.

Additional Funding.—The Corps is expected to allocate the additional funding provided in this account primarily to specific feasibility and PED phases, rather than to Remaining Items line items as has been the case in previous work plans. Of the additional funding provided in this account for navigation and coastal and deep draft navigation, the Corps shall allocate not less than \$2,500,000 for navigation PED. Of the addi-

tional funding provided in this account for flood and storm damage reduction and shore protection, the Corps shall allocate not less than \$400,000 for shore protection PED. When allocating the additional funding provided in this account, the Corps shall consider giving priority to completing or accelerating ongoing studies or to initiating new studies that will enhance the nation's economic development, job growth, and international competitiveness; are for projects located in areas that have suffered recent natural disasters; are for projects that protect life and property; are for projects to restore floodplain and aquatic habitat through cost-effective and tested means; or are for projects to address legal requirements. The Corps shall use these funds for additional work in both the feasibility and PED phases. The agreement includes sufficient additional funding to undertake a significant amount of feasibility and PED work. The Administration is reminded that a project study is not complete until the PED phase is complete. The Corps is reminded that environmental restoration can include projects that address degraded conditions due to prior flood protection work. The Corps is reminded that the updating of economic analyses and economic impact studies are eligible to receive additional funding.

Water Resources Priorities Study.—No funding shall be used for this study.

Disposition of Completed Projects.—The agreement includes Senate direction. Additionally, the agreement supports the budget request for the disposition study pursuant to facilities that closed as a result of Public Law 113-121. The Corps is directed to provide to the Committees on Appropriations of both Houses of Congress copies of this study upon completion. For Corps facilities that are deemed as excess in such study, the Committee supports the disposal of those facilities through the appropriate General Services Administration process.

Research and Development.—Within available funds, the Corps shall advance work on

activities included in the House and Senate reports.

Puget Sound.—The conferees encourage the Corps to proceed with the tiered implementation strategy using all existing authorities as outlined in the Puget Sound Nearshore Ecosystem Restoration Project Feasibility Study, Completion Strategy Guidance dated June 2015. The Corps is further directed to recognize the Puget Sound Nearshore Study as the feasibility component for the purposes of Section 544 of the Water Resources Development Act of 2000. The Corps is commended for initiating PED on the Duckabush River Estuary component of this project. The Corps is urged to include funding in future budget submissions to continue PED, as completing this project is critical to restoring the natural processes in the nearshore zone that sustain biological and economic resources.

Upper Mississippi River-Illinois Waterway System.—The fiscal year 2018 work plan allocated \$1,000,000 to initiate and complete an economic update of the Navigation Ecosystem Sustainability Program. Not later than 60 days after the enactment of this Act, the Corps shall provide to the Committees on Appropriations of both Houses of Congress a report on the scope of the economic update and any expected future costs for completing the study phase. The Corps is encouraged to complete the economic update expeditiously, so that PED can resume in a timely fashion.

CONSTRUCTION

The agreement includes \$2,183,000,000 for Construction. The agreement includes legislative language regarding Chickamauga Lock, Tennessee River, Tennessee. The agreement includes legislative language regarding parameters for new construction starts.

The allocation for projects and activities within the Construction account is shown in the following table:

*Includes funds requested in other accounts.

Updated Capability.—The agreement adjusts some project-specific allocations downward from the budget request based on updated information regarding the amount of work that could be accomplished in fiscal year 2019.

Additional Funding.—The agreement includes additional funds for projects and activities to enhance the nation's economic growth and international competitiveness. Of the additional funds provided in this account, the Corps shall allocate not less than \$4,445,000 to projects with riverfront development components. Of the additional funding provided in this account for flood and storm damage reduction and flood control, the Corps shall allocate not less than \$9,800,000 to additional nonstructural flood control projects. Of the additional funds provided in this account for flood and storm damage reduction, navigation, and other authorized project purposes, the Corps shall allocate not less than \$25,000,000 to authorized reimbursements for projects with executed project cooperation agreements and that have completed construction or where non-federal sponsors intend to use the funds for additional water resources development activities. Of the additional funding provided in this account for flood and storm damage reduction and flood control, the Corps shall allocate not less than \$20,000,000 to continue construction of projects that principally address drainage in urban areas, of which not less than \$4,500,000 shall be for projects that principally include improvements to rainfall drainage systems that address flood damages. Of the additional funding provided in this account, the Corps shall allocate not less than \$1,800,000 to complete a plan for a purpose outside the Corps' traditional mission.

The Corps is reminded that dam safety projects authorized under section 5003 of the Water Resources Development Act of 2007 are eligible to compete for the additional funding provided in this account.

Public Law 115-123 included funding within the Flood Control and Coastal Emergencies account to restore authorized shore protection projects to full project profile. That funding is expected to address most of the current year capability. Therefore, to ensure funding is not directed to where it cannot be used, the agreement includes \$55,000,000 for construction of shore protection projects. The Corps is reminded that if additional work can be done, these projects are also eligible to compete for additional funding for flood and storm damage reduction.

When allocating the additional funding provided in this account, the Corps is encouraged to evaluate authorized reimbursements in the same manner as if the projects were being evaluated for new or ongoing construction. When allocating the additional funding provided in this account, the Corps shall consider giving priority to the following:

1. benefits of the funded work to the national economy;
2. extent to which the work will enhance national, regional, or local economic development;
3. number of jobs created directly and supported in the supply chain by the funded activity;
4. significance to national security, including the strategic significance of commodities;
5. ability to obligate the funds allocated within the fiscal year, including consideration of the ability of the non-federal sponsor to provide any required cost share;

6. ability to complete the project, separable element, or project phase with the funds allocated;

7. legal requirements, including responsibilities to Tribes;

8. for flood and storm damage reduction projects (including authorized nonstructural measures and periodic beach renourishments),

a. population, economic activity, or public infrastructure at risk, as appropriate; and

b. the severity of risk of flooding or the frequency with which an area has experienced flooding;

9. for shore protection projects, projects in areas that have suffered severe beach erosion requiring additional sand placement outside of the normal beach renourishment cycle or in which the normal beach renourishment cycle has been delayed;

10. for navigation projects, the number of jobs or level of economic activity to be supported by completion of the project, separable element, or project phase;

11. for projects cost shared with the IWTF, the economic impact on the local, regional, and national economy if the project is not funded, as well as discrete elements of work that can be completed within the funding provided in this line item;

12. for other authorized project purposes and environmental restoration or compliance projects, to include the beneficial use of dredged material; and

13. for environmental infrastructure, projects with the greater economic impact, projects in rural communities, projects in communities with significant shoreline and instances of runoff, projects in or that benefit counties or parishes with high poverty rates, projects in financially distressed municipalities, projects that improve stormwater capture capabilities, and projects that will provide substantial benefits to water quality improvements.

The following is the only direction with regard to the availability of additional funds for IWTF projects. The agreement provides funds making use of all estimated annual revenues and some additional prior-year revenues in the IWTF. The Corps shall allocate all funds provided in the IWTF Revenues line item along with the statutory cost share from funds provided in the Navigation line item prior to allocating the remainder of funds in the Navigation line item.

Aquatic Plant Control Program.—Of the funding provided for the Aquatic Plant Control Program, \$1,000,000 shall be for activities for the control of the flowering rush. Of the funding provided for the Aquatic Plant Control Program, \$5,000,000 shall be for nationwide research and development to address invasive aquatic plants; within this funding, the Corps is encouraged to support cost shared aquatic plant management programs. Of the funding provided for the Aquatic Plant Control Program, \$5,000,000 shall be for watercraft inspection stations, as authorized by section 1039 of the WRRDA of 2014, and \$1,000,000 shall be for related monitoring.

Continuing Authorities Program (CAP).—The agreement continues to support all sections of the Continuing Authorities Program. Funding is provided for eight CAP sections at a total of \$66,000,000, an increase of \$62,500,000 above the budget request, which proposed funding for only four sections. This program provides a useful tool for the Corps to undertake small localized projects without the lengthy study and authorization process typical of larger Corps projects. Within the Continuing Authorities Program

and to the extent already authorized by law, the Corps is encouraged to consider projects that enhance coastal and ocean ecosystem resiliency and projects that restore degraded wetland habitat and stream habitat impacted by construction of Corps levees. The management of the Continuing Authorities Program shall continue consistent with direction provided in previous fiscal years.

Dam Safety and Seepage/Stability Correction Program.—The conferees reject the budget request proposal regarding Herbert Hoover Dike, which would make funds provided in this program available only if the State of Florida commits certain funds. Consistent with long-standing congressional direction, the Corps may not require funding in excess of legally required cost shares for studies and projects as a criterion for funding decisions. The Corps shall apply these funds to the highest priority projects.

Beneficial Use of Dredged Material Pilot Program.—The agreement includes House direction on this program.

Public-Private Partnerships.—The agreement only includes direction in the Expenses account.

Oyster Restoration.—The conferees support Gulf Coast oyster restoration efforts and the Chesapeake Bay Oyster Restoration program. The Corps is encouraged to include funding in future budget submissions for these efforts.

Metro East Levees.—The conferees urge the Corps to include funding for the Metro East levee system in future budget submissions.

Rehabilitation of Corps Constructed Dams.—Implementation guidance for section 1177 of the WIN Act is awaiting approval. The Corps is directed to submit this implementation guidance to the Committees on Appropriations of both Houses of Congress as expeditiously as possible.

Natural Infrastructure Options.—The agreement includes Senate direction with the clarification that it applies during the project formulation phase.

Camp Ellis Beach, Saco, Maine.—The conferees are concerned by the continued delay in implementing a solution at Camp Ellis Beach in Saco, Maine. To address continued erosion, which has destroyed 37 homes to date, the Corps' initial study recommended a shore damage mitigation project consisting of a 750-foot-long spur jetty, and placement of about 360,000 cubic yards of beach fill along the beach. The project's design and costs are under review and being updated in preparation for a new report to Congress detailing a path ahead on the project. Accordingly, the conferees direct the Secretary to expeditiously submit this report to the Committees on Appropriations of both Houses of Congress. This report shall include any additional legislative authorities necessary for the project to be approved and constructed.

Soo Locks, Sault Ste. Marie, Chippewa County, Michigan.—The conferees are aware that the Corps has released a new Soo Lock Economic Validation Study and Post Authorization Change Report with a strong benefit to cost ratio and a recommendation to move forward on construction of a new lock. The Corps is urged to include funding for the new lock in future budget submissions.

MISSISSIPPI RIVER AND TRIBUTARIES

The agreement includes \$368,000,000 for Mississippi River and Tributaries.

The allocation for projects and activities within the Mississippi River and Tributaries account is shown in the following table:

CORPS OF ENGINEERS - MISSISSIPPI RIVER AND TRIBUTARIES

 TOTAL, MISSISSIPPI RIVER AND TRIBUTARIES	 244,735	 368,000

*Includes funds requested in other accounts.

Additional Funding for Ongoing Work.—When allocating the additional funding provided in this account, the Corps shall consider giving priority to completing or accelerating ongoing work that will enhance the nation's economic development, job growth, and international competitiveness, or are for studies or projects located in areas that have suffered recent natural disasters. While this funding is shown under remaining items, the Corps shall use these funds in investigations, construction, and operation and mainte-

nance, as applicable. Of the additional funds provided in this account for flood control, the Corps shall allocate not less than \$14,420,000 for additional flood control construction projects. Of the additional funds provided in this account for other authorized project purposes, the Corps shall allocate not less than \$975,000 for operation and maintenance of facilities that are educational or to continue land management of mitigation features.

Mississippi River Commission.—No funding is provided for this new line item. The Corps is directed to continue funding the costs of the commission from within the funds provided for activities within the Mississippi River and Tributaries project.

OPERATION AND MAINTENANCE

The agreement includes \$3,739,500,000 for Operation and Maintenance.

TOTAL, OPERATION AND MAINTENANCE	2,076,738	3,739,500

*Includes funds requested in other accounts.

Updated Capability.—The agreement adjusts some project-specific allocations downward from the budget request based on updated information regarding the amount of work that could be accomplished in fiscal year 2019.

Additional Funding for Ongoing Work.—When allocating the additional funding provided in this account, the Corps shall consider giving priority to the following:

1. ability to complete ongoing work maintaining authorized depths and widths of harbors and shipping channels, including where contaminated sediments are present;
2. ability to address critical maintenance backlog;
3. presence of the U.S. Coast Guard;
4. extent to which the work will enhance national, regional, or local economic development, including domestic manufacturing capacity;
5. extent to which the work will promote job growth or international competitiveness;
6. number of jobs created directly by the funded activity;
7. ability to obligate the funds allocated within the fiscal year;
8. ability to complete the project, separable element, project phase, or useful increment of work within the funds allocated;
9. addressing hazardous barriers to navigation due to shallow channels;
10. risk of imminent failure or closure of the facility; and
11. for harbor maintenance activities,
 - a. total tonnage handled;
 - b. total exports;
 - c. total imports;
 - d. dollar value of cargo handled;
 - e. energy infrastructure and national security needs served;
 - f. designation as strategic seaports;
 - g. lack of alternative means of freight movement; and
 - h. savings over alternative means of freight movement.

Additional funding provided for donor and energy transfer ports shall be allocated in accordance with 33 U.S.C. 2238c. The Corps is encouraged to include funding for this program in future budget submissions. The Corps is directed to execute fully subsection (c) of 33 U.S.C. 2238c not later than 90 days after enactment of this Act.

The Corps is reminded that debris removal activities pursuant to 33 U.S.C. 603a, including in urban waterways, and activities necessary to carry out soil moisture and snowpack monitoring are eligible to compete for additional funding in this account.

Concerns persist that the Administration's criteria for navigation maintenance do not allow small, remote, or subsistence harbors and waterways to properly compete for scarce navigation maintenance funds. The Corps is urged to revise the criteria used for determining which navigation projects are funded in order to develop a reasonable and equitable allocation under this account. The criteria should include the economic impact that these projects provide to local and regional economies.

Aquatic Nuisance Research Program.—Within available funds, the Corps is encouraged to support research that will identify and develop improved strategies for early detection, prevention, and management techniques and procedures to reduce the occurrence and impacts of harmful algal blooms in our nation's water resources.

Coastal Inlet Research Program.—The conferees understand that communities, infrastructure, commerce, and resources that are tied to the coastal nearshore region are all vulnerable to damage from extreme coastal events and long-term coastal change. Funding in addition to the budget request is included for the Corps to establish and lead a

multi-university effort to identify engineering frameworks to address coastal resilience needs, to develop adaptive pathways that lead to coastal resilience, measure the coastal forces that lead to infrastructure damage and erosion during extreme storm events, and to improve coupling of terrestrial and coastal models. Funding in addition to the budget request is also included for the Corps to continue work with the National Oceanic and Atmospheric Administration's National Water Center on protecting the nation's water resources.

Facility Protection.—The agreement provides funding for completion and deployment of tools to address hydrologic extremes.

Monitoring of Completed Navigation Projects.—Of the funding provided, \$4,000,000 shall be to support the structural health monitoring program to facilitate research to maximize operations, enhance efficiency, and protect asset life through catastrophic failure mitigation; \$2,000,000 shall be for research related to the impacts of reduced navigational lock operations as described in the Senate report; and \$600,000 shall be available for additional work on advanced non-destructive testing methods of inspection and the validation of technologies such as protective coatings. The Corps is directed to brief the Committees on Appropriations of both Houses of Congress not later than 90 days after the enactment of this Act on its planned activities in each area, future funding requirements of ongoing efforts, and the scope and effectiveness of programs at various annual funding levels. The Corps is encouraged to also consider the need for additional work on the evaluation of grouted trunnion rods.

National Dam Safety Program.—The Corps, in cooperation with the Federal Energy Regulatory Commission and the Bureau of Reclamation, shall contract with an independent peer review organization to conduct a comprehensive Independent External Peer Review (IEPR) of risk-informed dam safety practices in these three federal agencies with the intent to inform improvements broadly in national dam safety practices. The Corps is directed to contract with an independent peer review organization in accordance with its current review policy and the National Academy of Science IEPR process. The IEPR shall also consider how dam safety practices are affected by human factors, as well as how risk informed analysis in other industries may be applicable to dam safety practices.

National (Multiple Project) Natural Resources Management Activities.—Any costs to cover administrative fees or any other efforts necessary to resolve encroachments that were the result of past land surveying errors made by the Corps are eligible for funding provided above the budget request.

Water Operations Technical Support.—Funding in addition to the budget request is included for research into atmospheric rivers first funded in fiscal year 2015, of which \$5,000,000 is included to continue ongoing efforts, and an additional \$2,500,000 is provided to expand this research effort to other locations as appropriate. Prior to obligating these funds for this expanded effort, however, the Corps shall brief the Committees on Appropriations of both Houses of Congress on the details of an expanded effort, including activities to be undertaken, the total and annual cost estimate, expected transferability of tools developed of other results of the research, as well as the likelihood of additional investment being necessary. The Corps shall scope the expanded effort to fit within recent annual funding levels.

Great Lakes Navigation System.—The agreement includes funding for individual projects within this System that exceeds the funding level envisioned in section 210(d)(1)(B)(ii) of

the Water Resources Development Act of 1986.

Kennebec River Long-Term Maintenance Dredging.—The agreement includes Senate direction.

WIFIA Planning and Development.—The agreement only includes direction in the Expenses account.

REGULATORY PROGRAM

The agreement includes \$200,000,000 for the Regulatory Program.

FORMERLY UTILIZED SITES REMEDIAL ACTION PROGRAM

The agreement includes \$150,000,000 for the Formerly Utilized Sites Remedial Action Program.

FLOOD CONTROL AND COASTAL EMERGENCIES

The agreement includes \$35,000,000 for Flood Control and Coastal Emergencies.

EXPENSES

The agreement includes \$193,000,000 for Expenses.

Alternative financing.—The agreement includes House direction and Senate direction under the heading "Public-Private Partnerships" in the Construction account. Additionally, funds above the budget request in this account are available, if needed, to implement House or Senate direction or to further efforts to develop a programmatic proposal on the WIFIA program for inclusion in a future budget submission.

Inventory of Corps projects.—The agreement includes Senate direction with the clarification that the inventory is of existing and ongoing studies and projects.

OFFICE OF THE ASSISTANT SECRETARY OF THE ARMY FOR CIVIL WORKS

The agreement includes \$5,000,000 for the Office of the Assistant Secretary of the Army for Civil Works. The agreement includes legislative language that restricts the availability of funding until the Secretary submits a work plan that allocates at least 95 percent of the additional funding provided in each account (i.e., 95 percent of additional funding provided in Investigations, 95 percent of additional funding provided in Construction, etc.). This restriction shall not affect the roles and responsibilities established in previous fiscal years of the Office of the Assistant Secretary of the Army for Civil Works, the Corps headquarters, the Corps field operating agencies, or any other executive branch agency.

GENERAL PROVISIONS—CORPS OF ENGINEERS—CIVIL

(INCLUDING TRANSFER OF FUNDS)

The agreement includes a provision relating to reprogramming.

The agreement includes a provision regarding the allocation of funds.

The agreement includes a provision prohibiting the use of funds to carry out any contract that commits funds beyond the amounts appropriated for that program, project, or activity.

The agreement includes a provision concerning funding transfers related to fish hatcheries.

The agreement includes a provision regarding certain dredged material disposal activities.

The agreement includes a provision regarding acquisitions.

The agreement includes a provision regarding reallocations at a project.

The agreement includes a provision regarding section 404 of the Federal Water Pollution Control Act.

The agreement includes a provision prohibiting the obligation or expenditure of funds on a new hopper dredge.

The agreement includes a provision prohibiting funds for reorganization of the Civil Works program.

**TITLE II—DEPARTMENT OF THE
INTERIOR**

CENTRAL UTAH PROJECT

CENTRAL UTAH PROJECT COMPLETION ACCOUNT

The agreement includes a total of \$15,000,000 for the Central Utah Project Completion Account, which includes \$12,703,325 for Central Utah Project construction,

\$898,000 for transfer to the Utah Reclamation Mitigation and Conservation Account for use by the Utah Reclamation Mitigation and Conservation Commission, and \$1,398,675 for necessary expenses of the Secretary of the Interior.

BUREAU OF RECLAMATION

In lieu of all House and Senate report direction regarding additional funding and the fiscal year 2019 work plan, the agreement includes direction under the heading “Addi-

tional Funding for Water and Related Resources Work” in the Water and Related Resources account.

Reconsultation.—The agreement includes House language.

**WATER AND RELATED RESOURCES
(INCLUDING TRANSFERS OF FUNDS)**

The conferees provide \$1,391,992,000 for Water and Related Resources.

The agreement for Water and Related Resources is shown in the following table:

Additional Funding for Water and Related Resources Work.—The agreement includes funds in addition to the budget request for Water and Related Resources studies, projects, and activities. Priority in allocating these funds should be given to advance and complete ongoing work, including preconstruction activities and where environmental compliance has been completed; improve water supply reliability; improve water deliveries; enhance national, regional, or local economic development; promote job growth; advance tribal and nontribal water settlement studies and activities; or address critical backlog maintenance and rehabilitation activities. Of the additional funding provided under the heading “Water Conservation and Delivery”, \$134,000,000 shall be for water storage projects as authorized in section 4007 of Public Law 114–322. Of the additional funding provided under the heading “Water Conservation and Delivery”, \$15,000,000 shall be for water conservation activities in areas experiencing extreme, exceptional, or extended drought conditions. Of the additional funding provided under the heading “Environmental Restoration or Compliance”, not less than \$30,000,000 shall be for activities authorized under sections 4001 and 4010 of Public Law 114–322 or as set forth in federal-state plans for restoring threatened and endangered fish species affected by the operation of the Bureau of Reclamation’s water projects. Funding associated with each category may be allocated to any eligible study or project, as appropriate, within that category; funding associated with each subcategory may be allocated only to eligible studies or projects, as appropriate, within that subcategory.

Not later than 45 days after the enactment of this Act, Reclamation shall provide to the Committees on Appropriations of both Houses of Congress a report delineating how these funds are to be distributed, in which phase the work is to be accomplished, and an explanation of the criteria and rankings used to justify each allocation.

Reclamation is reminded that the following activities are eligible to compete for funding under the appropriate heading: activities authorized under Indian Water Rights Settlements; all authorized rural water projects, including those with tribal components, those with non-tribal components, and those with both; aquifer recharging efforts to address the ongoing backlog of related projects; conjunctive use projects and other projects to maximize groundwater storage and beneficial use; and activities authorized under section 206 of Public Law 113–235.

Research and Development: Desalination and Water Purification Program.—Of the funding provided for this program, \$12,000,000 shall be for desalination projects as authorized in section 4009(a) of Public Law 114–322.

WaterSMART Program: Title XVI Water Reclamation & Reuse Program.—Of the funding provided for this program, \$20,000,000 shall be for water recycling and reuse projects as authorized in section 4009(c) of Public Law 114–322.

Aquifer Recharge.—Many states have implemented new methods of recharging aquifers for increased water storage and drought mitigation. Reclamation is directed to work closely with project beneficiaries to identify and resolve any barriers to aquifer recharge projects when appropriate.

CALFED Water Storage Feasibility Studies.—The agreement includes Senate language.

Rural Water.—Voluntary funding in excess of legally required cost shares for rural water projects is acceptable, but shall not be used by Reclamation as a criterion for allocating additional funding provided in this agreement or for budgeting in future years.

Buried Metallic Water Pipe.—Reclamation shall continue following its temporary design guidance.

CENTRAL VALLEY PROJECT RESTORATION FUND

The agreement provides \$62,008,000 for the Central Valley Project Restoration Fund.

The agreement includes House direction regarding the Anadromous Fish Screen Program.

CALIFORNIA BAY-DELTA RESTORATION (INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$35,000,000 for the California Bay-Delta Restoration Program.

POLICY AND ADMINISTRATION

The agreement provides \$61,000,000 for Policy and Administration.

The conferees recommend that Reclamation work with all Reclamation states to ensure that counties and municipalities are aware of relevant programs and funding opportunities.

Reclamation Project Reimbursability Decisions.—In September 2017, the Department of the Interior’s Office of Inspector General released a report calling into question the transparency of Reclamation’s financial participation in the State of California’s Bay-Delta Conservation Plan (BDCP). Although Reclamation disputed several findings and recommendations in the report, Reclamation has taken steps to update its current practices and internal guidelines to better align with report recommendations. Reclamation is directed to provide to the Committees on Appropriations of both Houses of Congress 1) not later than 10 days after the enactment of this Act or after finalizing these updates, written copies of the relevant documents; and 2) not later than December 1, 2018, a list of instances of redirecting appropriated funds from the intended purpose outlined in the previous year’s budget request.

The conferees have heard concerns of administrative delays and excessive review times in the award and implementation of financial assistance agreement funding. Reclamation is urged to address factors related to these issues, including lags in completing contracts, in a timely and efficient manner.

ADMINISTRATIVE PROVISION

The agreement includes a provision limiting the Bureau of Reclamation to purchase not more than five passenger vehicles for replacement only.

GENERAL PROVISIONS—DEPARTMENT OF THE INTERIOR

The agreement includes a provision outlining the circumstances under which the Bureau of Reclamation may reprogram funds.

The agreement includes a provision regarding the San Luis Unit and Kesterson Reservoir in California.

The agreement includes a provision regarding aquifer recharge at a project.

The agreement includes a provision regarding a feasibility study.

The agreement includes a provision regarding a pilot program in the Colorado River Basin and authorization of appropriations under the Secure Water Act.

The agreement includes a provision regarding a rural water project.

TITLE III—DEPARTMENT OF ENERGY

The conferees provide \$35,685,317,000 for the Department of Energy to fund programs in its primary mission areas of science, energy, environment, and national security.

Not later than 120 days after the enactment of this Act, the Secretary of Energy, in consultation with the Secretary of Defense, shall submit to the congressional energy and defense committees a report evaluating military installations at which it would be cost-

effective to establish partnerships with community colleges, institutions of higher education, and the private sector to train veterans and members of the armed forces transitioning to civilian life to enter the cybersecurity, energy, and artificial intelligence workforces.

Research and Development Policy.—The Department is directed throughout all of its programs to maintain a diverse portfolio of early-, mid-, and late-stage research, development, and market transformation activities. The Department is further directed to fully execute the funds appropriated in a timely manner and to keep the Committees on Appropriations of both Houses of Congress apprised of progress in implementing funded programs, projects, and activities.

REPROGRAMMING REQUIREMENTS

The agreement carries the Department’s reprogramming authority in statute to ensure that the Department carries out its programs consistent with congressional direction. The Department shall, when possible, submit consolidated, cumulative notifications to the Committees on Appropriations of both Houses of Congress.

Definition.—A reprogramming includes the reallocation of funds from one program, project, or activity to another within an appropriation. For construction projects, a reprogramming constitutes the reallocation of funds from one construction project to another project or a change of \$2,000,000 or 10 percent, whichever is less, in the scope of an approved project.

ENERGY PROGRAMS

ENERGY EFFICIENCY AND RENEWABLE ENERGY

The conferees provide \$2,379,000,000 for Energy Efficiency and Renewable Energy (EERE).

The Department is directed to maintain a diverse portfolio of early-, mid-, and late-stage research, development, and market transformation activities. The Department is further directed to fully execute the funds appropriated in a timely manner and to keep the Committees on Appropriations of both Houses of Congress apprised of progress in implementing funded programs, projects, and activities. Priority shall be given to stewarding the assets and optimizing the operations of EERE designated user facilities across the Department’s complex. In future budget submissions, the Department is directed to demonstrate a commitment to operations and maintenance of facilities that support the Department’s critical missions within EERE.

The Department is directed to provide to the Committees on Appropriations of both Houses of Congress not later than 180 days after the enactment of this Act a report on research and development activities that support the utilization and advancement of high-efficiency linear generator power plant technologies and how these technologies can be incorporated into other EERE programs.

Within available funds for EERE, the conferees include not less than \$20,000,000 to bring cybersecurity into early-stage technology R&D so that it is built into new technology for this effort to encompass all EERE programs. Within 180 days of enactment of this Act, the Department shall submit to the Committees on Appropriations of both Houses of Congress a multi-year program plan for this effort to encompass all EERE programs.

SUSTAINABLE TRANSPORTATION

Vehicle Technologies.—Within available funds, the conferees include \$7,000,000 for operations and maintenance of the National Transportation Research Center; not less than \$163,200,000 for Battery and Electrification Technologies; not less than \$38,100,000

for electric drive research and development, of which \$7,000,000 is to enable extreme fast charging and advanced battery analytics; not less than \$30,000,000 for Materials Technology; not less than \$12,500,000 for the Co-Optimization of Engine and Fuels Multi-Laboratory Consortium; \$25,000,000 for early-stage research on multi-material joining and propulsion materials at the national laboratories, and carbon fiber-reinforced composites at the Carbon Fiber Technology Facility; and \$10,000,000 for continued funding of Section 131 of the 2007 Energy Independence and Security Act for transportation electrification. The agreement provides \$20,000,000 for the five awards under the SuperTruck II program to further improve the efficiency of heavy-duty class 8 long- and regional-haul vehicles. The Department is directed to continue to support the Clean Cities program, including competitive grants to support alternative fuel infrastructure, and vehicle deployment activities. The agreement provides \$46,300,000 for Outreach, Deployment, and Analysis. Within this amount, \$37,800,000 is provided for Deployment through the Clean Cities Program and \$2,500,000 is for a new 4-year collegiate engineering competition, EcoCAR4. Within available funds, the agreement provides \$15,000,000 for medium- and heavy-duty on-road natural gas engine research and development to address technical barriers to the increased use of natural gas vehicles.

Bioenergy Technologies.—Within available funds, the conferees include \$30,000,000 for feedstock supply and logistics, of which \$14,000,000 is for the national lab consortium and \$5,000,000 is for upgrades at the Biomass Feedstock National User Facility to extend its capabilities and maximize benefits; \$32,000,000 for algal biofuels, of which \$2,000,000 is for further research and development activities to support carbon capture from the atmosphere (ambient air) using algae-to-energy technologies; \$57,500,000 for Demonstration and Market Transformation, of which not less than \$12,500,000 is for the Co-Optimization of Engine and Fuels Multi-Laboratory Consortium; and \$95,000,000 for Conversion Technologies. Within available funds, \$5,000,000 is to continue the biopower program, \$5,000,000 is to improve the efficiency of community and smaller digesters that accept both farm and food wastes, and \$5,000,000 is to support development and testing of new domestic manufactured low-emission, high-efficiency, residential wood heaters. Within available funds, the agreement includes not less than \$10,000,000 to establish a multi-university partnership to conduct research and enhance educational programs that improve alternative energy production derived from urban and suburban wastes. The Department is directed to collaborate with institutions in Canada and Mexico to leverage capacity and capitalize on North American resources.

Hydrogen and Fuel Cell Technologies.—Within available funds, the agreement provides \$21,000,000 for Technology Acceleration activities, including \$3,000,000 for manufacturing research and development and \$7,000,000 for industry-led efforts to demonstrate a hydrogen-focused integrated renewable energy production, storage, and transportation fuel distribution/retailing system. Within available funds, the agreement provides \$4,000,000 for the EERE share of the integrated energy systems work with the Office of Nuclear Energy and \$7,000,000 to enable integrated energy systems using high and low temperature electrolyzers with the intent of advancing the H2@Scale concept. The conferees include \$39,000,000 for Hydrogen Fuel Research and Development and \$7,000,000 for Safety, Codes, and Standards.

RENEWABLE ENERGY

Solar Energy.—Within available funds, the agreement provides \$72,000,000 for Photovoltaic Research and Development; \$45,000,000 for Systems Integration; \$35,000,000 for Balance of Systems Soft Cost Reduction, of which \$1,000,000 is for the Solar Ready Vets program and \$5,000,000 is to re-invigorate the National Community Solar Partnership program; and \$30,000,000 for Innovations in Manufacturing Competitiveness. Within available funds, \$4,050,000 is provided for the five photovoltaic Regional Test Centers (RTCs). Further, not later than 90 days after the enactment of this Act, the Department shall submit to the Committees on Appropriations of both Houses of Congress a plan for transitioning the RTCs to a self-sustaining business model as originally envisioned. Within available funds for concentrating solar power research, development, and demonstration, \$5,000,000 is provided for competitively selected projects focused on advanced thermal desalination techniques. Within available funds, the conferees include \$10,000,000 for research and development to support inherently scalable production methods such as solution processing, roll-to-roll manufacturing, the science of inherent material stability, and ultrahigh efficiency through tandem manufacturing.

Wind Energy.—Within available funds, the agreement provides \$10,000,000 for distributed wind and not less than \$10,000,000 for existing national-level offshore wind test facilities. The agreement provides not less than \$30,000,000 for the National Wind Technology Center, which shall include the development of a large-scale research platform to support next-generation wind energy science and manufacturing and systems integration of multiple energy generation, consumption, and storage technologies with the grid. The Department is directed to support the advancement of innovative technologies for offshore wind development, including freshwater, deep water, shallow water, and transitional depth installations. Further, the Department is directed to support innovative offshore wind demonstration projects, including efforts to optimize development, design, construction methods, testing plans, and economic value proposition. The agreement provides \$10,000,000 for a competitively awarded solicitation for additional project development for offshore wind demonstration projects. The Department is also directed to support the deployment and testing of scale floating wind turbines designed to reduce energy costs. Within available funds, the agreement provides not less than \$30,000,000 for the Department to prioritize early-stage research on materials and manufacturing methods and advanced components that will enable accessing high-quality wind resources, on development that will enable these technologies to compete in the marketplace without the need for subsidies, and on activities that will accelerate fundamental offshore-specific research and development, such as those that target technology and deployment challenges unique to U.S. waters.

Water Power.—Within available funds, the agreement provides \$70,000,000 for marine and hydrokinetic technology research, development, and deployment activities, including research into mitigation of marine ecosystem impacts of these technologies. The Department is directed to continue development of the open-water wave energy test facility with previously provided funds. Within available funds, the agreement provides \$30,000,000 for a balanced portfolio of competitive solicitations to support industry and university-led research, development, and deployment of marine and hydrokinetic

technologies; and support wave, ocean current, tidal and in-river energy conversion components and systems across the high- and low-technology readiness spectrum to increase energy capture, reliability, survivability, and integration into local or regional grids for lower costs and to assess and monitor environmental effects. Within this amount, the agreement provides not less than \$8,000,000 to support collaborations between universities, Marine Renewable Energy Centers, and the national laboratories and not less than \$5,000,000 to prioritize infrastructure needs at the marine and hydrokinetic technology testing sites operated by the Marine Renewable Energy Centers. In addition, the Department is directed to continue its coordination with the U.S. Navy on marine energy technology development for national security applications at the Wave Energy Test Site and other locations.

Within available funds, \$35,000,000 is provided for conventional hydropower and pumped storage activities, including \$6,600,000 for the purposes of section 242 of the Energy Policy Act of 2005. The agreement provides \$5,000,000 for a competitive funding opportunity for industry-led research, development, and deployment of cross-cutting energy converter technologies for run-of-river and tailrace applications to better utilize underdeveloped low-head and other hydropower resources.

Geothermal Technologies.—Within available funds, the agreement provides \$6,000,000 for Systems Analysis. The Department is directed to continue its efforts to identify prospective geothermal resources in areas with no obvious surface expressions.

ENERGY EFFICIENCY

Advanced Manufacturing.—The agreement provides not less than \$4,205,000 for improvements in the steel industry; \$20,000,000 for process-informed science, design, and engineering of materials and devices operating in harsh environments; \$5,000,000 for research into the materials and manufacturing process development of high-strength, lightweight nano-crystalline metal alloys; and \$5,000,000 for process-informed catalyst science to direct chemical reactions in full-scale industrial manufacturing processes and to develop new industrial product applications. Within available funds, \$132,000,000 is for Advanced Manufacturing Research and Development Facilities, of which \$42,000,000 is for three Clean Energy Manufacturing Innovation (CEMI) Institutes, \$25,000,000 is for the Manufacturing Demonstration Facility (MDF) and Carbon Fiber Technology Facility, \$20,000,000 is for the Energy-Water Desalination Hub, and \$25,000,000 is for the Critical Materials Hub. Within funds for the MDF, \$5,000,000 is for the development of additive systems and automation technologies that have the potential to deposit multiple materials allowing for hybrid material solutions that enhance performance in extreme environments and enable precise property profiles. The Department is directed to further foster the partnership between the national laboratories, universities, and industry to use bio-based thermoplastics composites, such as micro- and nano-cellulosic materials, and large-area 3-D printing to overcome challenges to the cost and deployment of building, transportation, and energy technologies.

Within available funds, the agreement includes \$20,000,000 to support the development of additive manufacturing involving nanocellulosic feedstock materials made from forest products to overcome challenges to the cost and deployment of building, transportation, and energy technologies. The agreement also includes \$20,000,000 for a competitive solicitation to accelerate development of manufacturing processes needed for clean energy

materials to go from discovery to scale-up with the goal of lowering battery energy storage costs and spurring job creation. The conferees include \$10,000,000 for district heating and directs the Department to collaborate with industry on the potential energy efficiency and energy security gains to be realized with district energy systems. The conferees also include \$10,000,000 to support research and development efforts to improve the efficiency of drying processes.

Building Technologies.—The agreement provides \$28,000,000 for Residential Buildings Integration, \$39,000,000 for Commercial Buildings Integration, \$95,000,000 for Emerging Technologies, and \$50,000,000 for Equipment and Buildings Standards. Within available funds, \$7,000,000 is for the Building Energy Codes program to provide assistance to States and to organizations that develop model codes and standards to improve building resilience as well as efficiency.

Within funds for Emerging Technologies, not less than \$18,000,000 is for HVAC & Refrigeration R&D; \$14,000,000 is for Building Envelope; and \$30,000,000 is for building-grid integration R&D consistent with a transactive energy system, including development of advanced transactive control methodologies, field validation and testing in existing buildings, continuation of the Building-to-Grid Integration Demonstration, and coordination with Electricity Delivery transactive energy system activities. Within available funds for transactive controls, \$5,000,000 is to continue promoting regional demonstrations of new, utility-led, residential Connected Communities advancing smart grid systems. The agreement also provides \$20,000,000, within available funds, for research, development, and market transformation programs on energy efficiency efforts related to the direct use of natural gas in residential applications, including gas heat pump heating and water heating, on-site combined heat and power, and natural gas appliance venting. In addition, the conferees include \$5,000,000 for novel earlier-stage research, development, and demonstration of technologies to advance energy efficient, high-rise Cross-Laminated Timber building systems. The Department is directed to support university research, in partnership with the national laboratories, for developing, building, and evaluating Cross-Laminated Timber wall systems for embodied energy content, operating energy efficiency, wall moisture profiles, structural connector durability, and health monitoring sensors. The agreement provides \$2,500,000 for the Solar Decathlon.

Weatherization and Intergovernmental Programs.—The Department is directed to make \$500,000 available to current Weatherization Assistance Program grant recipients via the Weatherization Innovation Pilot Program to develop and implement strategies to treat harmful substances, including vermiculite. The Department is directed to provide a briefing to the Committees on Appropriations of both Houses of Congress on the kinds of information that is collected from grantees and the potential for collecting additional information that discusses the kinds of structural deficiencies that make homes ineligible for the program. The Department is also directed to begin tracking the occurrence of window replacements, which supports the reduction of lead-based paint hazards in homes.

Strategic Programs.—Within available funds, \$2,500,000 is for the Energy Transition Initiative to support ongoing initiatives to address high energy costs, reliability, and inadequate infrastructure challenges faced by island and remote communities. The Department is directed to support initiatives for building cost-effective, resilient energy in-

frastructure on island and remote communities, including in Alaska, the Caribbean, Hawaii, New England, and elsewhere.

CYBERSECURITY, ENERGY SECURITY, AND EMERGENCY RESPONSE

The conferees provide \$120,000,000 for Cybersecurity, Energy Security, and Emergency Response.

Within available funds, \$10,000,000 is for research and development on concepts to simplify and isolate automated systems and remove vulnerabilities that could allow unauthorized access to the grid through digital software systems and \$10,000,000 is for the DarkNet project to explore opportunities for getting the nation's critical infrastructure off the Internet and shielding the nation's electricity infrastructure from disruptive cyber penetration.

ELECTRICITY DELIVERY

The conferees provide \$156,000,000 for Electricity Delivery.

Within Resilient Distribution Systems, the agreement provides \$7,000,000 for university-based research and development of sensing, intelligent machines in the Internet of Things and their integration in the utility grid and \$5,000,000 to develop high fidelity sensors and use data analytics to improve operations in steady-state and under extreme conditions, and to continue early-stage research to develop low-cost, printable sensors that can predict the health of critical equipment in the electric delivery system.

Within Energy Storage, the Department is directed to continue to support development of an operational energy storage test facility capable of performance-driven data in a utility environment. The Department's storage research, development, and deployment efforts shall support nationwide efforts to improve grid resiliency, reliability, and security, empower consumers, and increase integration of a broad range of generation sources.

Within Transformer Resilience and Advanced Components, the Department is directed to continue to support research and development for advanced components and grid materials for low-cost, power flow control devices, including both solid state and hybrid concepts that use power electronics to control electromagnetic devices and enable improved controllability, flexibility, and resiliency.

The Department is directed to provide to the Committees on Appropriations of both Houses of Congress not later than 90 days after the enactment of this Act a report describing the activities and costs necessary to achieve a North American grid model. Within available funds, the Department may build upon existing tools and modeling work done at the Department to explore a shared modeling platform across the national laboratories. The Department is directed to provide to the Committees on Appropriations of both Houses of Congress not later than 180 days after the enactment of this Act a report on the potential of dynamic line rating systems to address transmission congestion management and improve grid reliability and resiliency.

NUCLEAR ENERGY

The conferees provide \$1,326,090,000 for Nuclear Energy.

Nuclear Energy Enabling Technologies.—Within available funds for Crosscutting Technology Development, \$10,000,000 is for work on advanced sensors and instrumentation and \$10,000,000 is for hybrid energy systems. The agreement provides \$44,000,000 for the Nuclear Science User Facilities, of which \$8,000,000 is for nuclear energy computation system and support; \$31,000,000 for Nuclear

Energy Advanced Modeling and Simulation, of which \$3,000,000 is for MW-scale reactor modeling and simulation; and \$27,585,000 for the Energy Innovation Hub for Modeling and Simulation.

Reactor Concepts Research and Development.—Within available funds, \$100,000,000 is for Advanced Small Modular Reactor Research and Development to support technical, first-of-its-kind engineering and design and regulatory development of next generation light water and non-light water small modular reactors, including \$10,000,000 for seismic analysis; \$111,500,000 is for Advanced Reactor Technologies, of which \$34,000,000 is for fuel and graphite qualification; \$22,000,000 is to complete the federal share of the two performance-based advanced reactor concepts; and \$20,000,000 is for MW-scale reactor research and development. Within available funds, the agreement provides \$30,000,000 for the Transformational Challenge Reactor to apply existing program capabilities to shape a new approach to reactor design, manufacturing, licensing, and operation. Not later than 90 days after the enactment of this Act, the Department shall provide to the Committees on Appropriations of both Houses of Congress a report that describes the cost and schedule profile for achieving demonstration, key technical challenges, and planned coordination with industry and the national laboratories. The agreement provides \$65,000,000 for research and development to support efforts to develop a versatile fast test reactor. The conferees include \$47,000,000 for the Light Water Reactor Sustainability program. Funding above the budget request is provided for this activity as a priority.

Fuel Cycle Research and Development.—The agreement provides \$125,000,000 for the Advanced Fuels program and \$38,000,000 for Material Recovery and Waste Form Development, of which \$7,000,000 is for joint fuel cycle studies and up to \$20,000,000 is for highly enriched uranium recovery preparation and testing to support needs for high assay low enriched uranium. The Department is directed to provide to the Committees on Appropriations of both Houses of Congress not later than 180 days after the enactment of this Act a report describing a plan and cost profile for developing high assay low enriched uranium.

The agreement provides \$63,915,000 for Used Nuclear Fuel Disposition R&D. In lieu of Senate report direction, the agreement includes \$22,500,000 for Integrated Waste Management System activities and no further direction.

Radiological Facilities Management.—The agreement includes \$20,000,000 for continued safe operation and maintenance of Oak Ridge National Laboratory hot cells.

Idaho Facilities Management.—The agreement provides \$288,000,000 for INL Operations and Infrastructure to support the MFC and ATR Five Year Plan to increase reliability and sustainability.

Idaho Sitewide Safeguards and Security.—Within available funds, the agreement includes \$10,000,000 to construct a protective forces building at the ATR complex that will meet the needs for expanded protective force and security operations under the Department's new Design Basis Threat but that will not exceed a total project cost of \$10,000,000.

FOSSIL ENERGY RESEARCH AND DEVELOPMENT

The conferees provide \$740,000,000 for Fossil Energy Research and Development.

The agreement does not support the closure of any National Energy Technology Laboratory (NETL) sites and provides no funds to plan, develop, implement, or pursue the consolidation or closure of any of the

NETL sites. The agreement includes funding for the Department's National Carbon Capture Center consistent with the cooperative agreement and fiscal year 2018.

Coal Carbon Capture and Storage (CCS) and Power Systems.—The Department is directed to use funds from Coal CCS and Power Systems for both coal and natural gas research and development as it determines to be merited, as long as such research does not occur at the expense of coal research and development. The agreement includes \$25,000,000 to continue to support the solicitation for two large-scale pilots that focus on transformational coal technologies that represent a new way to convert energy to enable a step change in performance, efficiency, and the cost of electricity compared to today's technologies. Such technologies include thermodynamic improvements in energy conversion and heat transfer, such as pressurized oxygen combustion and chemical looping, and improvements in carbon capture systems technology. In making the awards for large-scale pilots, the Department should prioritize entities that have previously received funding for these technologies at the lab and bench scale. The agreement provides \$2,000,000 for Hybrid Carbon Conversion activities. Within available funds, the agreement provides not less than \$30,000,000 for a new solicitation for Front-End Engineering and Design (FEED) studies of two commercial-scale carbon capture power projects for retrofit at an existing coal plant and for a coal or natural gas plant that generates carbon dioxide suitable for utilization or storage. A FEED study shall incorporate work from feasibility studies and testing to provide specific project definition, detailed design, scopes of work, material purchasing and construction schedules, cost for project execution, and subsurface, structural, and environmental permitting requirements.

The Department is directed to continue to carry out external activities for advanced coal processing research and development, including advancing early-stage research for converting coal pitch and coal to carbon fiber and other value-added products for alternative uses of coal.

Within Carbon Storage, the agreement provides \$12,000,000 for Carbon Use and Reuse to continue research and development activities to support valuable and innovative uses for carbon and \$55,000,000 for Storage Infrastructure. The Department is directed to fulfill prior commitments to the Regional Carbon Sequestration Partnerships (RCSPs). In lieu of Senate report direction, the agreement provides not less than \$20,000,000 for a competitive solicitation to fulfill the goals of the RCSPs and not less than \$30,000,000 to continue the four-phase CarbonSAFE initiative. The Department is directed to work collaboratively with the RCSPs and other stakeholders to develop a storage roadmap through 2025 to identify the knowledge gaps and technology and policy developments that are needed to close those gaps.

Within Advanced Energy Systems, the agreement provides \$30,000,000 for Solid Oxide Fuel Cells. Within available funds for Advanced Energy Systems, the agreement provides \$37,000,000 for transformative power generation to improve the efficiency, reliability, and flexible operations of both new and existing plants. The Department is directed to focus on advanced coal technologies that are applicable to retrofit technologies and modular coal technologies that are capable of distributed generation, represent maximum efficiency improvements over the current average fleet, incorporate advanced emissions control systems, and are economically competitive.

Within Cross Cutting Research, the agreement provides \$20,000,000 for the Advanced Ultrasupercritical Program.

Within NETL Coal Research and Development, the agreement provides \$18,000,000 for the Department to continue its external agency activities to develop and test advanced separation technologies and accelerate the advancement of commercially viable technologies for the recovery of rare earth elements and minerals from U.S. coal and coal byproduct sources. The Department is expected to support pilot-scale and experimental activities for near-term applications.

Within Supercritical Transformational Electric Power (STEP) Generation, the agreement provides \$16,700,000 to complete the necessary design and construction of the 10-MW pilot facility, and conduct the necessary testing, including long-duration testing for the facility. The agreement also includes an additional \$5,730,000 for competitively-awarded research and development activities, coordinated with EERE and NE, to advance the use of supercritical power cycles.

Natural Gas Technologies.—The agreement provides \$5,200,000 to continue the Risk Based Data Management System (RBDMS) to support a cloud-based application and necessary cybersecurity initiatives. Funding shall support the continued integration of FracFocus and RBDMS for improved public access to State oil and gas related data, as well as for State regulatory agencies to support electronic permitting for operators, eForms for improved processing time for new permits, operator training from the improved FracFocus 3.2 after enhancements are implemented, and miscellaneous reports such as "Produced Water Report: Current and Future Beneficial Uses Report".

The agreement provides \$20,000,000 for Methane Hydrate Activities, \$10,000,000 for Environmentally Prudent Development, \$10,000,000 for Emissions Mitigation from Midstream Infrastructure, and \$5,000,000 for Emissions Quantification from Natural Gas Infrastructure.

Within available funds, the Department shall deliver to the Committees on Appropriations of both Houses of Congress a study on the potential for natural gas demand response across energy sectors and geographic regions no later than 18 months after the date of enactment of this Act. This study shall include a description and quantification of potential natural gas and energy savings and load shifting; the costs and benefits associated with those savings, including avoided energy costs, reduced market price volatility, improved electric and gas system reliability, deferred or avoided pipeline or utility capital investment, and air emissions reductions; an identification of geographic areas that would benefit most from implementing demand response measures for natural gas infrastructure; and a description of existing and emerging technologies that can be used for demand response in the natural gas sector, as well as best practices for developing a strategy for deployment of those technologies in the natural gas sector.

Unconventional Technologies.—Within available funds, the agreement provides \$13,500,000 for research to better understand reservoirs and to improve low recovery factors from unconventional natural gas and oil wells and \$13,500,000 for continued research toward enhanced recovery technologies in shale oil, low permeability reservoirs, residual oil zone reservoirs, fractured reservoirs, and conventional oil reservoirs. The Department shall solicit, award and manage these research projects on a nationwide basis directly with researchers from universities and not-for-profit research organizations. The projects may include research projects to improve environmental mitigation, water quality and treatment, infrastructure technology, as well as the societal impacts of unconven-

tional shale plays. These awards shall identify ways to improve existing technologies, encourage prudent development, provide cost-effective solutions, and develop a better understanding of these reservoirs' resource potential. The agreement includes not less than \$15,000,000 for the Unconventional Field Test Sites. When issuing funding for research into the exploration for and development of emerging unconventional oil and gas reservoirs, the Department shall direct future allocations to projects in locations geologically representative of the unconventional reservoir of interest. The agreement provides not less than \$2,500,000 for further research on multipronged approaches for characterizing the constituents of and managing the cleaning of water produced during the extraction of oil and natural gas. Within available funds, the Department is directed to partner with research universities engaged in the study of characterizing, cleaning, treating, and managing produced water and who are willing to engage through public-private partnerships with the energy industry to develop and assess commercially viable technology to achieve the same.

The Department is directed to identify the federal agencies with jurisdictional oversight of establishing an ethane storage and distribution hub in central Appalachia and to coordinate with the liaisons of those agencies to streamline the permitting application and approval process. The Department is directed to brief the Committees on Appropriations of both Houses of Congress on its findings and recommendations once complete.

The Department is directed to continue its research partnership with the Department of Transportation on the crude oil characterization study to improve the safety of crude oil transported by rail. The agreement provides \$1,500,000 to continue this study.

NAVAL PETROLEUM AND OIL SHALE RESERVES

The agreement provides \$10,000,000 for the operation of the Naval Petroleum and Oil Shale Reserves.

STRATEGIC PETROLEUM RESERVE

The agreement provides \$235,000,000 for the Strategic Petroleum Reserve. Funding above the budget request is to address facilities development and operations, including physical security and cavern integrity, and to maintain 1,000,000 barrels of gasoline blendstock in the Northeast Gasoline Supply Reserve. The agreement includes legislative language regarding a drawdown and sale of oil and use of proceeds in fiscal year 2019.

SPR PETROLEUM ACCOUNT

The agreement provides \$10,000,000 for the SPR Petroleum Account to pay for the costs of certain statutorily-mandated crude oil sales.

NORTHEAST HOME HEATING OIL RESERVE

The agreement provides \$10,000,000 for the Northeast Home Heating Oil Reserve.

ENERGY INFORMATION ADMINISTRATION

The conferees provide \$125,000,000 for the Energy Information Administration.

NON-DEFENSE ENVIRONMENTAL CLEANUP

The conferees provide \$310,000,000 for Non-Defense Environmental Cleanup.

Small Sites.—Within amounts for Small Sites cleanup, \$35,000,000 shall be for Lawrence Berkeley National Laboratory, \$10,000,000 shall be for Oak Ridge activities, \$45,000,000 shall be for Moab, \$20,456,000 shall be for Brookhaven National Laboratory to continue removal of the High Flux Beam Reactor stack, and no further direction. If any of the funding for Brookhaven is in excess of needs such sums shall be applied to other Small Site cleanup activities.

URANIUM ENRICHMENT DECONTAMINATION AND DECOMMISSIONING FUND

The conferees provide \$841,129,000 for activities funded from the Uranium Enrichment Decontamination and Decommissioning Fund.

Portsmouth.—The conferees includes \$60,000,000 above the budget request for Portsmouth cleanup, which is equivalent to the amount of proceeds that the Department planned to generate through bartering arrangements in order to fund additional cleanup in fiscal year 2019. The Department shall not barter, transfer, or sell uranium in order to generate additional funding for Portsmouth cleanup that is in excess of the amount of funding provided in this Act.

SCIENCE

The conferees provide \$6,585,000,000 for the Office of Science.

The agreement provides \$4,000,000, to be funded from across all Office of Science programs, to support the Distinguished Scientist Program, as authorized in section 5011 of Public Law 110-69. The Department is directed to provide to the Committees on Appropriations of both Houses of Congress not later than 90 days after the enactment of this Act a plan that responds to the recommendations of the National Academies study “Opportunities in Intense Ultrafast Lasers, Towards the Brightest Light”.

Advanced Scientific Computing Research.—Within available funds, the agreement provides \$140,000,000 for the Argonne Leadership Computing Facility, \$200,000,000 for the Oak Ridge Leadership Computing Facility, \$105,000,000 for the National Energy Research Scientific Computing Center at Lawrence Berkeley National Laboratory, \$10,000,000 for the Computational Sciences Graduate Fellowship program, and \$85,000,000 for ESnet. The agreement provides \$75,667,000 for Computational Partnerships (SciDAC). Within funds for SciDAC, up to \$13,000,000 is to support work on artificial intelligence and big data focused on the development of algorithms and methods to identify new ways of extracting information from data generated at the Office of Science's large user facilities or validating use of machine learning in the Office of Science's program's scientific simulations. This is the only funding recommended within the Office of Science that shall be available for this work. Further, none of the funding is available for clinical trials or therapeutics. The Department is directed to provide to the Committees on Appropriations of both Houses of Congress not later than 90 days after the enactment of this Act a briefing on its plan for implementing this artificial intelligence and big data initiative.

Basic Energy Sciences (BES).—The agreement provides not less than \$135,000,000 for the Nanoscale Science Research Centers. The agreement includes not less than \$505,000,000 for facilities operations at the five BES light sources to adequately invest in the recapitalization of key instruments and infrastructure, and in staff and other resources necessary to deliver critical scientific capabilities to users, and no further direction. The Department is directed to submit as part of its fiscal year 2020 budget submission a plan for the buildout of additional beamlines to fully leverage the capabilities of the NSLS-II. The Department is directed to resume annual or at minimum, biennial, Implementation Grant solicitations for EPSCoR. In addition, the Department is directed to submit to the Committees on Appropriations of both Houses of Congress not later than 90 days after the enactment of this Act a report that provides a plan for future EPSCoR solicitations. The agreement provides \$282,000,000 for the high-flux neutron sources which will

allow for both Spallation Neutron Source and High Flux Isotope Reactor to proceed with the most critical deferred repairs, replace outdated instruments, and make essential machine improvements. The agreement provides not less than \$19,100,000 for Other Project Costs, of which \$6,000,000 is for the High Energy Upgrade at LCLS-II, \$6,100,000 is for LCLS-II, \$2,000,000 is for the Advanced Light Source Upgrade, and \$5,000,000 is for the Second Target Station. The Department is directed to proceed with the upgrade of existing user facilities and major construction projects for new user facilities in a manner consistent with the June 2016 BESAC recommendations and subsequent Departmental reviews and findings related to these projects. Further, the Department is directed to follow the Department of Energy Order 413.3B project management reporting requirements for these projects and provide project data sheets for those projects in the budget submission. Within available funds, the agreement provides \$26,000,000 for exascale systems. The Department is directed to continue its partnership with qualified institutions of higher education in support of energy research activities related to enhanced efficiency in energy conversion and utilization, including emergent polymer optoelectronic technologies.

Biological and Environmental Research (BER).—The following is the only direction provided for BER. The Department is directed to give priority to optimizing the operation of BER user facilities. In addition, the Department is directed to maintain Genomic Science as a top priority. Within available funds, the agreement provides \$100,000,000 for the four Bioenergy Research Centers, \$90,000,000 for Foundational Genomics Research, \$34,908,000 for Biomolecular Characterization and Imaging Science, and \$70,000,000 for the Joint Genome Institute. Within available funds, \$10,000,000 is to begin the establishment of a national microbiome database.

Within available funds, not less than \$40,000,000 is for Terrestrial Ecosystem Science, of which not less than \$10,000,000 is for NGEE-Arctic, \$5,800,000 is for NGEE-Tropics, \$8,300,000 is for the SPRUCE field site, \$6,800,000 is for the Watershed Function Science Focus Area, and \$5,700,000 is for Ameriflux Long-Term Earth Systems Observations. Within available funds, not less than \$22,143,000 is for Subsurface Biogeochemical Research, including not less than \$3,000,000 to support ongoing research and discovery related to mercury biogeochemical transformations in the environment. Within available funds, the agreement provides \$97,000,000 for Earth and Environmental Systems Modeling. The Department is directed to expend funds for earth system modeling, and regional and global analysis. Further, the Department is directed to make land-energy interactions, land biogeochemistry, uncertainty quantification, and model evaluation a priority within the regional and global modeling activities and continue to support performance optimization of coupled systems for execution on high performance and exascale systems. The agreement provides \$15,000,000 for exascale computing. The agreement provides \$45,000,000 for the Environmental Molecular Sciences Laboratory, \$68,000,000 for the Atmospheric Radiation Measurement (ARM) User Facility, and \$17,500,000 to replace the ARM mobile unit.

Fusion Energy Sciences (FES).—The following is the only direction for FES. The agreement provides \$286,704,000 for burning plasma science foundations, \$61,246,000 for burning plasma science long pulse, and \$84,050,000 for discovery plasma science. Within available funds, the agreement provides \$18,000,000 for High Energy Density

Laboratory Plasmas and \$25,000,000 for Scientific Discovery through Advanced Computing. Within available funds, the agreement includes \$5,000,000 to provide upgrades to the Safety and Tritium Applied Research Facility and not less than \$7,000,000 for the Materials Plasma Exposure Experiment. The agreement provides \$132,000,000 for the U.S. contribution to the ITER project and no further direction. The Fusion Energy Sciences Advisory Committee is directed to work with the Office of Nuclear Energy to review establishing a reactor concepts research, development, and deployment activity. The Department is directed to provide to the Committees on Appropriations of both Houses of Congress not later than 180 days after the enactment of this Act a briefing on a recommendation, which if supported, will include a technical plan, program and eligibility requirements, and funding profile for future fiscal years.

High Energy Physics.—Within available funds, the agreement provides \$15,000,000 for PIP-II; \$6,250,000 for ongoing efforts for commissioning and initial operation of the camera for the Large Synoptic Survey Telescope Camera; \$10,000,000 to continue the upgrade of FACET II; \$105,000,000 for the HL-LHC Upgrade Projects; and \$22,450,000 to complete the dark energy and dark matter experiments, of which \$5,450,000 is for DESI and \$14,450,000 is for LUX ZEPLIN.

Nuclear Physics.—Within available funds, the agreement provides \$11,500,000 for the Stable Isotope Production Facility, \$6,600,000 for the Gamma-Ray Energy Tracking Array, and \$5,660,000 for the Super Pioneering High Energy Nuclear Interaction Experiment. The Department is directed to give priority to optimizing the operations for the Relativistic Heavy Ion Collider, the Continuous Electron Beam Accelerator Facility, the Argonne Tandem Linac Accelerator System, and the Brookhaven Linac Isotope Producer Facility.

Workforce Development.—Within available funds, the agreement provides \$10,300,000 for the Science Undergraduate Laboratory Internship and \$3,500,000 for the Graduate Student Research Program.

Science Laboratories Infrastructure.—The Office of Science is directed to work with the Office of Nuclear Energy to demonstrate a commitment to operations and maintenance of nuclear facilities at Oak Ridge National Laboratory that support multiple critical missions.

ADVANCED RESEARCH PROJECTS AGENCY—ENERGY

The conferees provide \$366,000,000 for the Advanced Research Projects Agency—Energy.

The Department is directed to continue to spend funds provided on research and development and program direction. The Department shall not use any appropriated funds to plan or execute the termination of ARPA-E. In addition, the Department is directed to disburse funds appropriated for ARPA-E on eligible projects within a reasonable time period, consistent with past practices.

TITLE 17 INNOVATIVE TECHNOLOGY LOAN GUARANTEE PROGRAM

The conferees provide \$33,000,000 for administrative expenses for the Title 17 Innovative Technology Loan Guarantee Program. This amount is offset by estimated revenues of \$15,000,000, resulting in a net appropriation of \$18,000,000. The Department shall not use funds to plan, develop, implement, or pursue the elimination of the Title 17 Innovative Technology Loan Guarantee Program.

ADVANCED TECHNOLOGY VEHICLES MANUFACTURING LOAN PROGRAM

The conferees provide \$5,000,000 for the Advanced Technology Vehicles Manufacturing Loan Program.

TRIBAL ENERGY LOAN GUARANTEE PROGRAM

The conferees provide \$1,000,000 for the Tribal Energy Loan Guarantee Program.

OFFICE OF INDIAN ENERGY POLICY AND PROGRAMS

The conferees provide \$18,000,000 for the Office of Indian Energy Policy and Programs.

DEPARTMENTAL ADMINISTRATION

The agreement provides \$165,858,000 for Departmental Administration.

Control Points.—In lieu of House and Senate direction on control points, the agreement includes six reprogramming control points in this account to provide flexibility in the management of support functions. The Other Departmental Administration activity includes Management, Project Management Oversight and Assessments, Chief Human Capital Officer, Office of Technology Transitions, Office of Small and Disadvantaged Business Utilization, General Counsel, Office of Policy, International Affairs, and Public Affairs. The Department is directed to continue to submit a budget request that proposes a separate funding level for each of these activities. The agreement does not adopt the proposal to transfer staff from the applied energy offices to International Affairs. Within International Affairs, the agreement includes \$2,000,000 for the Israel Binational Industrial Research and Development (BIRD) Foundation and \$4,000,000 for the U.S.-Israel Center of Excellence in Energy, Engineering and Water Technology, which were previously funded in the Energy Efficiency and Renewable Energy account.

Chief Information Officer.—To enhance the accountability for management of cyber resources, the agreement consolidates cybersecurity funding under the Office of the Chief Information Officer. The recommendation includes \$131,624,000, including \$96,793,000 as requested within Departmental Administration and \$34,831,000 as requested for CyberOne activities within the DOE working capital fund. Within this amount, not less than \$71,501,000 shall be for cybersecurity and secure information.

Nuclear Power Plant Closings.—Prior to the opening of a permanent repository or monitored retrievable storage for spent nuclear fuel, power plant sites serve as de facto storage facilities for this nuclear waste. When a plant closes, onsite storage of spent nuclear fuel can be a factor affecting redevelopment of the location. The Department is directed to submit to the Committees on Appropriations of both Houses of Congress not later than 180 days after the enactment of this Act a study on existing public and private resources and funding for which municipalities where a nuclear power plant is decommissioned, in the process of decommissioning, or plans to shut down within 3 years of enactment of this Act and contains nuclear waste within its boundaries may be eligible.

Radium Contamination.—The Department shall review the details of any facility of the Nevada System of Higher Education, as defined by the State of Nevada, that is contaminated with radium to determine whether the Department has a legal liability or authorization for remediation of such facility.

Energy Technology Commercialization Fund.—In making awards from the Energy Technology Commercialization Fund established under section 1001(e) of the Energy Policy Act of 2005 (42 U.S.C. 16391(e)), the requirements for matching funds shall be determined by the Secretary of Energy in accordance with section 988 of that Act (42 U.S.C. 16352).

OFFICE OF THE INSPECTOR GENERAL

The agreement provides \$51,330,000 for the Office of the Inspector General.

ATOMIC ENERGY DEFENSE ACTIVITIES

NATIONAL NUCLEAR SECURITY ADMINISTRATION

The conferees provide \$15,228,618,000 for the National Nuclear Security Administration (NNSA). The conferees include funding for the NNSA's institutional plant projects in the agreement and direct the NNSA to expedite reports that account for site indirect overhead and administrative costs as directed by the Congress.

The NNSA Act clearly lays out the functions of the NNSA and gives the Administrator authority over, and responsibility for, those functions. While the NNSA may expend funds to study its organizational structure, no funds shall be used to reorganize or reclassify any of those functions specified in the NNSA Act.

WEAPONS ACTIVITIES

The conferees provide \$11,100,000,000 for Weapons Activities. The agreement directs the use of \$13,080,000 in unexpended prior-year balances to offset fiscal year 2019 needs.

When proposing new or modified nuclear weapons activities, the Department shall ensure adherence to the requirements of 50 U.S.C. 2529, including requesting a single dedicated line item for such activities. The NNSA is directed to comply with the direction in the House report regarding the W76-2 Modification Program.

IW/W78 Life Extension Program.—In lieu of language in the House report on the W78 Life Extension Program (LEP), the NNSA is directed to provide to the Committees on Appropriations of both Houses of Congress, not later than 60 days after the of enactment of this Act and prior to commencement of phase 6.2, a report that provides the rationale for an insensitive-high explosive (IHE)-based system, an updated estimate of the cost and schedule for warhead development and production, and a rough order of magnitude cost and schedule comparison of the differences between the requested IW and a W76 LEP-like refurbishment of the W78. Further, the NNSA shall initiate an independent review by the Office of Cost Estimating and Program Evaluation (CEPE) of the analysis of alternatives process conducted as part of the life extension study of the W78 to assess objectivity, thoroughness, and adherence to the Government Accountability Office recommended best practices, in accordance with current NNSA policy.

Not later than 180 days after the enactment of this Act, the NNSA shall provide to the Committees on Appropriations of both Houses of Congress a report that includes the following: (1) the results of the CEPE review; (2) a cost and schedule estimate to refurbish the W78 warhead in a manner similar to the W76 LEP; (3) a cost estimate for any needed upgrades to Department of Defense facilities to fully satisfy safety requirements for handling conventional high explosives; (4) impacts to the IW/W78 LEP if pit production targets are not met; and (5) the certification strategy for the IW/W78 LEP that addresses issues raised by the JASONs group in its review of certification risks for an IW with IHE and remanufactured pits.

Domestic Uranium Enrichment.—In lieu of House or Senate language, the conferees direct the NNSA to ensure that there is a credible plan to complete adequate research, development, and demonstration prior to making a decision on domestic uranium enrichment for national security purposes and to focus efforts on work that will provide information to support that decision. No funds are provided for downblending highly enriched uranium. Funds at the requested level for downblending are included in the Tritium Sustainment account.

Plutonium Pit Production Project.—The conferees include \$75,000,000 to commence a new

project to meet the NNSA's plutonium pit production targets, of which \$11,000,000 shall be for the subproject to re-categorize the Radiological Laboratory Utility Office Building (RLUOB) to a hazard category-3 facility and \$6,177,000 shall be for the subproject for the second phase of work to reconfigure the PF-4 facility. The NNSA is directed to budget for capital improvements and equipment installations to meet plutonium pit production targets, including the RLUOB re-categorization and the PF-4 phase 2 subprojects, as subprojects within the Plutonium Pit Production Project and to budget for operational expenses to meet plutonium pit production targets within Plutonium Sustainment Operations in future budget requests. Not later than 60 days after the enactment of this Act, the NNSA shall provide to the Committees on Appropriations of both Houses of Congress a report on the current scope, costs, and schedule required to meet its plutonium mission targets and shall submit a project data sheet for the Plutonium Pit Production Project in its fiscal year 2020 budget submission.

Science.—Within amounts for Academic Alliances and Partnerships, \$20,000,000 shall be for the Minority Serving Institution Partnerships Program, within which \$2,000,000 shall be for Tribal Colleges and Universities. The conferees include \$50,000,000 for the Advanced Sources and Detectors Major Item of Equipment (MIE) and supporting research activities. The NNSA is directed to submit a project data sheet for the Advanced Sources and Detectors MIE in its fiscal year 2020 budget request. Funds for high energy density grants are included within the Inertial Confinement Fusion (ICF) and High Yield program.

Inertial Confinement Fusion and High Yield.—Within amounts for ICF, \$344,000,000 shall be for the National Ignition Facility, \$80,000,000 shall be for OMEGA, \$63,100,000 shall be for the Z Facility, and \$7,000,000 shall be for the Naval Research Laboratory. Within available amounts, funds are provided for target research, development, and production. Not later than 60 days after the enactment of this Act, the NNSA shall provide to the Committees on Appropriations of both Houses of Congress a report on the impacts to the ICF program of shifting to a full-cost recovery model for the National Ignition Facility. No further direction is provided.

Advanced Simulation and Computing.—Within amounts for Advanced Simulation and Computing, \$163,000,000 shall be for the exascale initiative, \$20,000,000 shall be for advanced memory technology research, and \$13,000,000 shall be for work on integrating artificial intelligence approaches into mechanistic modeling and prediction.

Advanced Manufacturing Development.—Within amounts provided for Process Technology Development, the agreement includes \$5,000,000 to modernize and upgrade legacy applications at weapons production facilities.

Infrastructure and Operations.—The conferees include funding above the budget request within Maintenance and Repair and Recapitalization to address the significant backlog of deferred maintenance at the NNSA's sites. Within amounts for Recapitalization, \$22,500,000 shall be for recapitalization of the MESA silicon fab facility as requested and \$10,000,000 shall be to advance plans for the Tritium Production Capability Project.

Chemistry and Metallurgy Research (CMR) Building Replacement Project.—The conferees include the subproject funding requested to re-categorize the RLUOB to a hazard category-3 facility and for the second phase of work to reconfigure the PF-4 facility within

the Plutonium Pit Production Project and direct the NNSA to request funds by these subprojects within the Plutonium Pit Production Project in future budget submissions.

DEFENSE NUCLEAR NONPROLIFERATION (INCLUDING RESCISSON OF FUNDS)

The conferees provide \$1,949,000,000 for Defense Nuclear Nonproliferation. The agreement rescinds \$19,000,000 from unexpended prior-year balances and directs the use of \$25,000,000 in prior-year balances from non-proliferation construction to offset fiscal year 2019 needs. The agreement includes a provision that directs the use of \$25,000,000 for design activities for the dilute and dispose strategy for plutonium disposition and a provision that prohibits the use of funds for construction and procurement activities for the Surplus Plutonium Disposition project.

Global Material Security.—Within amounts for Domestic Radiological Security, the conferees provide \$12,000,000 to improve capabilities to train first responders and other experts in nuclear operations, safeguards, cyber, and emergency response.

Material Management and Minimization.—The NNSA shall discontinue requesting funds in this account for HEU Reactor Conversion in its fiscal year 2020 budget request and is directed to request funds for these activities within Laboratory and Partnership Support and Nonproliferation Fuel Development as provided in the conference agreement. Within amounts for Laboratory and Partnership Support, \$15,000,000 shall be for technical support of global and industry partners that are seeking to minimize the use of highly-enriched uranium in the production of Mo-99 and \$20,000,000 shall be to support the competitively-awarded funding opportunity to expedite the establishment of a stable domestic source of Mo-99 that was directed in the fiscal year 2018 Act.

In lieu of language in the House report, the conferees include funding within Material Disposition for design, planning, and other supporting activities for the dilute and dispose strategy for plutonium disposition.

Nonproliferation and Arms Control.—In lieu of language in the Senate report, the NNSA shall provide to the Committees on Appropriations of both Houses of Congress, not later than 45 days after the enactment of this Act, a briefing on international efforts to monitor global technology supply chains and implement robust export controls to prevent nuclear proliferation.

MOX Fuel Fabrication Facility, SRS.—In lieu of language in the House and Senate reports, the conferees include funds for the project consistent with the amounts and uses authorized by the National Defense Authorization Act for Fiscal Year 2019.

Defense Nuclear Nonproliferation Research and Development (DNN R&D).—Within amounts for Nonproliferation Fuels Development, \$10,000,000 shall be for the national laboratories to develop high-density low-enriched fuels that could replace highly enriched uranium for naval applications.

In lieu of the prohibition on the use of funds to convert the Advanced Test Reactor (ATR) and the High Flux Isotope Research Reactor (HFIR) in the House report, the NNSA shall provide to the Committees on Appropriations of both Houses of Congress not later than 90 days after the enactment of this Act a report on the total estimated costs to convert ATR, HFIR, TREAT, and any other reactor currently planned for conversion through the U.S. High Performance Research Reactor Program. The report shall include a multi-year funding plan and schedule through completion for each separate reactor conversion and the estimates shall in-

clude sufficient contingency to account for any remaining programmatic and technical risks associated with the fuel development activities.

NAVAL REACTORS

(INCLUDING TRANSFER OF FUNDS)

The conferees provide \$1,788,618,000 for Naval Reactors. The agreement includes a provision to transfer \$85,500,000 to Nuclear Energy for operations and maintenance of the Advanced Test Reactor. Within funds for Naval Reactors Research and Development, \$2,000,000 is for planning, preparation, and shipments of nuclear materials to support a pilot project on ZIRCEX.

FEDERAL SALARIES AND EXPENSES

The conferees provide \$410,000,000 for the federal salaries and expenses of the Office of the NNSA Administrator.

ENVIRONMENTAL AND OTHER DEFENSE ACTIVITIES

DEFENSE ENVIRONMENTAL CLEANUP

(INCLUDING RESCISSION OF FUNDS)

The conferees provide \$6,028,600,000 for Defense Environmental Cleanup. The conferees include a rescission of \$4,600,000 in unexpended prior-year balances from the Hexavalent Chromium Pump and Treatment Facility project and direct the use of \$7,577,000 in prior-year balances from the Savannah River Site to offset fiscal year 2019 needs. The Department is directed to submit its fiscal year 2020 budget request consistent with the budget structure for the Waste Treatment Plant in this Act.

In lieu of the direction in the House and Senate reports, no funds are provided within the Richland or Office of River Protection control points for the Test Bed Initiative, consistent with the budget request. Not later than 60 days after the enactment of this Act, the Department shall submit to the Committees on Appropriations of both Houses of Congress a report on the Test Bed Initiative that includes expected costs and implementation schedule, impacts on the 2016 Consent Decree and Tri-Party Agreement, any necessary regulatory or permit changes, any necessary National Environmental Policy Act analysis, any necessary changes on site infrastructure, and plans for storage and disposal of waste generated through this initiative. If the Department requests funds for the Initiative in future budget submissions, such funds shall be requested within the Office of River Protection in a new, separate control point.

Richland.—Within amounts for Richland, the conferees include \$2,000,000 above the budget request for maintenance and repair of B Reactor and additional amounts above the budget request for cleanup of the 324 Building, Plutonium Finishing Plant, and K-West facility; interim stabilization of PUREX Tunnel #2; and site-wide infrastructure. Also within amounts for Richland, no funding shall be available to carry out activities relating to single-shell tank stabilization or tank farm activities outside of site-wide infrastructure activities. Within amounts for Central Plateau Remediation, \$8,500,000 shall be for the Hazardous Materials Management and Emergency Response facilities.

Technology Development and Deployment.—Within the amounts provided for Technology Development and Deployment, not less than \$5,000,000 shall be for work on qualification, testing, and research to advance the state of the art of containment ventilation systems and the Department shall take the necessary steps to implement and competitively award a cooperative university affiliated research center for that purpose; \$5,000,000 shall be for the National Spent Fuel Program at Idaho National Laboratory to address activities

recommended by the Nuclear Waste Technical Review Board as directed in the House report; \$5,000,000 shall be for independent review, analysis, and applied research to support cost-effective, risk-informed cleanup decision-making; and no further direction.

OTHER DEFENSE ACTIVITIES

The conferees provide \$860,292,000 for Other Defense Activities and include the use of \$2,000,000 in unexpended prior-year balances to offset fiscal year 2019 needs. The agreement includes \$12,000,000 above the budget request for targeted investments to defend the U.S. energy sector against the evolving threat of cyber and other attacks in support of the resiliency of the nation's electric grid and energy infrastructure.

The conferees are concerned with the recently issued Order 140.1, Interface with the Defense Nuclear Facilities Safety Board (DNFSB), and the potential impacts on the ability of the DNFSB to carry out its Congressionally-mandated responsibilities. Not later than 30 days after the enactment of this Act, the Department shall provide to the Committees on Appropriations of both Houses of Congress a briefing on how the Order differs from the previous Manual, how the Department plans to incorporate concerns from the DNFSB and the public, and the Department's plans to implement the Order across the organization.

POWER MARKETING ADMINISTRATIONS

No funds are recommended to divest transmission assets of the Power Marketing Administrations (PMA). The conferees remind the Department of the prohibition on studying transfer of PMA assets in Public Law 99-349.

Organizational Reporting.—The Department recently announced a change in organizational structure moving the point of reporting for the PMAs to the Assistant Secretary for Electricity from the Deputy Secretary. The Committee has heard concerns that the realignment may indicate an intention to change the substantive relationship between the Department and each PMA, including actions related to PMA leadership decisions, use of the PMAs and their resources, and ratemaking; the Committee does not support such a change. The PMAs have unique statutory requirements, and the Committee expects the Department to adhere to and not expand upon those requirements.

BONNEVILLE POWER ADMINISTRATION FUND

The agreement provides no appropriation for the Bonneville Power Administration, which derives its funding from revenues deposited into the Bonneville Power Administration Fund.

OPERATION AND MAINTENANCE, SOUTHEASTERN POWER ADMINISTRATION

The agreement provides a net appropriation of \$0 for the Southeastern Power Administration.

OPERATION AND MAINTENANCE, SOUTHWESTERN POWER ADMINISTRATION

The agreement provides a net appropriation of \$10,400,000 for the Southwestern Power Administration. To ensure sufficient authority to meet purchase power and wheeling needs, the agreement includes \$40,000,000 above the level credited as offsetting collections by the Congressional Budget Office. The Department is directed to continue working with the Committees on Appropriations of both Houses of Congress to provide necessary information to address this scoring issue for future fiscal years.

CONSTRUCTION, REHABILITATION, OPERATION AND MAINTENANCE, WESTERN AREA POWER ADMINISTRATION

The agreement provides a net appropriation of \$89,372,000 for the Western Area Power

Administration. To ensure sufficient authority to meet purchase power and wheeling needs, the agreement includes \$45,442,000 above the level credited as offsetting collections by the Congressional Budget Office. The Department is directed to continue working with the Committees on Appropriations of both Houses of Congress to provide necessary information to address this scoring issue for future fiscal years.

FALCON AND AMISTAD OPERATING AND MAINTENANCE FUND

The agreement provides a net appropriation of \$228,000 for the Falcon and Amistad Operating and Maintenance Fund. The agreement includes the use of \$2,500,000 in prior-year balances. The agreement includes legislative language authorizing the acceptance and use of contributed funds in fiscal year 2019 for operating, maintaining, repairing, rehabilitating, replacing, or upgrading the hydroelectric facilities at the Falcon and Amistad Dams.

Concerns persist that additional infrastructure investments are necessary at the Falcon and Amistad dams. Western is directed to coordinate with the International Boundary and Water Commission to determine a plan for addressing any needed improvements and brief the Committees on Appropriations of both Houses of Congress not later than 90 days after the enactment of

this Act on progress towards finalizing a plan.

FEDERAL ENERGY REGULATORY COMMISSION SALARIES AND EXPENSES

The agreement provides \$369,900,000 for the Federal Energy Regulatory Commission (FERC). Revenues for FERC are set to an amount equal to the budget authority, resulting in a net appropriation of \$0.

FERC shall require the licensee of Oroville Dam to request the United States Society on Dams to nominate independent consultants to prepare a level 2 risk analysis, consistent with the Commission's guidelines, for use in conducting the next Part 12 safety review of Oroville Dam, currently scheduled for 2019. FERC shall ensure the independence of the nominated consultants from the licensee.

GENERAL PROVISIONS—DEPARTMENT OF ENERGY

(INCLUDING TRANSFERS OF FUNDS)

The conferees include a modified provision prohibiting the use of funds provided in this title to initiate requests for proposals, other solicitations, or arrangements for new programs or activities that have not yet been approved and funded by the Congress; requires notification or a report for certain funding actions; prohibits funds to be used for certain multi-year “Energy Programs” activities without notification; and prohibits

the obligation or expenditure of funds provided in this title through a reprogramming of funds except in certain circumstances.

The conferees include a provision authorizing intelligence activities of the Department of Energy for purposes of section 504 of the National Security Act of 1947.

The conferees include a provision prohibiting the use of funds in this title for capital construction of high hazard nuclear facilities, unless certain independent oversight is conducted.

The conferees include a provision prohibiting the use of funds in this title to approve critical decision-2 or critical decision-3 for certain construction projects, unless a separate independent cost estimate has been developed for that critical decision.

The conferees include a provision on the Department of Energy's Working Capital Fund.

The conferees include a provision prohibiting funds in the Defense Nuclear Non-proliferation account for certain activities and assistance in the Russian Federation.

The conferees include a provision regarding management of the Strategic Petroleum Reserve.

The conferees include a provision regarding authority to release refined petroleum product from the Strategic Petroleum Reserve.

1/ Totals include alternative financing costs, reimbursable agreement funding, and power purchase and wheeling expenditures. Offsetting collection totals reflect funds collected for annual expenses, including power purchase and wheeling.

TITLE IV—INDEPENDENT AGENCIES

The budget request proposes to eliminate the Delta Regional Authority, Denali Commission, and Northern Border Regional Commission. The budget requests funding to conduct closeout of the agencies in fiscal year 2019. Because Congress strongly opposes the termination of these agencies, the agreement includes funding to continue their activities. The Administration shall continue all activities funded by this Act as well as follow directive language included in this report. No funds shall be used for the planning of or implementation of termination of these agencies.

APPALACHIAN REGIONAL COMMISSION

The conferees provide \$165,000,000 for the Appalachian Regional Commission (ARC).

The agreement includes the following direction in lieu of all direction included in the House and Senate reports.

To diversify and enhance regional business development, \$10,000,000 is provided to continue the program of high-speed broadband deployment in distressed counties within the Central Appalachian region that have been most negatively impacted by the downturn in the coal industry. This funding shall be in addition to the 30 percent directed to distressed counties.

Within available funds, \$73,000,000 is provided for base funds and \$50,000,000 is for the POWER Initiative to support communities, primarily in Appalachia, that have been adversely impacted by the closure of coal-powered generating plants and a declining coal industry by providing resources for economic diversification, job creation, job training, and other employment services.

Within available funds, not less than \$16,000,000 is provided for a program of industrial site and workforce development in Southern and South Central Appalachia, focused primarily on the automotive supplier sector and the aviation sector. Up to \$13,500,000 of that amount is provided for activities in Southern Appalachia. The funds shall be distributed to States that have distressed counties in Southern and South Central Appalachia using the ARC Area Development Formula.

Within available funds, the agreement provides \$16,000,000 for a program of basic infrastructure improvements in distressed counties in Central Appalachia. Funds shall be distributed according to ARC's distressed counties formula and shall be in addition to the regular allocation to distressed counties.

In addition, the ARC is directed to engage in a partnership with a rural consortium that includes academic entities, rural health care providers, and economic development entities in order to develop information and data on overall agricultural and human health issues, how economic distress can be overcome through addressing these issues, and strategies for implementing solutions. The ARC is directed to provide to the Committees on Appropriations of both Houses of Congress not later than one year after the enactment of this Act a report describing activities in support of this effort.

DEFENSE NUCLEAR FACILITIES SAFETY BOARD

SALARIES AND EXPENSES

The conferees provide \$31,000,000 for the Defense Nuclear Facilities Safety Board. The conferees include a provision that prohibits implementation of any reform or reorganization plan, including the plan announced on August 15, 2018, unless that plan is specifically authorized in law.

DELTA REGIONAL AUTHORITY

SALARIES AND EXPENSES

The conferees provide \$25,000,000 for the Delta Regional Authority (DRA).

Within available funds, the agreement provides not less than \$10,000,000 for flood control, basic public infrastructure development, and transportation improvements, which shall be allocated separate from the State formula funding method. The agreement does not include a statutory waiver with regard to DRA's priority of funding. The DRA is further directed to focus on activities relating to basic public infrastructure and transportation infrastructure before allocating funding toward other priority areas.

DENALI COMMISSION

The conferees provide \$15,000,000 for the Denali Commission.

NORTHERN BORDER REGIONAL COMMISSION

The conferees provide \$20,000,000 for the Northern Border Regional Commission.

Within available funds, not less than \$4,000,000 is provided for initiatives that seek to address the decline in forest-based economies throughout the region. The agreement includes legislative language regarding the management of the Northern Border Regional Commission in fiscal year 2019.

SOUTHEAST CRESCENT REGIONAL COMMISSION

The conferees provide \$250,000 for the Southeast Crescent Regional Commission.

NUCLEAR REGULATORY COMMISSION

SALARIES AND EXPENSES

The Commission's mission is to ensure the safety and security of the nation's use of nuclear power and nuclear materials and protect the workers and public who use and benefit from these materials and facilities. The agreement provides \$898,350,000 for Nuclear Regulatory Commission (Commission) salaries and expenses. This amount is offset by estimated revenues of \$770,477,000, resulting in a net appropriation of \$127,873,000. The agreement includes \$10,300,000 for activities related to the development of regulatory infrastructure for advanced nuclear reactor technologies and \$16,080,000 for international activities, which are not subject to the Commission's general fee recovery collection requirements. The agreement directs the use of \$20,000,000 in prior-year unobligated balances.

The agreement includes the following direction in lieu of all direction included in the House and Senate reports:

Nuclear Reactor Safety.—The agreement includes \$469,767,000 for Nuclear Reactor Safety. This control point includes the Commission's Operating Reactors and New Reactors business lines.

Integrated University Program.—The agreement includes \$15,000,000 for the Integrated University Program. Of this amount, \$5,000,000 is to be used for grants to support projects that do not align with programmatic missions but are critical to maintaining the discipline of nuclear science and engineering.

Nuclear Materials and Waste Safety.—The agreement includes \$108,609,000 for Nuclear Materials and Waste Safety. Included within this control point are the Fuel Facilities, Nuclear Material Users, and Spent Fuel Storage and Transportation business lines.

Decommissioning and Low-Level Waste.—The agreement includes \$25,393,000 for Decommissioning and Low-Level Waste.

Corporate Support.—The agreement includes \$299,581,000 for Corporate Support. The agreement provides, within available funds, not more than \$9,500,000 for the salaries, travel, and other support costs for the Office of the Commission. These salaries and expenses shall include only salaries and benefit and travel costs, and are not to include general, administrative, or infrastructure costs. The use and expenditure of these funds shall

be jointly managed through majority vote of the Commission. The Commission shall continue to include a breakout and explanation of the Commission salaries and expenses in its annual budget requests. If the Commission wishes to change the composition of the funds in future years, it must do so in an annual budget request or through a reprogramming.

Budget Execution Plan.—The Commission shall provide a specific budget execution plan to the Committees on Appropriations of both Houses of Congress not later than 30 days after the enactment of this Act. The plan shall include details at the product line level within each of the control points.

Unobligated Balances from Prior Appropriations.—The Commission carries unobligated balances from appropriations received prior to fiscal year 2018. The agreement requires the use of \$20,000,000 of these balances, derived from fee-based activities. The Commission is directed to apply these savings in a manner that continues to ensure the protection of public health and safety and maintains the effectiveness of the current inspection program. Because the Commission has already collected fees corresponding to these activities in prior years, the agreement does not include these funds within the fee base calculation for determining authorized revenues and does not provide authority to collect additional offsetting receipts for their use. Any remaining unobligated balances carried forward from prior years are subject to the reprogramming guidelines in section 402 of the Act, and shall only be used to supplement appropriations consistent with those guidelines.

Rulemaking.—The Commission shall submit to the Committees on Appropriations of both Houses of Congress a list of all rulemaking activities planned, to include their priority, schedule, and actions taken to adhere to the backfit rule, in the annual budget request and the semi-annual report to Congress on licensing and regulatory activities.

Transformation Initiative.—The Transformation Initiative is intended to enhance the Commission's ability to evaluate and regulate new and novel technologies—such as accident tolerant fuels, new materials and new manufacturing approaches, big data, digital instrumentation and controls, and small modular and advanced reactor designs—that will challenge the Commission's current regulatory framework. In future budget requests, the Commission is directed to include concrete proposals developed under the Initiative and to reflect savings achieved from their implementation.

Accident Tolerant Fuels.—Not later than 180 days after the date of enactment of this Act, the Commission shall submit to the Committees on Appropriations of both Houses of Congress a plan describing the Commission's activities with respect to the testing of materials, the development of consensus standards, and the validation of computer codes and how these activities will be integrated with the work of external organizations. The plan shall describe how the Advanced Test Reactor, the Transient Reactor Test Facility, and the Halden Reactor support these efforts.

Digital Instrumentation and Control.—Not later than 90 days after the date of enactment of this Act, the Commission shall submit to the Committees on Appropriations of both Houses of Congress a report describing approaches to permitting the use of digital instrumentation and control in safety applications outside of the nuclear industry. The report shall discuss whether the permitting approaches used in non-nuclear applications would be acceptable in nuclear applications, and if not, explain why not.

Reporting Requirements.—The agreement directs the Commission to continue to provide

to the Committees on Appropriations of both Houses of Congress a quarterly report on licensing goals and right-sizing commitments, as described in the explanatory statement for Public Law 114–113.

(dollars in thousands)

	Conference
Nuclear Reactor Safety	469,767
Integrated University Program	15,000
Nuclear Materials And Waste Safety	108,609

Total, Nuclear Regulatory Commission	898,350

OFFICE OF INSPECTOR GENERAL

The agreement includes \$12,609,000 for the Office of Inspector General in the Nuclear Regulatory Commission. This amount is graphic by revenues of \$10,355,000, for a net appropriation of \$2,254,000.

The agreement includes \$1,103,000 to provide inspector general services for the Defense Nuclear Facilities Safety Board.

NUCLEAR WASTE TECHNICAL REVIEW BOARD SALARIES AND EXPENSES

The conferees provide \$3,600,000 for the Nuclear Waste Technical Review Board.

GENERAL PROVISIONS—INDEPENDENT AGENCIES

The conferees include a provision instructing the Nuclear Regulatory Commission on responding to congressional requests for information.

The conferees include a provision relating to reprogramming.

TITLE V—GENERAL PROVISIONS

(INCLUDING TRANSFER OF FUNDS)

The conferees include a provision relating to lobbying restrictions.

The conferees include a provision relating to transfer authority. No additional transfer authority is implied or conveyed by this provision. For the purposes of this provision, the term “transfer” shall mean the shifting of all or part of the budget authority in one account to another. In addition to transfers

provided in this Act or other appropriations Acts, and existing authorities, such as the Economy Act (31 U.S.C. 1535), by which one part of the United States Government may provide goods or services to another part, the Act allows transfers using Section 4705 of the Atomic Energy Defense Act (50 U.S.C. 2745) and 15 U.S.C. 638 regarding SBIR/STTR.

The conferees include a provision prohibiting funds to be used in contravention of the executive order entitled “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations.”

The conferees include a provision prohibiting the use of funds to establish or maintain a computer network unless such network blocks the viewing, downloading, and exchanging of pornography, except for law enforcement investigation, prosecution, or adjudication activities.

The conferees include a provision providing for an additional amount for the Bureau of Reclamation.

**DIVISION B—LEGISLATIVE BRANCH
APPROPRIATIONS ACT, 2019**

The following is an explanation of the effects of Division B, which makes appropriations for the Legislative Branch for fiscal year 2019. Unless otherwise noted, reference to the House and Senate reports are to House Report 115-696 and Senate Report 115-274. The language included in these reports should be complied with and carry the same emphasis as the language included in the explanatory statement, unless specifically addressed to the contrary in this explanatory statement. While repeating some report language for emphasis, this explanatory statement does not intend to negate the language referred to above unless expressly provided herein.

Reprogramming Guidelines: It is expected that all agencies notify the Committees on Appropriations of the House and the Senate of any significant departures from budget plans presented to the Committees in any agency's budget justifications. In particular, agencies funded through this bill are required to notify the Committees prior to each reprogramming of funds in excess of the lesser of 10 percent or \$750,000 between programs, projects or activities, or in excess of \$750,000 between object classifications (except for shifts within the pay categories, object class 11, 12, and 13 or as further specified in each agency's respective section). This includes cumulative reprogrammings that together total at least \$750,000 from or to a particular program, activity, or object classification as well as reprogramming full time equivalents (FTE) or funds to create new organizational entities within the agency or to restructure entities which already exist. The Committees desire to be notified of reprogramming actions which involve less than the above-mentioned amounts if such actions would have the effect of changing an agency's funding requirements in future years or if programs or projects specifically cited in the Committees' reports are affected.

Inspector General Budgets: The conferees believe it is important to ensure independence between Legislative Branch Inspectors General (IG) and their respective reporting agencies and expect to see a separate section in each agency's fiscal year 2020 budget justification reflecting a detailed budget request for the agency's IG Office. Additionally, the conferees direct each IG to keep the Committees fully apprised of its funding needs, and the conferees direct each agency not to interfere with or require approval for such communications.

**TITLE I
SENATE**

The agreement includes \$934,666,642 for Senate operations. This item relates solely to the Senate, and is in accordance with long practice under which each body determines its own housekeeping requirements and the other concurs without intervention.

Senate Employees' Child Care Center (SECCC): In lieu of language included in Senate Report 115-274, the agreement directs the Government Accountability Office (GAO) to review the current operations of the SECCC. GAO must receive input from related constituencies including SECCC Board Members and the Executive Director. GAO shall conduct a study and provide its findings to the Committee on Appropriations and the Committee on Rules and Administration no later than 180 days after enactment of this act. The study shall: examine the current statutory impediments to and feasibility of incorporating the SECCC into either the office of the Sergeant at Arms or the office of the Secretary of the Senate; the current costs to operate the facility, including capital, oper-

ating, salaries, benefits and other expenses and how those might convey to one of the Senate entities named; investigate the creation and operation of a revolving fund by which tuition and other payments may be received; detail the best method of dissolving the 501(c)(3) that currently runs the SECCC; and recommend a personnel process to govern hires, transfers, promotions, and approvals for training. The study should also include an accounting of the SECCC's requirements to maintain certification and licensing as a certified and/or accredited child care and child development facility in the District of Columbia. That accounting should also include any requirements for insurance or other liability protections for the staff or the facility. The study should disclose all costs associated with the operation of the center that are currently incurred by the SECCC, the Architect of the Capitol, the Senate Sergeant at Arms, and the Secretary of the Senate. When developing its findings, the Committee strongly encourages GAO to consider the structure and capacity of child care facilities that serve employees of other Legislative Branch agencies, the House of Representatives, and Executive Branch agencies. The conferees further direct the Comptroller General to brief the Committee on Rules and Administration not later than 90 days after enactment on preliminary findings of the Comptroller General's evaluation, with the report to follow at a date to be determined at the time of the briefing.

In lieu of language included in Senate Report 115-274, the agreement includes the following:

Senate Staff Compensation Review: Ensuring Senate staff compensation is competitive and fair is critical to attracting and retaining highly-qualified staff. The Secretary of the Senate is directed to conduct a review, or contract with an independent external entity to conduct a review, of the salaries and benefits of staff employed by Senators' offices and Senate Committees to evaluate the extent to which Senate staff receive similar pay for similar work, both internally and externally to the Senate. The review must consider job responsibilities, experience, and outside qualifications, including education, for such comparisons. Providing such compensation data is strictly voluntary for any Senator's office or Senate Committee, and any such office may direct that its data be excluded from any data provided for the review. The review should note how many offices, in the aggregate, chose not to participate. The Secretary, or contracting entity, must also take all reasonable and necessary steps to ensure that the data gathered is securely protected and kept confidential. The Committee directs that such a review be started, or contracted out, within 12 months of enactment and that a report summarizing such review be submitted, within 18 months of enactment, to the Committee on Appropriations and upon request to any Senator. Such report must provide summaries of such comparisons and exclude any information that could be used to identify any individual, any Senators' office, any Committee, or any other entity of the Senate, similar to reports published in 2001 and 2006.

Senate Intern Compensation: The agreement reiterates directives included in Senate Report 115-274 related to Senate Intern Compensation and notes that \$5,000,000 is provided for such purpose.

Death Gratuity: Consistent with tradition, the agreement provides \$174,000 to the widow of Senator John Sidney McCain III.

Administrative Provisions

The agreement provides for unspent amounts remaining in Senators' Official Personnel and Office Expense Account to be

used for deficit or debt reduction; amends the Federal Election Campaign Act relating to electronic filings; and extends the authority as provided for in section 21(d) of Senate Resolution 64 of the 113th Congress, as amended by section 178 of Public Law 114-223.

HOUSE OF REPRESENTATIVES

The agreement includes \$1,232,663,035 for House operations. This item relates solely to the House, and is in accordance with long practice under which each body determines its own housekeeping requirements and the other concurs without intervention.

Chief Administrative Office

House Campus Food Service: The conferees commend the Chief Administrative Officer (CAO) for the addition of several branded options to the House campus and encourage the CAO to continue exploring opportunities to add more.

Members Dining Room (MDR): Dating back to 1858, the MDR has provided a social space where Members meet with one another and with their constituents. This is a unique and special experience for visitors of all ages. There have been ongoing concerns over the years regarding improvements to food service and quality in the MDR. The conferees direct the Chief Administrative Officer to explore applying the branded option concept to the dining room in an effort to provide consistent service, better food selection, and quality food to Members and their guests.

The CAO is to report back to the appropriate stakeholders regarding options and timelines within 90 days.

Office of the Legislative Counsel of the House

Funding: The House Office of Legislative Counsel (HOLC) staffing has not increased proportionally to meet Member expectations for drafting assistance. The HOLC has recently experienced a loss of key personnel, including to the executive branch. While the current Legislative Counsel is to be commended for his strategic management approach and successful recruitment of talented personnel, the HOLC needs additional resources to hire and retain additional attorneys, paralegals, and administrative staff. An additional \$2,000,000 is provided so that HOLC will be better positioned over the long-term to meet its statutory responsibility and support Members and staff throughout the legislative process. The conferees specifically expect HOLC to ensure the availability of drafting assistance to Members, committees and leadership offices when legislative activity is expected or legislative deadlines are approaching.

Paid Internships: The conferees believe that House internships should be available to the broadest possible pool of candidates who have the ability and interest to serve. Unpaid internships can be an impediment to otherwise qualified candidates who cannot independently afford to work without pay. One important step to expanding the opportunity for public service within the House is to provide interns financial compensation via a salary.

The underlying bill provides up to \$20,000 per Member office for the sole purpose of paid internships. The paid internship positions shall not count against the number of employees who may be employed by a Member of the House under 2 U.S.C. 5321. The Committee on House Administration will promulgate rules and regulations on the implementation of this new authority.

Administrative Provisions

The agreement provides for unspent amounts remaining in Members' Representative Allowances account to be used for deficit or debt reduction; prohibits the delivery

of bills and resolutions; prohibits the delivery of printed copies of the Congressional Record; places a limitation on amount available to lease vehicles; places a limitation on print copies of the U.S. Code; prohibits delivery of reports of disbursements, daily calendars, and the Congressional Pictorial Directory; repeal of authorizations for former Speakers; and transfer authority.

JOINT ITEMS

JOINT ECONOMIC COMMITTEE

The agreement includes \$4,203,000 for salaries and expenses.

JOINT COMMITTEE ON TAXATION

The agreement includes \$11,169,000 for salaries and expenses.

OFFICE OF THE ATTENDING PHYSICIAN

The agreement includes \$3,798,000.

OFFICE OF CONGRESSIONAL ACCESSIBILITY SERVICES

SALARIES AND EXPENSES

The agreement includes \$1,486,000 for salaries and expenses.

CAPITOL POLICE

SALARIES

The agreement includes \$374,804,000 for salaries of the Capitol Police (USCP). The increase includes necessary half year funds to provide full year funding for those sworn hired from fiscal year 2018 funding to staff the House Garage Security initiative and limited prescreening; half year funding to fully fund 48 civilian positions hired from fiscal year 2018 funding that will replace positions currently staffed by sworn officers, who will be redeployed to meet critical mission requirements and provide immediate personnel utility; and additional half year funds in fiscal year 2019 for the hiring of 72 sworn and 21 civilian positions for additional sworn prescreener at office buildings and the implementation of enhanced screening at the Capitol Visitor Center, as well as one position for the USCP Office of Inspector General. No more than \$43,668,000 is recommended for overtime in fiscal year 2019. This provides for approximately 665,000 hours of additional duty.

Risk-Based Protections for Members of Congress: As highlighted by the 2017 shooting in Alexandria, Virginia, evolving threats to Congress include the physical targeting of Members of Congress. In addition to securing the Capitol campus, the conferees find that ensuring the continuity of government must include protecting the physical security of Members. This bill includes \$1,000,000 to enhance Member security outside of the Capitol campus in the National Capital Region, as warranted by risk-based analyses. Such funds may be used to reimburse local law enforcement and/or support additional dignitary protection teams to be assigned on a

flexible and dynamic basis. The conferees further expect the USCP to adopt Inspector General recommendations on improving the effectiveness of USCP units, including those other than the Uniformed Services Bureau, to better position the USCP to expand off-campus security for Members. The USCP is directed to report to the Committees within 90 days of enactment on plans for utilizing the increased funding for off-campus Member security in the National Capital Region, including cost estimates for expanding such efforts. The USCP is also directed to include in such report a recommendation to the Committees on specific features of such events that may warrant a threat assessment. Such recommendation should be made in a format that could better inform Members and staff of events that may need to be alerted to the USCP.

Use of Grounds: The conferees understand the need to maintain safety and order on the Capitol grounds and the USCP is commended for their efforts. Given the family-style neighborhood that the Capitol shares with the surrounding community the conferees continue to instruct the Capitol Police to forebear enforcement of 2 U.S.C. 1963 ("an act to protect the public property, turf, and grass of the Capitol Grounds from injury") and the Traffic Regulations for the United States Capitol Grounds when encountering snow sledgers on the grounds.

Horse Mounted Unit: For a period of time prior to fiscal year 2006 the USCP operated a six-person Horse Mounted Unit (HMU). The non-personnel start-up costs and annual operating budget required to have a dedicated USCP HMU at this time would take resources away from USCP priorities. However, some believe that having a HMU occasionally patrol the Capitol campus could be beneficial both from an aesthetic and security perspective. The USCP is directed to provide a report to the Committees within 90 days of enactment that explores the possibility of entering into a memorandum of understanding with the United States Park Police (USPP) and the Metropolitan Police Department to provide HMU support around the Capitol campus. The report must address all aspects of such MOU, including any anticipated direct costs and any reimbursement payments. The report must also provide a detailed analysis of the security improvements that could be made under such an MOU, including accounting for the potential frequency of USPP and MPD HMU presence on the campus.

USCP Office of Inspector General: The agreement includes funds to support not less than six FTEs within the USCP Office of Inspector General.

GENERAL EXPENSES

The agreement includes \$81,504,000 for general expenses of the Capitol Police.

Operating Budget

\$26,648,000

Project Budget:

Security Improvements, House Chamber, USC	4,857,000
Senate Reception Room Restoration and Conservation, USC	4,363,000
Fire Alarm System Upgrade, USC	2,525,000
Conservation of Fine and Architectural Art	599,000
Minor Construction	5,000,000
	17,344,000
Total, Capitol Building	\$43,992,000

Total, Capitol Building

\$43,992,000

CAPITOL GROUNDS

The agreement includes \$16,761,000 for the care and improvements of the grounds sur-

rounding the Capitol, House and Senate office buildings, and the Capitol Power Plant, of which \$5,519,000 shall remain available until September 30, 2023.

Operating Budget	\$11,242,000
Project Budget: Light Pole Structural Repairs and Improvements, Phase III-VI	2,519,000

With respect to operations and projects, the following is agreed to:

CONGRESSIONAL BUDGET OFFICE

SALARIES AND EXPENSES

The agreement includes \$50,737,000 for salaries and expenses.

Responsiveness to Congress: The Congressional Budget Office (CBO) provides Congress with estimates and analyses which can play an influential role in the legislative process. The conferees support the CBO's initiatives to improve responsiveness to Congress. To better understand the needs of the agency with respect to these initiatives, the conferees request additional details and plans for current and future efforts. Specifically, the conferees request information pertaining to the allocation of time and resources spent on formal cost estimates versus informal cost estimates and an update on the agency's plans to enhance the tracking of this information.

ARCHITECT OF THE CAPITOL

The agreement includes \$733,745,000 for the activities of the Architect of the Capitol (AOC).

Office of Inspector General (OIG): Within funds provided the conferees direct the AOC OIG to employ not fewer than 14 full-time equivalent positions during fiscal year 2019.

CAPITAL CONSTRUCTION AND OPERATIONS

The agreement includes \$103,962,000 for Capital Construction and Operations.

With respect to operations and projects, the following is agreed to:

Operating Budget	\$103,962,000
Total, Capital Construction and Operations	\$103,962,000

CAPITOL BUILDING

The agreement includes \$43,992,000, for maintenance, care, and operation of the Capitol, of which \$17,344,000 shall remain available until September 30, 2023.

With respect to operations and projects, the following is agreed to:

Minor Construction	3,000,000
	5,519,000
Total, Capitol Grounds	\$16,761,000

HOUSE OFFICE BUILDINGS

The agreement includes \$197,098,000 for the care and maintenance of the House Office

Buildings, of which \$65,552,000 shall remain available until September 30, 2023 and \$62,000,000 shall remain available until expended.

Operating Budget	\$59,546,000
Project Budget:	
Garage Interior Rehabilitation, Phase IV, RHOB	32,721,000
Security Enhancements, Phase IV and V, HOB	22,171,000
CAO Project Support	3,660,000
Restoration & Renovation, CHOB	62,000,000
Minor Construction	7,000,000

House Office Buildings (base program)	127,552,000
House Historic Buildings Revitalization Trust Fund	\$187,098,000
Total, House Office Buildings	10,000,000

This item relates solely to the House and is in accordance with long practice under which each body determines its own house-keeping requirements, and the other concurs without intervention.

Cannon Tunnel Improvements: The tunnel connecting the Cannon House Office Building and the Capitol Building is the path many visitors travel in route to visiting the Capitol. The current condition of the Cannon tunnel is that of a basement ambience. Furthermore the tunnel is subject to leaks which have recently caused the tunnel to be

closed. The Architect of the Capitol, in consultation with the Clerk of the House, is directed to develop a comprehensive plan to enhance the tunnel. The plan should include cost estimates, timeline, and renderings to improve the welcoming experience as visitors make their way to the Capitol.

Capitol South Metro Station Arrival Area: The conferees recognize the symbolism of the Capitol complex to our nation and around the world. A desire exists to make improvements to the welcoming experience as visitors arrive at the campus. The Archi-

tect of the Capitol is directed to further study, evaluate, and develop designs for the transformation of First Street, SE into a more welcoming environment with specific improvements targeted to creating a safe and secure arrival area at the Capitol South Metro station.

SENATE OFFICE BUILDINGS

The agreement includes \$93,562,000 for the maintenance, care and operation of the Senate Office Buildings, of which \$31,162,000 shall remain available until September 30, 2023.

Operating Budget	\$62,400,000
Project Budget:	
Emergency Generator Replacement, HSOB	850,000
Fire Alarm Upgrade, DSOB	606,000
Exterior Envelope Repair & Restoration, Phases IV and V, RSOB	24,706,000
Minor Construction	5,000,000

Total, Senate Office Buildings	\$31,162,000
	\$93,562,000

This item relates solely to the Senate and is in accordance with long practice under which each body determines its own house-keeping requirements, and the other concurs without intervention.

CAPITOL POWER PLANT

In addition to the \$9,000,000 made available from receipts credited as reimbursements to this appropriation, the agreement includes \$114,050,000 for maintenance, care and oper-

ation of the Capitol Power Plant, of which \$31,362,000 shall remain available until September 30, 2023.

With respect to operations and projects, the following is agreed to:

Operating Budget	\$91,688,000
Project Budget:	
Cooling Tower Renovation and Electrical Upgrades, Phase IV	21,215,000
Tunnel Waterproofing, Y Tunnel	4,709,000
Switchgear B & Pump Replacement, RPR, Phase VI	724,000
Condenser Water Pump and HVAC Replacement, RPR, Phase VII	714,000
Minor Construction	4,000,000

Subtotal, Capitol Power Plant	\$123,050,000
Offsetting Collections	(9,000,000)
Total, Capitol Power Plant	\$114,050,000

LIBRARY BUILDINGS AND GROUNDS

The agreement includes \$68,525,000 for Library of Congress Buildings and Grounds, of

which \$40,403,000 shall remain available until September 30, 2023.

With respect to operations and projects, the following is agreed to:

Operating Budget	\$28,122,000
Project Budget:	
North Exit Stair B, Phase II, TJB	18,090,000
Emergency Lighting System Upgrade, TJB	7,490,000
Book Conveyor System Removal and In-Fill, JMMB	4,762,000
Exterior Masonry and Envelope Repairs, TJB	2,149,000
Fire Alarm and Audibility Upgrade, JMMB	1,622,000
ESPC Management Program, LBG	1,790,000
National Library Service Relocation Design	2,000,000
Minor Construction	2,500,000

Total, Library Buildings and Grounds	\$68,525,000

Capitol Police Buildings, Grounds, and Security

The agreement includes \$57,714,000 for Capitol Police Buildings, Grounds, and Security,

of which \$31,777,000 shall remain available until September 30, 2023.

With respect to operations and projects, the following is agreed to:

Operating Budget	\$25,937,000
Project Budget:	
Chiller Replacement and Chilled Water System Expansion, Phase I, ACF	15,477,000
Barrier Lifecycle and Perimeter Security Kiosk Replacement, Phase III	8,300,000
South Door Screening Center Design and Initial Construction, USC	3,000,000
Minor Construction	5,000,000
	31,777,000
Total, Capitol Police Buildings, Grounds, and Security	\$57,714,000

Alternate Computing Facility (ACF): The conferees direct the AOC to develop and present a multi-year strategic plan for the use of the ACF and associated costs estimates to meet the plan. The conferees direct the AOC to work with their stakeholders and Committees of jurisdiction when developing

the plan. Additionally, as part of the analysis for developing the strategic plan the AOC is directed to work with the Uptime Institute or equivalent certifying authority to have a third-party assessment of the data center at the ACF.

Operating Budget	\$11,200,000
Project Budget:	
Security Upgrade, BGC	959,000
Minor Construction	2,600,000
	3,559,000
Total, Botanic Garden	\$14,759,000

CAPITOL VISITOR CENTER

The agreement includes \$23,322,000 for the Capitol Visitor Center.

ADMINISTRATIVE PROVISIONS

The agreement prohibits payments of bonuses to contractors behind schedule or over budget; prohibits expenditure of funds for scrims for projects performed by the Architect of the Capitol; allows interagency transfers of funds to support the security needs of Congress; amends the small purchase threshold; authorizes details of employees; and authorizes employees to accept reimbursement of expenses for attending meetings and other functions in an official capacity.

Acceptance of Travel Expenses from Non-Federal Sources: The Architect of the Capitol is directed to update its Ethics Order to incorporate this new authority as well as including the requirement applicable to executive branch agencies that the Architect of the Capitol submit semi-annual reports on all expenses paid in amounts greater than \$250.

LIBRARY OF CONGRESS

SALARIES AND EXPENSES

The agreement includes \$474,052,000 in direct appropriations and authority to spend receipts of \$6,000,000, for a total of \$480,052,000.

This amount includes \$2,383,000 for the Veterans History Project and \$8,653,000 for the Teaching with Primary Sources program.

Visitor Experience: The vision for the *Visitor Experience* enhancements at the Library of Congress' Thomas Jefferson Building has strong support in Congress. By expanding, revitalizing, and better showcasing the Library's available programs and historical artifacts, the Visitor Experience will capitalize on investments in the Library while also opening up the Library's treasures to more visitors from across the United States and the world. To date, \$10,000,000 of taxpayer money has been appropriated and a commitment of \$10,000,000 in private donations for this public/private partnership initiative has been secured. The preliminary cost estimate provided by the Library of Congress for this project is \$60,000,000.

The conferees believe a substantial down payment for this initiative has been invested which demonstrates the robust support and commitment of Congress. While one third of the funding for this initiative has been se-

cured, routine budget justification materials, such as a detailed cost estimate, design, and timeline are still under development at the Library. As directed in Public Law 115-141 and its accompanying explanatory statement, the Committees on Appropriations of the House and Senate look forward to receiving and reviewing a comprehensive *Visitor Experience* plan, which will provide the basis for appropriation of further project funding and ensure taxpayer dollars are being spent wisely.

Ultimately this project has the potential to transform the way in which the collection and story of the world's largest library is shared with millions of people for decades to come. The conferees applaud the forward thinking vision of the *Visitor Experience* concept and look forward to continuing Congress' partnership with the Library of Congress to make this concept a reality.

Preservation: The Library utilizes multiple preservation strategies to extend the life of its vast collections for future generations to enjoy, including building and operating climate-controlled storage facilities, preparing new acquisitions for commercial binding and shelving, deacidification, and digital reformatting. The conferees support the Library's preservation efforts and direct the Library to continue funding for ongoing preservation activities at not less than the current level for each ongoing preservation strategy.

National Film and Sound Recording Preservation Programs: As noted in the Senate Report 115-274, the conferees expect that the Library will provide support to these programs.

COPYRIGHT OFFICE

SALARIES AND EXPENSES

The agreement includes \$43,589,000 in direct appropriations to the Copyright Office which fully funds the agency's amended request. An additional \$45,490,000 is made available from receipts for salaries and expenses and \$4,328,000 is available from prior year unobligated balances, for a total of \$93,407,000.

CONGRESSIONAL RESEARCH SERVICE

SALARIES AND EXPENSES

The agreement includes \$125,688,000 for salaries and expenses.

Technology Assessment Study: The Committees have heard testimony on, and received dozens of requests advocating for restoring funding to the Office of Technology Assess-

BOTANIC GARDEN

The agreement includes \$14,759,000 for salaries and expenses for the Botanic Garden, of which \$3,559,000 shall remain available until September 30, 2023.

With respect to operations and projects, the following is agreed to:

ment, and more generally on how Congress equips itself with the deep technical advice necessary to understand and tackle the growing number of science and technology policy challenges facing our country. The conferees direct the Congressional Research Service (CRS) to engage with the National Academy of Public Administration or a similar external entity to produce a report detailing the current resources available to Members of Congress within the Legislative Branch regarding science and technology policy, including the GAO. This study should also assess the potential need within the Legislative Branch to create a separate entity charged with the mission of providing nonpartisan advice on issues of science and technology. Furthermore, the study should also address if the creation of such entity duplicates services already available to Members of Congress. CRS should work with the Committees in developing the parameters of the study and once complete, the study should be made available to relevant oversight Committees.

BOOKS FOR THE BLIND AND PHYSICALLY HANDICAPPED

SALARIES AND EXPENSES

The agreement includes \$52,783,000 for salaries and expenses.

ADMINISTRATIVE PROVISION

The agreement includes a provision regarding reimbursable and revolving funds.

GOVERNMENT PUBLISHING OFFICE

CONGRESSIONAL PUBLISHING

(INCLUDING TRANSFER OF FUNDS)

The agreement includes \$79,000,000 for authorized publishing, printing and binding for the Congress.

National Library Services: The conferees are encouraged with the progress to-date on the relocation of the Library of Congress's (LOC) National Library Services division to a location within Government Publishing Office (GPO) owned office space. The conferees have provided the Architect of the Capitol \$2,000,000 for design and initial construction. GPO is directed to help facilitate this move which the conferees believe is beneficial for both GPO and LOC.

Budget Justifications: GPO routinely utilizes carryover balances from previous fiscal years to complete major initiatives and

other services required by Congress. While the conferees support this efficient use of funds for these efforts, the conferees direct GPO to include such planned spending for future fiscal years in its agency budget justifications. This will ensure that all future project and other spending planning by GPO will be transparent and justified to the Congress.

PUBLIC INFORMATION PROGRAMS OF THE
SUPERINTENDENT OF DOCUMENTS
SALARIES AND EXPENSES
(INCLUDING TRANSFER OF FUNDS)

The agreement includes \$32,000,000.

GOVERNMENT PUBLISHING OFFICE
BUSINESS OPERATIONS REVOLVING FUND

The agreement includes \$6,000,000.

GOVERNMENT ACCOUNTABILITY OFFICE
SALARIES AND EXPENSES

The agreement includes \$589,749,653 in direct appropriations for salaries and expenses of the Government Accountability Office (GAO). In addition, \$35,900,000 is available from offsetting collections, for a total of \$625,649,653.

This level of funding will enable GAO to hire an additional 50 FTE compared to both the fiscal year 2018 funding level and the request level. Added to GAO's ongoing hiring plan, total staffing levels will increase by 130 FTE compared to the fiscal year 2018 level.

Technology Assessment: There is general support in Congress to bolster capacity of and enhance access to quality, independent science and technological expertise. Since 2002, GAO has provided direct support to Congress in the area of technology assessment through objective, rigorous, and timely assessments of emerging science and technologies. The Center for Science, Technology, and Engineering (CSTE) within GAO has developed such a capacity, providing wide-ranging technical expertise across all of GAO's areas of work. However, because the scope of technological complexities continues to grow significantly, the conferees seek opportunities to expand technology assessment capacity within the Legislative Branch.

The conferees encourage GAO to reorganize its technology and science function by

creating a new more prominent office within GAO. GAO is directed to provide the Committees a detailed plan and timeline describing how this new office can expand and enhance GAO's capabilities in scientific and technological assessments. This plan should be developed in consultation with internal stakeholders of the Legislative Branch such as congressional staff and Members of Congress in addition to external stakeholders, including nonprofit organizations and subject matter experts knowledgeable in the field of emerging and current technologies. Further, such a plan should include a description of the revised organizational structure within GAO, provide potential cost estimates as necessary, and analyze the following issues: the appropriate scope of work and depth of analysis; the optimum size and staff skillset needed to fulfill its mission; the opportunity and utility of shared efficiencies within GAO; and the opportunities to increase GAO's engagement and support with Congress. GAO is directed to submit this report to the Committees within 180 days of enactment.

USCP Mandatory Retirement Age: The conferees direct the Government Accountability Office to provide a written report to the Committees within one year of enactment on the feasibility and impact of permanently raising the USCP sworn employee mandatory retirement age from 57 years of age to 60 years of age. The report should address the young and vigorous law enforcement standard; the potential impact to benefits afforded to USCP sworn employees under the Capitol Police Retirement Act, the Social Security benefit, the Federal Employees Retirement System benefit, and the Thrift Savings Plan annuity; the long-term financial impact on the USCP if enacted; and provide benchmark data against other Federal law enforcement agencies to ensure Federal law enforcement parity for the USCP will not be impacted should the mandatory retirement age be raised to 60 years of age. In addition, in consultation with the Office of Personnel Management, the Government Accountability Office should provide amendment language to the Capitol Police Retirement Act for such a change to be made and validate that the "young and vigorous" basis of CPRA

mandatory age retirement requirements is acceptable for the entire federal workforce given present-day health and wellness standards.

OPEN WORLD LEADERSHIP CENTER TRUST
FUND

The agreement includes \$5,600,000.

Mission: The conferees applaud the Open World Leadership Center (OWLC) as it enters its twentieth year of operation. The highlight of OWLC's accomplishments has been the engagement of program participants with United States Government officials, including Members of Congress, which helps to improve the image of the United States in countries where leaders have limited direct interface with Americans and our values.

The political landscape around the world is constantly shifting, and Congress's needs for dialogue with leaders around the world who shape America's image in their own countries is increasing. The conferees look forward to the OWLC being a continued and potentially growing resource for the initiation and ongoing means of dialogue with emerging legislatures and/or countries undergoing governmental transition. The conferees direct OWLC to collaborate with its current Board of Directors as well as Congressional stakeholders to present a report outlining potential ways in which OWLC can meet its mission in an evolving world.

JOHN C. STENNIS CENTER FOR PUBLIC SERVICE
TRAINING AND DEVELOPMENT

The agreement includes \$430,000.

TITLE II—GENERAL PROVISIONS

The agreement continues provisions related to maintenance and care of private vehicles; fiscal year limitations; rates of compensation and designation; consulting services; costs of the LBFMC; limitation on transfers; guided tours of the Capitol; and includes provisions related to limitation on telecommunications equipment procurement; prohibition on certain operational expenses; plastic waste reduction; agency cost of living adjustments; and adjustments to compensation.

DIVISION C—MILITARY CONSTRUCTION, VETERANS AFFAIRS, AND RELATED AGENCIES APPROPRIATIONS ACT, 2019

The following is an explanation of the effects of Division C, which makes appropriations for Military Construction, Veterans Affairs, and Related Agencies for fiscal year 2019. Unless otherwise noted, reference to the House and Senate reports are to House Report 115-673 and Senate Report 115-269. The language set forth in House Report 115-673 and Senate Report 115-269 should be complied with and carry the same emphasis as the language included in the joint explanatory statement, unless specifically addressed to the contrary in this joint explanatory statement. While repeating some report language for emphasis, this joint explanatory statement does not intend to negate the language referred to above unless expressly provided herein. In cases in which the House or the Senate has directed the submission of a report, such report is to be submitted to both Houses of Congress. House or Senate reporting requirements with deadlines prior to, or within 15 days after enactment of this Act shall be submitted no later than 60 days after enactment of this Act. All other reporting deadlines not specifically directed by this joint explanatory statement are to be met.

**TITLE I
DEPARTMENT OF DEFENSE**

Bid Savings.—Cost variation notices required by 10 U.S.C. 2853 continue to demonstrate the Department of Defense (DOD) continues to have bid savings on previously appropriated military construction projects. Therefore, the conference agreement includes rescissions to the Air Force, Army National Guard, Homeowners Assistance Program, the NATO Security Investment Program and Navy and Marine Corps Family Housing accounts. The Secretary of Defense is directed to continue to submit 1002 reports on military construction bid savings at the end of each fiscal quarter to the Committees.

Incremental Funding.—In general, the conferees support full funding for military construction projects if they are executable. However, it continues to be the practice of the Committees to provide incremental funding for certain large projects to enable the services to more efficiently allocate military construction dollars among projects that can be executed in the year of appropriation. Therefore, the conference agreement includes 9 projects that have been incrementally funded, however the full authorization of the projects will be provided in the National Defense Authorization Act for Fiscal Year 2019.

Facilities Sustainment, Restoration and Modernization (FSRM).—The Department of Defense is directed to continue describing on form 1390 the backlog of FSRM requirements at installations with future construction projects. For troop housing requests, form 1391 should describe any FSRM conducted in the past two years. Likewise, future requirements for unaccompanied housing at the corresponding installation should be included. Additionally, the forms should include English equivalent measurements for projects presented in metric measurement. Rules for funding repairs of facilities under the Operation and Maintenance accounts are described below:

(1) components of the facility may be repaired by replacement. Such replacement can be up to current standards or codes;

(2) interior arrangements and restorations may be included as repair;

(3) additions, new facilities, and functional conversions must be performed as military construction projects. Such projects may be done concurrently with repair projects as

long as the final conjunctively funded project is a complete and usable facility; and

(4) the appropriate service secretary shall notify the appropriate committees 21 days prior to carrying out any repair project with an estimated cost in excess of \$7,500,000. The Committees strongly encourage the services and defense agencies to indicate the plant replacement value of the facility to be repaired on each such notification.

Enhancing force protection and security on military installations.—In collaboration with the House Armed Services Committee, the conference agreement includes section 132 which provides \$50,000,000 to each of the military construction accounts for Navy and Marine Corps and the Air Force to help alleviate deficiencies in access control points, air traffic control towers, fire stations, and AT/FP deficiencies across the enterprise. There has been much concern on both sides of the aisle that these types of military construction projects continually fall short of securing funding in a fiscal year due to higher priorities within the Services. Each Service Secretary is directed to submit a spend plan for the additional funds no later than 30 days after enactment of this Act to the congressional defense committees.

Cell Site Simulators.—The conferees are concerned with the potential threat of cell site simulators located near DOD facilities. Therefore, the conferees direct the Secretary of Defense to submit to the congressional defense committees within 180 days of enactment of this Act a full accounting of cell site simulators detected near DOD facilities during the three year period ending on the date of enactment of this Act. The report should also include the actions taken by the Secretary to protect personnel of the Department, their families, and facilities of the Department from foreign powers using such technology to conduct surveillance.

US Army Corps of Engineers restructuring (USACE).—On July 30, 2018, the Secretary of Defense approved a Secretary of the Army memorandum identifying specific actions the Army will take in support of the Administration's proposed reorganization of USACE's Civil Works Program. The reorganization includes taking the Civil Works program out of the Army Corps of Engineers with navigation going to the Department of Transportation for infrastructure grants and the remaining accounts to the Department of Interior.

The conferees are perplexed as to why there was no notification or discussion with Members of Congress and Committees staffs on an action of this magnitude that crosses multiple subcommittees' jurisdiction. This type of proposal, as the Department is well aware, will require legislative language which has not been proposed or requested to date. The conferees are opposed to the reorganization as it could ultimately have impacts for implementation of the Military Construction, BRAC and Family Housing programs.

MILITARY CONSTRUCTION, ARMY

The conference agreement provides \$1,021,768,000 for Military Construction, Army. Within this amount, the agreement provides \$110,068,000 for study, planning, design, architect and engineer services, and host nation support. The agreement also provides an additional \$10,000,000 above the request to supplement unspecified minor military construction.

Sunflower Army Ammunition Plant.—Consistent with the direction in the Senate Report 115-269, the conferees direct the Army to continue its remediation and evaluations at the former Sunflower Army Ammunition Plant, comply with applicable regulations and permit requirements, and work with reg-

ulatory agencies to ensure all response sites are remediated to applicable and approved standards. The Army should continue to communicate with Sunflower Redevelopment, LLC and conduct regular stakeholder meetings and monthly conference calls to address questions or issues related to cleanup and redevelopment.

Badger Army Ammunition Plant.—Consistent with the direction in the Senate Report 115-269, the conferees direct the Army to continue to test, using both aggregate and chemical-specific methods, for emerging contaminants subject to an EPA Health Advisory Level at the former Badger Army Ammunition Plant, in nearby surface waters, and in drinking water in affected surrounding communities. The Army is directed to provide to local stakeholders the results of that testing and, if testing results show threats to human health, a plan to remediate the contamination, including dedicated funding resources, schedule, and specific actions.

Conveyance of property.—The conferees note that the Army is proposing to convey 17.1 acres of land known as Shenandoah Square and the 126 existing housing units to raise capital to improve other military housing owned by private entities. Under the proposed action, the existing 126 housing units would be demolished to allow for the construction of high-density residential housing. The residents have expressed concern about the displacement from Shenandoah Square as it is in one of the most expensive housing markets in the country and the uncertainty about the affordability of new potential housing on the site. Therefore, the conferees urge the Department of the Army to explore all possible alternatives to a conveyance of Shenandoah Square, including a sublease of the property to an entity that can better develop affordable housing on the property.

MILITARY CONSTRUCTION, NAVY AND MARINE CORPS

The conference agreement provides \$2,118,619,000 for Military Construction, Navy and Marine Corps. Within this amount, the conference agreement provides \$185,542,000 for study, planning, design, architect and engineer services.

MILITARY CONSTRUCTION, AIR FORCE

The conference agreement provides \$1,440,323,000 for Military Construction, Air Force. Within this amount, the conference agreement provides \$206,577,000 for study, planning, design, architect and engineer services.

Little Rock Air Force Base.—As described in the Senate report 115-269, the conferees direct the Secretary of the Air Force to submit a report coordinated with the Army Corps of Engineers no later than 90 days after enactment of this Act providing the status on the cancelled runway project at Little Rock AFB and the replacement project, including what happened to the funding used for the original contract, a justification for the increase in cost for the new project, if any of the completed work from the cancelled project is salvageable, how the Air Force is resolving the issues that led to contract termination and ensuring, to the extent possible, that they are not repeated in follow-on contracts, and how and when a future project will be funded. Additionally, the conferees direct the Air Force to appoint a senior official who shall be responsible for the project and will provide quarterly project updates to the congressional defense committees.

Air Force Weapons Storage Facility Reprogramming.—On July 9, 2018, the Department of Defense sent the Committees a reprogramming request that included source funds from a cancelled prior year project, which the conferees had each rescinded in

their respective bills. The conferees recognize the importance of the Weapons Storage Facility (WSF) modernization program, but are concerned that the Department has potentially developed improper and unnecessary requirements that are leading to execution delays and cost overruns against an already strained military construction budget. This has resulted in schedule delays to follow on projects, which also may experience similar challenges unless corrective action is taken. The conferees encourage the Department to sufficiently solicit and incorporate input from all stakeholders in developing requirements, to include the Air Force Strategic Deterrence and Nuclear Integration directorate, and further encourage the Air Force to incorporate lessons learned from prior Navy WSF modernization efforts. The conferees direct the Department to provide quarterly briefings to update the Committees on status, requirements changes, and timeline updates for current and future projects associated with the WSF modernization program. The conferees urge the Department to expeditiously seek alternative funding sources for the current reprogramming from unobligated balances or bid savings to avoid further execution delays.

MILITARY CONSTRUCTION, DEFENSE-WIDE (INCLUDING TRANSFER OF FUNDS)

The conference agreement provides \$2,550,728,000 for Military Construction, Defense-Wide. Within this amount, the conference agreement provides \$192,345,000 for study, planning, design, architect and engineer services.

Parking issues at DOD facilities.—The conferees are concerned that Military Construction budget constraints are negatively affecting the ability of the Department of Defense to address urgent parking requirements at certain U.S. military installations. The lack of parking is a safety issue and a detriment to the well-being of employees, both civilian and military. The conferees are concerned that the Department does not have a coherent strategy to address the growing parking requirements at installations that have seen significant growth. For example, Fort Meade, which already was home to the National Security Agency, became the headquarters of the newly formed U.S. Cyber Command in 2010. By 2011, the Defense Information Systems Agency, which handles the Pentagon's IT and communications needs, had moved onto the base. In 2005, the base had just over 33,500 employees. Today, it has about 57,000, more than double the number of workers at the Pentagon. As a result of this growth, parking at Fort Meade has become a serious issue. Therefore, the conferees direct the Secretary of Defense to submit to the Committees with the fiscal year 2020 military construction budget request: an updated list of unfunded requirements for parking facilities, access control points, and road construction at DOD facilities that have serious parking, access, and road congestion issues. Finally, the Secretary is further directed to submit, with the fiscal year 2020 military construction budget request, a list of how those requirements will be incorporated into their construction requests for fiscal years 2021 through 2025.

MIT/Lincoln Labs.—The conferees have incrementally funded the Air Force MIT/Lincoln Lab project commensurate with the outlay rate of funds for fiscal year 2019 as reflected in budget documents. While the conference agreement does not provide full funding for this project, the conferees strongly support MIT/Lincoln Labs mission and its completion. The conferees fully expect the Air Force to continue to prioritize funding for this project in executable increments.

Energy Resilience and Conservation Investment Program (ERCIP).—The conference

agreement provides \$193,390,000 for ERCIP, an increase of \$43,390,000 over the budget request to fund the top six unfunded requirements of the program for energy resilience. Also, an additional \$5,000,000 is provided under the Defense-Wide planning and design account specifically for ERCIP. The Secretary of Defense is directed to submit to the congressional defense committees a spend plan for the additional ERCIP funds, to include the planning and design funds, no later than 30 days after enactment of this Act.

MILITARY CONSTRUCTION, ARMY NATIONAL GUARD

The conference agreement provides \$190,122,000 for Military Construction, Army National Guard. Within this amount, the conference agreement provides \$16,622,000 for study, planning, design, architect and engineer services. The conference agreement also provides an additional \$10,000,000 above the budget request to supplement unspecified minor military construction.

MILITARY CONSTRUCTION, AIR NATIONAL GUARD

The conference agreement provides \$129,126,000 for Military Construction, Air National Guard. Within this amount, the conference agreement provides \$18,500,000 for study, planning, design, architect and engineer services.

MILITARY CONSTRUCTION, ARMY RESERVE

The conference agreement provides \$64,919,000 for Military Construction, Army Reserve. Within this amount, the conference agreement provides \$5,855,000 for study, planning, design, architect and engineer services.

MILITARY CONSTRUCTION, NAVY RESERVE

The conference agreement provides \$43,065,000 for Military Construction, Navy Reserve. Within this amount, the conference agreement provides \$4,695,000 for study, planning, design, architect and engineer services.

MILITARY CONSTRUCTION, AIR FORCE RESERVE

The conference agreement provides \$38,063,000 for Military Construction, Air Force Reserve. Within this amount, the conference agreement provides \$4,055,000 for study, planning, design, architect and engineer services.

NORTH ATLANTIC TREATY ORGANIZATION SECURITY INVESTMENT PROGRAM

The conference agreement provides \$171,064,000 for the North Atlantic Treaty Organization Security Investment Program.

DEPARTMENT OF DEFENSE BASE CLOSURE ACCOUNT

The conference agreement provides \$342,000,000 for the Department of Defense Base Closure Account, an increase of \$74,462,000 above the request. The additional funding is for the Department to accelerate environmental remediation at installations closed under previous Base Realignment and Closure rounds.

Navy Clean Up Cost.—The conference report provides an additional \$60,462,000 for the Navy to accelerate environmental remediation at installations closed under previous Base Closure and Realignment rounds. Furthermore, the Navy shall provide to the Committees a spend plan for these additional funds no later than 30 days after enactment of this Act.

Perfluorooctane Sulfonate (PFOS) and Perfluorooctanoic Acid (PFOA).—The conference report provides \$14,000,000 in additional funds for identification, mitigation, and clean-up costs across the Department of Defense for PFOS and PFOA. DOD is directed to submit a spend plan for these additional funds to the Committees no later than 30 days after enactment of this Act.

DEMOLITION OF PREVIOUS BRAC FACILITIES.—The conferees are concerned that the

Department of Defense does not have an adequate plan for demolishing previous BRAC sites. For example, the Ontario International Airport was the Ontario Air National Guard Station that was established in 1949. This facility remained in operation for decades, assisting training and support for the Korean, Vietnam, and countless other wars and conflicts. In 1997, the facility was closed, yet the old site has sat largely unchanged for 20 years due to the environmental hazards of demolition. The conferees urge the Department to dedicate funds to demolish BRAC facilities and turn the land over to the local community as quickly as possible.

DEPARTMENT OF DEFENSE

FAMILY HOUSING

ITEM OF INTEREST

Military family housing units.—The conferees are concerned for the well-being of servicemembers and their families residing in on-post military housing with regard to their exposure to toxic levels of lead based paint. It has been reported that installations around the country possess housing units that contain lead based paint levels exceeding the federal threshold for acceptable levels and could have grave implications on servicemembers and their families' health. In addition, the conferees are interested in what steps the Department is taking for oversight of DOD privatized family housing. Therefore, the conferees direct the DOD Inspector General to conduct an investigation and submit a report to the congressional defense committees on toxic lead levels at military housing on all installations no later than 90 days after the enactment of this Act.

FAMILY HOUSING CONSTRUCTION, ARMY

The conference agreement provides \$330,660,000 for Family Housing Construction, Army.

FAMILY HOUSING OPERATION AND MAINTENANCE, ARMY

The conference agreement provides \$376,509,000 for Family Housing Operation and Maintenance, Army.

FAMILY HOUSING CONSTRUCTION, NAVY AND MARINE CORPS

The conference agreement provides \$104,581,000 for Family Housing Construction, Navy and Marine Corps.

FAMILY HOUSING OPERATION AND MAINTENANCE, NAVY AND MARINE CORPS

The conference agreement provides \$314,536,000 for Family Housing Operation and Maintenance, Navy and Marine Corps.

FAMILY HOUSING CONSTRUCTION, AIR FORCE

The conference agreement provides \$78,446,000 for Family Housing Construction, Air Force.

FAMILY HOUSING OPERATION AND MAINTENANCE, AIR FORCE

The conference agreement provides \$317,274,000 for Family Housing Operation and Maintenance, Air Force.

FAMILY HOUSING OPERATION AND MAINTENANCE, DEFENSE-WIDE

The conference agreement provides \$58,373,000 for Family Housing Operation and Maintenance, Defense-Wide.

DEPARTMENT OF DEFENSE

FAMILY HOUSING IMPROVEMENT FUND

The conference agreement provides \$1,653,000 for the Department of Defense Family Housing Improvement Fund.

DEPARTMENT OF DEFENSE

MILITARY UNACCOMPANIED HOUSING IMPROVEMENT FUND

The conference agreement provides \$600,000 for the Department of Defense Military Unaccompanied Housing Improvement Fund.

**ADMINISTRATIVE PROVISIONS
(INCLUDING TRANSFERS AND RESCISSIONS OF
FUNDS)**

The conference agreement includes section 101 limiting the use of funds under a cost-plus-a-fixed-fee contract.

The conference agreement includes section 102 allowing the use of construction funds in this title for hire of passenger motor vehicles.

The conference agreement includes section 103 allowing the use of construction funds in this title for advances to the Federal Highway Administration for the construction of access roads.

The conference agreement includes section 104 prohibiting construction of new bases in the United States without a specific appropriation.

The conference agreement includes section 105 limiting the use of funds for the purchase of land or land easements that exceed 100 percent of the value.

The conference agreement includes section 106 prohibiting the use of funds, except funds appropriated in this title for that purpose, for family housing.

The conference agreement includes section 107 limiting the use of minor construction funds to transfer or relocate activities.

The conference agreement includes section 108 prohibiting the procurement of steel unless American producers, fabricators, and manufacturers have been allowed to compete.

The conference agreement includes section 109 prohibiting the use of construction or family housing funds to pay real property taxes in any foreign nation.

The conference agreement includes section 110 prohibiting the use of funds to initiate a new installation overseas without prior notification.

The conference agreement includes section 111 establishing a preference for American architectural and engineering services for overseas projects.

The conference agreement includes section 112 establishing a preference for American

contractors in United States territories and possessions in the Pacific and on Kwajalein Atoll and in countries bordering the Arabian Gulf.

The conference agreement includes section 113 requiring congressional notification of military exercises when construction costs exceed \$100,000.

The conference agreement includes section 114 allowing funds appropriated in prior years for new projects authorized during the current session of Congress.

The conference agreement includes section 115 allowing the use of expired or lapsed funds to pay the cost of supervision for any project being completed with lapsed funds.

The conference agreement includes section 116 allowing military construction funds to be available for five years.

The conference agreement includes section 117 allowing the transfer of funds from Family Housing Construction accounts to the Family Housing Improvement Program.

The conference agreement includes section 118 allowing transfers to the Homeowners Assistance Fund.

The conference agreement includes section 119 limiting the source of operation and maintenance funds for flag and general officer quarters and allowing for notification by electronic medium. The provision also requires an annual report on the expenditures of each quarters.

The conference agreement includes section 120 extending the availability of funds in the Ford Island Improvement Account.

The conference agreement includes section 121 allowing the transfer of expired funds to the Foreign Currency Fluctuations, Construction, Defense account.

The conference agreement includes section 122 restricting the obligation of funds for relocating an Army unit that performs a testing mission.

The conference agreement includes section 123 allowing for the reprogramming of construction funds among projects and activities subject to certain criteria.

The conference agreement includes section 124 prohibiting the obligation or expenditure of funds provided to the Department of Defense for military construction for projects at Arlington National Cemetery.

The conference agreement includes section 125 providing additional construction funds for various Military Construction accounts.

The conference agreement includes section 126 rescinding funds from prior Appropriation Acts from various accounts.

The conference agreement includes section 127 defining the congressional defense committees.

The conference agreement includes section 128 prohibiting the use of funds in this Act to close or realign Naval Station Guantanamo Bay, Cuba. The provision is intended to prevent the closure or realignment of the installation out of the possession of the United States, and maintain the Naval Station's long-standing regional security and migrant operations missions.

The conference agreement includes section 129 restricting funds in the Act to be used to consolidate or relocate any element of Air Force Rapid Engineer Deployable Heavy Operational Repair Squadron Engineer until certain conditions are met.

The conference agreement includes section 130 providing additional funds for land acquisition and Defense Access Roads for Arlington Cemetery.

The conference agreement includes section 131 directing all amounts appropriated to "Military Construction, Army", "Military Construction, Navy and Marine Corps", "Military Construction, Air Force", and "Military Construction, Defense-Wide" accounts be immediately available and allotted for the full scope of authorized projects.

The conference agreement includes section 132 providing additional funds for anti-terrorism and force protection at military installations.

TITLE II

DEPARTMENT OF VETERANS AFFAIRS
VETERANS BENEFITS ADMINISTRATION
COMPENSATION AND PENSIONS
(INCLUDING TRANSFER OF FUNDS)

The conference agreement provides \$109,017,152,000 for Compensation and Pensions in advance for fiscal year 2020. Of the amount provided, not more than \$18,047,000 is to be transferred to General Operating Expenses, Veterans Benefits Administration (VBA) and Information Technology Systems for reimbursement of necessary expenses in implementing provisions of title 38. The conference agreement also provides \$2,994,366,000 for fiscal year 2019 in addition to the advance appropriation provided last year.

READJUSTMENT BENEFITS

The conference agreement provides \$14,065,282,000 for Readjustment Benefits in advance for fiscal year 2020.

VETERANS INSURANCE AND INDEMNITIES

The conference agreement provides \$111,340,000 for Veterans Insurance and Indemnities in advance for fiscal year 2020.

VETERANS HOUSING BENEFIT PROGRAM FUND

The conference agreement provides such sums as may be necessary for costs associated with direct and guaranteed loans for the Veterans Housing Benefit Program Fund. The conference agreement limits obligations for direct loans to not more than \$500,000 and provides that \$200,612,000 shall be available for administrative expenses.

VOCATIONAL REHABILITATION LOANS PROGRAM ACCOUNT

The conference agreement provides \$39,000 for the cost of direct loans from the Vocational Rehabilitation Loans Program Account, plus \$396,000 to be paid to the appropriation for General Operating Expenses, Veterans Benefits Administration. The conference agreement provides for a direct loan limitation of \$2,037,000.

NATIVE AMERICAN VETERAN HOUSING LOAN PROGRAM ACCOUNT

The conference agreement provides \$1,163,000 for administrative expenses of the Native American Veteran Housing Loan Program Account.

GENERAL OPERATING EXPENSES, VETERANS BENEFITS ADMINISTRATION

The conference agreement provides \$2,956,316,000 for General Operating Expenses, Veterans Benefits Administration and, of the amount provided, not to exceed 10 percent is available for obligation until September 30, 2020. The conference agreement provides \$87,407,000 above the request to manage disability claims and appeals backlog and the intent of the conference agreement is that these additional funds be used for the Veterans Claims Intake Program; additional claims and appellate staff; increased staff for the Vocational Rehabilitation and Employment program; and overtime payments, as necessary.

Claims prioritization.—As indicated in the House report, VA is urged to prioritize the most vulnerable veterans, such as those who are elderly or in poor health, for initial claims processing and claims appeals.

Medical disability exams.—As described in the Senate report, VA is directed to ensure that any non-VA physician contracted to conduct medical disability examinations have a current unrestricted license to practice as a physician, and is not barred from practicing in any State, the District of Columbia, or a Commonwealth, Territory, or possession of the United States.

Equitable relief.—As described in the House report, the Secretary is directed to continue

to grant or extend equitable relief to eligible veterans initially deemed eligible in instances of administrative error.

VETERANS HEALTH ADMINISTRATION
MEDICAL SERVICES

The conference agreement provides \$51,411,165,000 in advance for fiscal year 2020 for Medical Services and makes \$1,500,000,000 of the advance available through fiscal year 2021. The conference agreement also provides \$750,000,000 for fiscal year 2019 in addition to the advance appropriation provided last year and includes bill language requiring the Secretary to ensure that sufficient amounts are available for the acquisition of prosthetics designed specifically for female veterans.

Opioid abuse.—The conference agreement provides \$348,000,000 for opioid treatment and prevention programs and \$52,025,000 to continue to implement opioid safety initiatives outlined as part of the Comprehensive Addiction and Recovery Act, as well as to develop programs aimed at ensuring that non-VA providers treating veterans through community care programs are informed and in compliance with all VA standards for opioid safety and prescription guidelines. The conference agreement also includes \$270,000,000 for the Office of Rural Health's Rural Health Initiative, which funds several pilot projects aimed at treating and preventing opioid abuse, including projects focused on alternatives to opioid-centered pain management in rural, highly rural, and remote areas; and \$54,337,000 for the Justice Outreach Homeless Prevention program within the VA's Veterans Homelessness Programs which among other things ensures that veterans encountered by police, in jails or courts, have timely access to substance abuse treatment or prevention programs and services.

The conferees direct VA to ensure that all clinicians, including pharmacists, receive guidance on assessing the risks and benefits of critical drug interactions with opioids when a pharmacist overrides such interaction under section 913 of Public Law 114-98. The conferees urge VA to ensure that all VA providers who prescribe opioids consistently use the Opioid Therapy Risk Report tool under the Opioid Safety Initiative, including prior to initiating opioid therapy, to ensure safe prescribing, and to help prevent diversion, abuse, and double-prescribing. Moreover, VA should further improve the timeliness of data available in the tool to allow real-time access to data on a patient who was prescribed opioid therapy by another facility, in another State, or by mail order to prevent overprescribing and abuse potential.

As noted in the House report, VA is urged to assist the two States that have not installed the technology to exchange data from their State prescription drug monitoring boards with VA. The conferees urge robust implementation of VA's plan to expand the scope of research, education, delivery, and integration of Complementary and Integrative Health into the health care services. In addition, the conferees urge VA to prioritize continued implementation of the reforms made to the patient advocacy program as required by the Jason Simcakoski Memorial and Promise Act (Title IX, Public Law 114-98).

Furthermore, VA is urged to implement recent GAO recommendations to improve oversight of the controlled substance inspection program and to document its progress; as well as Office of the Inspector General recommendations, including ensuring that community care providers review the safe opioid prescribing guidelines and Opioid Safety Initiative protocols and implementing a process to provide community care providers a complete up-to-date list of medications and medical history of the veteran during non-VA care consults. The conferees also direct the

Department to create an opioid abuse healthcare kit for community healthcare providers and ensure completion of a continuing medication course in pain management by providers at VA health facilities. Lastly, all directives contained in House Report 115-673 and Senate Report 115-269 not specifically addressed above shall be complied with.

Mental health.—The conference agreement provides \$8,618,628,000 for mental health programs and includes \$206,128,000 for suicide prevention outreach, an increase of \$16,128,000 above the request. To best meet the needs of veterans seeking assistance, the conferees instruct the Secretary to make any necessary improvements to Veterans Crisis Line (VCL) operations including, but not limited to, ensuring appropriate staffing for call centers and back-up centers, providing necessary training for VCL staff, and ensuring that staff are able to appropriately and effectively respond to the needs of veterans needing assistance. The conferees also direct the Secretary to provide the Committees on Appropriations of both Houses of Congress a report, no later than 90 days after enactment of this Act, which contains an update detailing findings on the outcomes and efficacy of the VCL from the Veterans Crisis Line Study Act of 2017. In addition, the conferees urge VA to increase support for primary care-mental health integration and recovery models, expand telemental health services, build on success of evidence-based psychotherapy initiatives, and guide treatment decisions by measuring the outcomes of interventions.

National Center for Post-Traumatic Stress Disorder.—The conference agreement provides \$40,000,000 for the National Center for Post-Traumatic Stress Disorder (NCPTSD). The conferees direct the Department to submit to the Committees on Appropriations of both Houses of Congress, no later than 90 days after enactment of this Act, an assessment of the additional full time staff needed to carry out the priorities of the NCPTSD, as described in the congressional budget justification, as well as a hiring plan, and a plan for ensuring that all community care mental health providers receive information about NCPTSD and its consultation program.

Inpatient substance abuse.—As indicated in the House report, VA is urged to focus on reducing the burdensome wait times for veterans seeking inpatient substance abuse treatment.

Non-citizen veteran outreach.—As stated in the House report, VA is urged to conduct more aggressive outreach to at-risk, non-citizen veterans to offer mental health counseling and other early intervention drug and alcohol services.

Licensed professional mental health counselors and marriage and family therapists.—As stated in the Senate report, VA is directed to work with the Office of Personnel Management to create an Occupational Series for Licensed Professional Mental Health Counselors and Marriage and Family Therapists and to create a staffing plan to fill such open positions and assess shortages.

Homeless assistance programs.—The conference agreement provides \$1,818,534,000 for homeless assistance programs, which includes \$380,000,000 for the homeless supportive services for low income veterans and families, a level which is \$60,000,000 above the request. Additionally, the agreement includes \$54,337,000 for Justice Outreach Homeless Prevention Program, \$5,000,000 above the request. The conferees expect the Department to dedicate funding for VA's Homeless Assistance Programs consistent with the increases described in this agreement and with Congressional Justifications which were

transmitted with the fiscal year 2019 budget request and not to divert the resources to other areas. The conferees direct that notification should be provided to the Committees of any reprogramming of funding provided for Homeless Assistance Programs. Lastly, all directives contained in House Report 115-673 and Senate Report 115-269 not specifically addressed above shall be complied with.

Veteran Homelessness in the Greater Los Angeles Region.—As indicated in the Senate report, VA is directed to provide a report outlining the cost and feasibility of contracting with local community-based agencies and non-profit organizations to provide additional case management services in regions where the Department does not meet the recommended 25:1 case management staffing ratio.

Construction assistance for nonprofit organizations.—As described in the House report, VA is urged to assess the possibility of assisting nonprofit organizations with capital costs related to the construction of new housing units for homeless veterans on non-VA property, particularly those utilizing Department of Housing and Urban Development-Veterans Affairs Supportive Housing (HUD-VASH) vouchers.

Rural healthcare.—The conference agreement provides \$270,000,000 for the Office of Rural Health (ORH) and the Rural Health Initiative, which is \$20,000,000 above the President's request, and VA is encouraged to use some of these additional funds to increase the number of Rural Health Resource Centers as a means of increasing access to care for veterans in rural areas. In addition, VA is encouraged to expand evidence-based home-based primary care programs to additional American Indian reservations and other rural areas. Increased access also requires a sufficient number of healthcare providers and the conferees are concerned about the ability of VA to adequately recruit and retain sufficient numbers of these providers in rural areas. As such, VA is urged to adopt the recommendations in GAO report GAO-18-124 and encouraged to consider the expanded use of doctors of osteopathic medicine, physician assistants, and nurse practitioners to help address any rural health provider gap. Any such gap may be further mitigated through the use of telehealth for medical services. As indicated in the Senate report, the Secretary is directed to sustain continuity of care for rural veterans through provider agreements, based on previous models such as the Access Received Closer to Home program, to ensure veterans do not experience a lapse in existing healthcare access during the transition to the new community care program and any resulting integrated networks. Also, as indicated in the Senate report, the conference agreement directs no less than \$4,000,000 to continue a pilot program to train veterans in agricultural vocations, while also tending to behavioral and mental health needs with behavioral healthcare services and treatments from licensed providers at no fewer than three locations. To further support veterans in rural areas, the conferees urge the VA to increase accessibility in rural communities to the Community Clergy Training to Support Rural Veterans Mental Health Initiative. The Department is also encouraged to improve partnerships with local faith-based organizations, as well as the Department of Defense, in conjunction with the "Strong Bonds" program.

Telemedicine.—The conference agreement includes \$30,000,000 above the budget request for telehealth capabilities and this additional funding should be used to further expand telehealth capacity and services in rural and remote areas. To better assess VA's efforts regarding the use of telehealth

capabilities, the conferees direct VA to provide a report to the Committees on Appropriations of both Houses of Congress, no later than January 31, 2019, specifying measures the Department is taking to expand telehealth and telemental health capabilities in rural areas, particularly regions with limited broadband access. The report should also include information on any ongoing collaboration between VA and other Federal agencies to target remote and rural areas to maximize coverage.

Readjustment counseling service.—In Public Law 115-141, the Consolidated Appropriations Act of 2018, the Department was provided \$2,500,000 and directed to develop a program to partner with organizations that provide outdoor experiences for veterans as part of a continuum of care to treat combat-related injuries. The conferees direct the Department to provide an update on the status of this program to the Committees on Appropriations of both Houses of Congress no later than 30 days after enactment of this Act.

Utilization of healthcare services by veterans in the Commonwealth of the Northern Mariana Islands, American Samoa, Guam, and the Freely Associated States.—As described in the Senate report, VA is directed to provide to the Committees on Appropriations of both Houses of Congress a strategic plan to implement and improve the utilization of healthcare services for veterans in outlying areas through piloting the expansion of health services via telehealth or other community care providers.

Women's health.—The conferees note that the number of female veterans continues to increase. In response to this growth the conference agreement provides \$521,352,000, \$10,000,000 above the request, for gender-specific care and for the continuing redesign of VA's women's healthcare delivery system and facilities to ensure women receive equitable, timely, and high-quality care. This includes privacy and environment of care issues for female veterans as highlighted in a 2016 GAO report. As described in the Senate report, VA is directed to submit a report on retrofitting facilities to eliminate barriers to care for women veterans to the Committees on Appropriations and the Committees on Veterans' Affairs of both Houses of Congress within 180 days of enactment of this Act. The conferees also continue to urge VA to ensure the gender-specific health needs of female veterans are met and continue its efforts to expand access to care for female veterans in areas such as obstetrics and gynecological care, treatment for gender-specific conditions and diseases, and female veteran suicide. The conferees strongly believe that in order to ensure that female veterans needs are met VA must make the hiring of more female healthcare professionals a top priority. Therefore, the conferees reiterate the guidance provided in House Report 115-673 directing VA to provide statistics on female healthcare professionals at the Department.

Intimate partner violence program.—As described in the Senate report, VA is directed to fully resource the VA Intimate Partner Violence Program at \$17,000,000 in fiscal year 2019 and include it as a program of interest with budget detail in the justifications accompanying the fiscal year 2020 budget submission.

Breast cancer screening guidelines.—The conferees support the Department's effort to ensure that the breast cancer screening guidelines are consistent with the private sector, and the Committees will continue to monitor the Department's implementation of its policy to offer mammograms to female veterans starting at age 40. The Department should closely follow ongoing debate as the scientific community reaches a consensus on breast cancer screening and mammography

coverage to provide veterans the best care possible. The bill language that was included in the House bill stands to ensure VA maintains this policy through fiscal year 2024.

Rare cancers.—The conferees direct VA to assess options for modifying the December 2017 collaboration agreement between VA, the Department of Defense, and the National Cancer Institute to include collaboration on rare cancers. The conferees also encourage VA to fund research in delivering treatments for rare cancers that take a platform-agnostic approach to developing new therapeutics.

Colorectal cancer screening.—The conferees are dismayed by VA's failure to comply with the direction in the fiscal year 2018 Joint Explanatory Statement to offer all seven colorectal cancer screening strategies recommended as A-rated modalities by the United States Preventive Services Task Force (USPTF) and adopted by the National Committee for Quality Assurance Healthcare Effectiveness Data and Information Set measures. While VA endorsed six screening strategies, it declined to endorse stool DNA screening, a widely used screening strategy. This makes VA an outlier within the medical community and the growth in community care will widen the gap between the screening tools used by VA and non-VA providers. To ensure the inclusion of this critical tool in the fight against cancer in veterans, the conferees direct VA to endorse all seven modalities for colorectal cancer screening.

Home dialysis.—Approximately 20,000 veterans with End Stage Renal Disease (ESRD) receive their dialysis care from a VA Center, either directly or via contract with a dialysis provider. The Committee directs that the VA provide a report on how many patients receive home dialysis via peritoneal dialysis and home hemodialysis, if the number of patients has increased over the past 5 years, and if the VA has set any use increase targets for home dialysis use among its ESRD patients.

National Intrepid Center of Excellence Satellite Strategic Basing.—As described in the Senate report, VA is directed to study the value and merit to establishing a joint Department of Defense/Department of Veteran Affairs National Intrepid Center of Excellence Intrepid Spirit Center that serves both the active duty and veteran populations for the mutual benefit and growth in treatment and care for traumatic brain injury. The study will be reported to the Committees on Appropriations of both Houses of Congress no later than 180 days after enactment of this Act.

Long-term care.—The conference agreement provides \$9,024,330,000 as requested for long-term care, of which \$6,168,524,000 is for institutional care and \$2,855,806,000 is for non-institutional care.

Caregivers program.—The conferees believe that VA will incur obligations for the caregivers program totaling at least \$865,000,000 in fiscal year 2019. Costs could be higher than this level depending on the implementation of new requirements in recently passed legislation. VA is directed to provide quarterly projections and monthly expenditure reports for the caregivers program to the Committees. If VA does not obligate this amount of funding for caregivers based on quarterly projections, the Department is directed to report the rationale for the discrepancy to the Committees. No later than 90 days after the date of enactment of this Act, the Department is instructed to provide a report on the number of coordinators of caregiver support services at each VA medical center, the number of staff assigned to appeals for the program at each medical center, and a determination by the Secretary of the appropriate staff-to-participant ratio for the program.

Hospice care for veterans.—As noted in the House and Senate reports, the conferees view

the implementation of hospice care protocols tailored to the unique end-of-life care needs of combat veterans as potentially beneficial for Vietnam-era veterans, as well as for Afghanistan, Iraq, and Syria veterans in the future. Therefore, the conference agreement includes \$1,000,000 for the implementation of a pilot program to develop the techniques, best practices and support mechanisms to serve these veterans. As part of this pilot program, VA is encouraged to engage non-profit hospice and palliative care providers with Vietnam veteran-centric programs. The conferees also direct VA to provide the Committees on Appropriations of both Houses of Congress a report, not later than 180 days after enactment of this Act, on the status of the pilot program.

Nursing home quality ratings.—To ensure transparency and accountability for veterans and their families in regard to nursing home care, the conferees direct VA to publish annually the quality of care rating assigned by the Department to each of its nursing homes and contracted community nursing homes.

Call routing.—The conferees are concerned by reports that veterans calling their community-based outpatient clinics (CBOC) to make an appointment are sometimes automatically routed to central call centers at VA medical centers with no follow-up by the CBOCs after the initial call. As a result, veterans may feel the need to physically visit the CBOC just to make an appointment. This is an unreasonable burden and may result in veterans not pursuing the care that they need. The conferees believe that our veterans deserve timely access to healthcare services and should be able to make their medical appointments via telephone. Therefore, the conferees urge the VA to ensure that VA phone systems allow veterans to call their local CBOC directly for appointments at those facilities rather than having their calls routed to a call center. The conferees further direct VA to provide to the Committees on Appropriations of both Houses of Congress a report, not later than 90 days after enactment of this Act, which explains the Department's guidance on call routing of the scheduling of appointments.

Advanced practice registered nurses.—As stated in the House report, the Secretary is urged to work with facilities that have not yet implemented VA's final rule granting full practice authority to advanced practice registered nurses to ensure quick implementation.

Physician assistants.—As stated in the Senate report, VA is directed to accelerate the rollout of competitive pay for physician assistants and develop a plan on how to better utilize the Health Professional Scholarship Program and Education Debt Reduction Program.

Proposed prosthetics services regulation.—The conferees support a veteran's right to obtain prosthetic and rehabilitative items as medical services from the best possible source and look forward to a rule that will not limit a veteran's choice.

Historically Black Colleges and Universities medical research programs.—As indicated in the House report, VA is directed to take concrete steps to improve its ongoing commitment to, and partnership with, minority health professions schools.

Hispanic-Serving Institution (HSI) affiliations with VA healthcare facilities.—As noted in the House report, the Secretary is urged to develop a plan to expand local VA medical facilities' participation with HSI medical schools. The conferees direct the Department to provide a report on its efforts not later than 30 days after enactment of this Act.

National Veterans Sports Program.—The conference agreement provides \$23,825,000 for the National Veterans Sports Program, with

\$2,000,000 designated for veterans monthly assistance allowances; \$15,000,000 for the Adaptive Sports Grants Program (ASGP); and \$6,825,000 for the support of national veterans sports and special events programs like the Paralympics. The funding for the ASGP is an increase of \$6,000,000 over the fiscal year 2018 level and \$7,000,000 over the request. Given the promising results reported using equine therapy for veterans with posttraumatic stress disorder, \$1,500,000 within the ASGP total is provided for equine therapy, an increase of \$500,000 over the fiscal year 2018 level. As stated in Senate Report 115-269 the conferees request that the Department provide a feasibility assessment for the cost of expanding the grant program to include recreational and lifelong sports, such as open ocean swimming, surfing, outrigger canoeing, hunting, and fishing, as well as any legal barriers to expansion.

Burn pits.—The conference agreement provides \$5,000,000 for Veterans Health Administration clinical proposals, developed in conjunction with research, focusing on post-deployment health for veterans exposed to airborne hazards and open burn pits. In addition, the Secretary is directed to provide an assessment of the process for informing veterans through VA and community care providers about the Airborne Hazards and Open Burn Pit Registry and their eligibility for registering.

Burn Pits Center of Excellence.—The conferees are aware that VA currently runs an Airborne Hazards Center of Excellence (AHCE) at the War Related Illness and Injury Study Center. The AHCE was established in 2013 to provide an objective and comprehensive assessment of veterans' cardiopulmonary function, military and non-military exposures, and health-related symptoms for those with airborne hazard concerns. In addition, the AHCE conducts clinical and translational research and actively develops and delivers new educational content to healthcare providers, veterans and other stakeholders. In order to better prevent, diagnose, mitigate, and treat conditions related to exposure to burn pits, as well as to leverage expertise in airborne hazards, the conferees have provided an additional \$5,000,000 for the Center to develop a concentration in burn pit study and research. Furthermore, to fully recognize the importance of this new mission and incorporate the expansion into the Center's overarching expertise in Airborne Hazards, the Department is directed to rename the Center to the Airborne Hazards and Burn Pits Center of Excellence. To the maximum extent practicable, the Department should collaborate with the Department of Defense, institutions of higher education, and other appropriate public and private entities (including international entities) to carry out responsibilities and activities of this Center of Excellence. Additionally, the conferees direct the Department to report back to the Committees on Appropriations no later than 120 days after enactment of this Act progress made in establishing this enhanced center of excellence.

Headache Centers of Excellence.—In fiscal year 2018, VA was provided \$10,000,000 in Public Law 115-141, the Consolidated Appropriations Act of 2018, for the establishment of Headache Centers of Excellence. The conferees direct the Department to provide an update on the status of these Centers to the Committees on Appropriations of both Houses of Congress no later than 30 days after enactment of this Act.

MEDICAL COMMUNITY CARE

The conference agreement provides \$10,758,399,000 in advance fiscal year 2020 funding for Medical Community Care, with

\$2,000,000,000 available until September 30, 2021.

The conference agreement provides an additional \$1,000,000,000 above the fiscal year 2019 advance appropriation for the Medical Community Care account. This level is \$500,000,000 more than was requested by the Administration and these funds are available for unanticipated costs in VA's traditional community care programs, as well as for requirements resulting from the passage of the MISSION Act. As a result of the MISSION Act, the conferees note that as early as May 2019 the Choice program, currently funded with direct spending, will be streamlined and consolidated with VA's traditional discretionary community care programs. Although the administration indicated a significant portion of the costs were assumed in the President's Budget request, it has not provided a funding estimate for the consolidated program. Ultimately, the timing of consolidation and any change in cost is dependent on the issuance of regulations that will outline the new program structure. As a result, the conferees direct the Department to provide monthly reports to the Committees identifying obligations for the Medical Community Care program against available appropriations, as well as anticipated funding needs based on the developing program structure.

MEDICAL SUPPORT AND COMPLIANCE

The conference agreement provides \$7,239,156,000 in advance for fiscal year 2020 for Medical Support and Compliance and makes \$100,000,000 of the advance funding available through fiscal year 2021. The bill also includes Sec. 236, which rescinds \$211,000,000 of fiscal year 2019 funds previously appropriated for this account.

MEDICAL FACILITIES

The conference agreement provides \$6,141,880,000 in advance for fiscal year 2020 for Medical Facilities, as well as \$90,180,000 in fiscal year 2019 funding, which is in addition to the advance funding provided last year. Of the advance funding, \$250,000,000 is made available through fiscal year 2021.

Facility expansion.—Given the current co-location of VA clinics on some military installations, such as at Tripler Army Medical Center in Hawaii and Joint Base Elmendorf in Alaska, and the likely benefits to VA of expanding this model to other military installations, VA is directed, as described in the House report, to complete a study on the potential benefits of placing VA clinics on military installations located in areas with high veteran populations and where nearby VA infrastructure is overburdened.

MEDICAL AND PROSTHETIC RESEARCH

The conference agreement provides \$779,000,000 for Medical and Prosthetic Research, available until September 30, 2020 and includes a proviso making \$27,000,000 of these funds available through fiscal year 2023. Bill language is included to ensure that the Secretary allocates adequate funding for prosthetic research specifically for female veterans and for toxic exposures.

VA/Department of Energy computing collaboration.—Of the amount provided for Medical and Prosthetics Research, \$27,000,000 is for VA's collaboration with the Department of Energy (DOE) via a long-term inter-agency agreement to leverage DOE's next generation artificial intelligence, big data, and high-performance computing technologies, as well as multi-modal diagnostics and data integration, in order to develop specific precision medicine applications.

VA cancer moonshot contribution.—As indicated in the Senate report, the Department is directed to include skin cancer as a subject of its efforts to provide targeted cancer

treatments to veterans through genomic science.

Center of Excellence for Research on Returning War Veterans.—The House report directed VA to provide a report based on initial concerns regarding the potential impact that moving the Posttraumatic-stress Residential Rehabilitation Program might have on the Waco Center of Excellence for Research on Returning War Veterans. Those concerns have been adequately addressed by information provided subsequently in an independent assessment, and a report from VA on this issue is no longer required.

Public-private partnerships.—The conferees urge VA to expedite consideration of proposals for public-private partnerships to leverage co-location of VA and university biomedical scientists engaged in multidisciplinary research.

NATIONAL CEMETERY ADMINISTRATION

The conference agreement provides \$315,836,000 for the National Cemetery Administration (NCA). Of the amount provided, not to exceed 10 percent is available until September 30, 2020.

DEPARTMENTAL ADMINISTRATION

GENERAL ADMINISTRATION

(INCLUDING TRANSFER OF FUNDS)

The conference agreement provides \$355,897,000 for General Administration. Of the amount provided, not to exceed 10 percent is available for obligation until September 30, 2020. The conference agreement continues to include bill language permitting the transfer of funds from this account to General Operating Expenses, Veterans Benefits Administration.

The conference agreement provides funding for General Administration in the amounts specified below:

Office	(in thousands of dollars)
Office of the Secretary	15,079
Office of General Counsel	99,675
Office of Management	63,402
Office of Human Resources	62,172
Office of Enterprise Integration	27,967
Office of Ops, Security and Preparedness	22,547
Office of Public and Intergovernmental Affairs	12,663
Office of Congressional and Legislative Affairs	5,900
Office of Acquisition Logistics and Construction	46,492

The Secretary may alter these allocations if the Committees have been notified and written approval is provided.

Additional budgetary information.—As described in the House report, VA is directed to include in its budget justification materials a table for each account that shows a five-year funding history, for requested and enacted levels.

Financial management system.—The conference agreement includes \$10,800,000 in this account, in addition to amounts provided in the Information Technology Systems account, for the development of a new financial management system. While the conferees do not question the need for a new financial management system, VA's record of previous failures in developing such a system support the need for rigorous oversight of this program. As part of this oversight, VA is di-

rected to provide quarterly reports that include obligations, broken down by appropriated, franchise, and other accounts. These reports should also include the development of an integrated master schedule and dashboard, life cycle costs, staffing, and schedule. In addition, VA is directed to conduct end-user surveys in a timeframe and with a content identified by the conferees.

Contractor accountability.—For contracts over \$500,000,000 whenever the Secretary provides a Show Cause Notice to a contracted service provider that establishes that the contractor did not cure the conditions endangering performance under the subject contract within the time frame prescribed in the Cure Notice, which necessitates a termination for default, VA must submit to the Committees on Appropriations and the Committees on Veterans' Affairs of the Senate and the House of Representatives notification of issuance of each Show Cause Notice. At a minimum, the notification should include: (1) an explanation of the reasons for providing such notice; (2) a description of the effect of the contractor failure, including with respect to cost, schedule, and requirements; (3) a description of the actions taken by the Secretary to mitigate such failure (other than issuance of the cure notice); and, (4) a description of the actions taken by the contractor to address such failure.

Prompt payments.—The conferees are concerned that VA is not paying small businesses in a timely manner. Small business vendors depend on timely payments to pay for their services, pay their employees, and conduct business that they have agreed to perform for VA. Therefore, the conferees urge the Department to ensure that payments are made to small businesses promptly.

Medical Care Collections Fund.—The conferees are aware that the Department continues to struggle with collections of third-party billings, which has impacted revenue in the Medical Care Collections Fund. The Department has indicated that it will take action by the end of fiscal year 2018 to address this long-standing problem. The conferees direct VA to report to the Committees on Appropriations of both Houses of Congress no later than 60 days after enactment of this Act on how the Department is complying with directives regarding third-party billing contained in Public Laws 114–113 and 115–141.

Debts incurred by individuals.—The Department is directed, within 180 days of enactment of this Act, to develop a means to track and monitor information on the age and amount of debts owed by individuals to the United States as a result of those individuals' participation in a VA-administered benefits program; whether such debts are the result of delays in VA processing of changes to beneficiary status or other VA actions; and whether such debts are disputed by those individuals. Further, VA is directed to submit a report describing the plan no later than 90 days after it is developed.

Inconsistencies in contracting policy after the Kingdonware decision.—In Public Law 115–96 VA was urged to issue additional guidance to

provide a standard set of criteria for contracting officers to evaluate veteran-owned providers' capabilities and to take steps to ensure their implementation consistently across the VISNs, in alignment with the GAO's recommendations, especially about option years. The conferees have learned that VA has still not issued guidance and again urge VA to provide additional guidance.

BOARD OF VETERANS APPEALS

The conference agreement provides \$174,748,000 for the Board of Veterans Appeals, of which not to exceed 10 percent shall remain available until September 30, 2020.

Appeals reform.—As VA has made progress in reducing the backlog of initial disability claims, there has been an increase in the number of appeals. Reforming the appeals process is critical in addressing this increase and requires the commitment of sufficient resources. As such, the Board of Veterans Appeals is urged, as described in the House report, to commit the necessary resources to reduce the backlog of appeals.

INFORMATION TECHNOLOGY SYSTEMS

(INCLUDING TRANSFER OF FUNDS)

The conference agreement provides \$4,103,000,000 for Information Technology (IT) Systems. The conference agreement identifies separately in bill language the funding available for pay and associated costs (\$1,199,220,000); operations and maintenance (\$2,523,209,000); and systems development (\$380,571,000). The conference agreement makes not to exceed 3 percent of pay and associated costs funding available until the end of fiscal year 2020; not to exceed 5 percent of operations and maintenance funding available until the end of fiscal year 2020; and all IT systems development funding available until the end of fiscal year 2020.

The conference agreement includes \$32,013,000 in information technology funding for the Veterans Benefits Management System that processes disability claims; \$9,505,000 for the Board of Veterans Appeals claims appeals modernization effort; \$72,821,000 for development of a new VA financial management system; and \$22,081,000 for replacement of the NCA burial operations support system.

The conference agreement continues language permitting funding to be transferred among the three IT subaccounts, subject to approval from the Committees.

The conference agreement continues language providing that funding may be transferred among development projects or to new projects subject to the Committees' approval.

The conference agreement continues language indicating that no development project may be increased or decreased by more than \$1,000,000 prior to receiving approval of the Committees or a period of 30 days has elapsed.

The conference agreement provides funding for IT development for the projects and in the amounts specified in the following table:

INFORMATION TECHNOLOGY DEVELOPMENT PROJECTS

(\$ in thousands of dollars)

	Clinical Applications	Amount
1		
A	Access and Billing	5,891
B	My HealtheVet	10,300

This table is intended to serve as the Department's approved list of development projects; any requested changes are subject to reprogramming requirements.

Cybersecurity implementation.—As stated in the House report, VA is urged to ensure that patient records being transferred from DOD to VA have the same level of security and data-level protections as provided by the Department of Defense.

Appointment scheduling.—The conferees understand that the new electronic health record (EHR) contract includes an appointment scheduling system component that will be rolled out across the VA network in conjunction with the EHR system over a ten-year time period. While supportive of the implementation of a single EHR that includes all elements, including appointment scheduling, the conferees are disturbed that some regions of the country will not benefit from the scheduling system for a decade. An improved scheduling system must be one of VA's top priorities to address the continuing problem of delayed appointments. The conferees urge VA to consider alternatives that would permit all regions of the country to receive the benefits of a modern scheduling system in advance of the nationwide EHR system roll-out. The conferees understand that VA may consider decoupling the scheduling system from the rest of the EHR implementation, permitting its nationwide implementation far sooner. If that alternative is not adopted, VA is encouraged to consider implementing the commercial off-the-shelf scheduling solutions it is currently piloting. If evaluations of these pilots indicate that they provide significant interim or long-term benefits, the conferees urge their expansion to additional geographic areas. The conferees direct VA to report within 90 days

of enactment of this Act whether it has decided to separate the scheduling component within the EHR contract and implement it separately on a faster track. If the Department declines to take this action, the conferees direct the agency to notify the Committees within 150 days of enactment of this Act of its alternative plans to accelerate nationwide implementation of an improved scheduling system.

VETERANS ELECTRONIC HEALTH RECORD

The conference agreement provides \$1,107,000,000 for activities related to the development and rollout of a new VA EHR, the associated contractual costs, and the salaries and expenses of employees hired under titles 5 and 38, United States Code. The funding amount is \$100,000,000 below the request based on the Department's assertion that it could accommodate such a decrement with no adverse impact to program cost, schedule, or performance. Also, because this is a very substantial new effort and the timing of obligation of funding is uncertain, the conference agreement makes these funds available for three years. Of the amount provided, not less than \$412,000,000 is for improvement or establishment of infrastructure associated with the program. Additionally, the conference agreement includes bill language requiring the approval of the Committees on Appropriations of both Houses of Congress before any funds may be used to deviate from the deployment schedules provided to those committees by VA.

Given the potential resistance from some users in adopting a new electronic health record system, the conferees direct VA to focus sufficient resources and attention on the challenge of change management during deployment. The conferees further direct VA

to: maintain clear and agreed-upon metrics and goals with the DOD in regard to electronic health record interoperability and establish clear timeframes for meeting those goals; update the VA/DOD Interagency Program Office guidance to reflect agreed-upon metrics and goals; and ensure clinician feedback is sought and considered as the EHR system is modernized.

Quarterly reporting.—The conferees continue to direct GAO to perform quarterly performance reviews of the VA electronic health record deployment to keep the Committees on Appropriations of both Houses of Congress apprised of VA's progress. The conferees also continue to include bill language directing VA to provide quarterly updates on the status of the electronic health record program. VA is directed to provide obligations, expenditures, and deployment implementation by facility. The conferees also continue to include bill language directing that these funds are available only to the Office of the Deputy Secretary.

OFFICE OF INSPECTOR GENERAL

The conference agreement provides \$192,000,000 for the Office of Inspector General. Of the amount provided, not to exceed 10 percent is available for obligation until September 30, 2020.

Community Living Centers (CLC).—The conferees direct the VA Office of Inspector General to conduct an inspection of VA CLCs and report on best practices from VA and/or private sector that would improve the performance of VA CLCs that perform poorly on VA's ranking system.

Washington DC Veterans Affairs Medical Center.—The conferees urge the Inspector General to dedicate all necessary resources to provide rigorous oversight of the Washington, DC, Veterans Affairs Medical Center,

a facility that has been plagued with management problems.

CONSTRUCTION, MAJOR PROJECTS

The conference agreement provides \$1,127,486,000 for Construction, Major Projects. The conference agreement makes

this funding available for five years, except that \$480,000,000 is made available until expended of which \$400,000,000 shall be available for seismic improvement projects and seismic program management activities, including for projects that would otherwise be funded by other VA accounts. The bill in-

cludes language that, notwithstanding title 38, seismic funding shall be available for the completion of both new and existing seismic projects.

The conference agreement funds the following items as requested in the budget submission:

CONSTRUCTION, MAJOR PROJECTS

	Location and Description	(\$ in thousands of dollars)
Veterans Health Administration (VHA):		
St. Louis, MO: medical facility improvements and cemetery expansion	34,400	
Canandaigua, NY: construction and renovation	190,000	
Dallas, TX: spinal cord injury facility	135,686

Staff Offices Advance Planning Fund	6,000	
Total, Construction Major Projects	1,127,486	

CONSTRUCTION, MINOR PROJECTS

The conference agreement provides \$649,514,000 for Construction, Minor Projects. The conference agreement makes this funding available for five years.

GRANTS FOR CONSTRUCTION OF STATE EXTENDED CARE FACILITIES

The conference agreement provides \$150,000,000 for Grants for Construction of State Extended Care Facilities, to remain available until expended.

GRANTS FOR CONSTRUCTION OF VETERANS CEMETERIES

The conference agreement provides \$45,000,000 for Grants for Construction of Veterans Cemeteries, to remain available until expended.

ADMINISTRATIVE PROVISIONS

(INCLUDING TRANSFERS AND RESCISSIONS OF FUNDS)

The conference agreement includes section 201 allowing for the transfer of funds among the three mandatory accounts.

The conference agreement includes section 202 allowing for the transfer of funds among the four medical accounts.

The conference agreement includes section 203 allowing salaries and expenses funds to be used for related authorized purposes.

The conference agreement includes section 204 restricting the accounts that may be used for the acquisition of land or the construction of any new hospital or home.

The conference agreement includes section 205 limiting the use of funds in the Medical Services account only for entitled beneficiaries unless reimbursement is made to the Department.

The conference agreement includes section 206 allowing for the use of certain mandatory appropriations accounts for payment of prior year accrued obligations for those accounts.

The conference agreement includes section 207 allowing the use of appropriations available in this title to pay prior year obligations.

The conference agreement includes section 208 allowing the Department to use surplus

earnings from the National Service Life Insurance Fund, the Veterans' Special Life Insurance Fund, and the United States Government Life Insurance Fund to administer these programs.

The conference agreement includes section 209 allowing the Department to cover the administrative expenses of enhanced-use leases and provides authority to obligate these reimbursements in the year in which the proceeds are received.

The conference agreement includes section 210 limiting the amount of reimbursement the Office of Resolution Management, the Office of Employment Discrimination Complaint Adjudication, the Office of Accountability and Whistleblower Protection, and the Office of Diversity and Inclusion can charge other offices of the Department for services provided.

The conference agreement includes section 211 requiring the Department to collect third-party payer information for persons treated for a non-service-connected disability.

The conference agreement includes section 212 allowing for the use of enhanced-use leasing revenues for Construction, Major Projects and Construction, Minor Projects.

The conference agreement includes section 213 outlining authorized uses for Medical Services funds.

The conference agreement includes section 214 allowing for funds deposited into the Medical Care Collections Fund to be transferred to the Medical Services and Medical Community Care accounts.

The conference agreement includes section 215 which allows Alaskan veterans to use medical facilities of the Indian Health Service or tribal organizations.

The conference agreement includes section 216 permitting the transfer of funds from the Department of Veterans Affairs Capital Asset Fund to the Construction, Major Projects and Construction, Minor Projects accounts and makes those funds available until expended.

The conference agreement includes section 217 requiring the Secretary to submit finan-

cial status quarterly reports for each of the Administrations in the Department. The specific data requested is similar to that requested in the fiscal year 2017 conference report.

The conference agreement includes section 218 requiring the Department to notify and receive approval from the Committees of any proposed transfer of funding to or from the Information Technology Systems account and limits the aggregate annual increase in the account to no more than 10 percent of the funding appropriated to the account in this Act.

The conference agreement includes section 219 providing up to \$301,578,000 of fiscal year 2019 funds for transfer to the Joint DOD-VA Medical Facility Demonstration Fund. Additional funding may be transferred from these accounts upon written notification to the Committees. A proviso with similar authority in Public Law 115-141 is repealed by this section.

The conference agreement includes section 220 which permits \$307,609,000 of fiscal year 2020 medical care funding provided in advance to be transferred to the Joint DOD-VA Medical Facility Demonstration Fund.

The conference agreement includes section 221 which authorizes transfers from the Medical Care Collections Fund to the Joint DOD-VA Medical Facility Demonstration Fund.

The conference agreement includes section 222 which transfers at least \$15,000,000 from VA medical accounts to the DOD-VA Health Care Sharing Incentive Fund.

The conference agreement includes section 223 prohibiting funds available to the Department in this or any other Act from being used to replace the current system by which VISNs select and contract for diabetes monitoring supplies and equipment.

The conference agreement includes section 224 requiring that the Department notify the Committees of bid savings in a major construction project of at least \$5,000,000, or 5 percent, whichever is less, 14 days prior to the obligation of the bid savings and describe their anticipated use.

The conference agreement includes section 225 which prohibits VA from increasing the scope of work for a major construction project above the scope specified in the original budget request unless the Secretary receives approval from the Committees.

The conference agreement includes section 226 requiring a quarterly report from each VBA regional office on pending disability claims, both initial and supplemental; error rates; the number of claims processing personnel; corrective actions taken; training programs; and review team audit results. It also requires a quarterly report on the number of appeals pending at the Veterans Benefits Administration and the Board of Veterans Appeals.

The conference agreement includes section 227 requiring VA to notify the Committees 15 days prior to any staff office relocations within VA of 25 or more full-time-equivalent staff.

The conference agreement includes section 228 requiring the Secretary to report to the Committees each quarter about any single national outreach and awareness marketing campaign exceeding \$2,000,000.

The conference agreement includes section 229 permitting the transfer to the Medical Services account of fiscal year discretionary 2019 funds appropriated in this Act or available from advance fiscal year 2019 funds already appropriated, except for funds appropriated to General Operating Expenses, VBA, to address possible unmet, high priority needs in Medical Services. Such unanticipated demands may result from circumstances such as a greater than projected number of enrollees or higher intensity of use of benefits. Any such transfer requires the approval of the Committees.

The conference agreement includes section 230 permitting the transfer of funding between the General Operating Expenses, Veterans Benefits Administration account and the Board of Veterans Appeals account if necessary to permit the hiring of staffing at the appropriate stage of the appeals process to address mounting claims appeals workload. Any such transfer requires the approval of the Committees.

The conference agreement includes section 231 prohibiting the Secretary from reprogramming funds in excess of \$7,000,000 among major construction projects or programs unless the reprogramming is approved by the Committees.

The conference agreement includes section 232 mandating certain professional standards for the veterans crisis hotline and requiring a study to assess its effectiveness.

The conference agreement includes section 233 restricting funds from being used to close certain medical facilities in the absence of a national realignment strategy.

The conference agreement includes section 234 prohibiting the use of funds, from the period October 1, 2018 through January 1, 2024, in contravention of VHA's May 10, 2017 guidelines on breast cancer screening.

The conference agreement includes section 235 allowing the use of Medical Services funding for assisted reproductive technology treatment and adoption reimbursement for veterans and their spouses if the veteran has a service-connected disability that results in being unable to procreate without such fertility treatment.

The conference agreement includes section 236, which rescinds \$211,000,000 of previously appropriated advance fiscal year 2019 funds from the Medical Support and Compliance account.

The conference agreement includes section 237 prohibiting any funds from being used in a manner that is inconsistent with statutory limitations on outsourcing.

The conference agreement includes section 238 pertaining to exceptions for Indian- or

Native Hawaiian-owned businesses contracting with VA.

The conference agreement includes section 239 directing the elimination over a series of years of the use of social security numbers in VA programs.

The conference agreement includes section 240 referencing the provision in the 2017 Appropriations Act pertaining to certification of marriage and family therapists.

The conference agreement includes section 241, which prohibits funds from being used to transfer funding from the Filipino Veterans Equity Compensation Fund to any other VA account.

The conference agreement includes section 242 permitting funding to be used in fiscal years 2019 and 2020 to carry out and expand the child care pilot program authorized by section 205 of Public Law 111-163.

The conference agreement includes section 243 which includes a reference to a provision in the 2017 Appropriations Act identifying information which may be used to verify the status of coastwise merchant seamen who served during World War II for the purposes of eligibility for medals, ribbons, or other military decorations.

The conference agreement includes section 244 permitting the Secretary to use appropriated funds to ensure particular ratios of veterans to full-time employment equivalents within any VA program of rehabilitation.

The conference agreement includes section 245 prohibiting VA from using funds to enter into an agreement to resolve a dispute or claim with an individual that would restrict the individual from speaking to members of Congress or their staff on any topic, except those required to be kept secret in the interest of national defense or the conduct of foreign affairs.

The conference agreement includes section 246 referencing language in the 2017 Appropriations Act requiring certain data to be included in budget justifications for major construction projects.

The conference agreement includes section 247 prohibiting the use of canines in VA research unless: the scientific objectives of the study can only be met by using canines; the study has been directly approved by the Secretary; and the study is consistent with the revised VA canine research policy document released in December 2017.

The conference agreement includes section 248 providing \$2,000,000,000 to be available until expended for VA infrastructure needs, of which \$800,000,000 is for Medical Facilities for non-recurring maintenance; \$300,000,000 is for Major Construction; \$150,000,000 is for Minor Construction; and \$750,000,000 is for seismic improvement projects and seismic project management activities. This funding is not made available until VA provides and the Committees approve a detailed expenditure plan.

The conference agreement includes section 249 prohibiting the use of funds to deny the Inspector General timely access to information, unless a provision of law expressly refers to the Inspector General and expressly limits such access.

The conference agreement includes section 250 directing VA to submit a plan to reduce the chances that clinical mistakes by VA employees will result in adverse events that require institutional or clinical disclosures.

The conference agreement includes section 251 prohibiting funding from being used in a manner that would increase wait times for veterans at medical facilities.

The conference agreement includes section 252 prohibiting the use of funds in fiscal year 2019 to convert any program which received specific purpose funds in fiscal year 2018 to a general purpose-funded program without the

approval of the Committees on Appropriations of both Houses of Congress at least 30 days prior to any such action.

TITLE III RELATED AGENCIES AMERICAN BATTLE MONUMENTS COMMISSION SALARIES AND EXPENSES

The conference agreement includes \$104,000,000 for Salaries and Expenses of the American Battle Monuments Commission (ABMC), an increase of \$28,900,000 above the budget request to support the Commission's unfunded requirements for high priority projects. Not later than 30 days after the date of enactment of this Act, the Secretary shall submit to the Committees on Appropriations of both Houses of Congress a spend plan detailing the use of these funds.

FOREIGN CURRENCY FLUCTUATIONS ACCOUNT

The conference agreement includes such sums as necessary for the Foreign Currency Fluctuations Account. However, due to favorable exchange rates, no funds are expected to be required in fiscal year 2019.

UNITED STATES COURT OF APPEALS FOR VETERANS CLAIMS SALARIES AND EXPENSES

The conference agreement includes \$34,955,000 for Salaries and Expenses for the United States Court of Appeals for Veterans Claims. Public Law 114-113 provided planning and design funds for a feasibility study that has yet to be completed. In addition, the Committees received a letter that GSA is moving to another direction for a courthouse and therefore the conference agreement does not include funding for a new courthouse, as requested at this time.

DEPARTMENT OF DEFENSE—CIVIL CEMETERIAL EXPENSES, ARMY SALARIES AND EXPENSES

The conference agreement includes \$80,800,000 for Cemeterial Expenses, Army—Salaries and Expenses. Within that amount, up to \$15,000,000 in funding is available until September 30, 2021.

CONSTRUCTION

The conference agreement provides \$33,600,000 for planning and design and construction of Southern Expansion to remain available until expended.

Arlington National Cemetery Southern Expansion.—The conference agreement provides \$33,600,000 for all activities, including construction of the Southern Expansion. The conferees note that the project is expected to cost upwards of \$350,000,000 has an estimated completion date of 2025, adds 37 acres of land, and will extend the cemetery's life into the 2050s. While the conferees strongly support extending the life of the cemetery, there are concerns that the proposed expansion lacks proper planning. For example the Committees were initially told that the Southern Expansion would cost \$274,000,000 however, now it appears that estimate was vastly underestimated. Therefore, no later than 180 days after enactment of this Act the conferees direct the Army to provide a comprehensive plan that includes cost estimate and construction schedule. Furthermore, after this reporting requirement is met the Army shall provide quarterly updates until this project is completed.

ARMED FORCES RETIREMENT HOME TRUST FUND

The conference agreement includes a total of \$64,300,000 for the Armed Forces Retirement Home (AFRH), as requested, but does not provide the funds in the manner requested. The agreement directs that \$42,300,000 be derived from the Trust Fund and \$22,000,000 be provided from the General Fund to support AFRH operations.

Trust Fund Solvency.—There continues to be a belief that both legislative and administrative actions are necessary to improve Trust Fund solvency, eliminate AFRH's reliance on the General Fund, and maintain the high-quality services provided to AFRH residents. While there is still concern about the path forward, DOD is directed to continue working with AFRH to take appropriate administrative action and to develop and submit proposed authorizing language that addresses the issue of Trust Fund solvency.

ADMINISTRATIVE PROVISION

The conference agreement includes section 301 allowing Arlington National Cemetery to deposit and use funds derived from concessions.

TITLE IV

OVERSEAS CONTINGENCY OPERATIONS

DEPARTMENT OF DEFENSE

The conference agreement includes title IV, Overseas Contingency Operations, for

military construction projects related to the Global War on Terrorism and the European Deterrence/Reassurance Initiative.

MILITARY CONSTRUCTION, ARMY

The conference agreement includes \$192,250,000 for "Military Construction, Army", for planning and design and construction in support of Overseas Contingency Operations and the European Deterrence/Reassurance Initiative.

MILITARY CONSTRUCTION, NAVY AND MARINE CORPS

The conference agreement includes \$227,320,000 for "Military Construction, Navy and Marine Corps", for planning and design and construction in support of Overseas Contingency Operations and the European Deterrence/Reassurance Initiative.

MILITARY CONSTRUCTION, AIR FORCE

The conference agreement includes \$414,800,000 for "Military Construction, Air Force", for planning and design and con-

struction in support of Overseas Contingency Operations and the European Deterrence/Reassurance Initiative.

MILITARY CONSTRUCTION, DEFENSE-WIDE

The conference agreement includes \$87,050,000 for "Military Construction, Defense-Wide", for planning and design and construction in support of Overseas Contingency Operations and the European Deterrence/Reassurance Initiative.

ADMINISTRATIVE PROVISIONS

The conference agreement includes section 401 which provides the contingent emergency designation for the Overseas Contingency Operations accounts.

The conference agreement includes section 402 which requires the Department of Defense to provide a future year defense program for European Deterrence/Reassurance Initiative to the congressional defense committees.

TITLE V**GENERAL PROVISIONS**

The conference agreement includes section 501 prohibiting the obligation of funds in this Act beyond the current fiscal year unless expressly so provided.

The conference agreement includes section 502 prohibiting the use of the funds in this Act for programs, projects, or activities not in compliance with Federal law relating to risk assessment, the protection of private property rights, or unfunded mandates.

The conference agreement includes section 503 encouraging all Departments to expand their use of “E-Commerce.”

The conference agreement includes section 504 specifying the congressional committees that are to receive all reports and notifications.

The conference agreement includes section 505 prohibiting the transfer of funds to any

instrumentality of the United States Government without authority from an appropriations Act.

The conference agreement includes section 506 prohibiting the use of funds for a project or program named for a serving Member, Delegate, or Resident Commissioner of the United States House of Representatives.

The conference agreement includes section 507 requiring all reports submitted to Congress to be posted on official web sites of the submitting agency.

The conference agreement includes section 508 prohibiting the use of funds to establish or maintain a computer network unless such network blocks the viewing, downloading, and exchanging of pornography, except for law enforcement investigation, prosecution, or adjudication activities.

The conference agreement includes section 509 prohibiting the use of funds for the pay-

ment of first-class air travel by an employee of the executive branch.

The conference agreement includes section 510 prohibiting the use of funds in this Act for any contract where the contractor has not complied with E-Verify requirements.

The conference agreement includes section 511 prohibiting the use of funds in this Act by the Department of Defense or the Department of Veterans Affairs for the purchase or lease of a new vehicle except in accordance with Presidential Memorandum—Federal Fleet Performance, dated May 24, 2011.

The conference agreement includes section 512 prohibiting the use of funds in this Act for the renovation, expansion, or construction of any facility in the continental United States for the purpose of housing any individual who has been detained at the United States Naval Station, Guantanamo Bay, Cuba.

ADJOURNMENT

Mr. SIMPSON. Mr. Speaker, I move that the House do now adjourn.

The motion was agreed to; accordingly (at 3 o'clock and 36 minutes p.m.), under its previous order, the House adjourned until Wednesday, September 12, 2018, at noon for morning-hour debate.

EXECUTIVE COMMUNICATIONS, ETC.

6202. Under clause 2 of rule XIV, a communication from the President of the United States, transmitting notification that the national emergency declared in Proclamation 7463 of September 14, 2001, with respect to certain terrorist attacks on the United States of September 11, 2001, is to continue for one year beyond September 14, 2018, pursuant to 50 U.S.C. 1622(d); Public Law 94-412, Sec. 202(d); (90 Stat. 1257) (H. Doc. No. 115—151), was taken from the Speaker's table, referred to the Committee on Foreign Affairs and ordered to be printed.

REPORTS OF COMMITTEES ON PUBLIC BILLS AND RESOLUTIONS

Under clause 2 of rule XIII, reports of committees were delivered to the Clerk for printing and reference to the proper calendar, as follows:

Mr. BISHOP of Utah: Committee on Natural Resources. H.R. 3764. A bill to extend the Federal recognition to the Little Shell Tribe of Chippewa Indians of Montana, and for other purposes; with an amendment (Rept. 115-928). Referred to the Committee of the Whole House on the state of the Union.

Mr. SIMPSON: Committee of Conference. Conference report on H.R. 5895. A bill making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2019, and for other purposes (Rept. 115-929). Ordered to be printed.

Mr. BISHOP of Utah: Committee on Natural Resources. H.R. 6287. A bill to provide competitive grants for the operation, security, and maintenance of certain memorials to victims of the terrorist attacks of September 11, 2001 (Rept. 115-930). Referred to the Committee of the Whole House on the state of the Union.

Mr. BISHOP of Utah: Committee on Natural Resources. S. 2857. An act to designate

the Nordic Museum in Seattle, Washington, as the "National Nordic Museum", and for other purposes (Rept. 115-931). Referred to the House Calendar.

Mr. BRADY of Texas: Committee on Ways and Means. H.R. 3309. A bill to require the Commissioner of Social Security to make publicly available online tools to allow individuals eligible for disability benefits to assess the impact of earnings on the individual's eligibility for, and amount of, benefits received through Federal and State benefit programs, with an amendment (Rept. 115-932). Referred to the Committee of the Whole House on the state of the Union.

Mr. BRADY of Texas: Committee on Ways and Means. H.R. 3635. A bill to amend title XVIII of the Social Security Act in order to improve the process whereby medicare administrative contractors issue local coverage determinations under the Medicare program, and for other purposes; with an amendment (Rept. 115-933, Pt. 1). Referred to the Committee of the Whole House on the state of the Union.

Mr. BRADY of Texas: Committee on Ways and Means. H.R. 6561. A bill to direct the Secretary of Health and Human Services to finalize certain proposed provisions relating to the Programs of All-Inclusive Care for the Elderly (PACE) under the Medicare and Medicaid programs, with amendments (Rept. 115-934, Pt. 1). Referred to the Committee of the Whole House on the state of the Union.

Mr. BRADY of Texas: Committee on Ways and Means. H.R. 6662. A bill to amend title XVIII of the Social Security Act to extend the special election period under part C of the Medicare program for certain deemed individuals enrolled in a reasonable cost reimbursement contract to certain nondeemed individuals enrolled in such contract; with an amendment (Rept. 115-935, Pt. 1). Referred to the Committee of the Whole House on the state of the Union.

Mr. BRADY of Texas: Committee on Ways and Means. H.R. 6690. A bill to establish a smart card pilot program to combat fraud, waste, and abuse and to protect beneficiary identity under the Medicare program; with an amendment (Rept. 115-936, Pt. 1). Referred to the Committee of the Whole House on the state of the Union.

DISCHARGE OF COMMITTEE

Pursuant to clause 2 of rule XIII, the Committee on Energy and Commerce discharged from further consideration. H.R. 3635 referred to the Committee of the Whole House on the state of the Union.

Pursuant to clause 2 of rule XIII, the Committee on Energy and Commerce discharged from further consideration. H.R. 6561 referred to the Committee of the Whole House on the state of the Union.

Pursuant to clause 2 of rule XIII, the Committee on Energy and Commerce discharged from further consideration. H.R. 6662 referred to the Committee of the Whole House on the state of the Union.

Pursuant to clause 2 of rule XIII, the Committee on Energy and Commerce discharged from further consideration. H.R. 6690 referred to the Committee of the Whole House on the state of the Union.

PUBLIC BILLS AND RESOLUTIONS

Under clause 2 of rule XII, public bills and resolutions of the following

titles were introduced and severally referred, as follows:

By Mr. ISSA (for himself and Mr. GOODLATTE):

H.R. 6754. A bill to amend title 28, United States Code, to modify the structure of the Court of Appeals for the Ninth Circuit, and for other purposes; to the Committee on the Judiciary.

By Mr. ISSA (for himself and Mr. GOODLATTE):

H.R. 6755. A bill to provide for additional Article III judges, to modernize the administration of justice, and for other purposes; to the Committee on the Judiciary, and in addition to the Committee on Transportation and Infrastructure, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.

By Mr. BUCHANAN (for himself, Mr. BRADY of Texas, Mr. SAM JOHNSON of Texas, Mr. NUNES, Mr. REICHERT, Mr. ROSKAM, Mr. SMITH of Nebraska, Ms. JENKINS of Kansas, Mr. PAULSEN, Mr. MARCHANT, Mrs. BLACK, Mr. REED, Mr. RENACCI, Mr. KELLY of Pennsylvania, Mrs. NOEM, Mr. HOLDING, Mr. SMITH of Missouri, Mr. RICE of South Carolina, Mr. SCHWEIKERT, Mrs. WALORSKI, Mr. CURBELO of Florida, Mr. BISHOP of Michigan, Mr. LAHOOD, and Mr. WENSTRUP):

H.R. 6756. A bill to amend the Internal Revenue Code of 1986 to promote new business innovation, and for other purposes; to the Committee on Ways and Means.

By Mr. KELLY of Pennsylvania (for himself, Mr. BRADY of Texas, Mr. SAM JOHNSON of Texas, Mr. NUNES, Mr. REICHERT, Mr. ROSKAM, Mr. BUCHANAN, Mr. SMITH of Nebraska, Ms. JENKINS of Kansas, Mr. PAULSEN, Mr. MARCHANT, Mrs. BLACK, Mr. REED, Mr. RENACCI, Mrs. NOEM, Mr. HOLDING, Mr. SMITH of Missouri, Mr. RICE of South Carolina, Mr. SCHWEIKERT, Mrs. WALORSKI, Mr. CURBELO of Florida, Mr. BISHOP of Michigan, Mr. LAHOOD, Mr. WENSTRUP, and Mr. MITCHELL):

H.R. 6757. A bill to amend the Internal Revenue Code of 1986 to encourage retirement and family savings, and for other purposes; to the Committee on Ways and Means, and in addition to the Committee on Education and the Workforce, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.

By Mr. CHABOT (for himself, Mr. JOHNSON of Georgia, Mr. GOODLATTE, Mr. NADLER, Mrs. COMSTOCK, Mr. JEFFRIES, Ms. VELÁZQUEZ, Mrs. WAGNER, Ms. ADAMS, and Mrs. HANDEL):

H.R. 6758. A bill to direct the Under Secretary of Commerce for Intellectual Property and Director of the United States Patent and Trademark Office, in consultation with the Administrator of the Small Business Administration, to study and provide recommendations to promote the participation of women and minorities in entrepreneurship activities and the patent system, to extend by 8 years the Patent and Trademark Office's authority to set the amounts for the fees it charges, and for other purposes; to the Committee on the Judiciary.

By Mr. GRIJALVA (for himself and Mr. COSTELLO of Pennsylvania):

H.R. 6759. A bill to amend title 54, United States Code, to provide consistent and reliable authority for, and for the funding of, the Land and Water Conservation Fund to maximize the effectiveness of the Fund for

future generations, and for other purposes; to the Committee on Natural Resources, and in addition to the Committee on the Budget, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.

By Mr. RODNEY DAVIS of Illinois (for himself, Mr. MEADOWS, Mr. WALKER, Mr. BRADY of Texas, Mr. SAM JOHNSON of Texas, Mr. NUNES, Mr. REICHERT, Mr. ROSKAM, Mr. BUCHANAN, Mr. SMITH of Nebraska, Ms. JENKINS of Kansas, Mr. PAULSEN, Mr. MARCHANT, Mrs. BLACK, Mr. REED, Mr. KELLY of Pennsylvania, Mr. RENACCI, Mrs. NOEM, Mr. HOLDING, Mr. SMITH of Missouri, Mr. RICE of South Carolina, Mr. SCHWEIKERT, Mrs. WALORSKI, Mr. CURBETO of Florida, Mr. BISHOP of Michigan, Mr. LAHOOD, and Mr. WENSTRUP):

H.R. 6760. A bill to amend the Internal Revenue Code of 1986 to make permanent certain provisions of the Tax Cuts and Jobs Act affecting individuals, families, and small businesses; to the Committee on Ways and Means.

By Mr. CICILLINE:

H.R. 6761. A bill to direct the Judicial Conference to provide electronic public access to exhibits in Federal cases, and for other purposes; to the Committee on the Judiciary.

By Mr. CICILLINE (for himself, Mr. GOODLATTE, and Mr. NADLER):

H.R. 6762. A bill to make improvements in the enactment of title 41, United States Code, into a positive law title and to improve the Code; to the Committee on the Judiciary.

By Mr. GRAVES of Louisiana:

H.R. 6763. A bill to amend the Gulf of Mexico Energy Security Act of 2006 and for other purposes; to the Committee on Natural Resources.

By Ms. KUSTER of New Hampshire (for herself, Mr. CARSON of Indiana, Mr. RYAN of Ohio, Ms. BASS, and Mr. CICILLINE):

H.R. 6764. A bill to amend title XIX of the Social Security Act to provide a consistent standard of health care to the incarcerated; to the Committee on Energy and Commerce.

By Ms. NORTON:

H.R. 6765. A bill to direct the Secretary of Education to establish a competitive grant program to award grants to local educational agencies to address implicit bias in elementary and secondary schools, and for other purposes; to the Committee on Education and the Workforce.

By Mr. PANETTA (for himself and Mr. BACON):

H.R. 6766. A bill to authorize the Secretary of Veterans Affairs to make grants to public institutions of higher education for the establishment of Veterans Resource Centers, and for other purposes; to the Committee on Veterans' Affairs, and in addition to the Committee on Armed Services, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.

By Mr. PAULSEN:

H.R. 6767. A bill to amend the Internal Revenue Code of 1986 to allow qualified education loan repayments from section 529 plans; to the Committee on Ways and Means.

By Mr. SOTO (for himself, Mr. GALLEGO, Mr. QUIGLEY, Mr. PAYNE, Ms. NORTON, Ms. BARRAGÁN, Mr. CARTWRIGHT, and Ms. MOORE):

H.R. 6768. A bill to re-establish certain hydraulic fracturing chemical disclosure rules, standards for well construction, and waste management rules, and for other purposes; to the Committee on Energy and Commerce,

and in addition to the Committees on Transportation and Infrastructure, and Natural Resources, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.

By Mr. TAYLOR:

H.R. 6769. A bill to amend title 38, United States Code, to extend the period in which members of the uniformed services may transfer entitlement to educational assistance under Post-9/11 Educational Assistance Program, and for other purposes; to the Committee on Veterans' Affairs.

CONSTITUTIONAL AUTHORITY STATEMENT

Pursuant to clause 7 of rule XII of the Rules of the House of Representatives, the following statements are submitted regarding the specific powers granted to Congress in the Constitution to enact the accompanying bill or joint resolution.

By Mr. ISSA:

H.R. 6754.

Congress has the power to enact this legislation pursuant to the following:

Article I, Section 8, Clause 9

By Mr. ISSA:

H.R. 6755.

Congress has the power to enact this legislation pursuant to the following:

Article I, Section 8, Clause 9

By Mr. BUCHANAN:

H.R. 6756.

Congress has the power to enact this legislation pursuant to the following:

Article I, Section 8, Clause 1 of the Constitution of the United States.

By Mr. KELLY of Pennsylvania:

H.R. 6757.

Congress has the power to enact this legislation pursuant to the following:

Article I, Section 8, Clause 1 of the Constitution of the United States.

By Mr. CHABOT:

H.R. 6758.

Congress has the power to enact this legislation pursuant to the following:

Article I, Section 8, Clause 1 (To lay and collect Taxes, Duties, Imposts and Excises, to pay the Debts and provide for the common Defence and general Welfare of the United States; but all Duties, Imposts and Excises shall be uniform throughout the United States); and Article I, Section 8, Clause 8 ("To promote the Progress of Science and useful Arts, by securing for limited Times to Authors and Inventors the exclusive Right to their respective Writings and Discoveries") of the United States Constitution.

By Mr. GRIJALVA:

H.R. 6759.

Congress has the power to enact this legislation pursuant to the following:

Article IV, section 3, clause 2

By Mr. RODNEY DAVIS of Illinois:

H.R. 6760.

Congress has the power to enact this legislation pursuant to the following:

Article I, Section 8, Clause 1 of the Constitution of the United States.

By Mr. CICILLINE:

H.R. 6761.

Congress has the power to enact this legislation pursuant to the following:

Article I, Section 8 of the United States Constitution

By Mr. CICILLINE:

H.R. 6762.

Congress has the power to enact this legislation pursuant to the following:

OFFERED BY MR. BRADY OF TEXAS

The provisions that warranted a referral to the Committee on Ways and Means in H.R. 4616 do not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9 of rule XXI.

OFFERED BY MR. BRADY OF TEXAS

The provisions that warranted a referral to the Committee on Ways and Means in H.R. 6718 do not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9 of rule XXI.

EXTENSIONS OF REMARKS

MISSED VOTES EXPLANATION

HON. DINA TITUS

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 10, 2018

Ms. TITUS. Mr. Speaker, I was absent September 4, 2018 through September 7, 2018. If I were present, I would have voted on the following:

Tuesday, September 4, 2018

Roll no. 380—H.R. 6157—On Motion to Insist Conferees: Yea

Roll no. 381—H.R. 6439—On Motion to Suspend the Rules and Pass: Nay

Wednesday, September 5, 2018

Roll no. 382—H. Res. 1049—On Ordering the Previous Question: Nay

Roll no. 383—H. Res. 1049—On Agreeing to the Resolution: Nay

Roll no. 384—H.R. 1635—On Motion to Re-commit with Instructions: Yea

Roll no. 385—H.R. 1635—On Passage: Yea

Thursday, September 6, 2018

Roll no. 386—H. Res. 1051—On Ordering the Previous Question: Nay

Roll no. 387—H. Res. 1051—On Agreeing to the Resolution: Nay

Roll no. 388—H.R. 6147—On Motion to Insist Conferees: Yea

Roll no. 389—H.R. 4606—On Agreeing to the Amendment: Yea

Roll no. 390—H.R. 4606—On Agreeing to the Amendment: Yea

Roll no. 391—H.R. 4606—On motion to Re-commit with Instructions: Yea

Roll no. 392—H.R. 4606—On passage: Nay

Friday, September 7, 2018

Roll no. 393—H.R. 6691—On passage: Nay

HONORING THE LIFE AND LEGACY OF THE HONORABLE LAWRENCE DENARDIS, PH.D.

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Monday, September 10, 2018

Ms. DELAUBRO. Mr. Speaker, it is with a heavy heart that I rise today to pay tribute to the life of an outstanding member of our community, and my good friend, the Honorable Lawrence DeNardis, who passed away earlier this week. Larry was an extraordinary human being whose good work touched countless lives in many ways. He will be deeply missed by all of those fortunate enough to have known him.

Larry served in public life where he demonstrated a unique commitment to public service. He served five terms in the Connecticut State Senate as well as one term in this body as the United States Representative for Connecticut's Third Congressional District. After his term in Congress, Larry went on to serve as the Acting Assistant Secretary for Legisla-

tion at the United States Department of Health and Human Services. He was also appointed by former President George W. Bush as a member of the Board of Regents of the National Library of Medicine—a position which he held for four years.

Larry spent much of his life as an educator and administrator in higher education. Long before either of us were involved in politics, Larry served for sixteen years as the Associate Professor and Chairman of Political Science at Albertus Magnus College, where he hired me to teach a course on international politics. He was also Visiting Professor of Government at Connecticut College, Guest Scholar at the Woodrow Wilson International Center for Scholars of the Smithsonian Institution, and seminar instructor at Yale University. At the close of his professional life, Larry served for over a decade as President of the University of New Haven and under his leadership and direction the University truly prospered. I have often spoke of our nation's need for talented, creative educators, willing to help our young people learn and grow—Larry was just that kind of teacher. His good work and diligent efforts to provide a quality education touched the lives of thousands of young people—going a long way in providing them with a strong foundation on which to build their futures.

It is not often that you find an individual who so willingly dedicates himself to the betterment of his community. In addition to his professional contributions, Larry has worked with numerous local business and service organizations aimed at providing a better quality of life for the residents of the Greater New Haven area.

We may have come from different political viewpoints, but I could always count on Larry to provide insight or guidance when I asked. I consider myself fortunate to have had the opportunity to work with him and to call him my friend. Larry was many things to many people, teacher, community leader, friend, and mentor, but first and foremost, he was a husband, father, and family man. My deepest sympathies go out to his wife, Mary Lou; his four children Larry, Jr., Gregory, Mark, and Lesley; family, friends, and colleagues as we remember Lawrence DeNardis and the inspiring legacy of service he left to us all.

HONORING JAMES NORLYN HOFF

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 10, 2018

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Mr. James Norlyn Hoff and remember his rich and full life.

Mr. Hoff was born in Portland, Oregon and spent his early years in Tillamook and Grand Pass, Oregon. His family moved to Eureka, California when he was twelve years old. Mr. Hoff graduated from Eureka High School and

then interned for California Assemblyman Frank Bellotti in Sacramento, California. He followed this experience with a second political internship in Washington, D.C., where he worked for Congressman Don Clausen.

Mr. Hoff graduated from Humboldt State University with a Bachelor of Arts in Political Science. He was the first Northern Californian to receive the Graduate Fellowship from the Rotary Foundation of Rotary International for the 1972–73 academic year. He was sponsored by the Rotary Club of Eureka and spent the year studying political science at the University of Grenoble in France.

When he returned to Eureka, Mr. Hoff worked for Simpson Timber Company, where he ran their plywood plant. He eventually moved to Seattle, Washington to work in the company's corporate office. After he spent several years working at the company's corporate office in Seattle, Mr. Hoff left to work at his father's radio station, KRED-AM, in Eureka. He also built and ran a radio station, KPDJ-FM, and became known as the local media giant. In 1989, Mr. Hoff started Hoff Outdoor Advertising, which he eventually sold to his mentee.

Mr. Hoff met his wife Claire in Megève, France when he went back to visit her parents. Two years later they met again when she was visiting the United States. They were married in Eureka in 1979 and had two beautiful children, Alexia and Henry. His son Henry currently serves in the active duty Army assigned to the 3rd Brigade, 10th Mountain Division as a Staff Sergeant. Mr. Hoff enjoyed skeet shooting in his free time and won many father and son competitions.

Mr. Speaker, James Norlyn Hoff is the husband, father, businessman and community member we should all strive to be. It is therefore fitting and proper that we honor him here today.

IN RECOGNITION OF THE 75TH ANNIVERSARY OF THE LUDLOW LIONS CLUB

HON. RICHARD E. NEAL

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Monday, September 10, 2018

Mr. NEAL. Mr. Speaker, I would like to take this opportunity to recognize and congratulate the Ludlow Lions Club on the occasion of its 75th anniversary. As the world's largest service club organization, Lions Club International is full of members who volunteer their time to humanitarian causes, fundraising projects, and service endeavors not only in their local communities but also around the globe. The Ludlow Lions Club, chartered in 1943, certainly embodies this commitment to helping those in need, wherever need exists.

The Ludlow Lions Club is one of the busiest clubs in Massachusetts and currently has over 30 members who give their time freely to help others. Their leadership, dedication, and exemplary character is undoubtedly worthy of

Matter set in this typeface indicates words inserted or appended, rather than spoken, by a Member of the House on the floor.

recognition. Over the past 75 years, the Ludlow Lions have devoted themselves to a near countless number of diverse ventures and fundraisers, including annual food drives, college fundraisers, diabetes awareness campaigns, environmental conservation activities, emergency sight and hearing projects, and various youth development programs like the Peace Poster Project to just name a few. It is evident that the Ludlow Lions Club has made numerous positive contributions to the community of which it takes pride in being an integral part. I am confident that they will continue to serve and represent western Massachusetts with honor and distinction for years to come.

Mr. Speaker, over the course of its history the Ludlow Lions Club has truly embodied the motto “We Serve.” Its loyal members have routinely demonstrated an exceptional commitment to helping those less fortunate. That passionate dedication is a hallmark of the agency’s long and admirable tradition of service in western Massachusetts. On the occasion of the Ludlow Lions Club’s 75th anniversary, I wish the organization and its devoted members all the best and much continued prosperity.

INTRODUCTION OF THE COMBATING IMPLICIT BIAS IN EDUCATION ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA
IN THE HOUSE OF REPRESENTATIVES

Monday, September 10, 2018

Ms. NORTON. Mr. Speaker, today, I introduce the Combating Implicit Bias in Education Act. My bill would create a \$25 million grant program for schools to train teachers, principals and other personnel on implicit bias, including with respect to actual or perceived race, religion, sex (including sexual orientation and gender identity), disability, ethnicity and socioeconomic status.

The Department of Education’s Civil Rights Data Collection for the 2015–2016 school year found that students of color, males and those with disabilities received far more severe and frequent punishment than white, female and non-disabled students. Despite the findings of this report, the Trump Administration and U.S. Secretary of Education Betsy DeVos are con-

sidering eliminating the Obama Administration’s guidance seeking to curb exclusionary discipline. Students experiencing implicit bias and even outright discrimination face far greater expulsion and suspension rates, fueling the school-to-prison pipeline and widening the student achievement gap.

The bill aims to reduce the effect of implicit bias on school discipline, academic achievement and academic attainment through research-based training for education personnel. Providing teachers and school officials with training could help close the achievement gap and reduce suspensions and expulsions.

Under my bill, the Institute of Education Sciences under the Department of Education is tasked with evaluating and reporting on the effectiveness of the training.

I strongly urge my colleagues to support this legislation.

HONORING LIEUTENANT GOVERNOR NANCY WYMAN FOR HER SERVICE TO CONNECTICUT

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Monday, September 10, 2018

Ms. DELAUBRO. Mr. Speaker, it is with great pleasure that I rise today to join the Connecticut Democratic Party as well as friends, family, and colleagues from across the state in extending my heartfelt congratulations and sincere thanks to an outstanding Connecticut leader and my good friend, Lieutenant Governor Nancy Wyman, as she is honored with the 2018 Ella Grasso Award.

The first woman to be elected Governor of Connecticut, and the first woman in the nation to be elected without having been the spouse or widow of a former governor, Ella Grasso was a trailblazer for women in the world of politics. Each year, the Connecticut Democratic Party honors a woman serving in public life whose contributions to our state reflect Ella Grasso’s leadership and vision. I can think of no one who has shown more dedication and commitment to making our state a better place for all of our residents than our own Nancy Wyman.

Nancy was an x-ray technician and mother of two when she first ran for public office

seeking a seat on the Tolland Board of Education. She was successful in her pursuit and thus began a career in public service that has spanned more than three decades. Following her eight-year tenure as a member of the Board of Education, Nancy went on to run and serve in Connecticut’s State House of Representatives for four terms before seeking statewide office in 1994. Nancy was the first woman to be elected Comptroller, a position which she held for sixteen years and only left when she was asked by now-Governor Dannel Malloy to be his Lieutenant Governor. As Lieutenant Governor, Nancy has chaired the Board of Access Health CT, Connecticut’s official health insurance marketplace. Created in 2011 to comply with the federal Affordable Care Act, her leadership has helped Access Health CT to become nationally recognized as one of the best health exchanges in the country and a model on which other states have developed their exchanges. Whether on the Board of Education, in the State House, as Comptroller, or Lieutenant Governor, Nancy has served our state and its residents with honor and distinction, earning her the respect and admiration of all of those who worked with her no matter their political persuasion.

Nancy is one of Connecticut’s most beloved politicians. With her witty sense of humor, her straight-shooting honesty, and the sky-high heels she is known for wearing for everything from press conferences to parades, Nancy connects with people from every walk of life. You know she is in your corner every time. I, like so many others, consider myself fortunate to call her my friend and I would be remiss if I did not take this opportunity to thank her for the countless times she has been there for me. She is my soul-sister—a kindred spirit whom I have been proud to work with and I cannot thank her enough for her friendship, support, and good work on our behalf.

Nancy Wyman, in so many ways, is a reflection of the very spirit in which the Ella Grasso Award is given, and I am honored to have this opportunity to join all of those gathered to recognize her and her legacy of service to Connecticut. I wish Nancy, her husband Michael, their two daughters and their husbands, Stacey and Steve Papa and Meryl and Bill Baldwin, and her grandchildren Kyle, Taylor, Lindsey, Max and Sydney, all the best for many more years of health and happiness.
